**Buick now outsells all other cars in its price class and above**

**YOU'VE** probably noticed it right in your own neighborhood. Bright new Buicks appearing here, there, everywhere. And more and more of them in recent weeks. Know what's happening? Folks in growing numbers — (and maybe you'll be joining them soon!) — are finding Buick styling, performance and value far too wonderful to pass up. So Buick is selling at a record pace — outselling all other cars in its price class and above. Matter of fact, latest figures for the first quarter of 1954 show that, in total national volume, Buick is outselling every other car in America except two of the so-called "low-price three."

**A** look and a ride and a peek at the price tag will be all you'll need to know what's back of this best-selling success. **There's styling** in Buick that's the greatest beauty advance in years — the very look of tomorrow — and with the spectacular panoramic windshield that's part and parcel of this dream-car look. **There's performance** in Buick as never before — with record-high V8 power, with the sensationally smooth whip of Twin-Turbine Dynaflo,\* with the buoyant ride of all-coil-springing, with a new precision of control and handling. **And there's value** in Buick that's hard to match — with prices starting near the "low-price three" — prices that buy more Buick beauty and power and thrill and sheer automobile than smart money ever bought before. **How about you?** Are you ready, willing and waiting to be shown that this best seller called Buick is the buy of the year for you, too? Drop in this week, or give us a call, and we'll arrange a demonstration. \*Standard on ROADMASTER, optional at extra cost on other Series.

**ONE GOOD TERM DESERVES ANOTHER**

WE, AND HUNDREDS MORE friends of our Assemblyman, LeRoy E. Lyon Jr., pledge our untiring efforts to keep this outstanding legislator on the job for the good of the 75th Assembly District—and the county.

NO MAN CAN CLAIM a more brilliant record of achievement as has been Assemblyman Lyon's in his first term; none can claim a more solid program of able representation for the people of his County and District.

SO YOU MAY KNOW something of what he has achieved; he authored and pushed to passage a bill to convert shameful "Tin Can Beach" to Bolsa Chica State Park—to be accomplished when tide-lands off funds are released; he teamed with State Senator John A. Murdy Jr. in passage of major legislation designed to solve our pressing water problems; he is chairman of a subcommittee of the Social Welfare Committee, considering code revisions; he is chairman of a Judiciary subcommittee, to study operation and effects of recently-passed laws tightening controls over the sinister traffic in narcotics; and he is conducting hearings, as chairman of a subcommittee on School House Planning, to find ways and means of effecting economies and give the most school buildings for the fewest dollars.

HIS CAPABLE, HONEST AND UNTIRING SERVICE, his extraordinary sense of fair play, his outstanding ability to get things done, his fulfillment of his pledges, commends him. We think you will agree that ONE GOOD TERM DESERVES ANOTHER!

**Wedding Rites  
In St. Boniface**

Miss Joanne Carter, daughter of Mr. and Mrs. Herbert E. Carter of 505 S. Indiana street, became the bride of Nicholas Joseph Monti, Jr., son of Mr. and Mrs. Nicholas Monti of Custer City, Pa., in St. Boniface Catholic church on Saturday, May 8. The Rev. Michael Casey was officiant at the nuptial mass.

The bride was beautiful in a traditional gown of white satin and marquisette. A beaded Juliet cap held in place a shoulder length veil. As she was escorted to the altar by her father, she carried a nosegay of white wedding flowers.

Mrs. Richard Ramon Tozer served her sister as matron of honor. Bridesmaids were Mrs. Richard Lee Martin and Mrs. John Denis Cushing. These attendants wore matching gowns of ankle-length taffeta and net in shades of pink, yellow and lime, respectively. Each wore a wreath of gold ranunculus and carried a nosegay of the same flowers. Flower girl was little Janice Spykerman who was dressed in blue with wreath and nosegay of the gold ranunculus.

Attending the bridegroom as best man was his nephew, Pete Zamberlan of Custer City. Ushers were Richard Ramon Tozer, brother-in-law of the bride, and John Denis Cushing.

Mrs. A. F. Faust was at the organ for the wedding music and accompanied soloist Miss Imogene Larson who sang several selections including the traditional Marywood bridal hymn.

The patio of the Carter home was the pretty setting for the reception which followed the ceremony. Pouring at the bride's table were Mrs. Jan Spykerman and Mrs. Bill Franklin. Miss Placida Baudon served the wedding cake and Miss Mary Jean Bushman was in charge of the guest book.

The new Mr. and Mrs. Monti left immediately after for a honeymoon trip across the country to their new home in Pennsylvania. Her husband attended Pennsylvania school and is a graduate of Clarkson College of Technology, Potsdam, N. Y.
