US Palestine Peace Proposal Balked

Soviet-Arab Bloc Slaps Down US Proposal for Arab-Israeli Talks

UNITED NATIONS, N. Y., Dec. 18 (AP) — The Soviet bloc lined up with the Arabs tonight and relped slap down an American-backed appeal for peace between the Arab countries and Zionist Israel. The proposal was for direct Arab-Israeli peace talks to settle the truce-bound Palestine war.

The defeat in the UN general assembly was regarded as a major one for U. S. policy toward the seething strategic and oil-rich Middle East. It also showed the Soviet bloc taking a firmer pro-Arab stand whose's could do to the western allies much harm.

A switch in some Latin-American votes also helped the Arabs.

The vote on the mildly worded resolution was 24 in favor, 21 against, with 15 abstentions. It was a defeat because a two-thirds majority is required.

It was the first time since the Palestine issue first was raised in the UN in 1947 that the assembly has failed to take some action on it.

The Arabs objected to the resolution because they said it failed to reaffirm previous UN resolutions on Israeli frontiers, the right to some 900,000 Arab refugees to return to their homes and internationalism of Jerusalem.

Ahmed Shukairi of Syria passionately told the assembly the whole Arab world "looks in gratitude to those who defeated the resolution—these gentlemen of the Asian-Arab group, of Latin America, of the Soviet bloc."

With bitter sarcasm, he turned toward American, British and French delegates and thanked them for originally supporting the partition of Palestine, repatriation of refugees and internationalism of Jerusalem.

"Why have they now voted against all these?" asked Shukairi. "It's for them to answer."

Y's Men in Stock On Christmas Tree Operation

Anaheim Y's Mens club reported last night that they had cleared their investment in Christmas trees and that sales from now until Christmas will represent funds that can be applied to their youth work.

Bob Quast, Christmas tree sale chairman, said Anaheim residents have been very cooperative in their support of the Y's Mens' project and urged those who have not yet purchased Christmas trees to do so at the lot on the southwest corner of Chestnut and Lemon sts.

The Y's Mens program includes heavy emphasis on youth work, Quast pointed out, and explained that the Christmas tree sale is the club's method of obtaining funds to finance their youth work projects.

Ike to take Oath On Ancient Bible

WASHINGTON, Dec. 18. (AP)—Gen. Dwight D. Eisenhower will take the oath of office as president on the same bible Gen. George Washington used.

This was announced today by Sen. Styles Bridges (R-N.H.), chairman of the joint congressional inaugural committee.

He described the bible as 200 years old, in the possession of the St. John's lodge No. 1 of the Ancient York Masons, New York City, for the past 195 years.

Red Boast: 'Seoul by Christmas' Answered by Heavy Air Smashes

SEOUL, Friday, Dec. 19. (AP)—The Communists boasted by radio and frontline loudspeakers Thursday that they would be in Seoul by Christmas.

The allies answered with a pulverizing air smash at a huge enemy troop concentration area near the north Korean capital of Pyongyang, 115 miles northwest of Seoul.

The Red propaganda brags were supplemented by the rare appearance of a Communist plane over the quiet front. It dropped leaflets hitting the theme: "Yankee, go home."

Answering words with bombs, waves of allied fighter - bombers winged through 10 degree above zero cold and pounded the Red troop area 20 miles south of Pyongyang.

More than 70 buildings were destroyed and 30 damaged by waves of bombers laying down a carpet of high explosives, the air force said.

Allied light bombers attacked Communist transports last night. Pilots reported 75 vehicles destroyed.

Twelve B-29 Superforts last night bombed Kanachon, a supply center deep in northwest Korea, and Kwan, another supply area south of the red capital of Pyongyang. Both were first time targets.

Speedy Sabre jets flashed on north in a protective screen and knocked down one MIG jet and damaged another. The MIG shot down was credited to Lt. James Low, Sausalito, Calif., ranking jet ace in Korea with nine.

Fighter-bombers also swarmed over the warfront hitting enemy installations. On the ground, only patrol action was reported in the numbing cold.

14th Polio Death Listed in County

Death of Orange county's 14th polio victim of 1952 was reported yesterday by County health authorities, Mrs. Lillian Woodworth of Corona del Mar succumbing at the county hospital.

Mrs. Woodworth, mothe of two children, was brought to the hospital Tuesday evening, afflicted with bulbar-type polio, which developed rapidly. Given emergency treatment, she was placed in a respirator, but did not respond.

Her case was the 197th reported to the health office this year. That figure and the death total of 14 both are all-time polio records for the county.

Bookmaking Probe By Grand Jury Held Likely

Santa Ana police officials were summoned before the county grand jury yesterday in an investigation, the nature of which was closely guarded.

Speculation that it probably dealt with recent race-track bookmaking discoveries in Santa Ana was heard at the courthouse.

Police Chief B. A. Hershey of Santa Ana was seen entering the grand jury room soon after that body convened with its full membership present, under Foreman Jack R. Sargent of Santa Ana. On his emergence from the grand jury room, Chief Hershey declined to disclose or discuss the subject of his appearance before the grand jury.

Other members of his department were waiting outside the jury room for a summons. District Attorney James L. Davis was closeted with the grand jury during the day's session.

Latest discovery of bookmaking activities in Santa Ana included the arrest of a woman "bookie" who had committed a traffic violation, and the finding of a vacant room on W. Fourth st., where telephones, records of debts, and assorted bookmaking paraphernalia were found.

Greek Theater Programs Resumed

With good weather restored to Anaheim last night, the Community Christmas program was resumed in the Greek theater.

The choir of First Baptist church provided the music for 335 children and accompanying adults.

Angela Baim, 903 E. Center st., and Ruddy Pena, 1114 Perry st., were the lucky ticket holders who won a radio each. The radios were presented by Santa Claus through the courtesy of Smith-Reafsnyder Furniture Co. and Gamble's Western Auto store.

Tomorrow night, the final program in the series will be presented with the combined choirs of St. Michael's Episcopal church and Evangelical United Brethren church providing the music. Two more radios will be given away in the nightly drawing.

VANCOUVER, B. C., Dec. 18.—The Canadian Pacific steamship Co. freighter Maplecove, her rudder damaged, was drifting helplessly tonight in a northwest gale 1200 miles off the British Columbia coast.

NATO Forces Stress Quality As Meet Ends

PARIS, Dec. 18 (AP)—The hard-up Atlantic Allies wound up their four-day conference today by agreeing to emphasize quality rather than numbers in building their 1953 barricades for Western Europe.

In the face of warnings by their highest military commanders that Europe remains wide open to attack, the Council of the North Atlantic Treaty Organization nearly halved the program for construction of airfields, radar screens, roads, bridges, and other defense structures next year.

The 32 ministers of foreign affairs, finance and defense of the 14 nations voted to build 224 million dollars worth of top priority works, as against the 428 million requested by the military committees.

The council announced it also had agreed to:

1. Set up a new Mediterranean Sea Command under Britain's Adm. Lord Mountbatten.

2. **Revise their basic strategy to insure defense of the Balkans and Turkey.**

3. Built up their economies so they can stand up to the burden of rearmament.

4. Support France in the war in Indo China without physically joining the battle.

5. **Hurry up the project for the 14-nation European Army in which German ground, air and sea units would be included.**

6. Meet again in the spring, as early as possible, presumably after British Prime Minister Churchill has had a chance to hold talks with the new administration of President-elect Eisenhower.

AT NATO MEETING — Secretary of Treasury John W. Snyder (left) and Secretary of State Dean Acheson confer during the NATO meeting in Paris. They heard Premier Alcide De Gaspari ask top ministers of the 14-nation North Atlantic Alliance for a united propaganda campaign against the communists.

Soviets Release US Soldier Held In East Berlin; Keep Two Others

BERLIN, Dec. 18 (AP) — Soviet authorities late tonight released a U.S. Army sergeant held two days in the Russian sector.

A few hours earlier a Soviet-licensed news agency claimed that two other American soldiers grabbed by Soviet sentries on the frontier Nov. 26 have asked for "political asylum" in the east zone of Germany.

The box score tonight was one Russian soldier held in the West zone and said by U.S. authorities to have sought asylum, and three Americans in the Soviet zone.

A U.S. spokesman in Vienna said tonight that a Soviet soldier stationed in Austria had deserted to the West and refused to be repatriated.

The U.S. soldier released was M-Sgt. William T. Rice, Farmville, Va. He was seized by armed East German police Tuesday while in charge of a group of German workers posting signs marking the boundary between the U.S. and Soviet sectors in Berlin. He was released after David M. Maynard, acting U.S. commandant in Berlin, had made an angry protest.

The two American soldiers who, the news agency ADN claimed, had sought asylum in the East were identified by ADN as Privates Lintmont Night and Raymond V. Michalowski.

The U.S. Army previously had announced that Michalowski of Perth Amboy, N.J., and Pvt. Night, Los Angeles, were arrested last month when they accidentally rode into the Soviet sector on an interurban train.

Since the news agency quoted Night as saying in a statement, "I am Pvt. Lintmont Night," U.S. officials said it was clear that in view of the misspelling he did not know what he was signing.

Maj. Gen. Lemuel Mathewson, U. S. commandant here, has made repeated demands for the release of Michalowski and Night.

The third American missing in the Soviet zone is Lt. Horace J. Sincore of Homestead, Fla. He is believed to have crossed into the East zone inadvertently Nov. 24. The Russians have evaded any conclusive answer as to his whereabouts.

BELGRADE, Yugoslavia, Dec. 18. (AP)—Catholic Italy has been using the vatican as a "tool of Italian expansion," against Communist Yugoslavia, Foreign Minister Edvad Kardelj charged today,

Sailor Killed in Seal Beach Wreck

Falling asleep at the wheel of his car, Jack Richard Burgoon, 25, sailor from San Francisco, was instantly killed early yesterday when his car struck a parked semi-trailer on Coast highway near 16th st. at Sunset Beach.

This was the county's first fatality since Thanksgiving day, Coroner Earl R. Abbey stated.

We need Carrier boys

Since going into morning publication we have gained many new subscribers and—we have lost a few boys who did not want to get up early in the morning . . . and whose families forgot the old and factual saying that, "EARLY TO BED AND EARLY TO RISE, MAKES A MAN HEALTHY, WEALTHY AND WISE."

So we need some boys who want a good training in business practices who are not too lazy to get up and deliver a morning newspaper route . . . get back home. . . have a GOOD BREAKFAST . . . and then go to school to get some more training to fit themselves for a successful business career.

MANY OF OUR TOP NOTCH BUSINESS LEADERS STARTED ON A NEWSPAPER ROUTE. Just call Don Young at Anaheim 2206 and ask to see him. He is our circulation manager and is available from FOUR TO FIVE o'clock each afternoon.

THERE IS MONEY IN IT, TOO!

CHC Approves Routes for SA, Sepulveda Freeways

SACRAMENTO, Dec. 18 (AP)—The California Highway Commission took these two actions today to assure future extension of the Santa Ana and Sepulveda Freeways:

● 1. It approved a route from the Santa Ana Freeway that will take it through San Clemente from Miguel road, west of El Toro in Orange county, to the San Diego county line—a distance of 49 miles. The estimated cost: 14 million dollars.

2. It declared its intention of adopting a proposed route for another 48 miles of the Sepulveda Freeway south and east from Florence avenue in Inglewood to El Toro in Orange county.

The commission accepted the Santa Ana Freeway route advocated by Road Commissioner Harold Springer and Supervisor Heinz Kaiser of Orange county. An engineering report said it can be built for less than an alternate route urged by a group of people in San Clemente.

The route from Miguel road to one mile north of the junction with Pacific Coast Highway U.S. 101 alternate at Capistrano Beach roughly follows U.S. 101 with two exceptions. These are the Santa Fe railroad separation at Galivan and a bypass to the east of San Juan Capistrano.

Southeast of Capistrano Beach, the proposed improvement goes on an entirely new alignment, swinging to the higher level about a half mile back of the Coast to the city limits of San Clemente.

The route will be inland from the present highway through the west half of the developed portion of San Clemente. It crosses U.S. 101 near West Avenida de los Palmos Marinos, thence south on the road through the easterly half of the city.

Highway engineers concluded that this route would cause the least possible disruption of the existing street pattern in San Clemente.

Sewer Districts Call for Bids On Outfall Line

County Sanitation district directors have called for bids on the land section of the ocean outfall line, to be opened Jan. 14, having received plans and specifications from the design engineers, carrying cost estimates of $223,935 and $231,185 for alternate plans.

Original plans for the 2000-foot land section, estimated to cost about $300,000, would have cost approximately double that figure, it was discovered when bids on the contract were submitted. Accordingly the design engineers were instructed to modify the plans to come within available funds.

New plans were submitted and approved by the district directors at a meeting Wednesday night, on recommendation of the new chief engineer-general manager, Lee Nelson, who succeeded Raymond R. Ribal.

One of the new plans calls for a 78 inch pipeline from the marine section landward to a point just inside Coast highway, then a reduction to a 60 inch line for the remaining 1300 feet to the treatment plant. The other plan, providing a 78 inch pipe the entire distance, would cost $7250 more, it is estimated.

Charles A. Nevin Dies in Hospital

Charles A. Nevin, 75, a native of Pennsylvania, died at Fullerton general hospital Wednesday. A resident of Anaheim since 1915, a Philadelphia, Mr. Nevin had been an employee of the city for 15 years.

He is survived by three daughters, Mrs. Bernice Hiltscher, Mrs. Virginia Cilley, both of Anaheim, and Mrs. June McAleese of Whittier; two sons, Arthur of Ventura and Jack of San Diego; eight grandchildren and five great-grandchildren.

Recitation of the Holy Rosary will be held in the chapel of Backa, Campbell and Kaulbars mortuary at 7:30 p.m. today. Requiem mass will be said in St. Boniface church, where the deceased held membership, Saturday at 9 a.m. Interment will follow in Holy Sepulchre cemetery.

SIAMESE TWINS BEFORE OPERATION —The Brodie Siamese twins, who today are waging a grim battle for life after being separated in an historic marathon of surgery, are held by nurses in a Rock Island, Ill., hospital one day after their birth on Sept. 16. A team of specialists operated for 12 hours and 40 minutes yesterday in Chicago to part the 15-month-old boys and give them a chance to lead separate lives. The twins are the sons of Mr. and Mrs. Royt Brodie of Moline, Ill. (AP Wirephoto)

One Siamese Twin Does Well; Other 'Precarious'

CHICAGO, Dec. 18 (AP) — The newly-divided Brodie Siamese twins went separate ways today after their historic operation, one becoming conscious but the other taking a turn for the worse and then improving only slightly. Rodney Dee, favored for "survival of the fittest" by choice of surgeons who separated him from his bigger twin brother, regained consciousness with a cry and a smile this morning. His twin, Roger Lee, whose brain circulation was impaired by the operation—the 13th on the twins—suffered one relapse but then showed a slight gain.

Surgeons said, however, his condition still is "precarious."

The latest bulletin on the condition of the twins, issued by the University of Illinois, gave this report:

"Rodney—has regained consciousness. Cries and smiles. Condition is stable. Seems to be good.

"Roger—still in very precarious condition, although respiration and other vital factors have improved slightly during the morning."

This improvement cheered surgeons who yesterday had to make one of the most difficult decisions they ever faced.

At the height of the 12 hours and 40 minutes operation, they discovered their earlier fears were well founded. There was only one saggital sinus, the main passageway or vein draining blood back from both brains.

This called for an immediate choice. The incision could be made to give one twin or the other the vital vein.

Dr. Eric Oldberg, head of the University of Illinois Department of Neurology, said Rodney —the smaller of the twins—got the break because he was holding up amazingly under the stress of the operation and surgery in his favor could be made easily performed.

Dr. Oldberg, an observer at the operation, performed in the University's Neurophychiatric Institute, described the surgery in detail at a news conference.

He said the surgeons "more or less went for one and took the bigger chance on the other. The choice was made on the basis of which child did well and which didn't.

"Roger didn't do well. He was in shock several times. His condition was precarious."

A newsman asked him if the doctors decided their course should be to aid in "the survival of the fittest."

"You might put it that way," Dr. Oldberg replied.

Both twins were unconscious all night, and Roger took a sharp critical turn at 5 a.m. when his throat began to swell, shutting off his breathing.

Dr. Cecil D. Riggs, resident doctor at the Neuropsychiatric Institute, performed an emergency tracheotomy, slitting an opening in the throat and windpipe to aid breathing. Roger began to rally somewhat after this.

Doctors said Roger's heart is beating slowly and not pumping much blood to his brain, and that small collateral veins are presently able to substitute for the large missing vein.

However, Dr. Oldberg said, the chances are "almost nil" that new collateral veins will grow and help carry the burden.

He said both twins would remain on the critical list for five to seven days, if they survive, and that the "next few hours" will decide Roger's fate.

The parents, Mr. and Mrs. Royt Brodie of Moline, Ill., maintained their harrowing vigil near the bedside of their 15-month-old sons. Brodie, a small, dark-haired man of 35, showed signs of strain and his hands trembled as he talked briefly with newsmen.

He described himself as "unstrung" and said:

"I was hopeful since the day they were born. Now we're waiting and praying."

Doctors said much additional surgery still is required. Soft tissue has been used to cover the naked brains of both twins. Bone grafts or plastic or metal coverings will be needed to build tops for their skulls.

Local Officials Unimpressed by Buena Park Claim

It seems unlikely Anaheim will lose its latest industrial prize, Delco-Remy division of General Motors Corp., to Buena Park in the event that community incorporates, Anaheim officials said yesterday.

Concerning an article appearing in the Gazette yesterday morning, City Administrator Keith Murdoch said, "I was rather flabbergasted when I read it. I can't conceive of circumstances under which the Delco battery factory site could be included in the limits of Buena Park if it votes to incorporate."

An election on incorporation is due in Buena Park on Jan. 20.

Murdoch and other city officials pointed out that part of the Delco site is included in the proposed Houston st annexation, now in the Anaheim legislative mill.

Delco officials were very positive in expressing their desire to be a part of this city," Murdoch explained, "so we feel that they will ask for annexation of their entire site.

"Furthermore," he continued, "Buena Park, even if incorporated, will not be in a position to provide the service Delco must have. In addition, their tax rate, before incorporation, is much higher than that of the city of Anaheim."

Weather

Southern California—Considerable cloudiness coastal mountains westward and increasing high cloudiness east portion Friday with light rain Santa Barbara county by Friday evening; mostly cloudy Friday night and Saturday with chance of occasional light rain most sections; little change in temperatures except cooler mountains and interior region Saturday.

Judge West to Preside Over Appellate Court

Superior Judge Franklin C. West of Santa Ana has been named presiding judge of the new Appellate division of Orange county Superior court, just created by the State Judicial council.

The Appellate division of the court will include three of the four judges. Judge Kenneth E. Morrison of Santa Ana and Judge Robert Gardner of Newport Beach are the other members.

The three appointments were made by Chief Justice Phil S. Gibson of the State Supreme court, who is chairman of the Judicial council.

Creation of the appellate division was provided under the new plan of reorganizing the lower court system, which includes establishment of the new municipal courts. Cases appealed from the two municipal courts or three justice courts that will be functioning in the county after Jan 1, will be heard by the three superior court judges, instead of by one judge as at present.

Daily Living for Peace of Mind

Editor's note: This is one of a series of daily articles by Anaheim ministers and is published by the Gazette in the interest of the kind of daily living that leads to contentment and happiness in troubled times.

And do it without Squawking

By Rev. Wm. McKINLEY WALKER
Wesley Methodist Church

In one of his books Dr. Roy Smith tells of a little boy taking his turn at family prayers and saying, "Dear Lord, help us to do what we have to do today, and do it without squawking."

There are a lot of things every one of us has to do each day—some things not at all pleasant, but necessary. Shall we not therefore do what we have to do "without squawking"—those dishes to be washed, the homework to be done, the service club luncheon to attend when we wanted so much to do something else just then, or to go shopping with the wife when we think she takes so long to make up her mind—these and many more you can think of—do them "without squawking" and have the victory in daily living.

By complaining about these necessities, we do not lessen their number and only add to their difficulty. By rebelling against them we do not soften the hard facts about them. By accepting them resentfully we only increase their bitterness. By allowing ourselves to grow angry over them we usually double their oppressive weight.

There is only one conclusion possible. If we are to get any joy out of life, let us do all our inevitables "without squawking."

number and only add to their difficulty. By rebelling against them out of life, let us do our inevitables "without squawking."

BUSINESS MEN'S CLUB
LECTURE TODAY "SECRETS OF SUCCESS" BY OSCAR OLDHAM
12-19
HMMM — "PUSH" — THAT'LL BE A SWELL TITLE FOR MY LECTURE !
15
PUSH
GENTLEMEN — I CAN GIVE YA THE SECRET FOR SUCCESS IN JUST SIX WORDS — AND YOU'LL FIND THE WORD ON THE DOOR BEHIND YA !
?!

MY UNCLE ALFRED IS GONNA MARCH IN A PARADE WITH THE UNION HE BELONGS TO !
GEE ! A REAL PARADE ?
12-20
SURE ! THEY'RE EVEN GONNA HAVE A BAND —
? —AND BE ALL DRESSED UP IN THEIR UNION SUITS !

IMOGENE IS IT MUCH FARTHER TO PROFESSOR GESSOR'S HOUSE ?
HE DOESN'T LIVE IN A HOUSE, OAKY !
12-19
HERE'S WHERE HE LIVES !
WHOA, NELLIE ! WHERE ?
WE'LL STAND HERE, I'LL PUSH THE BUTTON...
...AND DOWN WE GO !

OAKY, WE'RE GOING DOWN IN AN ELEVATOR !
I HOPE IT'LL STOP !
12-20
LEMME OUT, IMOGENE ! IT'S GETTING TOO DARK IN THIS THING !
PROFESSOR GESSOR'S INVENTIONS HAVE PUT OUR KINGDOM CENTURIES AHEAD OF THE REST OF THE WORLD !
...BUT I LIKE THE OLD-FASHIONED WAYS BEST, DON'T YOU, OAKY ?
SMACK !
ELEVATOR
PLEASE, OAKY ! JUST ONE MORE RIDE !

LEMME SPLATTER 'EM WITH THEIR OWN OMNIBLAST !
NO ! YOU'D DISSOLVE OPAL, TOO ! CALL UP THE ROBOTS !
THEY'LL SHIELD US — THEN WE CLOSE IN !
KEEP THOSE THINGS AWAY FROM ME ! AIM FOR THEIR OPTICS !

GREAT ! THE ROBOTS ARE DRAWING THE FIRE ! FAN OUT !
COME WITH ME, OPAL DEAR ! AND NO TRICKS !
LOOK ! IN BACK OF THE SHRINE ! THAT SPACE SERVICE FLEETCAR !
HA ! YOU LOVE FOREIGNERS, EH ? IF THAT BARTHMAN HAS BROKEN INTO OUR SHRINE, I'LL...

SO — IF WASHINGTON HADN'T HELD ON TO THE IDEA OF "WE THE PEOPLE" AS BOSS, WE MIGHT BE LIVING IN A DICTATORSHIP !
AND THE MORAL FOR US IS...
...TO STICK TO OUR COURSE...
...NO MATTER WHAT ! TO KEEP STEERING OUR SHIP...
GOVERNMENT OF BY FOR THE PEOPLE
...BY OUR OWN, PET STAR !

THE "FOUNDING FATHERS" DID SOME JOB OF CHARTING A COURSE FOR US TO STEER BY !
HERE'S SOMETHING WE OUGHT TO DOPE OUT, TOO ! HOW GAVE THEM THE IDEA ?
IT CAME FROM MANY SOURCES, I GUESS
...BUT I'M QUITE SURE...
...I CAN SHOW YOU THE PRINCIPLE ONE
Holy Bible

POOR ANNA X ! MISTER MARING A TRIP ALL THE WAY DOWN TO EARTH JUST SONIC GIVES HER THE BRUSH-OFF !
NICE TAKEOFF, SGT. SONIC !

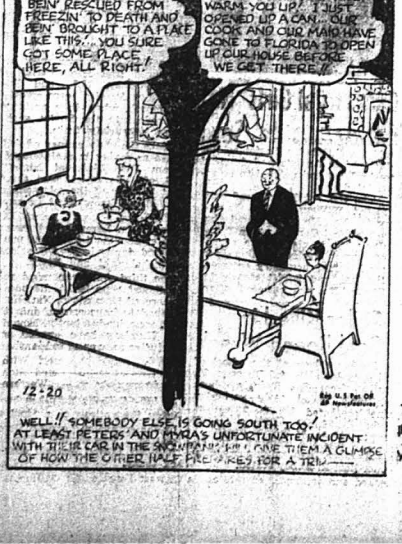

DON'T EVER CRASH MY TELEVISION SHOW AGAIN !
THAT'S HER, MR. BLOOM — SOMEBODY HAS GOTTA TAKE HER SERIOUSLY !
SGT. SONIC, YOU WILL FIND ME PERSISTENT ! YOU HAVE SPURNED MY FIRST OFFER BUT...
AHEM ! MAY I MAKE THE NEXT OFFER, PLEASE ?

DIANA ! FOR THE LAST TIME —— !
PLEASE, MOTHER, DON'T REMIND ME TO TIDY UP MY ROOM AGAIN...
3 YAWN-N-WE ! IT'S ACTUALLY BEGINNING TO ANNOY ME, TOO !

THIS IS TOO MUCH !
20 MINUTES LATER...
DIANA ! I HAVE TO MAKE AN IMPORTANT CALL !
I WON'T BE MUCH LONGER, DAD...
I JUST CHANGED EARS.

ARE YOU AND MRS. PETERS THAWING OUT A BIT ? WE'VE FINALLY MADE IT... HERE WE ARE IN YOUR HOUSE... WE'LL GET YOU WARMED UP NOW !
YOUR HOUSE ?
WHAT AN ESTATE !! ... WHAT A MAN TO BE RESCUED BY !! ... BUT THE WARMTH OF ANY HOUSE WOULD LOOK GOOD TO THEM RIGHT NOW IF IT WAS ONLY A SHACK, WHICH THIS DEFINITELY ISN'T !!
12-19

JAY ALAN—
12-19
" DARLING, THERE'S SOMETHING YOUR FATHER HAS BEEN MEANING TO TELL YOU ! "

NEVER DREAMED OF BEIN' RESCUED FROM FREEZIN' TO DEATH AND BEIN' BROUGHT TO A PLACE LIKE THIS ! YOU SURE GOT SOME PLACE HERE, ALL RIGHT !
I DO HOPE THIS SOUP WILL WARM YOU UP ! I JUST OPENED UP A CAN... OUR COOK AND OUR MAID HAVE GONE TO FLORIDA TO OPEN UP OUR HOUSE BEFORE WE GET THERE !!
12-20
WELL !! SOMEBODY ELSE IS GOING SOUTH TOO ! AT LEAST PETERS AND MYRA'S UNFORTUNATE INCIDENT WITH THE ICE CAR IN THE SCULPTURE HALL GAVE THEM A GLIMPSE OF HOW THE OTHER HALF LIVES FOR A TIME——

Mothers Honor Crusader Choir With Banquet And Yule Party

The Crusader choir of the First Presbyterian church met Wednesday evening in the church social hall, for their first banquet and Christmas party. Mothers of the choir, which is represented by pupils of the 7th and 8th grades, were in charge of the banquet and decorations.

The Rev. Howard S. Congdon opened the meeting with a prayer of thanks, and Stewart Congdon served as master of ceremonies. Carol singing was directed by Mrs. George Sloop, Jr., choir director.

An instrumental ensemble presented "Christmas Festival" under the direction of Ted Bourne. Comprising the ensemble were: Barbara Ashworth, David Bourne, Steven Moore, Kay Rennie, Sharon Ross, Marshall Shirk, Bernard Sloop and Garry Theuson.

A Christmas reading was given by Dorothy Bovee, Garry Theuson sang "The Holy City," and Kay Rennie and Marcie Vincent played a piano duet, "The Arrival of Santa." A sextette, Kristine Andersen, Diana Hollowell, Helen Miller, Kay Lynn Price, Sharon Ross, and Katherine Walker sang "Adeste Fideles."

The choir exchanged gifts and presented one to director Sloop, after which they closed the program singing, "Oh Little Town of Bethlehem," and the benediction by the Rev. Congdon.

Members of the choir not mentioned above are: Linda Agren, Frances Baker, Denise Cappaert, Linda Circle, Elaine Fechter, Zuletta Hartman, Mary Jane Lockhart, Roberta McFarland, Jeff Quiggle.

And Janice Reynolds, Carolyn Ryan, Glenda Simonton, Barbara Sims, Roberta Smith, Tom Sparks, Carol Van Verst, Linda Woodrome, and Donna Wright.

Seated at the head table were the Rev. and Mrs. Congdon, the Messrs. and Mmes. Paul Bolick, (Bolick is superintendent of the junior-high department) W. L. Hollowell, Ted Bourne, John Bovee, and George Sloop, Jr.

Mrs. Bourne and Mrs. Bovee are choir mothers and Mrs. Hollowell is president of the mothers choir guild.

The Mmes. R. A. Agren, D. B. Baker, C. C. Circle, Howard Congdon, F. Ferris, A. N. Hartman, Hudson Rennie, R. Reynolds, L. Ross, C. R. Shirk, F. Simonton, E. Sims and William Smith were in charge of the banquet.

The head table was beautifully decorated with centerpiece arrangement of large reindeer and Christmas candles, tables at which the children were seated held the same arrangement in miniature.

AUHS ANGLES

By JOANN FAUST

The annual Christmas program, "The Christmas Letter," was presented to the student body Thursday during assembly period.

It is a one act play, an original, written by Miss Louise Hitt, AU drama coach.

Various choral groups from the music department under the direction of Sheldon Disrud, gave their selections of Christmas melodies. The choral part of the program was highlighted by the a cappella choir singing "The Nutcracker Suit."

The same Christmas program will be presented to the public Friday, Dec. 19 in the AUHS, free to all who attend.

Still under the heading of Christmas spirit and gay greetings will be Santa and his toys surrounding the AUHS study hall Saturday night when Les Gary and his orchestra will play swing to sway in the nation's most popular tunes to old remembrances.

The dance is the first formal of the year and the senior class is presenting it free to all AU students as a Christmas gift.

Along with seven crates of oranges went the glad tidings of Christmas and prosperous New Year for every student at Las Vegas high school.

Tuesday of this week the AUHS student body sent the oranges to Las Vegas to be handed out at their general assembly Thursday.

Las Vegas donated $738.15 to Sam Azzara's injuries received there in a football game against Las Vegas.

A five course feast was enjoyed by 65 teachers and guests including trustees, Everette Obne and Mr. Shipkey and their wives at the Green Brier restaurant in Garden Grove.

The occasion was the annual faculty Christmas party.

Among the clubs celebrating Christmas spirit in songs or parties was the Bible club of AUHS, who held their party last Monday night in the school cafeteria.

Dora Cuevas, club president, was in charge of the entire affair.

Cake and hot chocolate were served as refreshments. The party ended with the group singing Christmas carols.

An old fashion box social was enjoyed by the FHA and FFA members Thursday night in Mrs. Walker's cooking room.

FFA members bid on the gayly decorated lunches as they were auctioned off and they ate their lunch with the damsel that prepared them.

Miss Solts' home economics classes journeyed to the Bonded Homes on Wilhemina and Juniper this week to view the interior decoration, which the class is studying at the present.

The group had previously visited McMahan's and Smith-Reafsnyder furniture stores earlier in the week.

Taking a journey into the sports briefly, we see Flashy Dick Reed running a UHS's new cross country course for the first time this week and setting a speedy record of 9:35 for the 1.8 mile course.

Dick is AU's band captain and vice-president of Student Council.

What have we here? Water spots, modern art? Well it's yes and no. The art classes of AUHS are studying water spots on the sidewalks, oil and dirt spots, abstract shadows of different objects found on the campus are being used as subjects by the art students for abstract designs this week.

The board of trustees and the administration are to play host to employees of AUHS at a Christmas party luncheon in the library at the end of this week.

Mrs. R. C. Hein Hostess For Home Dept.

The home department of the Orange county farm bureau met Tuesday at the home of Mrs. R. C. Hein on E. Center with 28 women present. Assisting Mrs. Hein as co-hostesses were the Mmes. A. Stark, B. Ter Beest, and L. W. Hamann.

The business meeting was shortened so that the members could attend the funeral of their beloved member, Mrs. B. L. Chandler. Highlight of the program was the moving pictures of Israel, shown by Howard Greene. Subject of the department project was the use of Orange county products in planning holiday meals, and project leaders were Mrs. William Gathas and Mrs. Walter Paulus.

Mrs. M. L. Bose demonstrated the making of whipped honey, candied orange and lemon peel, and pineapple by means of a simple receipt. In place of the usual gift exchange, a novel idea was arranged by Mrs. Bose and Mrs. Howard Pannier in which each guest had been requested to bring a box (which were each given a number) containing two dozen cookies and were presented with holly corsages on which numbers had been tapped to the back. Corresponding numbers on corsages and boxes then designated the gifts.

The January meeting of the department will be held in the Evangelical United Brethren bungalow, subject to be "Mid-winter Care of the Home Garden."

Thomas Jefferson Presents Colorful Yule Program

In order to accomodate the capacity audiences which attended the Christmas program of the Thomas Jefferson school, it was necessary to present it twice, Wednesday evening and again yesterday afternoon.

A boy scout as color bearer and two cub scout color guards opened the very enjoyable program, followed by the pledge of allegiance and a prayer by Mr. Robert Shanks, principal.

"The Birthday of the King" was presented by the 3rd grade, Mrs. Haugh's group; "Merry Merry Christmas Bells" and "Gloria" by the Glee club, Mrs. Lashbrook and Mrs. Mann; "Dance of the Toys" which was delightful, and "Jolly St. Nicholas," kindergarten, Miss Hull's group; "Santa Claus is Coming to Town," 1st grade, Miss Bevin's group; songs and carols by the 4th grades, Mrs. Lashbrook and Mrs. Knudson, and the rhythm band which is made up of Mrs. Grupe's 1st grade group.

A play, "O Come Ye To Bethlehem" was presented by the 5th and 6th grades under the direction of Miss Vail. Messrs. Kiefer and Toye were in charge of lights, scenery and staging. Choral speaking by the 2nd grade, Mrs. Davis' group, singing by the glee club and a tableau staged by the kindergarten group of Miss Hull's, comprised the program.

Gifts were presented to the principal, teachers, and the custodian.

Y's Menettes Hold Christmas Party at YMCA

The Y's Menettes enjoyed a lovely Christmas party this week when they met in the YMCA.

A beautifully decorated Christmas tree and fireplace mantel made a cheerful background for the program of carol singing and showing of a film "Christmas Around the World."

With merriment and surprise, secret pals were revealed and gifts exchanged. Mrs. Sue Malone and Mrs. Barbara Trabant were hostesses and served refreshments which carried out the Christmas colors.

Personals

Mrs. Florence Muraoki, leader, and Mrs. W. E. Hutchens, assistant leader of Girl Scout troop 18 at Magnolia school gave a Christmas party for their group of 15 girls at the Stanton Lions Community clubhouse Wednesday afternoon.

After an exchange of gifts the girls sang carols accompanied by Hazel Ann Mitchell.

Refreshments of fudge and cookies decorated as Christmas trees and stars, were served with punch by Genelda Bozarth and Louise Leach. According to the rules of the troop the food was prepared by the girls as part of their instructive training.

Donations of canned goods were made to the Lady Lions to add to their basket for a needy family at Christmas.

Mrs. Faye Carpenter, textile painting instructor of the Savanna adult education class, was hostess at a Christmas party for the Wednesday morning class at the home of Mrs. Charles H. Eastwood, 7511 E. Ball rd.

The potluck luncheon featured sandwiches, salads and pie was served to 21 guests.

Lyman McCray, son of Mr. and Mrs. Alex McCray of 6662 E. Ball rd., left San Diego Monday for Korea. Lyman left AUHS in 1948, served nine months in Korea and upon his return was attached to the carrier Philippine Sea. He wears the Korean occupation, United Nations and China service ribbons, and was married to Christina Cornelson of Buena Park last month.

Future Farmers Hold Co-Op Quiz

Future Farmers of AUHS held their annual chapter Co-op quiz contest Tuesday. Advanced Ag-students have been studying the principles of cooperative marketing in California.

The test contained 50 questions made up by six cooperatives. Top four scores were made by the following future farmers: Roger De Mille, 94, $7; Roger Burrows, 92, $5; Larry Fischbeck, 86, $5, and Kenneth Laird, 84, $2.

A sectional test will be held on Jan. 29 in Santa Ana.

California Girls National Champions In Sewing Contest

CHICAGO, Ill. — The state's senior champion in the sixth annual "Make It Yourself with Wool" Home Sewing Contest, Miss Mary Ann Almquist, 21, of Redwood City, is the winner of first place in the contest's coveted National Finals.

She was awarded the top National Award after appearing with Miss Virginia Hartman, 15, of Santa Rosa, the state's junior champion, in the famed National Fashion Show, held this year in Chicago as the final event in the contest. The girls won their titles, and the chance to visit Chicago, after appearing in the area and state competitions held this Fall in California.

Miss Almquist's award, a Singer mahogany console sewing machine presented by the Singer Sewing Machine Company, was for her outstanding ability as a fashion creator and home sewer. Her winning entry was a brown all-wool gabardine suit combining checked and solid-colored fabrics. Miss Hartman's entry was a light gray suit of soft, all-wool flannel.

Wearing their winning-entry fashions, the two young California women joined other top-ranking home sewing experts from 13 Western states in modeling their clothes at the finals of the $25,000 prize contest.

As State Champions, they received all-expense-paid trips to Chicago, to be guests at the 88th annual convention of the National Wool Growers Association and to participate in the National Fashion Show. They traveled as guests of the F. W. Woolworth Company.

The "Make It Yourself With Wool" Contest is conducted each year throughout the Western wool-growing empire by the Women's Auxiliary of the National Wool Growers Association and the Wool Bureau, with the cooperation in California of the California Wool Growers association. Mrs. J. L. Fourness of Pleasant Grove is Contest Director for California.

Mothers Honored By Y-Teen Girls At Dinner Party

Mothers were the honored guests when the Y-Teen club held its fourth annual Christmas party this week.

The beautifully decorated recreation hall in the YMCA was the setting for the party, which began with a get-acquainted period and group carol singing.

Ellen Wright appeared as Santa Claus, with his petite helper, Ellen's mother, to judge the decorated box lunches. The lunches were in large cans on which miniature Christmas trees had been made. A prize for the prettiest one went to Beverly Buell and her mother.

Stockings filled with gifts of individually wrapped food won the theme prize for Shirley Doane and her mother. The prize for originality went to Ruth Elma Schrote and mother with their "roast turkey on a platter" design, and Judy Wadsworth with her mother received the comic prize for their twinkle-eyed Santa Claus.

Shirley Doane, presiding officer of the evening, extended greetings to the guests, and Mrs. Freda Wallace responded on behalf of the mothers. At the dinner table each girl introduced her mother or her invited mother of the evening.

Joanne Frye was program chairman, and Santa Claus was master of ceremonies for the various games played following dinner.

Ruth Elma Schrote, accompanied by her mother led the singing of camp songs and carols. Devotions were given by Mrs. Harriet Doane, and the evening of fun closed with the group singing, "Silent Night."

Junior Library To Give Three Yule Parties

The Anaheim junior library announces three special parties for children during the Yule season.

The first is a Christmas story hour to be given tomorrow at 10:00 a.m. Tuesday at 2:30 p.m. there will be a Christmas tree and tea for dolls and their owners, and the Saturday after Christmas, Dec. 27, at 10:00 a.m. a Christmas story hour will be given to which each child is asked to bring a favorite toy.

These parties will all be held in the junior department of the library.

AUHS Presents Program Tonight

"The Christmas Letter," a one-act play written by Miss Louise Hitt, drama coach of AUHS, will be presented this evening at 8 p. m. in the high school auditorium.

Students of the beginners' drama class make up the cast of this heart-warming little skit which is written around a Christmas eve letter from a boy in Korea to parents.

HAPPY BIRTHDAY

Favored is the babe who shares his birthday with the Christ child. Some feel it is a special omen of good luck. And to the happy parents, it is the nicest Christmas present of all. The birth of a baby in December is the Christmas story all over again, of wonderous significance to the immediate family.

There is one drawback of course. December's child is apt to miss out on the birthday parties that might have been planned in a less busy season, and some of his Christmas presents do double duty. But consolation comes in the thought that some of the lights and the tinsel and the flurry of Christmas preparations are for him as well as for the babe that was born in the manager so long ago.

* * *

LOVELY SHOWER

Mrs. Bill Smirl and Mrs. Warren Lempke took time out this week to honor Mrs. Don Armstrong with a stork shower. The party was held at Mrs. Smirl's home on Orangewood ave. and the guest list included Mesdames Frank Robinson, Glen Casto, Harold Witzke, Noel Patton, Fred May, Merton Landweer, Keith White and Roy Hammond.

Cleverly combining the stork theme with Christmas, the hostesses arranged appropriate games centering around baby with Christmas decorations as prizes.

For the first game, each guest was given a slip of paper and a pencil. Half jotted down a question about some phase of baby care while the other half wrote an answer to some question they had in mind. Then the notations were read, giving hilarious advice to the mother-to-be.

Next came a tray of 13 items that a baby's care in some way requires soap, pins, powder and the like. The players were given one quick look and then were asked to write down as many items as each could remember.

Easier on the mind but not so good on the knees was the final game involving a little skill and a great deal of luck. On a newspaper spread on the floor was arranged ten fluffy balls of cotton, a spatula and a cake pan. By turns each player was blindfolded and turned around three times. She was then helped to her knees and invited to put the weightless cotton balls in the cake pan by means of the spatula.

* * *

SPECIAL TREATS

Favors were nut cups made like miniature diapers and dipped in wax. On each refreshment tray was a small stork with very modern lines made by beriding a medium size safety pin to form the contour. The bill was a toothpick and a gumdrop held the comical figure erect.

Mrs. Lempke made her special version of layered sponge cake and topped it with whipped cream enriched with chopped dates and nuts.

Throughout the evening guests were treated to Mrs. Smirl's favorite Christmas fudge and candy-coated walnuts.

Christmas Fudge

2 cups granulated sugar
½ cup cream or evaporated milk
½ cup water
½ teaspoon salt
2 ozs. chocolate
2 tablespoons corn syrup
2 tablespoons butter or margarine
1 teaspoon vanilla

Combine all ingredients but flavoring and fat over low heat. Stir until sugar is dissolved. Cook slowly until a candy thermometer registers 238 degrees or the candy forms a soft ball in water. Stir occasionally to prevent sticking to the bottom of the pan.

Remove from fire and add fat and flavoring but do not stir. Cool until luke warm. Beat by hand or on medium speed of the mixer until the candy begins to hold its shape. Quickly add 1/3 cup each of chopped dates and broken nutmeats. Pour into an oiled pan and cut in squares when hardened.

The island of Barbados, in the West Indies, has an area of only 166 square miles and yet a population of 193,000.

Santa Anita to Open 16th Season On December 26

Santa Anita park in Arcadia has everything in readiness to open its 16th and most pretentious thoroughbred racing season Dec. 26, according to an announcement by the management.

The 50-day meet, including charity week, will run through March 7. Gates are to open at 11 a.m. as in past years with the first race starting at 1 p.m.

Seven of the 29 outstanding stakes with an all-time high $915,000 added are in the augmented schedule, for opening week.

Opening week events are:

Dec. 6, $20,000 Las Flores handicap; Dec. 27, $25,000 Breeders Champion Stakes; $20,000 Palos Verde handicap; Dec. 31, $15,000 Santa Ynez stakes; Jan. 1, $25,000 San Pasqual handicap; Jan. 2, $15,000 San Vicente stakes; Jan. 3, $25,000 Malibo Sequet stakes, Calpoly feature.

The management announced that new improvements installed this season will add to the fame of Santa Anita park as a beautiful show place of Southern California.

Added facilities include mezzanine lounges in the clubhouse, developed surfaced parking areas for 3000 more autos to bring the capacity upwards of 33,000 cars and a roof garden for Turf club members.

Beautification also 'included a rearrangement of the bronze, life-sized Seabiscuit statue, the annual mid-winter floral displays, and the sand-blasting and painting of the buildings in the original "Santa Anita Blue."

Major turf attractions during the meet will include:

Jan. 24, $50,000 added Santa Margarita handicap; Jan. 31, Est. $170,000 Santa Anita maturity; Dec. 21, $10,000 added Santa Anita derby; Feb. 28, $100,000 guaranteed Santa Anita handicap; March 7, $100,000 San Juan Capistrano handicap.

Rings of Brazilian professional men signify their calling. Doctors use emeralds, lawyers rubies, engineers sapphires, dentists topazes.

Moore Ready To Hit 'Money Trail'

Campaign Mapped for New Champ

By MURRAY ROSE

ST. LOUIS, Dec. 18 (AP)—Archie Moore, the newly-crowned light heavyweight champion, doesn't intend to waste too much time cashing in on his title.

The 36-year-old veteran of 16 years of pro battling said today he will rest about a month and then start working on the busy campaign Manager Charley Johnston is mapping out for him.

"He's chased the title for eight years," said Johnston. "Now he'll chase the money."

Moore's next fight may be a non-title affair in St. Louis Feb. 18 with the winner of the Danny Nardico-Jake La Motta clash, scheduled for Miami Dec. 31.

"That fight will depend on how the Nardico-La Motta bout goes," said Truman Gibson, secretary of the International Boxing club.

"We wanted to put Moore in with Bob Satterfield in Chicago on Jan. 14, but Archie wants to go back to San Diego and rest first. He's been fighting or training constantly for over six months."

Jim Norris, president of the IBC, Jack Kearns manager of Joe Maxim and Johnstone discussed the plans for a return title bout between Moore and Maxim early this morning," added Gibson. "We've agreed on most details. It will probably be in mid-April. But we haven't decided on the site yet."

Johnston said Maxim, who was thoroughly drubbed while losing his 175-pound crown to Moore here last night, can have the return match any time he wants.

"Archie will fight anyone," said Johnston. "I've got a champion who will chase after opponents. That's a switch, isn't it?

"And who said Moore won't draw? That $89,457 last night wasn't peanuts, was it? I'm going to talk to Norris about getting a crack at Rocky Marciano's heavyweight title.

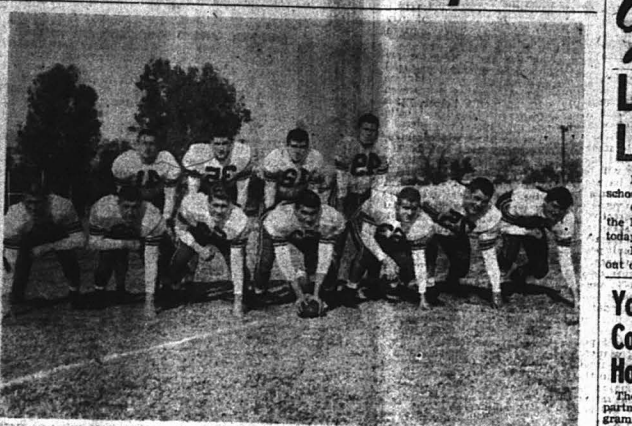

"We'd like Jersey Joe Walcott, too. I'll bet Archie will knock out Walcott and then Marciano does the next time. We've already beaten Clarence Henry and Jimmy Bivins, so there aren't too many ranking heavyweights left. If Roland La Starza wants some action, Archie will be glad to oblige.

"Then there's Cesar Brion, the Argentine heavyweight. We may take him on in Buenos Aires. That should draw $100,000 down there in the summer. I've been there before and they like him.

"Naturally, we'll take on any of the ranking light heavies they want. And how about Randy Turpin and Ezzard Robinson? Turpin decides to stay with the middle weights and Robinson's gonna retire. Robinson announced his retirement today. Archie sure makes them quit easy.

"I'm going to cable the British Boxing Board, though, that we are ready to fulfill any obligations to meet Turpin if they desire. All they have to do is tell us when to leave for England." And Jack Solomons the British promoter can referee."

Moore, who plans to leave for San Diego in a day or two, agreed heartily with everything his manager said. The new champ just received expenses for last night's victory. Maxim collected $100,000. The Cleveland veteran, who didn't look too bad considering the beating he absorbed, will head for his home town in a couple of days.

THEY'LL MOVE BALL FOR WISCONSIN — These eleven Badgers are expected to be in the starting offensive lineup when Wisconsin squares off against the Southern California Trojans in the Rose Bowl on New Year's Day. The line, from left: End Erv Andrykowski, 185; Tackle Charley Berndt, 259; Guard Clarence Stensby, 187; Center George Simkowski, 139; Guard George Steinmetz, 192; Tackle Art Prchlik, 190, and End Kent Peters, 191. The backs: Halfback Jerry Witt, 184; Quarterback Jim Haluska, 165; Fullback Alan Ameche, 205, and Halfback Harland Carl, 176. (AP photo)

Sugar Ray Robinson Retires from Boxing to Pursue Other Careers

NEW YORK, Dec. 18 (AP)—Middleweight champion Sugar Ray Robinson positively retired from the ring today to devote his time to his business and dancing career. He made the announcement through Abe Greene, commissioner of the National Boxing association in a backhanded punch at the New York State Athletic commission.

As New York stripped Robinson of his title, Dec. 4 for not defending within six months, the 32-year-old Harlem dandy made his formal retirement through Greene in a mimeographed release.

"Sugar Ray, one of boxing's all time greats with only three defeats in a brilliant career of 137 pro fights, said he picked the NBA because it represented the majority of the boxing commissions of the world and because it had been extremely helpful to him.

"At this stage of my career I don't feel I can give my followers the best I have," said Robinson in a telephone interview. "I don't want to let them down.

"A lot of very big people, and I mean very big people, in boxing put a lot of pressure on me to go through with the Randy Turpin match. But I felt I should have made this announcement long before so I made up my mind all of a sudden.

"I don't want to be like a lot of others who didn't retire in time!"

Robinson won't have to worry. He has a bar and grill, a beer and ale distributing agency, a lingerie shop, a barbershop, a cleaning establishment and a real estate office in Harlem. He started a new career as a night club entertainer Nov. 8 and is booked for a long tour that will take him to Detroit, Chicago, Las Vegas, and Miami Beach after the holidays.

George Barton, president of the NBA, informed Greene by telephone from his St. Paul office that he favored contests among Bobo Olson, a ranking challenger; Ernie Durando, Paddy Young and Ricky Catellani as runners-up.

Badgers, Trojans Drill For Rose Bowl Contest

PASADENA, Dec. 18 (AP)—The football camps of Wisconsin and Southern California echoed with the thumps of colliding athletes today as the rivals resumed drills for their Rose Bowl game.

The co-champion Badgers from the Big Ten spent the morning session performing for cameramen, but Coach Ivy Williamson herded them into more serious business for the afternoon.

The visitors are drilling behind closed gates at Brookside Park, near the bowl itself.

In Los Angeles, on their own Bovard Field, the Trojans practiced behind locked gates, too. Coach Jess Hill said his Pacific Coast Conference champions stressed passing and defense against Wisconsin running plays.

Asked if he planned to take advantage of Wisconsin's purported weakness against a passing attack by using tall Rudy Bukich more than Jim Sears, Hill replied: "It depends on the way the games goes, but Sears is still my No. 1 tailback."

Hill said his ban against Midwestern writers watching his workouts would remain in effect as long as Williamson imposes the same ban on Western writers who might want to inspect the Badgers at work.

In past years since the Big Ten-PCC Rose Bowl series began, Big Ten coaches have barred the Westerners but the Coast coaches have permitted all accredited writers into their drills.

TV Blackout on Eastern Fights Proposed by CAC

SAN FRANCISCO, Dec. 18 (AP) California would be "blacked out" Saturday nights on Eastern fight telecasts under a proposal adopted here today.

The California Athletice Commission voted to seek to have nationally televised boxing programs eliminated from the state on the grounds they might hurt attendances of boxing shows, principlally in Hollywood and Oakland.

Walter Sullivan, representing the Hollywood American Legion Club, urged the commission to take the blackout action.

"The Hollywood club has switched its boxing night from Friday to Saturday because nationally televised Friday night fights had cut my club's receipts about 50 per cent," Sullivan declared.

"The club formerly averaged weekly recipts of $5000."

The commission, with Archie Closson of Lodi presiding as chairman, agreed to send letters urging the blackout. The letters will go to the National Boxing Association; to other state commissions not affiliated with it, and to various managers associations and guilds in the East.

Apprentice Jockey Wins with Longshot

NEW ORLEANS, Dec. 18 (AP)—Apprentice Jockey Henry Ford rode long shots to victory in the first two races at the Fair Grounds today for a daily double payoff of $1317.80, the largest of the three-week-old season here.

Layne, Walker Question Marks as Lions Prepare for Battle with Rams

DETROIT, Dec. 18 (AP)—Bobby Layne and Doak Walker—who played on the same title-minded high school football team nine years ago—are question-marks on the Detroit Lion pro team today.

Quarterback Layne will be able to pass in Sunday's post-season National Conference playoff with the Los Angeles Rams here. But Layne isn't sure he can cut it on his injured leg. He didn't try in today's test. And that will hurt his effectiveness, for he was the team's second-best ballcarrier.

Left halfback Doak's problem is rustiness. Never in his 16 years of organized football has he been out of the lineup so long. He's regaining some sharpness and hopes to have it all back Sunday.

They lost out in their high school title try at Highland Park in Dallas. The team was eliminated in the Texas State semi-finals.

Sunday's game is on the order of a semi-final contest. The winner will represent the National conference in the National Football league's championship finale against the American conference champion Cleveland Browns.

The Rams are bidding to get in the finale for the fourth straight year. Coach Hampton Pool was airborne with his defending champion Rams this morning aboard for Detroit, when Layne tested his leg with with some hard running at Briggs stadium.

The Rams will likewise work out at the stadium. Pool plans his final workout tomorrow.

Pool announced that if the Rams win, they'll fly back to the coast to prepare for the Browns.

Some folks had expected he might plan to stay in this chilly region to get his players used to the cold.

It was 101 in the Los Angeles coliseum for the Rams' last game. And it will likely be between 25 and 30 here Sunday and just as cold in Cleveland Dec. 28.

"We're as ready as we can be," said Pool before beginning the non-stop hop to Detroit. "We're not too concerned about the weather. Whatever it is is good enough for us."

The Rams worked out this morning before leaving and all were in good physical condition except defensive halfbacks Dick Night Train Lane and Herb Rich.

Lane made the trip but won't play, barring a miracle recovery," said Pool.

Rich's injured toe showed improvement and he may be all right by game time.

Only 5000 seats remain to be sold. The stadium has room for 53,000 in seats and 300 standing.

Layne's running test was not conclusive this morning on the stadium's frozen turf.

"I can run straight ahead all right," he said. "I don't know yet if I can cut sideways and I may not try before Sunday." He strained ligaments in his left knee last Saturday.

Layne is a good passer but has also won fame as one of the best running quarterbacks in T-formation history.

As for Walker, he scored 17 touchdowns for the Lions in two previous seasons. But this year he pulled a leg muscle in the second game, didn't start another game until last Saturday, and has not yet scored a touchdown.

Young Cagers to Compete in Holiday League

The Anaheim Recreation Department's Christmas holiday program will get underway Dec. 23 when play will start in the Elementary school basketball league.

The event will be open to all boys from the eighth grade down.

The league will be divided into two divisions with division A including boys in the sixth to eighth grades and division B taking boys in the sixth grade and under.

Rules set forth by the Recreation department are:

1. Gym shoes are a must; no street shoes will be allowed on the floor.

2. The gymnasium will be open from 10 a.m. until 5 p.m. daily. Recreation leaders and attendants will be on hand at all times.

3. Boys who are not affiliated with a team at present will be put on a team if they will report to the gymnasium.

4. Team and individual awards will be given for the first four places.

In addition to league play, a free throw tournament will be held as a part of the holiday program.

Players will compete in 10 divisions and awards through fourth place will be given in all divisions.

The tournament will be held daily on any official court. Winners will be determined by the best score out of 100 consecutive attempts.

Recreation Department officials announced that regular activities will be continued at the high school gym the week of Dec. 29.

The playground basketball schedule as listed by the recreation department follows:

Jan. 5—Washington vs Horace Mann
Jan. 5—Jefferson vs Ben Franklin
Jan. 5—Washington vs Jefferson
Jan. 15—Horace Mann vs Franklin
Jan. 15—Washington vs Franklin
Jan. 15—Horace Mann vs Jefferson
Second Round
Jan. 26—Horace Mann vs Washington
Jan. 29—Franklin vs Horace Mann
Feb. 3—Jefferson vs Washington
Feb. 5—Franklin vs Horace Mann
Feb. 5—Franklin vs Washington
Feb. 12—Jefferson vs Horace Mann
"B" LEAGUE
Jan. 6—Jefferson vs Franklin
Jan. 8—Washington vs Horace Mann
Jan. 13—Horace Mann vs Franklin
Jan. 15—Washington vs Jefferson
Jan. 20—Horace Mann vs Jefferson
Jan. 22—Washington vs Franklin
Second Round
Jan. 27—Franklin vs Jefferson
Jan. 30—Horace Mann vs Washington
Feb. 3—Franklin vs Horace Mann
Feb. 6—Jefferson vs Washington
Feb. 10—Jefferson vs Horace Mann
Feb. 12—Franklin vs Washington

Frustrated Hunter Gets His Bag of Ducks—All Wood

MEMPHIS, Tenn., Dec. 18. (AP)—A "frustrated hunter" bagged his limit of ducks — all wooden—last night.

A sports shop strung up a display of decoys outside the store front. When owner Bob Shepard arrived this morning he found the street littered with exploded shotgun shells and his wooden ducks peppered with birdshot.

"I know the hunters were having trouble finding bucks," Shepard complained, "but I didn't know it was so bad they had to start shooting decoys."

U. S. Davis Cup Doubles Team Defeats Italy

SYDNEY, Australia, Friday, Dec. 19. (AP)—The United States Davis cup doubles team today beat Italy 6-4, 6-3, 6-2, clinching the inter-zone final series and the right to challenge Australia for the trophy at Adelaide Dec. 29-31.

Vic Seixas, Philadelphia, and Tony Trabert, Cincinnati, had little trouble defeating the Italian pair, Gianni Cucelli and Marcello Del Bello.

Seixas, American captain, eked out a 7-5, 3-6, 6-3, 8-6, 6-3 decision over Italy's young Fausto Gardini in the first singles yesterday. Trabert routed plump Cucelli, 6-3, 6-1, 6-3.

In tomorrow's final singles, Seixas will play Cucelli and Trabert will meet Gardini.

Seixas, who created a sensation in whipping Australia's great star, Frank Sedgman, in the recent Victorian championships, didn't look good in his first singles match and Trabert didn't get much of a workout in his match.

Olson Punches Out Unanimous Nod Over Hayes

SAN FRANCISCO, Dec. 18 (AP)—Carl Bobo Olson of San Francisco tonight punched out a unanimous 10 round decision over Norman Hayes, Boston. Olson weighed 163, Hayes 162½.

The two high ranking middleweight contenders staged a savage battle, swinging punches almost from bell to bell in every round.

Olson, the country's No. 1 challenger for the championship, rained punches on his rival from the start. He banged Hayes with rights to the jaw and to the body.

There were no knockdowns and Hayes stood up under terrific smashes to the jaw.

Olson landed at will at times but Hayes took everything offered and came back fighting.

The Boston boy, No. 8 in the National Boxing association rankings, stood toe to toe at times to exchange punches with his formidable rival.

Hayes suffered a gash over his left eye in the second round and the cut bled every round thereafter.

In the seventh round, one of the fastest, Olson pounded Hayes with rights and lefts to the jaw but the latter came fighting back. The crowd cheered when they finished the session.

Cal-Washington Cagers to Clash

SEATTLE, Dec. 18. (AP)—California and Washington rated well apart nationally but regarded hereabouts as evenly matched, clash Friday and Saturday nights in a basketball series that has no bearing on the Pacific coast conference standings.

But the double clash should give a good basis for comparing 18th-ranking California with 12th-placed UCLA, chief rivals in the southern division of the conference. Washington, rated ninth in the Associated Press poll, split a double bill with UCLA last weekend in Los Angeles.

Ballman Cagers Take Lead in County League

Ballman's TV'ers took over first spot in the county league last night after trouncing the Santa Ana A's 67-56.

Hugh Faulkner was the red hot boy of the evening when he cleared both boards and ended up with a total of 26. Roger Pannier and Wendy Range got themselves 11 points for their hard work.

Jack Lucas of the A's was top man for his team with 16. Something of note: Matt Garcia and Bob Hoyt of the A's hit the net at 30 feet consistently during the evening. Garcia got himself 12 points for to help out the cause.

Monday the team will have a party at Capt. Bill Walker's house and plans will be made for future games after New Year's. One game in mind is with the Colored barnstorming team from Chicago.

Box score:

Ballman TV'ers	67	Santa Ana A's	56
M. Stull	4	H. Babcock	10
H. Faulkner	26	Mair	3
D. Berg	7	Tauchel	2
R. Pannier	11	J. Garcia	12
J. Phipps	4	J. Lucas	16
W. Range	16	R. Hoyt	6
J. Wright	3	D. McCord	6
H. Walker	6		

Seixas to Meet Italian Ace in Singles Match

SYDNEY, Australia, Wednesday, Dec. 17. (AP)—Vic Seixas of Philadelphia, the U. S. No. 1 tennis player, will meet Italy's top seeded player Fusto Gardini, in the first singles match of the inter-zone finals of the Davis cup here tomorrow.

The winner of the U. S. - Italy zone tie will face Australia for the Davis cup in the challenge round in Adelaide, Dec. 29-30-31.

Tony Trabert of Cincinnati, on leave from the navy, will meet Italy's Gianni Cucelli in the second singles match tomorrow. The draw was made today at the White City courts.

Pairings for the doubles Friday were not announced, but it is taken for granted Seixas and Trabert will oppose Cucelli and Marcello del Bello.

In the final singles matches Saturday, Seixas meets Cucelli and Trabert plays Gardini.

San Francisco 49ers for Sale

SAN FRANCISCO, Dec. 18. (AP)—The San Francisco 49ers—football team named after the gold prospectors—are for sale if the price is right.

day by Anthony J. and Victor day by Anthony J. and Victor P. Morabito, the club owners.

Elder brother Tony said, "I have decided to sell my share if the price is right."

"If my brother goes," said Vic, who holds 25 per cent of the stock, "I'll get out, too."

Tony, 42, was advised by physicians to sell last season because of a heart condition. But he decided to ride out the 1952 schedule.

"I've found out," he said today, "It is too much, and after all, I owe it to my family to consider my health as my most important aspect."

Three Christmas Services Sunday At White Temple to Feature Music

Chrimas Sunday will be observed at White Temple Methodist church with two duplicate morning worship services, one at 9 and one at 11 a.m., featuring special choral music and decorations and a sermon by Rev. Frank E. Butterworth on "And The Shepherds Returned." And in the evening at 7 o'clock, the public is invited to the service of song and pagentry presented by the church school.

Every person attending the evening service is requested to bring some sort of foodstuffs wrapped in white, to lay at the foot of the tree, to be taken to the needy.

The feature of the evening service will be the playet, "Old Jimsby's Rival," presented by a cast of 65 boys and girls headed by the veteran Footlighters, Roy Casey and Judy Belle Wicker, in the leading roles. The story, written by Mrs. Eleanor Gilbreth, White Temple's Minister of Education, centers around an old woodcarver who makes toys to fill Santa's orders. With his help a young school teacher is able to recruit the talent of the community for a children's Christmas benefit for a crippled children's hospital.

Two children's choirs, of Primary and Junior age respectively, will provide music, and the familiar carols will be enjoyed by all. This is a family program, and nursery care will be provided for small children during the evening service as well as throughout the morning.

Topic for Sermon Is 'Going to Bethlehem' Sunday

At the 11 o'clock service, the choir under the direction of Margaret Elliott, will sing Frank C. Butcher's anthem, "Kings To Thy Rising" with solo parts by Margaret Elliott, Pat Brooks and John Albright with supporting parts by alto and soprano quartets.

Rev. Walker will preach on the subject "Going to Bethlehem."

There will also be baptismal service and reception of new members.

Rose Hills to Close Christmas

For the first time in its 37-year history, Rose Hills Memorial Park will close all offices on Christmas Day. It was announced today by John D. Gregg, Rose Hills president.

"We are closing all departments so that our employees may enjoy Christmas with their families," Gregg said. "However, the gates to the park and the doors of the mausoleum will be open from sunrise to sunset for the convenience of those who wish to visit the park."

First Presbyterian

The Christmas Sunday sermon theme at First Presbyterian church, 310 W. Broadway, Anaheim, will be "Now Proclaim Messiah's Birth" with the Rev. Howard S. Chandler occupying the pulpit.

Sunday school classes will begin as usual at 9:45.

Atomic Force Christian Science Lesson-Sermon

Is blind atomic action the force that founded the earth and the universe? Or is there not a great intelligent force that evolves all things? Searching questions such as these are discussed in the Sunday Lesson-Sermon entitled "Is the Universe, Including Man, Evolved by Atomic Force?" in all Christian Science churches. "The Lord by wisdom hath founded the earth: by understanding hath he established the heavens," says the Golden Text from Proverbs (3:-19).

The Bible selection points out that through trust in God man gains dominion over material forces.

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures:" "Jesus walked on the waves, fed the multitude, healed the sick, and raised the dead in direct opposition to material laws. His acts were the demonstration of Science, overcoming the false claims of material sense or law" (p. 273)?

Christian Science Program Televised

The Christian Science church will be represented on the "Light of Faith" program over station KNX-T, Sunday afternoon, Dec. 21, at 1 o'clock.

You and your friends are cordially invited to visit the Air Defense Filter Center at 1012 North Main, Santa Ana. Courteous Air Force personnel will explain to you how early warning of aircraft will help prevent A-bombings of Southern California.

Bible Words to Live by

MATTHEW 5:13-14:— "You are the salt of the earth; but if salt has lost its taste, how can its saltness be restored? ... You are the light of the world. A city set on a hill cannot be hid."

• • •

Christian character is the essential saving quality in our world. It is always dependable as a consistent and positive power in determining the moral quality of society. It demonstrates an unmistakable and a courageous faith in the moral and spiritual order of the world ruled by a God of justice, righteousness, love and mercy.

Jesus made Christian character central and basic. His followers "are salt" and "are light." It would have been entirely different if he had said "You have salt" and "You have light." There is a vast difference in having an external something in our possession and in being something ourselves. The language of Jesus is clear. It requires us to be "salt" and to be "light."

Christian character is constant and unchanging. It faithfully expresses and reveals its Christlike qualities in every situation and under all circumstances. It can never conform to the worldly ways of convenience and expediency. It reveals Christian brotherliness at all times to all persons.

Lexington, Ky.

Governor Warren May be Trying To Prepare State for Big Budget

SACRAMENTO (CNS)—The most recent radio interview given by Governor Earl Warren apparently is an attempt to soften the people up on the size of the 1953-54 state budget.

The governor said without equivocation that he is "going to strive as I always have to keep California's budget in balance and to operate government as nearly as possible on a pay-as-you-go basis." He declared he has made something of a record along this line and is confident the state will be able to continue on this basis.

There are as yet no totals, but as the outset, the governor called attention to the directive from the people of the state to increase the school allotments from $160 to $180 per pupil per year average daily attendance.

After declaring the figure used was a total of $70,000,000 more for the schools, the governor said "increases in school attendance will actually boost this total to nearly ninety million."

He pointed out this adds 15 per cent to the fixed appropriations payable from the general fund, and that of the total dollar in the fund, only 38 cents is subject to adjustment by his administration.

That the total budget will be larger than last year is a foregone conclusion, the governor pointed out.

"It is logical to assume," he said, "that we can't absorb a 70 million or 90 million dollar increase in percent of any one type of activity without it becoming apparent in the total budget."

Going into other fields, the governor said he would have to tell the legislature that additional facilities are needed to prevent overcrowding of the state's prisons, as well as more and better housing for juvenile offenders.

The same situation, he stated, applies to mental hospitals. The state system has a capacity of 36,000 patients and actually is housing 42,416 patients, with a waiting list of more than 2000 seeking entrance to the hospital for treatment of mental ailments.

Public school enrollment will increase from 1,963,000 to 2,113,-000 during the coming year. An eight per cent increase is expected in state colleges and a slight increase at the University of California.

Commenting on the highway problem, the governor pointed to the fact that it will take upwards of three billion dollars to put the highway system in shape. He said three points are apparent in the highway problem, first, that the need for building highways faster than we are now building them is apparent to all; second, that some three billion dollars are necessary to put the system in shape, and third, that additional financing is necessary.

"Neither objective can be accomplished with present revenues," he stated. "California can get an adequate highway system only by increasing the amount of money available for construction purposes."

In this outline of the financial situation, observers concluded, it can reasonably be expected that an increase in the state's gasoline tax will be effected at the forthcoming legislature. Also, that if no increase in taxes for schools is effected this year, that some increase will be voted either in new or added taxes at the subsequent budget session.

Choirs Present Bethel Services

Christmas Sunday at Bethel Baptist church, Broadway and Lemon sts., Anaheim, will feature two services, presented by the junior and senior choirs.

In the morning service, the junior choir will sing "The Birthday of the King" by Seidlmeyer and "Angels We Have Heard on High," a traditional hymn. In the same service the senior choir will sing the anthem, "O Holy Night," by Adams.

The choirs will be under the direction of Jane Jackstait, accompanied by Joan Stabbert.

The pastor, the Rev. Earl Jackstein, will preach on the theme, "Let the Light Shine."

In the evening service, the senior choir, under the direction of Jane Jackstait and with Esther Leuchner at the organ and Dorothy Butzlaff at the chimes, will present the Christmas cantata, "The Baby of Bethlehem" by Bernard Hamblen.

Carter Mercury Floats Stock

SACRAMENTO (CNS)—Edwin M. Daugherty, state corporation commissioner, today announced issuance of a permit to Carter Mercury, 218 W. Commonwealth, Fullerton, for selling 550 shares of stock at $100 par.

Attorneys for the firm are Getz, Aikens and Manning, 6435 Wilshire blvd., Los Angeles.

The auto agency has been authorized 750 shares of capital stock. Directors are Charles W. Carter, Henry Kearns and Howard Mongold.

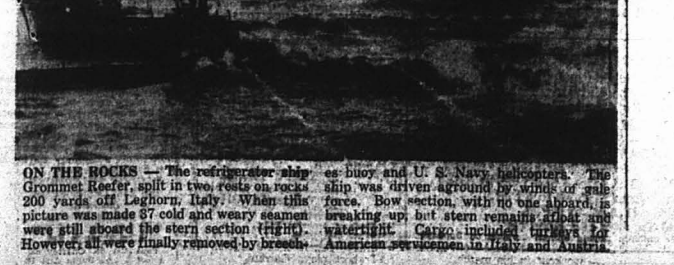

Kwikset Sales Division Moves To New Offices

Kwikset Sales and Service Co. the product marketing and advertising agency for Kwikset Locks, this week is moving its offices from the main Kwikset plant on Santa Ana st., Anaheim, to offices on the second floor of the building at 222 E. Center.

The shift was made necessary because the sales company was outgrowing its quarters in the main Kwikset building. To prevent separating the sales departments the move was made to "downtown" Anaheim.

All business of the Sales and Service Co. will be conducted from the new location beginning this week. E. W. "Bill" Wylie is sales administrator for the company.

There are no old maids among the San Blas Indians on the Cunas islands near the Panama canal. When a girl reaches marriageable age, her mother gives a party, after which the girl names the boy she has decided to marry.

ON THE ROCKS — The refrigerator ship Grommet Reefer, split in two rests on rocks 200 yards off Leghorn, Italy. When this picture was made 37 cold and weary seamen were still aboard the stern section (right). However, all were finally removed by breeches buoy and U. S. Navy helicopters. The ship was driven aground by winds of gale force. Bow section, with no one aboard, is breaking up, but stern remains afloat and watertight. Cargo included turkeys for American servicemen in Italy and Austria.

GETS 300TH TRANSFUSION — Thirteen-year-old Gary Miller of Los Angeles, born with a blood disease, hypoplastic anemia, gets his 300th blood transfusion. The transfusions began when he was seven weeks old. Whenever the boy becomes overly tired and starts to get pale—his symptoms of the disease—he's given another pint of blood. Gary plays mildly strenuous games and attends school with other children who are physically restricted. Checking off the blood score is Technician Connie Steetner.

Auto Club Warns Against Seasonal 'Pedestricide'

LOS ANGELES, Dec. 18 (AP)—Warning came today against a frequently fatal seasonal disease — "Pedestricide."

The Auto Club of Southern California defines it as a disease confined entirely to jaywalkers. Symptoms are impatience, absentmindedness and carelessness.

The club added that it has caused more deaths this year than polio, pneumonia and influenza combined and often becomes epidemic during the Christmas shopping season.

Equalization Board Appointee Asks Strict Tax, Liquor Control Policy

SACRAMENTO (CNS)—Equitable administration of property taxes, reflected in the number of liquor licenses issued, elimination of abuses in transferring of liquor licenses, flushing out the "hoodlums" and ridding the state of "saloon racketeers" constitute some of the policies Paul R. Leake, newly appointed member of the state board of equalization, will follow.

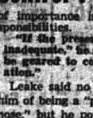

Leake made this plain as he was sworn into office by Secretary of State Frank M. Jordan here.

He said there was no need to be a seasoned analyist to recognize the necessity for a uniform assessment and tax procedure, an issue the board has side-stepped for some years.

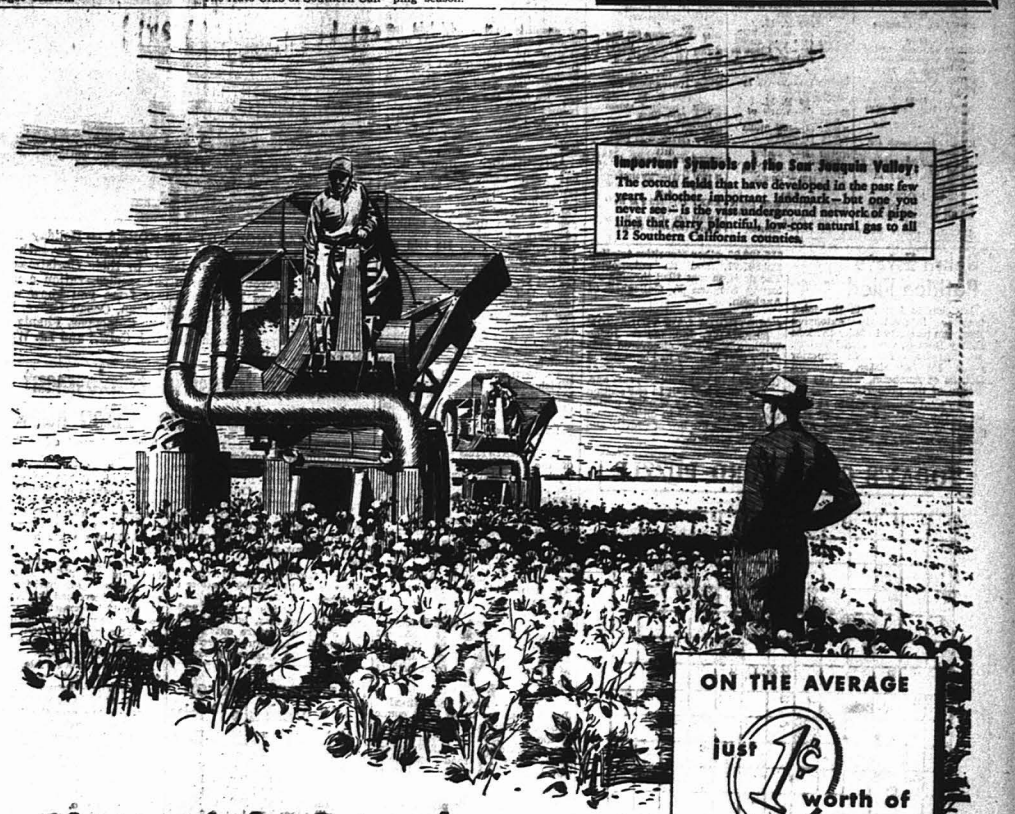

The traffic in alcoholic beverages, he stated, presents simpler problems than tax assessments, which he said was the major item of importance in the board's responsibilities.

"If the present control set is inadequate," he stated, "it should be geared to cope with the situation."

Leake said no one could accuse him of being a "prohi" or a "bluenose," but he pointed out that an unreasonable surplus of saloons could well prompt the electorate to decide it's time for a change which would result in slipping back to the bootlegging days of the "noble experiment."

Important Symbols of the San Joaquin Valley:
The cotton fields that have developed in the past few years. Another important landmark — but one you never see — is the vast underground network of pipelines that carry plentiful, low-cost natural gas to all 12 Southern California counties.

ON THE AVERAGE just 1¢ worth of GAS will heat the water for 1 deep hot bath OR bake 1½ dozen baking powder biscuits OR cook 27 pounds of fresh vegetables
Remember, too — gas serves you best in modern automatic appliances!

Natural GAS is cheap in Southern California

RESIDENTS of Southern California live better, spend less. This is because natural gas is cheap here. Its cost is under the national average for residential service. Gas is so economical that nearly everyone uses this clean, modern fuel for cooking, water heating and house heating. Thousands also use it for refrigeration and clothes drying.

The price of gas for a typical customer is still about the same as in 1938. What else costs as little today as it did 14 years ago? Certainly not food, clothing or home furnishings. In fact, your over-all cost of living has just about doubled.

So no matter how you figure or compare, you'll always get the same answer:

YOUR HOUSEHOLD BARGAIN IS GAS!

Live better, spend less with GAS

IN THE DAYS OF LONG AGO

From the Files of Anaheim Gazette

By MRS. HENRY KUCHEL

25 Years Ago

Tustin has become an incorporated city of the sixth class. Voters cast 138 votes for incorporation and 110 votes against such action. Tustin thus brings the total number of incorporated cities in Orange county to an even dozen. The community has more than 1100 residents and more than 600 registered voters. Only 248 votes were cast on the incorporation proposition.

50 Years Ago

Company E will have a smoker at the armory Thursday evening. An invitation is extended all the boys, young and old, who are interested in the military to attend, have a smoke and take part in the festivities.

Frank Stone spent Sunday with friends in town. He is engaged with Fred Schmidt's bridge builders on the Santa Fe line at St. Onofre.

75 Years Ago

The Brass Band and a number of invited guests assembled at the school house last evening and proceeded in a body to the residence of Mr. and Mrs. Luedke, "surprising" that worthy couple most effectually. A merry time was had, the host and hostess assisted by their daughter, Miss Olga, doing the honors in their usual hospitable way. It is needless to say that the band played most charmingly.

The requisite papers were yesterday signed by the Trustees of the Anaheim Water company to get out a second injunction against the Semi-Tropic Company and the Yorbas.

Judge Lindley informs the Express that those voracious ground squirrels and not content with devouring his melons and pumpkins, but they climb his peach trees and carry off the peaches.

Francis Armente was brought before Judge Bailey yesterday on a charge of stealing cattle. He pleaded not guilty and the examination was postponed until today, when George Englehardt will arrive from Los Angeles to testify in the case.

Anaheim Gazetteer

by JOHN S. NEUBAUER

The rainbow never tells me
That gusts and storm are by;
Yet she is more convincing
Than philosophy.
—Emily Dickinson.

• • •

WORD — **Come unto me, all ye that labour and are heavy laden, and I will give you rest.**
—Matt. 11:28.

• • •

ACCIDENTS — Things seem to happen that are most unexpected. **Irv Millbrat, Jr.,** was taken by surprise when he fell off a telephone post. Something went amiss. And he found himself picking himself off the hard ground. . . . **A. C. Berry,** the Anaheimer, handled a lot of gasoline in his day; but last week while he was gassing up a tractor for the hired man, the fluid ignited, spilled over him and burned him seriously. Luckily, though, **Jess Michaeli** was close by. He took the 71-year-old Anaheimer to the hospital for first aid. . . . Accidents do happen, but a lot of them are ironical, to say the least.

• • •

COINCIDENCE—**Ralph Calkins** has been hobbling around on crutches for 16 years, but he isn't complainin'. "Y'know," he said, "Most of us think we're really bad off; but then there are millions of others with whom we wouldn't trade places." . . . He told me about getting a Christmas Card from a woman in Washington, D. C., last year. The headman of the Ellay Oddfellows sent him the identical card. Then on his birthday he received cards from the same people. They were the same. . . . And now he's watching this year's mail to see if he'll get similar cards from these folks who don't even know each other. . . Which reminds us that **Dan O'Hallon,** the Fullerton realestater, oughta be getting that perpetual Christmas Card from his Scotch Friend in Long Beach.

• • •

PERSONALITIES — **Pat Hayne** of the McMahan stores has an angle on creating good will—taking pictures of the small fry with Santa Claus. . . . **Art Fisher,** the personable furniture man, also is a customer's man. He doesn't believe in super salesmanship. The customer is right. Incidentally, the Fisher hacienda is a show place of Anaheim. . . **Hugo Schuls** is another Anaheimer who knows his furniture and appliance business. . . **Maurice Garey** is another furniture man who is helping spread Anaheim good will during the holidays. . . **Albert Ristcel** has retired from the furniture business, but he's the man who knows the game from carpets up.

• • •

ASIDES — Don't be alarmed if Junior goes for those lurid comic book adventures. More than likely his father was a western story fan in his day. And his grampa probably used to read those dime novels and Frank Merriwell stories. Basically, they say, there's nothing new under the sun, it just comes in a different package. The comic books of today are something like the tall tales the pulpeteers pounded out on their mills a decade or two ago. And others are probably the hair-raising adventures the dime novels were made of. Nothing new at all, Grampa got over his dime novels. Pop got over his pulps. Junior will get over his comic books in too.

• • •

Behrn Estate Petition Filed

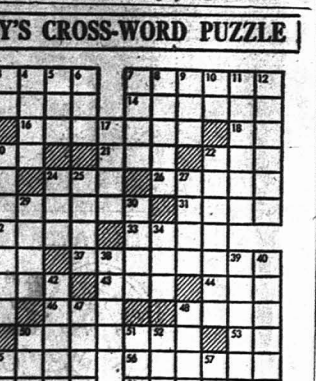

Petition to terminate the joint tenancy interest in extensive Anaheim property held by the late Henry Behrns, who died last Oct. 10, has been filed in Superior court by his sister, Katherya Behrns of Anaheim, who was co-owner of the property.

The joint tenancy estate as listed in the petition consists of real estate in Anaheim and West Anaheim promissory notes aggregating $55,160.09, other securities totaling $16,567.77, and an automobile. The petition was filed through attorney Stephen F. Gallagher of Anaheim.

COURTROOM LAW VIOLATION

ELKHART, Ind. (AP) — Judge William E. Wider discovered suddenly that one law had been defied in his Superior Court ever since the city hall was built 37 years ago. A gizzled hand put in one section of a stained glass window upside down, so the sand in an hourglass was defying the law of gravity and running upward.

Yesterday's Puzzle Solved:

BATAVIA, O. — GRANDMOTHER FACES DEATH IN ELECTRIC CHAIR—Mrs. Dovit Dean, 54, convicted of first degree murder in the slaying of her husband, Hawkins Dean, 68, prays in her cell at the Clermont County jail pending an appeal. The jury failed to recommend mercy, making the death penalty mandatory. She was accused of putting rat poison in her husband's milk. "God will straighten this out," she told newsmen. She is pictured in her jail cell. (AP Wirephoto)

CHRISTMAS INGENUITY IN KOREA — Holiday decorations are where you find them in Korea. Seventh Division GI's add the festive touch to their Christmas tree with cotton scrounged from the medics, ration can tops from their mess hall, and paper from you know where. Crouching is Sgt. Norman Boudreau, Ocean Grove, Mass. Others, from left, are: Pvt. Bruce Culpepper, Phenix City, Ala.; Pvt. Vernon Smith, Oakland, Calif.; and Pvt. Wendell McFadden, Dallas, Tex.

California Industrial Employment Remains Above the Million Mark

Despite seasonal decreases, manufacturing employment in California remained well above the million mark in November, Paul Scharrenberg, California Director of Industrial Relations, announced today. California factories employed 1,011,200 wage and salary workers in November, nine per cent more than a year ago.

Manufacturing employment decreased by 26,900 between October and November as seasonal contraction in fruit and vegetable canning, lumber, and tin can manufacture outweighed increases in aircraft, electrical equipment, apparel, automobiles, and most other industry groups.

Aircraft, at a postwar employment high of 199,200 wage and salary workers in November, continues as the State's leading manufacturing industry. Current employment in the industry is nearly 22,000 above the level on V-J Day.

Employment in plants manufacturing scientific instruments, much of which is used for defense purposes, increased this November for the 12th consecutive month to reach a new all-time high of 14,100. This is 25 per cent above a year ago. Ordnance, another fast growing defense industry in California, more than doubled its work force in the past year, increasing from 3100 workers in November 1951 to 6600 in November 1952.

November was the fifth consecutive month in which the electrical equipment manufacturing industry established a new employment high. The current total of 59,200 electrical workers is 10,000, or 20 per cent, above the level of November a year ago.

Other industries reaching new all-time highs this November are printing and publishing (50,900), chemicals (34,800), and paper products (17,300).

Looking for something that's fun to do? Then volunteer to help at the Air Defense Filter Center in Santa Ana. Interesting duties guard our California from bomb-laden enemy aircraft. Call KI 3-3643.

Northrop Children To Have Yule Party

All Junior Norcrafters, sons and daughters of Northrop-Anaheim workers, will meet Santa Claus at the Orangethorpe ave. plant's recreation area Sunday at 1 p.m.

With Santa will be "Jerry," the chimpanzee, and Robin Hood, who will show how to use a bow and arrow. The Northrop Singers will sing Christmas music.

If the weather turns rainy, or even looks like rain, Norcrafters are asked to take their children to Anaheim Elks club, Los Angeles and Sycamore st., instead, according to Bill Patrick, vice-president of the Northrop Recreation club.

Ex-convict Helps Trap Conspiring Grocery Brothers

SAN FRANCISCO, Dec. 18. (AP)—"John, you've helped me keep out of trouble," an ex-convict told Patrolman John Mikulin, "and I figured you ought to know about this."

"This" was a phoney holdup attempt Wednesday night of a Safeway store in which the ex-con was to have been an accomplice.

The story as unfolded by Police Lt. Martin Lee:

Mikulin had frequently helped the unidentified informant with small loans and advice.

The ex-convict said he was waiting at an employment agency for a job when Charles Brown, 19, approached him and asked, "How'd you like to make some easy money?"

"Keep talking," said the ex-con. The upshoot of the deal, the tipster declared, was for him to stage a phoney holdup of the store—and then split the loot with Charles Brown, and his brother, William Brown, 24, assisant manager of the store.

Mikulin in turn, told Lee. The patrolman asked the tipster to go ahead with the setup.

On Wednesday night Charles Brown drove the informant to the store and waited outside. William Brown handed over receints totaling between $2000 and $3000. Officers were waiting nearby and took the Browns into custody.

The Brothers have been booked on charges of conspiracy to commit a felony. Both denied the charges.

The ex - con who "went straight" was not held.

Educators Say No on Upping School Support

SACRAMENTO, Dec. 18 (AP)—Most of the advisers called together by the State Department of Education showed today they do not think the 67 million dollar price tag placed on an initiative measure of increasing support of public schools should be upped.

Proposition 2, approved overwhelmingly by the voters last month, carries a minimum of 67 million over the current school support budget of about 284 million. Along with 20 million for normal growth, it will boost the 1953-54 state apportionment to a California record of about 370 million.

Roy E. Simpson, state superintendent of public instruction, asked for the advice of business, farm, labor and education groups, members of the Legislature and state fiscal officers. His education department is drafting a bill for apportionment of the newly-enriched school fund.

A show of hands indicated that a majority of the 75 persons present did not favor going be-Most of the advisers called to-which raised the constitutional minimum for school support from $120 to $180 per pupil in average daily attendance.

Stolen Auto 'Graveyard' Found in North

REDWOOD CITY, Dec. 18. (AP)—Auto tire tracks leading to the edge of a sheer cliff near Devil's Slide on the coast highway today led police to believe a motorist had plunged 200 feet to the Pacific beach below.

But a dangerous descent down the cliff face on ropes uncovered something else—a "graveyard" of stripped stolen cars.

Frank Speilman, 34, Sharp Park auto mechanic who made the descent on a line from his two truck hoist, reported he found parts of four autos—amid the rocks at the water's edge.

San Mateo county chief deputy sheriff, Walter Moore, said all the cars apparently were pushed over the cliff after they had been stripped for parts and accessories.

Pacific Lutherans Trounce Humboldt

ARCATA, Calif., Dec. 18 (AP)—Tight ball handling and a good defense gave Pacific Lutheran college of Tacoma, Wash., a 66-44 basketball win over Humboldt State college here tonight.

The visitors, playing well-paced control ball held a halftime lead of 22-18. Pacific Lutheran guard Don Huffman and Humboldt forward George Iarreta each bucketed 13 points.

State TV Nearer As Four-Point Policy Adopted

SACRAMENTO (CNS) — The drive of California educators for socialized television in this state was a step closer toward fruition today as the results of a two-day conference in Sacramento on the subject were being weighed.

Four points on over-all policies were made by the conference which was held at the call of Governor Earl Warren, and attended by more than 200 Californians who were invited to the sessions by the chief executive.

The points are:

1. State and local officials should move directly and promptly to insure that all available educational television channels necessary to serve all of the people of the state be reserved. (The federal communications commission has offered eight channels to California.)

Father Asks Guardianship

Charles Wells of 12552 Chestnut st., Stanton, yesterday petitioned Superior court for appointment as guardian of his daughter, Sonya Louise Wells, 13, who is beneficiary of a $2000 life insurance policy left by her mother, whose death took place recently.

CAROLERS SERENADE IKE AND MAMIE—Candle-carrying carolers from Barnard college serenade President-elect Eisenhower and Mamie, who wears Ike's coat, with Christmas carols outside his home on the Columbia University campus, New York City. Earlier in the day Eisenhower returned from his historic visit to the Korean battlefront.

Public Seminar on Communism Slated

Legionnaires to Speak in Santa Ana this Sunday

For the first time the public is invited to attend a seminar on Communism held by the American Legion. A lineup of notable and authoritative speakers will appear here on the panel of the American Legion's seminar exposing the menace of Communistic infiltration into the entertainment field.

The seminar will be held at the American Legion hall, 212 N. Birch st., Santa Ana, Sunday, starting at 10:30 a.m. Special invitations have gone out to members of service clubs, churches, patriotic organizations, as well as to educators, students, youth leaders and others. There will be a question-and-answer period following each talk and officials expect more than 1000 to attend.

Outstanding speakers on the subject of Communism in the entertainment field will appear on the program, according to Ed Murrison of Newport Beach, chairman of the American Legion 21st District's Un-American Activities committee sponsoring the event. Other members of the 21st District's committee, which includes Orange and Riverside counties, are Tom Hoag of Anaheim and Harry Moss of Riverside.

Congressman Jackson, Representative for the 16th Congressional District and a member of the Congressional Un-American activities committee, will speak on the work of the committee and its future program as well as Communism as a national and local problem. He will be the final speaker talking at approximately 3 p.m.

Other speakers on the program, in the order of their appearance, will be Martin Berkeley, well-known screen writer; Ward Bond, prominent Hollywood actor; and Roy Brewer, International Representative of the International Alliance of Theatrical Stage Employees.

A press table with special facilities for newspaper, radio and television representatives is being arranged.

EXPOSING COMMUNISTIC ACTIVITIES—Congressman Donald Jackson (right) of the 16th District and Chairman Ed Murrison of Newport Beach discuss plans for American Legion 21st District's seminar exposing menace of communistic infiltration in entertainment field. Event is set for American Legion Hall in Santa Ana, this coming Sunday starting at 10:30 a.m. with sessions continuing through out the afternoon. Congressman Jackson will head array of authoritative speakers, several from Hollywood motion picture industry.

Crime Commission Witness Tells Of Alleged Cover-up by O'Dwyer

NEW YORK, Dec. 18. (AP)—The veil of years was lifted from the murderous Brooklyn waterfront again today with testimony that a one-time district attorney, William O'Dwyer—kept some of its scandals under cover.

An official of the AFL International Longshoremen's association told the state crime commission he disclosed a $20,000 waterfront dues shakedown to O'Dwyer's office. The witness, Anthony P. Gelitto, said nothing ever came of his expose.

One of O'Dwyer's former assistants in those days, Edward A. Heffernan, claimed he accused gangster control of the Brooklyn docks 12 years ago. But he said his report gathered dust after O'Dwyer told him to "close the case."

Heffernan also told of getting a statement allegedly linking Albert Anastasia in gory detail to the murder of a union waterfront reformer. Heffernan said he was told to file it and forget it.

The murder victim was Joseph Panto. The slaying later mushroomed into one of the most sensational of cases with the breaking of the old Murder, Inc. gang.

O'Dwyer claimed he had a perfect case against Anastasia in the Panto slaying. But it went out the window, he said, with Abe Reles, who plunged to his death while under heavy police guard more than a decade ago. Reles was to have been his star witness.

O'Dwyer's regime as Brooklyn district attorney has often been criticized and grand jury inquiries many times once have castigated him. Nevertheless, the job was O'Dwyer's stepping stone to the mayoralty and thence to the U. S. ambassadorship to Mexico, a post he just resigned. He has often denied there was anything improper in his conduct of the district attorney's office.

The state crime commission concentrated on Brooklyn in today's probing into waterfront rackets that bleed 350 million dollars a year from the shipping industry in the world's largest port.

More testimony was put on the record about lavish cash handouts to ILA officials, handouts the commission has all but labeled shakedown tributes levied against stevedoring firms and shippers.

One witness, Constantine Gus Scannavino, a vice president of the ILA, testified he read in the newspapers that he dragged down $6300 in five years. With a bland smile he told the commission:

"That surprised me. Honest, I never knew I received so much money. I get a gift and I give a gift. People come over to me and I give them a gift."

County Highway Allocations Made

SACRAMENTO, Dec. 17 (AP)—County apportionment of $5,082,669 of federal aid secondary highway funds for 1954 was announced by the California Highway Commission today, including:

Alameda $61,905, Contra Costa $104,929; Del Norte, $25,413; Fresno, $273,481; Humboldt, $112,692; Imperial, $109,083; Inyo, $127,689; Kern, $231,198; Los Angeles, $216,419; Marin, $36,972; Mendocino, $92,761; Monterey, $113,130; Napa, $50,895; Orange, $103,212; Riverside, $195,832; Sacramento, $121,240; San Bernardino, $360,860; San Joaquin, $121,405; San Mateo, $31,650; Santa Barbara, $76,135; Santa Clara, $122,345; Santa Cruz, $49,108; Solano, $48,934; Ventura, $92,761.

Kwikset 'Fringe Benefits' Total $1012 Per Person; Above Average

Kwikset Locks, Inc. personnel benefits are running far ahead of the national average of "fringe benefits" provided employees in manufacturing across the nation, according to Kwikset Ink, employee newspaper of the Anaheim lockset manufacturing company.

The publication bases its findings on the results of a nation-wide survey of personnel benefits in industry conducted recently by the United States Chamber of Commerce.

Fringe benefits are in addition to the employee's regular wages, and in addition to premium overtime pay, cost of living increases, incentive bonuses, and other items considered part of the employee's normal pay check.

Kwikset's benefits consist of cash profit sharing, paid pension plan, social security and unemployment insurance, deferred profit sharing (an additional pension and savings plan), subsidized cafeteria, group life insurance, Credit Union, hospital-surgical insurance, and paid vacations, holidays, and rest periods.

These benefits amount to $1012 a year for each employee at Kwikset. The national average of comparable benefits provided by 736 leading companies is $644 a year for each employee —an all-time high.

Recent surveys made by Kwikset's Industrial Relations department show Kwikset's regular wage rates compare with or are higher than those in other companies having similar type jobs in the Los Angeles area, according to Kwikset Ink.

The employee newspaper, which is edited by Max Besler, pointed out that fringe benefits of metal products manufacturers (comparable to Kwikset) were among the highest of several types of industry and business in the nation. They averaged 28.4 cents an hour per employee on a nation-wide basis, as compared with Kwikset's 50.6 cents an hour per employee.

Warning of enemy aircraft approaching Southern California is the only way that we can save ourselves from bombings! Want to help? Then call KImberly 3-2643 or visit the Air Defense Center for information.

THEY'RE TRYING TO MAKE MONKEYS OUT OF US'—Tragic-looking Tong and Tanga, two-year-old Orangutans, hang on to each other for dear life. Their owner, Alton Freeman, is taking them to the Lincoln Park zoo in Chicago, which bought them for $6000. Perhaps if they know how much they are worth they wouldn't look quite so uneasy. Natives of Borneo, they were raised at Kendall, Fla., and are awaiting shipment to the Windy City, and will probably star on the zoo's television program. Maybe they look unhappy because they were greeted with a Yankee temperature of 36 degrees.

Police Sergeant Winds up in 'Father' Role

Spectacle of a burly police sergeant intently rocking a cradle containing an infant drew startled glances at Santa Ana police headquarters a time Wednesday.

Dwight "Jim" Gross of the juvenile detail found the baby in its cradle, locked in a parked automobile in downtown Santa Ana. Outraged by the violation, he left a curt note and took the baby and cradle to headquarters.

First hint that he had assumed a problem came when Jim heard the first faint cries from the bundle in the cradle, and leaped straight into the air. He scratched his head, looked around anxiously, then settled down beside the cradle and gingerly began to rock it.

It worked, and Jim was doing fine 45 minutes later when the mother arrived. Meanwhile he had received word that his note had been taken from the car soon after he placed it there and he wondered why anxious parents hadn't been bursting in the door.

"Where's his — I mean it's father?" Jim demanded of the mother.

The father, a Marine, was summoned from the car outside. He explained that he had found Jim's note, then had gone to a soda fountain and sipped a coke while waiting for his wife to return from her shopping.

"But why didn't you rush down here to see about your baby?" Jim demanded.

"Oh, I knew he was safe. He was at police headquarters wasn't he?"

Record Orange Crop Forecast

WASHINGTON, Dec. 17. (AP)—A record high crop of early and mid-season oranges—58.8 million boxes—was forecast for the 1952-53 season by the agricultural department today. This is three per cent increase over last year.

The department in its annual summary crop report made these estimates of other citrus crops:

Valencia oranges, 62.2 million boxes, up three per cent; grapefruit, 38.4 million boxes, down five per cent; lemons, 15.1 million boxes, up 3 per cent.

The Florida early and mid-season orange crop was estimated at 43 million boxes, 800,000 less than last season. Grapefruit at 33 million boxes are figured to be about 3 million less.

A million boxes of oranges was estimated for Arizona, with 2.7 million boxes of grapefruit, both above last season.

In California valencia oranges probably will total 28 million boxes, 8 per cent above last season but 6 per cent below average, the report said. Navel and miscellaneous oranges were placed at 14.6 million boxes, also above last season but below average.

American farms average 195 acres in size; farm families average three or four children.

Marilyn Monroe Wishes the World Would Forget her Calendar Photo

HOLLYWOOD, Dec. 18 (AP)—A battle of the trays was shaping up today, with Marilyn Monroe served up as the main morsel. A manufacturer of plastic laminated trays said he had made up a few samples bearing the celebrated camera portrait of Marilyn in the nude.

He said a number of stores had shown interest—and he was willing to cut in the blonde beauty on the profits.

But Marilyn indicated a firm huh-uh.

She asked 20th Century-Fox's legal department to see if such portrayals of her figure—including reproductions on drinking glasses—could be stopped. Studio attorney Frank H. Ferguson said he was eyeing the law and evidence.

Marilyn said she isn't ashamed of having posed for the calendar photo when she was hungry and behind in her rent. She just wishes the world would forget.

The manufacturer said he wanted to remain anonymous behind his firm name—"M & M Sales." He said the initials stood for Moskovich & Murphy, partners of his, and were only coincidentally the same as Marilyn's.

He said he had an agreement with the photographer who took the Monroe pictures—and a release signed by her when she posed in 1949. He quoted it: "I consent to the use of my name, portraits and pictures . . . for advertising and trade purposes. . . ."

'Yorkmar' Pulled Free of Ground On 11th Day

ABERDEEN, Wash., Dec. 18 (AP)—The 7200-ton freighter Yorkmar escaped today from the beach on which it once had appeared doomed.

On its 11th day as a captive of the sands, the Calmar Line vessel was pulled from the graveyard of ships outside the Grays Harbor mouth.

It was a triumph against odds for salvage experts and the captain and 36-man crew who had remained aboard since the Yorkmar ran aground Dec. 8 while trying to enter Grays Harbor on a voyage from San Francisco.

Success came after setbacks from stormy weather, rough seas, shifting sands and broken tow lines. The tug Salvage Chief of Portland, with an assist from the tug Sea Lion of San Francisco, pulled the helpless ship the last leg into the sea after an hour of tugging at high tide this noon.

It had set the stage for the successful salvage project by pulling the derelict about 400 feet, a ship's length, yesterday before the ebbing tide cut short the effort.

Winds were rising today and warnings were up for an afternoon storm when the Yorkmar finally floated safely into the Pacific.

Walter Martignoni, a ship salvage expert from San Francisco, headed the rescue project.

It is believed to be the first large ship ever refloated after grounding solidly on the sands north of Grays Harbor.

The Coast Guard, which had ships standing by throughout the operation, said the Yorkmar's only reported damage was a bent propeller blade. It was to be towed to Portland.

The Salvage Chief made the successful pull by setting out three "catch anchors" to hold it firmly offshore. Then it used winches for the big job of pulling the ship free of the sand.

DRESSED FOR CHRISTMAS—Scene on New York's Park Avenue looking north from New York Central building as 30 tall Christmas trees with white and yellow lights were turned on. The trees, erected in the center plots of the avenue, were dedicated "as a prayer for the men and women of all faiths who died in World War II and in Korea." The trees will be lighted each evening through New Year's Day.

Permit Issued

A building permit was issued yesterday to C. C. Kent of 11042 S. 101 Highway, Anaheim, for construction of a five-room dwelling and garage at 2224 E. LaPalma ave., to cost $8000.

KC Sets Yule Party for Kids

The regular meeting of the Anaheim Knights of Columbus will not be held on Monday as scheduled, instead, the Knights will hold a Christmas party for the youngsters of the Knights, Saturday between 7 and 8:30 p.m. at the St. Boniface Parish hall.

Santa Claus will be there to fill the stockings of the youngsters with a lot of goodies.

"and for goodness sake get your hair cut before Christmas!"

His mother used to tell him that. She said it every year back home. And so here he is, in the snowy woods of Korea, getting his Christmas haircut during a break in patrolling activity.

Here is an American soldier holding on to the home traditions even while he fights for them. In a way we at home are doing much the same thing . . . we're living our good, free American way but at the same time we're helping to guarantee that that way will be with us always.

We're doing it by our investment in United States Defense Bonds, for one thing. By Bonds and other forms of saving we're building up and maintaining security for ourselves and our families. And when *we* are financially secure our country is strong, too. Remember *peace is only for the strong*. So invest in Defense Bonds every pay day through the Payroll Savings Plan where you work. Strengthen your own future and that of your country by saving your money through Defense Bonds.

Here's how E Bonds now earn more money for you!

Now safe, sure U. S. Series E Defense Bonds pay an even better return than ever before . . . thanks to *3 brand-new money-earning features.*

1 *Now every Series E Bond you get earns 3%, compounded semi-annually, when held to maturity.*

2 *Every Series E Bond you own can now go on earning interest for 10 more years after it reaches the original maturity date.*

3 *During the 10 year extension period, every unmatured Bond earns at the new, higher interest (average 3%).*

Start now! Invest more savings in *better-paying* Series E Bonds —through the Payroll Savings Plan where you work.

Peace is for the strong! For peace and prosperity, save with U.S. Defense Bonds!
