CALIFORNIA STATE

OBLONG VIEWS

(From an Egg-Shaped Head)
By WALDO HUNTER, P.S.B.

If Drew Pearson can do it, why can't I? Here are some predictions for 1954:

1. All taxes will be cut by one-third.
2. Social Security benefits will be tripled.
3. No one will come out with a report that Hitler is still alive.
4. People will start using automobiles as vehicles instead of missiles.
5. Southern California will get 15 inches of rain.
6. Much to the consternation of Adolf Schoepe, everyone will become so honest that it will no longer be necessary to lock our doors.
7. At least 13 business houses on Center street will modernize their fronts.
8. They will take down the 1890 gas jet chandeliers down at that leading 5 & 10.
9. The police chief will come out from behind mufti and start wearing a uniform.
10. Someone will establish a cafeteria in this town.
11. Anaheim merchants will do something to prevent the city's vast payroll from flowing into the tills of Santa Ana department stores.
12. Westbrook Pegler will ask Eleanor Roosevelt out to tea.
13. R. C. Holles will publish a picture of his public high school diploma.
14. Management and Labor will see eye to eye (not over the muzzle of a gun).
15. Eisenhower will admit that Joe McCarthy is running the country.
16. Moscow will buy a subscription to the Wall Street Journal for all of its citizens who can read.
17. Sometime, somewhere, a U.S. farmer will state that he is satisfied.
18. Food prices will get down to 1932 levels but wages will hold as they are.
19. Hospitals will pare their fees by one-sixty-fourth of one per cent.
20. All TV commercials will be limited to ten seconds.

These predictions may sound unreasonable to some people, but they COULD come true.

Oh shucks! Why keep up this pretense any longer? I'm blasting marijuana. Someone come and take me away.

●

Christmas has come and gone, and now looms the New Year's celebration. The death toll in traffic over the Christmas week end was appalling, and the coming week end may even see more carnage, for it is traditional that there is more consumption of alcohol on New Year's than at Christmas. This is regrettable, for to enter a new year in a drunken blur is hardly the way to turn a new page.

Hard liquor can do some peculiar things to people. Take the case of a Linotype operator we had down here at the Gazette a few years ago who sat down at his machine with a pint or so under his belt. Here is a sample of a story he tried to set into type. (One of the boys took a proof of it and saved it).

(At this point the operator turned off his machine, stood up, and strode blinking and uncertainly out into the bright sunshine, and no one around here has ever seen him or heard from him since).

●

P.S.—A HAPPY NEW YEAR TO ALL.

Mr. and Mrs. Jan Spykerman of 700 S. Citron st. welcomed a baby boy on December 10. The infant weighed 7 lbs. 8 oz. upon arrival in Fullerton Cottage hospital.

'53 Juice Pool Highest in Golden Citrus History

Closed and completely paid out are all 1953 juice fruit pools due to citrus growers whose fruit is consigned to Golden Citrus Juices, Inc. Totaling over $2,500,000.00, the growers payments is the highest in the four years this processing plant has been in operation. Golden Citrus Juices is also the first processor to close both the 1953 orange and lemon pools. The payments made to growers are complete, without revolving funds or withholdings of any type.

The processor's returns represent an average of $43.03 per ton for Valencia oranges and $111.97 per ton for lemons delivered to the plant. Fruit processing is supplied to Golden Citrus Juices by Blue Goose citrus packing houses.

General Manager of Golden Citrus Juices, Phill Twombly says, "The competitively high average return being made to growers for their fruit sent to Golden Citrus Juices by Blue Goose packing houses is due to two reasons. The Golden Citrus plant, because of the large volume of fruit handled and many different products produced, was operated at capacity production during all of 1953. This flexible, efficient operation makes possible Golden Citrus' overhead to be prorated over the entire year and over many products.

"With the Minute Maid Corporation as sales agent for Golden Citrus," states Twombly, "a ready market was available for the frozen concentrates we produced. Minute Maid, the leading brand of frozen concentrated orange juice and lemonade, consistently sells at a premium price. Thus, the higher selling price realized for the finished products permitted Golden Citrus Juices and in turn Blue Goose to return to growers a competitively higher average return for their juice grade fruit."

Expansion Planned

Tom Eadington, president of Golden Citrus Juices, declares a major 1954 expansion program will be started early, the second increase in plant facilities undertaken by Golden Citrus since 1950. It is expected the new facilities will not only increase the plant's production capacity, but also operating efficiency and reduce operating costs below their present low level.

In Orange county, juice grade fruit processed by Golden Citrus Juices is supplied by the Eadington Fruit Company, Knapp Packing Company, both of which ship through Blue Goose, and the Blue Goose packing houses at Fullerton and Orange.

Toperettes Elect Officers

Sybil Ring was elected president of the Topperette club at a recent meeting in the new club home of Maxine Kirkharte. Date street. Helping to guide the club in the new year will be Maxine Carlson, vice-president; Vangie Schumacher, secretary; Betty Dodge, treasurer, and Maxine Kirkhart, historian. Installation has been set for January 5.

Jean Chamberlin presided at the business session which saw a monetary gift earmarked for elderly patients in Orange County hospital.

The evening was devoted to bridge and canasta with prizes going to Lorraine Whitney, Selma Wood, Vangie Schumacher, Sybil Ring, Cy Masszger anl Charlene Jaggers.

At the conclusion of cards, guests gathered around the Christmas tree where molded salads and nut bread were served by co-hostesses Jean Chamberlin, Margie Long, and Corinne Deverall, and gifts were exchanged.

NEW YEAR'S EVE WATCHNIGHT SERVICE

The First Baptist church, Broadway at Citron, announces special services for New Year's eve. The service begins at 9 P.M. Thursday evening. A motion picture, "Return to Faith," games, refreshments, followed by a Candlelight Prayer and Communion Service is the order of the evening. Everyone is invited to attend.

The Rev. Frank Butterworth of White Temple Methodist church has announced that there will be a candlelight New Year's Eve Communion and Watch Night Service tonight in the Sanctuary from 8 to 9 p.m. (Dec. 31).

At the midnight chime of the bells, a New Year will cross the horizon of Time . . . bringing with it the promise of a page, unread . . . the hope of a new day's dawning . . . the inspiration of a fresh beginning. May the promise be fulfilled, the hope realized, and the inspiration rewarded with achievement for you and yours in 1954.

ANAHEIM GAZETTE

Battering Gales Damage Crops in Orange County

Gales with gusts up to 80 miles per hour again battered Orange County this week leaving in their wake many fires and damage to avocado and citrus crops.

Throughout the county fire crews were busy extinguishing blazes caused by unattended trash fires that were shipped into life by the wind. Trees were felled throughout the county and roads were closed by blinding dust.

Power lines suffered from falling trees and limbs and many sections of the county were blacked out until crews could repair the damage.

Damage was of a minor nature over most of the county, with plate glass windows blown out, signs taken down and trees ruined.

In some areas, small immature oranges littered the ground. They were written off as a total loss by growers. Groves hit the hardest were those along highways and those unprotected by windbreaks. Growers said only a few trees were down.

No accurate estimate of damage to orchard crops was available, but some ranchers claim it will run several million dollars. Fruit knocked to the ground, dehydration and reduction in sizes due to the dust, winds, scratched and damaged fruit were figured in the loss estimate.

Dixon W. Tubbs, county agricultural commissioner, said the wind was the most severe since 1947 when ranchers suffered a big crop loss.

Crew Named Co-Chairman of Hospital Campaign

Cecil C. Crew of Fullerton accepted the responsibility of General Co-Chairman with Harvey E. Stonehouse for the St. Jude Hospital Building Fund Campaign Committee.

This action was taken at a luncheon meeting of all campaign committee chairmen held Monday, at La Habra's Cirque restaurant.

It was pointed out that the volume of work involved in keeping abreast of twelve individual community campaigns being conducted simultaneously is such as to demand the attention of two chairmen. Crew will keep in touch with community committee heads for the purpose of advising and assisting them in completing their campaigns promptly and successfully.

Will Not Seek Re-Election

District Attorney James L. Davis has announced he will not be candidate for re-election in 1954, and plans to retire from office a year from now at the expiration of his third term as the county's chief prosecutor

Davis has served as deputy district attorney until 11 years ago when he was named for his present office. He is a native of Missouri and has been a county attorney in Montana before coming to California.

Hospital Building Fund Tops $300,000 Mark

The St. Jude Hospital Building Fund has topped the $300,000 mark, according to a progress-report released from committee headquarters, 103 W. Valencia Mesa Drive.

The actual total was set at $300,601.67 which represents 39% of the $750,000 total needed to insure construction of the $2,000,000 multiple-story, 100-bed general hospital.

By far the largest portion of the amount was contributed by the oil industry committee headed jointly by E. B. Buster and Adolf Schoepe.

The oil committee has brought in $138,191.31 while the manufacturers committee has realized $97,000.

However, it was pointed out that the big businesses and industries cannot carry the load by themselves. In the final analysis, it was said, the success or failure of the campaign will be up to each individual in each of the communities to be served by the hospital.

Each of the communities must bear its share of the load, the report stated.

Fullerton's quota is $125,000. C. Stuney Chapman, chairman of the Fullerton St. Jude Campaign committee, said that 12% of the quota had been collected. The amount was set at $15,430.84. Buena Park has realized 10% of its $10,000 quota, according to D. G. McComber while La Habra has 7% of goal, $50,000. Wendell Thayer, chairman for La Habra, set the figure at $3,504.16. McComber, Buena Park chairman announced its actual figure of $1,050.

V. G. Ryland, special gifts committee chairman, announced $20,550 from that quarter. Miles A. Sharkey, medical committee chairman, reported $23,915. The medical committee quota is $100,000.

County Receives Over $100,000 as Its Share of Highway Users Tax in October

SACRAMENTO, CALIF., Dec. 21—Robert C. Kirkwood, State Controller, today announced that Orange County receives $100,046.15 as its share of the $5,083,195 apportionment of highway users taxes for the month ended October 31, 1953.

Heretofore apportionments have been made on a quarterly basis. This is the first monthly apportionment under the provisions of 1953 legislation, Kirkwood stated.

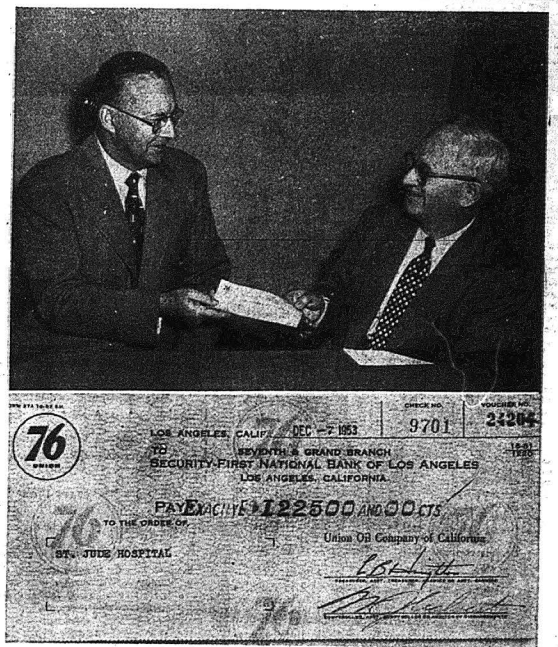
Distribution of $22,800,285 from the Highway Users Tax Fund for October, 1953, was as follows:

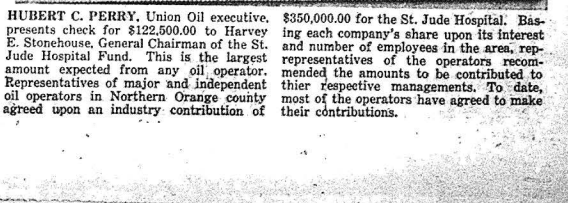
Counties, $5,083,195; State highway fund for cities, $2,063,625; and state highway fund for expenditures on highways, $15,653,465.

The October apportionment represents an increase of $3,809,470 over the total distribution for September, and $6,614,844 over the distribution for the same period last year. The approximate 40% increase over last years period is primarily due to the increase in tax rate from 4½ cents to 6 cents per gallon on gasoline, said Kirkwood.

The amount distributed was derived during the period Oct. 1 through Oct. 31, 1953 from the following sources:

Net gasoline tax, $20,029,151; Use (Diesel) fuel tax, $1,242,167; Transfer from Motor vehicle transportation tax fund, $1,528,620, and miscellaneous, $347.





HUBERT C. PERRY, Union Oil executive, presents check for $122,500.00 to Harvey E. Stonehouse, General Chairman of the St. Jude Hospital Fund. This is the largest amount expected from any oil operator. Representatives of major and independent oil operators in Northern Orange county agreed upon an industry contribution of $350,000.00 for the St. Jude Hospital. Basing each company's share upon its interest and number of employees in the area, representatives of the operators recommended the amounts to be contributed to thier respective managements. To date, most of the operators have agreed to make their contributions.

Fishing Problem Believed Solved

SAN DIEGO—The icy transcontinental air trip made by a few aluminum milk cans full of fish recently may have brought California the answer to one of her major warm-water fishing problems. The cans, flown in through early winter storms from Tennessee, contained a brood stock of hundreds of adult threadfin shad—a highly rated small fish for black bass to feed on. Lack of a suitable food fish has long kept down the bass populations in many California waters.

The flight from Tennessee marks the first time the temperamental threadfins have ever been successfully carried in an airplane.

Department biologists believe the new fish will be particularly valuable for planting in large reservoirs. They feed on plankton—microscopic plants and animals which are present everywhere in the water. The fish now in these reservoirs feed mainly close to shore, and thus a great deal of the food actually available is not utilized.

The threadfins multiply rapidly, and even adults remain small enough for the bass to eat. Baby bass, which are often unable to tackle the larger native minnows, can thrive on the threadfin shad. The new fish are being held in several special breeding ponds near San Diego. Plantings will be limited at first to a single lake, to make sure that any unforeseen problems that come up can be quickly controlled.

What are YOUR Valencia Orange Prospects for 1954?

Harvest time is a long way off, but

RIGHT NOW

is the time to change to a better packing-house connection

READ THE RECORD!

Compare these achievements of MOD in '53 - - -

- MOD packing-houses picked members' fruit when it was at its best in quality. Careful supervision of picking prevented crop losses due to crystalization and drop.
- MOD offered only TOP QUALITY eating fruit for sale in fresh form. Much of the poor market for Valencia oranges last year was caused by other factors in the industry shipping inferior fruit which brought low prices and adversely affected ALL returns.
- MOD shippers received prompt CASH PAYMENTS at current market prices for products fruit. MOD packing-house managers knew just how much was being paid for products fruit each week. They were able to ship their BEST GRADES and SIZES to fresh markets and get CASH money for fruit going to processors.
- MOD increased its membership and added more than 700,000 field boxes of lemons. Lemons will aid in the sale of Valencia oranges because NOW, MOD can supply ALL the citrus requirements of their customers.

Officers Chosen By Relief Corps

Senior vice-president Alice Robert presided at the recent meeting of the A. B. Paul Woman's Relief Corps in I.O.O.F. hall and announced the following officers for the new year:

Alice Robert, president; Ota Thomson, senior vice-president; Bessie Leep, junior vice-president; Linnie Campbell, treasurer; Ella May Bauer, secretary; Leona Hull, chaplain; Mary Mitchell, conductor; Julia Cox, assistant conductor; Sylvia Myers, patriotic instructor, Isabel Illingsworth, guard; Myrtle Heying, assistant guard; Mabel Eaton, press; Mabel Lukens, musician; Daisy Bovee, Clara Twiford, Emma Yale and Lucy Alvord, color bearers.

Ruth Johnson, past deputy president, will install the officers January 5.

Maud English was accepted into the auxiliary as a transfer from Fullerton Corps.

The welfare report showed disbursements to be: Patriotic welfare other than cash, $5; TB stamps, $8; child welfare $5; three bouquets, $1.50; 60 cards sent; 20 calls made.

Donations to Arlington Girls town amounted to $18.

Beckman Expands Field Service

SOUTH PASADENA—Five new field repair specialists have been assigned headquarters in the U. S. and Canada by Beckman Instruments, Inc., national manufacturer of instruments for science and industrial process control.

The service men—all qualified electronics maintenance experts—will conduct on-the-spot servicing of Beckman equipment in laboratories and industrial plant installations. Their assignment follows an intensive 12-week factory-training course in California.

Service headquarters are located at Los Angeles, Calif., Washington, D. C., Mountainside, N. J., Houston, Texas, and Toronto, Canada.

Bethel Missionary Circles Meet

The Women's Missionary society of the Bethel Baptist church met in their respective circles this week.

The Meyer circle, in the home of Mrs. Dorothy Ernst, Orange, and the Eggert circle, in the home of Mrs. Victor Schmidtmann, began at 10 a.m., and held a luncheon meeting.

Afternoon meetings were held by the Wedel circle in the home of Mrs. L. Shadick and the Pieper circle, in Mrs. Harry Urbigkeit's home.

Four circles met evenings as follows: The Fries circle in the home of Mrs. Otto Trapp; the Isbell circle in the home of Mrs. Tena Meger; the Bowen circle ladies met in the home of Mrs. Adolph Baudisch and the Just-Us circle in the home of Miss June Carol Jungkeit.

The women had an all day sewing day. Both the Cherub choir and the Carol choir (children's choir) are having new robes. Many of the women have worked hard to finish the new robes. The older children's robes will be maroon with white collars. The smaller children will wear white with maroon bow ties.

All circles did white cross work in their meetings. This work is to go to Africa where the denomination has a hospital.

Mystery Girl Enters Contest

A charming Miss from Anaheim giving the name of "Elaine" has entered the search being conducted by the Santa Ana Detachment of the Marine Corps League to find "Miss Marine Corps League of Orange County."

When found, the lucky lady will receive an all-expense trip to Washington, D. C. where she will be royally entertained.

There is still time to enter and any single Orange County girl between 17 and 25 is eligible; write to Commandant Charles Lyon-Campbell, 926 Lacy St., Santa Ana or Miss Marine Corps League, PO Box No. 215, Buena Park.

That Tax Cut After January 1

The American taxpayer will come home from work with a lighter heart and a heavier pocket after January 1.

That will result from the 10% cut in income taxes which will take effect with the New Year. In California, it is estimated that the saving will amount to $250 million—a sum sufficient to be mentioned even in these days when school children learn to count by beginning with one billion. It is also large enough to make its presence felt in the California economy.

Financial experts point out that the tax cut presents a golden opportunity for families to set the money aside which they will no longer have to pay and keep it for some useful purpose. It's all too easy, they say, to let the increased take-home pay become lost in the family expenses. If you're betting along reasonably well now without the 10 per cent cut you can do it in 1954 and be dollars ahead by building up your reserves with the tax saving. Ten per cent tax cuts don't come along very often and it's best to make the most of them.

Awards Made to Members of Majorettes Club

End of the year trophy awards for points earned throughout the past year's activity were made to members of the Majorette Club as members gathered in the Leonora street home of their instructor Sybil Ring for the annual Christmas party.

A special award went to Club leader, Shirley Crosbie. Other winners were Mae Beth Troster, Jean Brown, Katherine Spire, Marilyn Mayberry, Kendra Benson, Carol Gregory, Rita Ring, Marian Spencer, Barbara Murdock and Dolly Hathcock.

The teen-agers played quiz games concerning events in which they had participated and enjoyed a novel bargain-buy Christmas auction. Prizes were won by Beverly Buell, Darlene Reese, Barbara Murdock and Suzanne Pebley.

Santa Claus was on hand to distribute gifts and snow ball desserts were served by candle light.

Mr. and Mrs. Daniel Allec, 13962 Orangewood ave., welcomed their first-born in St. Joseph hospital on December 11. Their baby daughter weighed 7 lbs. 4 oz. on arrival.

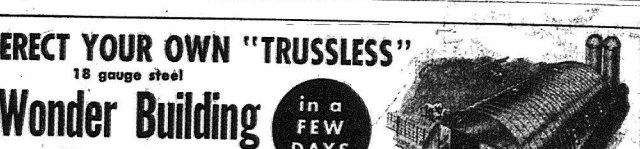
ERECT YOUR OWN "TRUSSLESS"
18 gauge steel
Wonder Building in a FEW DAYS
. . . . IT'S THIS EASY



You simply make an erection scaffold slightly shorter than the height of the building ordered. Lap and bolt half arches on the ground as indicated.

Lift an assembled single half arch and lean against scaffold

Set the other half arch on the other side of the scaffold. Lap and bolt to complete one full arch. Continue this same procedure, bolting seams together until your building is completed.

LOW COST
- No Foundation!
- Standard Steel Ends Furnished
- 18 Gauge Galvanized Steel!

THE ONLY FASTENING IS A NUT & BOLT!

The average household probably contains all the tools you need to erect a Wonder Building. You can use simple tools like a wrench and a screwdriver. For faster bolting you might want to use a ratchet wrench or an electric tool. Many Wonder Buildings have been completed in two days. Wonder Buildings are fireproof and withstand heavy wind and snow loads. Wonder Buildings come in many widths, 20', 30', 40', 50', 60' and as long as you want it. The building is demountable and may be lengthened or shortened two feet at a time at will. There are absolutely no braces or trusses of any kind. Wonder Buildings are used as Barns, Machine sheds, cattle shelters, for grain storage, etc. There is no place for birds to roost.

Kirkwood Reports State Bonds; Cash

SACRAMENTO, CALIF., Dec. 28—Robert C. Kirkwood, State Controller, today reported cash and bonds in the State Treasury of $126,020,537 as of November 30, 1953. This compares with $107,682,398 as of October 31, and $130,490,224 on November 30, a year ago. The General Fund balance figure excludes revenue which is restricted to a specific purpose.

Controller Kirkwood's November 30th statement shows an increase of $28,338,139 over October 31, 1953. Of this increase $27,148,740 represents the excess of November 1953 unrestricted revenue over governmental cost expenditures, to which is added $1,170,507 in non-revenue receipts and a reduction of $18,892 in non-governmental cost expenditures.

General Fund unrestricted revenues deposited in the state treasury during the first five months of the 1953-54 fiscal year, total $325,687,663, an increase of $33,164,939, or 11.34%, as compared with the corresponding period last year.

Revamp Rarebit For Good Eating

A new adaptation of an old-time favorite—is Mushroom Rabbit. To your favorite cheese sauce, seasoned in high style with cayenne pepper, dry mustard and Worcestershire, add sauteed mushrooms. The contents of a four-ounce can of mushrooms blended with a cup of cheese sauce will turn the trick. Serve the mushroom mixture over buttered hot toast.

New Project is Started by Club

The Korn Huskers 4-H Club started a new project at the recent meeting held at the Pletz ranch, 7342 Ball rd. Club leader, Carl Korn gave details of the proposed tractor project. A tractor film from the County Agricultural office will be shown at the January meeting.

President Charles Holland conducted the business session and appointed the following committee members to plan the December Christmas party: Joan Perry, Bob Schurings, and Charles and Floyd Holland.

Program Chairman, Ronny Korn led guessing games at the close of the business meeting, and refreshments were served by Sally Cauler and Lynn Ann Pletz.

Federal Flood Control Receipts For Fiscal Year

SACRAMENTO, CALIF., Dec 24—State Controller Robert C. Kirkwood today announced the apportionment of $467.00 in Federal flood control receipts to Orange county for the fiscal year 1952-53.

California received $60,422 during the 1952-53 fiscal year, which represents 75 per cent of the amount collected by the Federal Government from flood control lands within the state.

This money is being distributed to the four counties in which flood control lands are situated, as follows: Los Angeles, $30,093; Riverside, $15,747; San Bernardino, $14,115; and Orange, $467.

The Federal Flood Control Act of 1938, provides that this money is to be expended as the State Legislature may prescribe for the benefit of the public schools and public roads of the counties in which the leased lands are located. The related California Act stipulates that each county receiving an apportionment of Federal Control receipts shall deposit 50 per cent thereof in its county school service fund and 50% in its general road fund, stated Controller Kirkwood.

Clarence Fleming of 938 Claudina st. is passing the cigars. His wife presented him with a 7 lb. 4 oz. daughter in St. Joseph hospital on December 11.

YMCA Delegates 'Legislators'

Final results of the spirited contest for a place on the Delegation Team of the 16th Annual YMCA Model Legislature were announced recently, and 16 happy high school Y club members are looking forward to the trip to Sacramento in February. Out of 47 fellows and girls who qualified in September by attendance at a pre-legislative training session in Whittier, 21 stayed in the race, wrote Bills, attended practice sessions locally, and finally appeared before a civic committee recently.

Ratings of the committee together with ratings from their club and Y leaders, plus their participation record gave the final scores. The top 15 scores went to the following people in order: Jim Moore, Caroline Fechter, Zoe Fort, Marilyn Richards, Jan Critchfield, Charlyn Schmid, Peggy Kohlenberger, Ann Betts, Roger Pinkstaff, Clara Walker, Gloria Taylor, Marilyn Koontz, Patricia Roberts, Barbara Olsen, and Eileen Bruhns. The 16th delegation member is Reynette Wallace, who was elected as a youth officer at the Whittier meeting.

Judges from Local Clubs

Assisting in the judging were members of Local Service Clubs, including Hildred Ferrell and Pearle Wagoner from Altrusa Club; H. C. Nelson and Claude Owens from Rotary Club; Harwood Larson and Walt Gooden from Optimist Club; Chester Ferris from Lions Club; Steve Holden from Y's Men Club; and Paul Bruce and Clyde Jones from 20-30.

The youthful legislators will continue to prepare themselves by presenting their Bills before local groups in order to perfect their arguments before they become "Model Legislators" in February. The entire state will be represented as the YMCA Youth take over the Legislative Houses from February 17-20 and with their own officers presiding will occupy both Senate and House for the four-day session. Five of the local youth will be delegates, five will be 'delegates-in-training,' and five will be observers. The local program is under the supervision of Nan A. Moore, Girls' Work Secretary of the YMCA.

Baptisms Listed

According to the Rev. John Kimball Saville, rector of St. Michael's Episcopal church, the following baptisms have recently been entered in the parish register:

Valerie Jean Bagby, Arthur Gary Thornton, Joanne Marie Thornton, Karen Louise Thornton, Ralph Roscoe Rouland, Frederick Klein, Stanley W. Schulte, John Edward Burrman, Leslie Ann Monell, Russell Paul Monell, Linda Suzanne Monell, Frederick Hawk Scheffler, and Susan Patricia Fletcher.

Anaheim Girl's Betrothal Told

The traditional passing of chocolates by Miss Carol Hochuli at a meeting of the Palmer Society of Whittier college, where she is a student, signified her engagement to Howard Stanfield, son of Mr. and Mrs. John Stanfield of Indio.

Miss Hochuli is the daughter of the late Walter Hochuli and Mrs. Hochuli of 511 E. Broadway and is well known in musical circles here. She is a graduate of AUHS and Fullerton Junior College.

The bridegroom-elect is a member of the U. S. Army and sailed for the European theater of operations Dec. 17. He expects to enter dentistry school after an 18-month tour of Army duty.

No date has been set for the

Mr and Mrs. Max Trujillo, 323 S. Clementine st., announce the birth of a 6 lb., 15 oz. son in Santa Ana Community hospital December 8th.

'F' GROUPS CHRISTMAS PROJECTS

The Y-Delis, Carol Strachen, president, spent several evenings making scrap books of gay pictures for the children of Orange County hospital. The books were delivered for the holidays to the small inmates.

The Live Y-ers, Sally Shaffer, president, presented a basket of food to a needy family, and held a Christmas party December 15th.

Christian Science Lesson-Sermon

The rules of divine healing practiced by Christ Jesus are available today declares the Sunday Lesson-Sermon on "Christian Science" in all Churches of Christ, Scientist.

In the Golden Text Isaiah exclaims (52:9,10): "Break forth into joy, sing together, ye waste places of Jerusalem: for the Lord hath comforted his people, he hath redeemed Jerusalem. The Lord hath made bare his holy arm in the eyes of all the nations."

"According to a Bible selection from John's Gospel (14:6,15,16) Jesus said to his followers, "I am the way, the truth, and the life:

"Aviation today is the largest industry in the seven western states both in employment and payroll and outstrips the next three ranking industries combined. (Fortnight—Dec.) no man cometh unto the Father, but by me . . . If ye love me, keep my commandments. And I will pray the Father, and he shall give you another Comforter, that he may abide with you for ever."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "Christ's Christianity is the chain of scientific being reappearing in all ages, maintaining its obvious correspondence with the Scriptures and uniting all periods in the design of God . . . Our Master said, 'But the Comforter . . . shall teach you all things.' When the Science of Christianity appears, it will lead you unto all truth" (p.271).

To all our friends and patrons, we take this chance to say,
"A Happy New Year to you all." We wish that on this day
We could invite you to drop in for a toast to Fifty-Four.
We'd like to shake each neighbor's hand and tell you that
this store
Appreciates your friendship and hereby makes resolve
To keep our standards high and prices low as years revolve.
What we can't do in person, we are pleased to set down here:
So we send Old-Fashioned greetings that are none-the-less sincere!

Chlorine Units Safeguard Water

Fifty complete water purifying units, each capable of replacing the chlorinating facilities of a major city's water supply, have been delivered to the Sacramento and Pomona warehouses of the State Office of Civil Defense. Training of health department personnel in their operation and maintenance will soon get under way.

Thus will be assured provision for safe supplies of water for human consumption not only in the event of an enemy attack, but also after any major natural disaster in California. Contamination of water supplies invariably results from floods, earthquakes and similar large-scale catastrophes.

Each of the purifying units, which were purchased entirely with state funds, consists of a power - driven hypochlorinator equipped with its own generator for use when power sources fail, heavy duty chlorine injection hand pump, hoses, mixing barrels and chlorine powder. An additional water-powered hypochlorinator will be included with those units to be assigned near the major metropolitan target areas.

Following conclusion of the training program, the equipment will be turned over to full-time city and county health departments in target, support and potential evacuation areas which will be responsible for their maintenance and ready accessibility in emergency.

IN THE DAYS OF LONG AGO

From the Files of Anaheim Gazette

By MRS. HENRY KUCHEL

50 Years Ago

1904

The city trustees met in regular session on Tuesday evening. Present: Trustees Schneider, Rust, Berdrow and Fletcher: Absent, Weisel.

A petition was presented from the Home Telephone company asking that a franchise for operation of their business in this city, be advertised for, according to law.

The trustees, after discussing the matter thoroughly decided to instruct City Attorney Melrose to prepare such a franchise and submit same to the board for its approval after which it will be advertised.

Marshal Steadman reported collections of $1,284.45 net, which was turned into the city treasury. Treasurer Hartung reported funds in bank amounting to $6,153.59.

Recorder Howard reported he had six arrests in his court during December; fines $40. Deeds were received for sidewalks on N. Los Angeles street from all property owners affected. A six-foot walk and curb will be constructed. The city pays 45 cents per running foot, the owner's the remainder.

Messrs. Schneider and Adams have petitioned to be permitted to purchase old roof iron. Referred to public improvement committee.

Property owners on West Center street petitioned for more lights. Referred to Engineer Lewis.

The committee on public improvements reported as follows:375 ft. of 2-inch pipe laid on Hedwig street between Cypress and Adele; 200 feet of two-inch pipe laid on Sycamore street from Emily street west; water connections made for Mrs. Trendle on Sycamore street; J. Kohlenberger on Emily street, T. Pressel on Center street, and C. Kohn on Center st. Houses wired for electric lights: Residences of E. W. McCollum, J. P. Hartzfeld, J. F. Ahlborn, L. Nemetz, Misses Aubert, H. Gade, C. E. Kleiner and packing house of California Citrus Union. A new light installed for Jos. Helmsen, A. Nagel, High School, F. W. Fleischman, G. F. Martin; J. P. Howard, Commercial Hotel, S. J. Paschall and S. Kistler.

The committee reported Center street oiled from Hermine to Los Angeles; Los Angeles street oiled from Lemon to Palm. Gutters are being cleaned on Center and Los Angeles streets. City teams are hauling gravel. New water and light meters are being installed.

Bills to the amount of $1,993.71 were ordered paid.

In the absence of City Clerk Merritt, who is confined to his home with la grippe, City Attorney Melrose kept minutes of the meeting.

At the meeting of the Chamber of Commerce this evening a new board of seven directors will be chosen to serve during the ensuing year. New tickets are in the field, one composed of J. S. Howard, Gerald Sandilands, J. F. Ahlborn, P. H. Krick, C. G. McKinley, L. E. Miller and Godfrey Stock. The other comprises the names of C. A. Bissell, E. W. McCollum, C. E. Holcomb, Max Nebelung, J. P. Hatzfeld, W. B. Hutchinson and M. Barborka. Arrangements will probably be made for some social feature to follow the election.

Arch Henry was in town yesterday from Caledonia. He reports irrigation the rule of the day in his neighborhood.

75 Years Ago

1879

Yesterday afternoon as Mr. N. H. Mitchell was leading a horse about five miles from town, the rope in some way got under the tail of the animal he was riding. This caused it to "buck" and Mr. Mitchell was thrown. His foot caught in the stirrup and he was dragged some distance. Fortunately the boot was a large one and soon came off, otherwise he would in all liklihood have been killed. As it is he is very badly bruised.

Ten acres of land near the railroad depot was sold the other day by Mr. Henry Boege for $100. The purchaser was Mr. Crowe.

Mr. Hippolyte Cahen has just received from Mr. Wm. Niles of Los Angeles, a large supply of "American Poultry Food." It is said to be the very best food which can be given to young chickens.

TIME FOR CHANGE, SAY CAR MAKERS

It's time for a change in license tags as well as automobiles as the new passenger car model season reaches its peak. The 1954 state plates, says Chevrolet, will furnish the final touch of up-to-the-minute styling to its latest passenger car line.

The marriage of Thos. S. Grimshaw and Miss Emma Kraemer occurred on January 16 at the residence of the bride's parents. Rev. E. Halliday performed the ceremony. We join with their many friends in wishing them a long life of happiness.

Accompanying the compliments of Mr. and Mrs. T. S. Grimshaw, was an abundance of wedding cake, which one and all of the Gazette's corps partook with great satisfaction

Mr. Benjamin Rice of Garden Grove made us a very pleasant call on Wednesday. He informs us that nearly all of the arable land on the Alamitos has been rented to farmers this year. Corn, Odessa wheat and castor beans are the crops to which special attention will be paid.

The weather is quite unsettled. On Monday afternoon there were several heavy showers. The rain gauge showing a fall of nearly a quarter of an inch. Between 1 and 3 o'clock yesterday there was a very heavy rain. The total for the storm as reported at the depot is 2.21 inches.

Rev. F D. Bovard preaches every Sunday at half past two in the new church in Garden Grove. It is a rare treat to hear him. One of his brothers has recently returned from Africa where he went as a missionary.

The receipt of a jar of olives and a bottle of olive oil from Mr. E. A. Saxton will furnish us an opportunity to make some remarks on olive culture next week.

L. Wartenberg has been appointed guardian of Henry Schwartz, an insane person, upon giving bonds in the sum of $1000.

Ryland's circus will give performances in Anaheim on Friday and Saturday nights. The tents will be pitched in the rear of the Anaheim hotel. This circus performed here six year ago, since which time it has now traveled through Lower California, New Mexico, and Arizona. It has several special features of great merit, chief of which is the wonderful troupe of trained dogs, which many of our citizens remember.

We acknowledge the pleasure of a call from Mr. Joseph Bench of Orange. Mr. Bench tells us that the beautiful orange groves of our neighboring town have escaped all injury from frost. Many of the plantings of oranges are just coming into bearing, and it is claimed that the fruit this year is larger than that grown in Los Angeles. The orange crop of Orange will soon bring riches to the people and fame to the appropriately named community.

In the probate court on Monday, Mr. Henry Kroeger was appointed administrator of the estate of Christian Kroeger with bonds fixed at $26,000.

The school trustees have engaged Mr. Voight, at a salary of $15 per month, as janitor of the new school house. His duties include the care of grounds as well.

'53 Juice Pools Paid Out...

Golden Citrus is first again!

Again this year, Golden Citrus Juices is the first processor to close and pay out in full both the 1953 orange and lemon pools. *And what is more important, the return to growers is considerably higher per ton of fruit than Golden Citrus' nearest known competitor.*

Golden Citrus Juices' *average return* to growers for fruit delivered by Blue Goose packing houses is . . .

$43.03 per ton for Valencia Oranges

$111.97 per ton for Lemons

There are three good reasons for Golden Citrus Juices consistently being the first to pay out completely its juice fruit pools and for the returns to be the highest in the industry. They are—

1. Golden Citrus Juices unquestionably operates the California Citrus Industry's most efficient and economical processing plant. Running at or near capacity all year 'round, overhead is prorated over many products.

2. Minute Maid Corporation, the Nation's largest and most successful citrus juice marketing organization, is the sales agent for Golden Citrus. Minute Maid's wide distribution, aggressive merchandising, and excellent consumer acceptance assures a ready market for Golden Citrus' production under the Minute Maid brand.

3. American Fruit Growers (after January 1st, American National Foods, Inc.—the world's largest cooperative marketing organization for fresh fruits and vegetables) and its affiliated shippers supply the fruit processed by Golden Citrus. These high volume, low overhead Blue Goose packing houses handle fruit at a very low cost to growers.

Citrus Growers—both Orange and Lemon—your local Blue Goose packing house manager will welcome the privilege of showing you how he, Golden Citrus Juices and Minute Maid, together, can help you gain *prompt* and *competitively high* returns for your total crop.

Make your reservation for the 1954 pools, now.

GOLDEN CITRUS JUICES
INCORPORATED
PROCESSING FRUIT FROM AMERICAN FRUIT GROWERS INC., AND AFFILIATED SHIPPERS

Ninety-five % of Business Done On Credit Terms

Today an estimated 95% of all dollar commercial transactions in the United States are made on credit terms, with buyer and seller brought closer together thru' information available for sales and credit purposes.

A total of 4,498 mercantile businesses were recorded for Orange county when the physical count of names of business listed in the November, 1953 Reference Book of Dun & Bradstreet was completed.

According to Richard G. Dunean, manager at Los Angeles, these were rated businesses, since the Reference Book lists commercial enterprises—manufacturers, wholesalers, retailers and other businesses generally buying regularly on credit. It does not, however, include some service and professional establishments such as real estate brokers, barber and beauty shops, stock brokers, etc. Thus, figures for all businesses in Orange county would be higher than the ones quoted above.

Reference book listings in November, 1953: Anaheim, 490; Fullerton, 322; Garden Grove, 133; Laguna Beach, 292; La Habra, 126; Newport Beach, 211; Orange, 221 and Santa Ana, 1123.

LEGAL NOTICES

(Pub. Anaheim Gazette, Dec. 31, 1952, Jan. 7, 1953)

NOTICE OF ELECTION IN STANTON COUNTY WATER DISTRICT.

NOTICE IS HEREBY GIVEN to the qualified electors of the Stanton County Water District, in the County of Orange, State of California, that a special election will be held in said district on January 26, 1954, pursuant to and in accordance with the following resolution, which resolution states the purpose of said election, the voting precincts established therefor, the location of the polling place therein, the hours the polls will be open, and the names of the election officers selected to conduct said election in each precinct, to wit:

RESOLUTION NO. 1
RESOLUTION OF THE BOARD OF DIRECTORS OF STANTON COUNTY WATER DISTRICT ORDERING, CALLING, PROVIDING FOR AND GIVING NOTICE OF A SPECIAL ELECTION TO BE HELD IN SAID DISTRICT ON TUESDAY, JANUARY 26, 1954, FOR THE PURPOSE OF SUBMITTING TO THE QUALIFIED VOTERS OF SAID DISTRICT A PROPOSITION TO INCUR BONDED INDEBTEDNESS OF SAID DISTRICT FOR A CERTAIN DISTRICT IMPROVEMENT.

The Board of Directors of Stanton County Water District does hereby RESOLVE, DETERMINE AND ORDER as follows:

Section 1. That this Board deems it necessary that the Stanton County Water District incur a bonded indebtedness in the principal amount of one hundred ninety thousand dollars ($190,000) for the purpose of the acquisition of capacity (including rights of use) in the Magnolia Trunk Sewer, located in Magnolia, Cannery and Bushard Streets and presently owned by certain other districts and cities, and for the acquisition and construction of trunk and force main sewers and sewage pumping and metering facilities, including the acquisition of all land, easements, pipe, pumps, meters, machinery, apparatus and other property necessary therefor.

Section 2. That, following a hearing thereon as by law provided, this Board has determined, and does hereby determine and state, that the whole of said county water district will be benefited by the accomplishment of the purpose above stated and by incurring said bonded indebtedness.

Section 3. That the amount of bonded indebtedness proposed to be incurred for said purpose is one hundred ninety thousand dollars ($190,000); that the maximum term the bonds to be issued shall run before maturity shall be the maximum term permitted by law, to wit: forty (40) years from the date thereof, but said bonds may be made to mature within a lesser number of years; that the maximum rate of interest to be paid on said indebtedness shall not exceed the maximum rate permitted by law, to wit, seven per cent (7%) per annum, payable annually for the first year and semi-annually thereafter, the actual rate or rates of interest on said bonds to be determined at the time of the sale or sales thereof.

Section 4. That a special election be held, and the same is hereby called to be held, in Stanton County Water District on the 26th day of January, 1954, for the purpose of submitting to the qualified voters of said district the proposition of incurring the said indebtedness and issuing bonds of said district therefor, in the amount hereinabove set forth, and for the purpose hereinabove stated.

That if the proposition for the incurring of said indebtedness and bonds first receives the requisite number of votes, to wit, more than two-thirds of the votes of the qualified voters voting on said proposition, bonds of said district in not exceeding the principal amount hereinabove stated shall be issued and sold for the purpose hereinabove set forth.

Section 5. That the polls for said election shall be opened at seven o'clock A.M. of the day of said election and shall remain open continuously from said time until seven o'clock P.M. of the same day, when said polls shall be closed except as provided in Section 1234 of the Elections Code of the State of California.

That on the ballots to be used at said special election, in addition to any other matters required by law, there shall be printed substantially the following

OFFICIAL BALLOT
SPECIAL WATER DISTRICT ELECTION
STANTON COUNTY WATER DISTRICT
Tuesday, January 26, 1954
INSTRUCTIONS TO VOTERS

To vote stamp or write a cross (+) in the voting square after the word "YES" or after the word "NO." All marks otherwise made are forbidden. All distinguishing marks are forbidden and make the ballot void. If you wrongly mark, tear or deface this ballot return it to the inspector of election and obtain another.

PROPOSITION shall the Stanton County Water District incur a bonded indebtedness in the principal sum of $190,000 for the purpose of the acquisition of capacity (including rights of use) in the Magnolia Trunk Sewer, located in Magnolia, Cannery and Bushard Streets and presently owned by certain other districts and cities, and for the acquisition and construction of trunk and force main sewers and sewage pumping and metering facilities, including the acquisition of all land, easements, pipe, pumps, meters, machinery, apparatus and other property necessary therefor"

Section 6. A cross (+) placed in the voting square after the word "YES" in the manner hereinbefore provided shall be counted in favor of the adoption of the question or proposition. A cross (+) placed in the voting square after the word "NO" in the manner hereinbefore provided shall be counted against the adoption of the question or proposition.

Section 7. That for the purpose of holding said special election all of the territory within said Stanton County Water District shall comprise one voting precinct and all of the general election precincts in said county water district as now established for the holding of state and county elections are hereby consolidated into one voting precinct which shall be designated Consolidated Voting Precinct A. The polling place for said precinct shall be in the place hereinafter designated, and the persons hereinafter named being competent and qualified electors and residents of said county water district and of said election precinct, are hereby appointed officers of election and they shall hold said election and make return thereof in the manner provided by law.

Polling place Stanton Fire Station, Main Street west of Stanton Avenue.

Inspector: Mrs. R. C. Hassell
Judge: Lillian Koepen
Clerk: Marjorie McBratney
Clerk: Blanche Moolick

Section 8. That in all particulars not recited in this resolution, said election shall be held and conducted in the same manner as provided by law in respect to general water district elections so far as applicable, except as provided in Chapter 2, Part 6, Division 12 of the Water Code of the State of California.

Section 9. That the Board of Directors of said district shall meet at its usual place of meeting on Monday, February 1, 1954, at 7:30 o'clock, P.M., of said day, and proceed to canvass the election returns.

Section 10. That, there being no newspaper printed and published in said district, notice of said election shall be given by the Secretary of the Board by posting in three public places in said district a Notice of Election in the form and manner specified in the County Water District Law of the State of California. No other notice of said election need be given. Said three public places are as follows:

(1) Stanton Hardware, 10631 Stanton Avenue Stanton, California
(2) Bill Wongs Market, 10621 Stanton Avenue Stanton, California
(3) Chambers Hardware and Building Supply 10651 Stanton Avenue Stanton, California

ADOPTED, SIGNED AND APPROVED this 22nd day of December, 1953.

G. W. IRWIN
President of the Board of Directors of Stanton County Water District.

ATTEST:
MRS. ERNEST GOLDIE RUTUL
Secretary of the Board of Directors of Stanton County Water District.
(SEAL)

STATE OF CALIFORNIA } ss
COUNTY OF ORANGE }

I, GOLDIE RUTUL, secretary of the Board of Directors of Stanton County Water District, DO HEREBY CERTIFY that the above and foregoing is a full, true and correct copy of a resolution duly adopted by said Board on December 22, 1953, and that the same has not been amended or repealed.

DATED: December 22, 1953.
MRS. ERNEST GOLDIE RUTUL
Secretary of the Board of Directors of Stanton County Water District.
(SEAL)

Above notice given by order of the Board of Directors of said Stanton County Water District.
DATED: December 23, 1953.
MRS. ERNEST GOLDIE RUTUL
Secretary of the Board of Directors of Stanton County Water District.
(SEAL)
