White roses and greenery were used generously about the dining room where the luncheon was served. Those present were Mrs. Adams' daughter, Mrs. Abin Berry and daughters Alice, Eva and Dorothy; Mr. and Mrs. E. E. Applegate, Mrs. L. Tomlin, Mrs. Jack Waltz and little son, Fred; J. K. Adams and Roy Adams.

"There is need for a new design in tractors to meet the new economic conditions and I am glad to see Cletrac 'F' leading the advance."

"I have seen and had contact with almost every tractor in the field, but have never before been so impressed with any tractor as with Cletrac 'F'."

"It is my opinion that you will find a ready and increasing market for this new machine, Cletrac 'F'."

"The description and price of your new tractor certainly sounds most attractive."

"To say the least, this new model, from an engineering standpoint, is one of the most advanced pieces of machinery we have ever seen."

SUDOW'S PRICE SLASH

We are now finally established in Anaheim, our shelves and counters are heaped high with the market's highest-grade merchandise and our low prices and excellent goods.

You Must Help Us Move

When prices on the market had reached their very lowest level we bought heavily—the buying power of our dollar had almost doubled and to the ceiling with this wealth of merchandise and still the boxes and crates continue to arrive. This stock must be moved, and if you will help for helping us lighten the load on our shelves and make way for that which is arriving.

Carpenters will start their work of tearing away, enlarging and remodeling our store after January 1, 1922 but more floor space is absolutely necessary. This is the Greatest Sale ever held in Anaheim — Discounts have been made on prices that were the market's very lowest

SUDOW

ANAHEIM, CAL.

Y'S CANNON WILL BOOM FRIDAY

One shot from a cannon owned by Alexander Henry, of Anaheim, will signal the hour for the two-minute pause at Santa Ana Friday in joining millions of patriotic citizens of the nation in paying tribute to the unknown American soldier whose body will be buried in Arlington cemetery, Washington.

Flags on masts should be at half mast until 3:02 p. m. and then raised to full mast. In this connection, attention was called to the fact that proper observance requires that the flag be run first to the top of the mast before it is lowered to half mast. Also, it was pointed out, in lowering the flag it should first be run to the top.

It was reiterated that during the two-minute pause in honor of the unknown hero, all persons should face to the west in accordance with President Harding's request.

The Santa Ana Legion post asked today that flags be hoisted from all masts in the city and that private residences and business buildings be decorated with the colors. It asked also that during next Friday's parade hats be removed and persons stand still and cease talking when the colors are passing.

"We desire to make the celebration truly patriotic and ask the co-operation of citizens in making it such," said a member of the local post today.

Col. S. H. Finley, grand marshal, and D. W. Tubbs, general director, today were completing the organization of a list of aides for the parade. Finley will lead the procession, mounted on a charger. Immediately following on horseback will be F. M. Grigby, commander of soldiers, Post No. 17, G. A. R. and D. W. Tubbs, representing Santa Ana Post No. 121, American Legion. Finley is a Spanish war veteran, and the three men will lead the parade as representatives of the service wars. Riding with them at the head will be City Marshal Sam Jernigan, and a representative of Sheriff C. E. Johnson, who is absent from the city.

W. L. Tubbs will be chief of first division. Americanization, and Wray's Santa Ana band and Cozad's rifle and drum corps will be the musical organizations in the division.

Chief of the second division, education, will be Francis Westgate, with the Fullerton city band and the Santa Ana high school band assigned to him.

H. G. Scott will be responsible for the third division, miscellaneous. The Anaheim band has been assigned to this division and it is possible the

band will be available also. J. C. Metzger, secretary of the Santa Ana Chapter of Commerce, will direct formation of the fourth division, welfare work, with the Orange County Auto Trades association band and the Mexican community band.

COLLISION REPORTED

Report of a collision between cars driven by A. P. Dunn and C. D. Campbell, on the highway between Anaheim and Long Beach, was filed with the sheriff's office by Dunn, who resides in Long Beach. Dunn's Ford was considerably damaged in the collision, Dunn stated.

Mafitas records at Austin's. Ma. tax tract at Austin's.

NO STATE WITNESSES BUT DEFENDANT HELD

With no witnesses summoned to appear against him, Frank W. Johnson, accused of writing a worthless check, did not hear a decision in his case at the hands of Justice J. B. Cox. The preliminary hearing was continued to Dec. 3, at 10 a. m. Johnson and his attorney, Charles D. Swanner, appeared in court, but it was announced that no witnesses had been subpoenaed. Johnson asked that he be released on his own recognizance, in order that he might attempt to straighten up a check charge hanging over him in Los Angeles county. The court declined to do so, or to lower his bail, which has been fixed at \$200.

**BARNOLD'S DOGS
HEAD VAUDEVILLE**

Another of those delightful Meiklejohn and Dunn vaudeville road shows which have pleased so many of the patrons of the California Theatre during the past two weeks is coming to Anaheim tomorrow.

Barnold's Dogs headline this wonderful show and these canines are so well trained that they perform without the assistance of a person on the stage. Old and young alike are sure to enjoy this act and the drunk dog Dan, will make every one laugh who sees him.

"No Mother to Guide Him," is the title of the 500 H. P. laughing success which Stan and Mae Laurel present. This act has just completed a tour of the Pantages and it was received with laughter in every theatre it which it was played.

The Crocker Trio, three dainty misses, consists of three small girls who sing and dance. Although they are quite petite in size, all three of these talented children have a world of personality and the revue which they present would do credit to performers much older.

"Songs, Stumps and Smiles" are offered by Wilbur and Lyke and the act is appropriately named. Their work on the trampoline is really marvelous and comedy is not the least part of their act.

Everybody's favorite, handsome Frank Mayo, is the star of the program which will be shown in conjunction with this vaudeville program. "The Shark Master" is one of the best pictures Mr. Mayo has ever made and it is a photoplay that is sure to please his many followers.

High School Notes

The students will participate in a grand rally at an assembly at 10:30 a. m. tomorrow. It will be a double event as it will include a patriotic readings and talks relative to Armistice day. The members of the school clubs are rehearsing for a very appropriate rally to boost support for the big football game in Fullerton Saturday afternoon. This is Anaheim's last league game and a record crowd is expected to be present. Anaheim men are in the best of spirits. They have been working hard for this game and are very confident of bringing home the big end of the score.

Many students will appear in the S. S. parade tomorrow afternoon and for this reason school will be dismissed at 1:30. To the enjoyment of all there will be no session of school on Nov. 11.

Owing to the great amount of food that is consumed on Thanksgiving day, by the various members of the teaching profession, and also by students of the Anaheim schools, the trustees have granted the usual holidays, which will occur Nov. 24 and 25.

The institutions do not desire to hinder the progress of learning and this is the reason why the two sessions will be omitted, so there won't be any cases of acute indigestion to be detected.

**SHOWING AT 3800 FT.
HICKS' ONLY HOPE**

Failure to get a water shut-off at 3825, Kittelman has recomended Hicks (No. 3) and the well is standing showing is "the well's only hope."

Casing trouble on 1875a Del Rey No. 1 is holding the well up at 771.

The Chandler-Canfield Midway shot off the 8 inch casing, pulled out all but a few joints and is now sidetracking same to go deeper. Dpminiger No. 1, the second well, is being rigged up and is about ready to spud in.

The Union Oil Co's Francis No. 1, now drilling at 2725, has been showing indications of oil and is being

closely watched. At Gardena the Union's Summers well is drilling at 4400 feet and is showing a little gas only.

The Standard Oil Co. has completed arrangements for the final abandonment of Bohon No. 1 and Landowners No. 1 at Hawthorne. Bohon No. 1 went to 2155 and got nothing. Landowners, located on adjoining property, was drilled to only 2800 feet. A gas blow out was the only feature of the deep Bohon well.

TO SEE ROAD TESTS

Supervisor Howard Wassum, good roads committeeman named by the board of supervisors, and Highway Superintendent J. L. McBride have left for Pittsburg, Cal., where they will witness tests of various kinds of highway construction.
