548 Die in Holiday Accidents; Predict Record Total

82 YEARS OF DEVOTION TO ALL THAT IS GOOD IN ANAHEIM

ANAHEIM GAZETTE

ORANGE COUNTY'S OLDEST NEWSPAPER ESTABLISHED IN 1870

VOLUME LXXXII — ANAHEIM, ORANGE COUNTY, CALIFORNIA, SUNDAY MORNING, DECEMBER 28, 1952 — 5 Cents per Copy — 50 Cents per Month — No. 302

Planners Okay Big Costa Mesa Subdivision

The big ruckus over Republic Construction Co.'s big-time subdivision at Costa Mesa was of no-interest to the Orange county planning commission; it recommended a variance permit for the first unit of 532 houses on 125 acres near 19th. st. and Placentia ave., Costa Mesa.

Commissioners acted although city of Newport Beach protested that the tract was close to the proposed new dump site and the area was zoned for light industrial use.

Republic is demanding in court that the city pay damages if it is permitted to burn rubbish; it wants the whole thing stopped and has intervened in a suit pending in court.

The commission also gave its expected nod to another big-time Costa Mesa development.

Diller-Kalsman Co., Beverly Hills, is planning 1199 single-family residences, 53 multiple-family dwellings and an eight-acre business district under a $12,000,000 program. Republic's is estimated to cost $16,880,000, when it is completed.

Also approved: a subdivision of 3.7 acres at Valley Home ave. and Russell st. La Habra, northwest district. It will be improved by A. L. Gindling of Los Angeles. It will have septic tanks.

Both Republic and Diller-Kalsman at Costa Mesa must install septic tanks, but also sewer connections in case of annexation to Costa Mesa sanitary district.

Allied Bombers Rip Red Center In Heavy Raid

SEOUL, Sunday, Dec. 28. (AP)—Two hundred allied warplanes bombed a sprawling Communist supply center near the Red Korean capital of Pyongyang into a flaming pyre today. It was one of the biggest raids on a single target since last August.

Towering smoke clouds billowed over the target.

Planes from four Fifth air force fighter-bomber wings and marine air group 33 converged on the target starting at 11 a.m.

Swift Sabre jets patrolled the cold skies to the north, protecting the slower fighter-bombers against Red jets which have swept far south in recent days.

Allied pilots said the heavily damaged 70 buildings and explosions indicated they had touched off ammunition stores.

Frigid cold held the ground war to patrol actions. Temperatures on the western front last night dipped to one below zero.

Chinese Reds sent out patrols in greater numbers Saturday. Stalking aired raiders turned them back in short, sharp fights which crippled the Red probers.

Eighth army headquarters gave no explanation of the stepped-up Red patrolling.

An allied raiding party on the western front ripped into a Chinese unit of 75 east of the Panmunjom truce talks village and left 53 Communists dead or wounded in the snow. The savage predawn fight in near-zero temperatures lasted 40 minutes, an Eighth army summary said.

Another allied patrol that moved out west of Chorwon on the central front at about the same time hit an estimated 60 Communists strung out in ambush position. The allies called for artillery support and when the clash was over 30 Chinese were dead and 30 wounded.

On the eastern front a patrol battled 80 Chinese in an hour-long machinegun, hand grenade and mortar fight that left seven Reds dead.

On the extreme eastern end of the 155 mile line, a north Korean patrol suffered 13 casualties in a one hour probing attack.

CARDINAL SPELLMAN WITH U.N. TROOPS — Francis Cardinal Spellman (center) and Gen. James Van Fleet, 8th army commander (second from right) pose with 2nd Division GIs and members of the French Battalion after a Catholic Christmas service somewhere in Korea. It was the second successive Christmas spent by the Cardinal in Korea.

Bank Branch Here To Issue License Tabs from Jan. 2

Want to know an easy way to get your 1953 automobile license tabs this year? You can get them at Anaheim branch of Bank of America. It was announced today by O. J. Hanson, manager, who said that fees will be accepted and the tabs handed over the counter from Jan. 2 through Feb. 4, office hours banking hours. The bank is located at 203 E. Center st.

Hanson explained that many banks are being asked by Director A. H. Henderson of the California Department of Motor Vehicles to cooperate in issuing the tabs, and that the banking offices authorized by the department will operate special windows to handle them.

Director Henderson emphasized that only auto and commercial license plate tabs can be obtained at the banks. All other tabs must be obtained at a branch of the Department of Motor Vehicles. He added that the banks make no charge for the tab service.

Persons taking advantage of this convenient way of getting their license tags must bring along their 1953 potential registration card, which should have been received in the mail now, or will be within a very few days. The form is in duplicate. One copy is left with the bank for forwarding to the Department of Motor Vehicles. The other is validated and becomes the registration card, or "white slip" which is carried in the vehicle.

Happy New Year?

LONDON, Dec. 27 (AP)—Red China radio at Peiping announced tonight it will broadcast a New Year's message tomorrow from an American soldier from Gardena, Calif., now held prisoner by the Communists. The Peiping broadcast identified him as Pfc Jack D. Noble, RA 19338887, of 1559 W. Market st., Gardena.

Three Arraigned For 'Stick-Up'

Three young men who courted 40 years in prison for $40 were in Superior court's criminal session to answer for armed sticking of a corner ice cream stand in Orange last Dec. 11.

Two of them, James Ochoa, 20, of Norwalk, and William Arellanes, 23, also of Norwalk, admitted their guilt and threw themselves on mercy of the court, asking probation. They will be sentenced Jan. 9.

Alleged "toughy" of the gang, Leo R. Albitre, 19, of Whittier, couldn't make up his mind how to plead, and got until Jan. 2 to decide.

The state charges that they stuck up Deonne Durham at the ice cream parlor and escaped in a stolen car with the $40 loot—which officers took from them before they could spend it, so fast was their roundup.

SACRAMENTO (CNS) — Labor's perennial measure to increase unemployment insurance benefits will be introduced at the 1953 session, according to announcement made here today.

Eisenhower May Consult GOP Senate On Possible Peace Talks with Russ

NEW YORK, Dec. 27. (AP) — President-elect Eisenhower may discuss Premier Stalin's world peace overtures with senate Republican leaders to get their view on feasibility of conferences with the Russians.

That possibility developed as Eisenhower met at his Columbus university residence today with Lewis W. Douglas, former ambassador to Great Britain in the Truman administration.

The general and Douglas—who backed Eisenhower for the presidency—were together for 90 minutes and Douglas said afterward they had talked "very slantingly" about Stalin's latest peace statement.

Douglas did not elaborate. He said the conference also dealt "briefly" with the forthcoming visit of Britain's prime minister, Winston Churchill, to the United States. Churchill is scheduled to arrive in New York on Jan. 5. He plans to confer with Eisenhower here and with President Truman later in Washington.

No date has been announced for the conference, but the general's headquarters said earlier it probably would be held before the 83rd congress convenes next Saturday.

Senators scheduled to meet with Eisenhower are Robert A. Taft of Ohio, slated to be majority leader in the new Republican controlled congress; Styles Bridges of New Hampshire, in line to be president pro tempore—the senate's presiding officer in the absence of the vice president; Eugene D. Millikin of Colorado, chairman of the conference of all GOP senators, and Leverett Saltonstall of Massachusetts, who sreved as assisant minority leader in the last congress.

Brodie Twins Still Critically Ill

CHICAGO, Dec. 27 (AP) — The Brodie Siamese twins, separated 11 days ago, remained in critical condition tonight.

"No substantial change" was reported by the University of Illinois hospital where the 15-month-old boys, joined at the heads, were surgically separated Dec. 17.

A hospital spokesman said Roger Lee—who has been in a deep coma remains "very precarious" and is being fed an ounce of high protein liquid intravenously every 30 minutes.

Rodney Dee, conscious since Dec. 18 but in critical condition, "eats quite a bit," the hospital said.

Both youngsters are in oxygen tents.

Weather

Southern California — West coastal range occasional rain today with precipitation locally moderate to heavy; clearing tonight; mostly sunny and slightly warmer Monday; over the mountains moderate to heavy snow today and tonight with snow level lowering to 3500 feet; clearing and slightly warmer Monday; coastal range mostly cloudy with scattered showers today and tonight; clearing and slightly warmer Monday.

Korea and Far East Strategy are On Agenda of Ike-Churchill Talks

LONDON, Dec. 27 (AP)—The big things Prime Minister Churchill wants to talk over with President-elect Eisenhower in New York next month are Korea and future Far East strategy, official British sources said tonight.

Churchill called a special cabinet meeting for early next week to brief his colleagues on his coming chat with his old wartime friend. Indications are he particularly wants to sound out Eisenhower on the general's findings in Korea.

The prime minister will sail for New York aboard the Queen Mary Dec. 31, arriving Jan. 5 if the Cunard liner has an undelayed passage.

His plans call for a three-day New York sojourn with U.S. elder statesman Bernard Baruch, a visit with Eisenhower for an unspecified period, a stop in Washington to pay respects to President Truman and then a two-week vacation in Jamaica.

A dispatch from Kingston, the capital, said the whole population of the Caribbean Island was pleased by word of his holiday plans. Officials and leading citizens there called it the greatest news in many years.

Official sources stress the information nature of the talks between "Ike" and "Winnie," adding that detailed British economic and financial suggestions will be saved for a formal meeting between the two leaders in February or March. No economic or financial experts will accompany the British war leader this time.

Poles Accuse US of Parachuting Spies and Equipment into Poland

WARSAW, Poland, Dec. 27 (AP) Poland accused the United States today of flying two spies from Wiesbaden Nov. 4 and parachuting them 40 miles behind her Baltic Sea frontier. A press announcement said the two were arrested and had confessed.

That story is obviously a fake," said a U. S. Air Force spokesman at Wiesbaden, West Germany. He said there was no record of an American plane having been anywhere in the Baltic area near Poland on that day.

The charge recalled a spate of similar accusations against the U. S. a year ago, when communist countries were shooting at a provision of the Mutual Security Act for the aid of anti-communist exiles. At that time the communists declared a U. S. plane, forced down with four crewmen in Hungary, was equipped for parachuting espionage agents.

The Polish Telegraph Agency PAP asserted in an authorized announcement that radios, cameras, arms, instructions, codes and other apparatus for spying were dropped with the two men near Mizdow, in Kosalin Province.

PAP said the two men, Stefan Skrzyskowski and Dionizy Sosnowski, were flown by a U. S. plane from Wiesbaden over a circuitous route across the Baltic to Sweden, the Danish island of Bornholm and the Polish coast near Darlowo and finally dropped at Mizdow.

Patrol Plans Crackdown on New Year Drunks

SACRAMENTO (CNS) — Drivers who expect to get a tank full of something besides gasoline to help celebrate New Year's have a sobering reminder from Clifford E. Peterson, California Highway Patrol Commissioner.

The patrol chief points to the penalties for drunk driving, namely:

For a first conviction—up to six months in jail, a $500 fine and a 90-day driver's license suspension.

For a second conviction—up to one year in jail, a $1000 fine and a one-year suspension of driver's license.

For a third conviction—revocation of driver's license for three years plus $1000 fine and one-year imprisonment.

An injury or fatality resulting from drunk driving can mean five years in prison and a $5000 fine, Peterson warns.

Clemency Asked For Rosenberas

WASHINGTON, Dec. 27 (AP)—Pickets, shivering in near freezing weather, began what they called "a clemency vigil" outside the White House tonight, demanding the president save Ethel and Julius Rosenberg, convicted atomic spies, from the electric chair.

A spokesman, David Allman, said the sign carrying pickets would continue to march until the husband-wife spy team is granted clemency.

The Rosenbergs are scheduled to die the week of Jan. 11 in New York's Sing Sing death house. They have been imprisoned since shortly after they were convicted on March 29, 1951, of conspiring to transmit atomic secrets to the Soviet Union.

Sex Psycopath Sent from Norwalk To Chino Prison

Some people you can cure, and some you can't.

William O. Wharton, 28, Costa Mesa laborer, was one of those who wouldn't be cured, physicians at Norwalk State Hospital told Superior Judge Robert Gardner at Friday's criminal court.

So today, Wharton is awaiting transfer to Chino State Prison for men, under court order that he should not be recommitted to a hospital for further care; he was adiudged a sexual psycopath.

Wharton admitted a felony count of molesting a 10-year-old girl at Costa Mesa, and had a long period of hospitalization while psychiatrists at the Norwalk hospital tried to cure his tendencies.

They gave up, and said that Wharton wouldn't benefit by additional care, but he may get it anyway in some other state hospital if Chino prison officials think that he should be hospitalized behind bars.

Trial Date Set For Santa Anan

For awhile, Merle Martinez Avila, 18, of Santa Ana, was a smart guy and he had a lot of fun forcing his way into a car in which four young and pretty telephone operators were heading home from their work at Newport Beach.

That was last April. Today, he isn't so smarty. He's charged with kidnaping and grand theft of a car.

He will go to trial in Superior court on Feb. 2, and he will be defended by James C. Monroe, who gained notoriety by defending Sex Killer Henry Ford McCracken, 35, now awaiting death in San Quentin prison for the abduction and slaying of Patricia Jean Hull, 10, of Buena Park.

Avila and two other youth allegedly forced their way into the car in which the young women were starting to go home; two of the young women escaped and another youth followed them out of the machine.

That left Avila and one other youth in the car with the two women, taken to a lonely spot and terrorized before they talked their way back to Newport Beach without being attacked.

Avila's alleged companion has had his hearing in juvenile court.

Brakeman Trapped For Eight Hours in Train Wreckage

WARDEN, Wash., Dec. 27 (AP)—A young railroad brakeman, cold, wet and injured, was trapped for almost eight hours today beneath an overturned steam engine in a derailment that killed the engineer and fireman.

George A. Shattuck, 21, lay beside the bodies of the victims from before dawn to nearly noon before rescuers could cut through wreckage with blow torches to free him.

Scalding steam enveloped the engineer and fireman but a piece of canvass between them and Shattuck gave the protection to the brakeman.

Shattuck remained conscious through the long ordeal on the snow-swept Eastern Washington prairie. He complained occasionally of the cold—it was below freezing—and the pain from a leg fracture and steam burns.

State to Supply 3000 Draftees

SACRAMENTO, Dec. 27 (AP) — California will supply about 3000 of the 53,000 men in the national draft call for February, Col. Kenneth H. Leitch, state director of Selective Service, said today.

Leitch based his estimate on previous draft orders in which California's quota has run close to six per cent of the national.

He said the February call will be the largest in California since the first four months of 1951.

New Draft Call May Mean Service For 19-Year Olds, Official Says

WASHINGTON, Dec. 27. (AP)— The military high command stepped up its call for draftees for the U. S. army today to the highest level reached since early in the Korean war. It asked selective service to induct 53,000 men in February.

This raised the prospect that 19-year-olds would be drafted in increasing numbers. A selective service spokesman said that state draft headquarters have been under orders to fill their quotas with older men wherever possible, but undoubtedly would be told to dip into the ranks of 19-year-olds if they could not get enough men otherwise.

Brig. Gen. Guy N. Henninger, Nebraska state director of selective service, said at Lincoln that his state may not be able to meet its anticipated quota of about 700 without calling 19-year-olds. Other states may find themselves in the same position, although officials here indicated that still others may not be forced to take 19-year-olds.

Officials said there was no prospect of drafting fathers or men who have already served in Korea. Anna Rosenberg, assistant secretary of defense, said recently that it is planned to maintain the nation's present military strength of 3,600,000 men and women through June, 1954, without drafting fathers or Korean veterans.

Officials said the high call for February was necessary to replace draftees whose terms of service are coming to an end.

Soustelle Labors To Form New French Govt.

PARIS, Dec. 27 (AP)—It's a busy weekend for Premier-designate Jacques Soustelle, Gen Charles de Gaulle's spokesman in Parliament. He worked hard today to form a new French government, but got a mixed reception.

Soustelle wants the backing of enough political groups to assure a majority in the National Assembly for a Cabinet in which De Gaulle's rightists—Rally of the French People RPF would have a real hand, something the RPF has avoided in the past.

But many party leaders were hesitant and the interviews took time.

Soustelle announced he would not be able to advise President Vincent Aurjol until tomorrow whether he could handle the assignment.

27 Die on California Highways; No Fatalities Reported in County

By The Associated Press

The nation's death toll from accidents during the extended Christmas holiday reached 548 Saturday night.

The heavy fatality rate pushed the total ever closer to an all-time record as driving weather continued good over most of the country. A heavy boost in the number of traffic deaths was expected today.

Traffic accounted for 414 of the deaths. Fires killed 58 persons, and 76 died violently in miscellaneous accidents.

Florida led the nation in traffic fatalities with 55; Ohio followed with 36, New York with 33 and California with 23. Four Californians died from accidents involving fire. No traffic fatalities were recorded in Orange county to midnight, last night.

Heavy highway traffic Saturday night and Sunday, with many travelers homeward bound, could push the traffic toll past the previous record slaughter—555, during the four-day Christmas holiday in 1936.

Ned H. Dearborn, president of the National Safety Council, said Saturday:

"It looks now as if the holiday traffic death toll may reach an all-time high for any holiday by going to 700 or more."

He attributed the "wholesale slaughter" to good weather, "open roads, and closed minds."

The Safety Council had estimated 590 highway deaths for the 1952 Christmas weekend—which extends from 6 p.m. Wednesday to midnight Sunday.

Motorists were urged by the council to use "common sense, courtesy and a practical application of the Christmas spirit" in an effort to prevent "the biggest, ugliest traffic death toll ever piled up on any holiday in the history of our country."

Last year's Christmas holiday brought the nation its highest accidental death toll—789 including 535 traffic.

Queen Alexandrine Dies in Denmark

COPEHAGAN, Denmark, Sunday, Dec. 28 (AP)—Queen Mother Alexandrine, 73, died today after a long illness.

She died in her sleep in the early hours of the morning, five days after her 73rd birthday.

King Frederik was at his mother's bedside.

As the wife of King Christian X, who died five years ago, she had been the Queen of Denmark for 35 years.

Ancient Graveyard Unearthed at LB

LONG BEACH, Dec. 27 (AP)—An ancient Indian burial ground, dating back perhaps 1500 years, has been unearthed in a new subdivision near Bellflower Boulevard and Stern Street in the Los Altos area.

Dr. Ethel E. Ewing, anthropology professor of Long Beach State College, said today that skeletons, pottery, beads and bone tools have been found. The skeletons were buried in crouched positions.

Northern Storm Expected to Hit Southland

SAN FRANCISCO, Dec. 27. (AP) —A wind and rainstorm which hit northern California tonight—second in as many days—is expected to move on Sunday into Nevada and Southern California.

An aftermath of this second storm is expected to bring showers and overcast skies Sunday to northern California and the San Francisco bay area.

Storm warnings northward from Pt. Arena were lifted at 4 p.m. Saturday. Warnings southward from Pt. Arena to Pt. Conception near Santa Barbara will continue until 10 o'clock tomorrow morning.

A Saturday morning storm lull, complete with sunshine and cloudless skies, separated the heavy rain and wind storms which passed through California Friday and Saturday nights.

It was snow, not rain, in the mountains, and additional light falls are expected Sunday as the second storm moves on.

Highway 99, north to Oregon, closed Friday by snow drifts, was reopened Saturday.

Highway 97, Weed to Klamath Falls, was also reopened.

Test Oil Well Approved South Of Anaheim

Texas Co. will drill for oil on Rio Vista st., south of La Palma ave., east Anaheim area, and north of Esperanza rd., two miles east of Yorba bridge, Atwood district. It was announced today.

The company got permits, along with another operator, to explore for oil. The Doc Rich Oil Co. will sink a well near Santa Fe railway tracks and Richfield rd., Atwood.

Other deals approved by the county planning commission:

Carl L. Minor, grocery store in a residential district at Wright st. and Russell ave., Garden Grove, but only if he desires his building to conform to the residential character of the surroundings. The commission said it didnt want a business district started there.

William C. Middleton, commercial chicken ranch, 3000 birds, Austin ave., near 22nd st., Costa Mesa, providing it is limited to three years.

Henry Kanegae, use of existing packing shed to pack vegetables he will buy for shipping; on Wright st., south of Hazard st., Garden Grove, providing his permit is limited to one year.

Many-Time Loser Asks Probation

How long Joe Henry Manous is going to flirt with freedom, is something that Superior Judge Robert Gardner will decide very soon.

Manous admitted stealing a $15 golf club, and he admitted a prior conviction of a felony. That makes his crime a high misdemeanor which can mean prison for him.

Manous also admitted, since the record was there before the court, that he had four prior convictions of felonies in Oklahoma.

Judge Gardner, however, agreed to study his case and consider probation. Sentencing will be Jan. 9, Jan. 9.

Daily Living for Peace of Mind

Editor's note: This is one of a series of daily articles by Anaheim ministers and is published by the Gazette in the interest of the king of daily living that leads to contentment and happiness in troubled times.

The Man Who Missed Christmas

By FRANK E. BUTTERWORTH
Pastor, White Temple Methodist Church

When you are thinking about the more prominent characters in the Christmas story, did you ever stop to think about the poor innkeeper of Bethlehem: the man who missed Christmas? He was a good-hearted fellow, generous and charitable, and willing enough to make some sort of an arrangement to provide shelter for a poor woman in obvious physical distress. But he lacked one thing: the religious insight to see that God had a stake in this matter. So he went about his rushing business of registering distinguished guests and preparing meals for a holiday crowd and making lots of money—and in so doing, he missed the big event in the stable!

Our streets are crowded with men like that innkeeper: good-hearted and kind folk whose only problem is their absorption in the machinery of everyday living that blinds them to the things that really matter. And not until they are faced with their oversight thru a child going wrong or a bitter end to a crisis, do they cry, "Why didn't I see it before?" Are we like that poor inkeeper?

Edward S. Jacobs Dies at Home

Edward S. Jacobs, 90, died at his home, 205 S. Citron, Friday, Dec. 26. He was a native of Illinois and had lived in Anaheim for the past 11 years.

Survivors are a son, Robert H. Jacobs of Glendale, three daughters, Mrs. Winifred Patterson, Anaheim, Mrs. Russell Howard of La Grange, Ill., and Mrs. R. G. Rowe of Wilmette, Ill. Seven grandchildren, two great grandchildren, two sisters, Mrs. Agnes Burrows of Chicago and Mrs. Anna Bultman of Athla, Ill.

Funeral services, conducted by the Rev. Robert Kevorkian, will be held in the chapel of Backs, Campbell and Kaulbars tomorrow at 10 a.m. Interment will be in Forest Lawn cemetery.

The Wabash, Ohio and Mississippi rivers are much used water routes in Illinois.

Funeral Held For J. L. Findlay

James Lloyd Findlay, 84, a native of Paw Paw, Ill., who came to Anaheim 23 years ago, died Wednesdal evening at the Herrin Rest Home in Santa Ana after a prolonged illness.

He is survived by his wife, Ione Findlay; two daughters, Mrs. Myrtle Wymore and Mrs. Florence Kelly both of Anaheim; two sons, J. Francis Findlay of Buena Park and Dr. Willard A. Findlay of Piedmont, Calif.; a sister, Mrs. J. A. Bargar of Iowa; three grandchildren and three great grandchildren. He was a member of the White Temple Methodist church.

Funeral services were conducted from the Hilgenfeld chapel yesterday. Rev. Frank E. Bouterworth, pastor of White Temple, officiated, and entombment followed in Melrose Abbey mausoleum.

Science of Healing Described in Lesson-Sermon

"Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give." These words of Jesus from Matthew (10:8) are the Golden Text of the Sunday Lesson-Sermon on "Christian Science" in all branches of The Mother Church.

The assurance that God's power shall be universally utilized and enjoyed by man is recorded in Biblical selections. Habakkuk (2-2, 3, 14) writes, "The Lord answered me, and said, . . . the vision is yet for an appointed time, but at the end it shall speak . . . For the earth shall be filled with the knowledge of the glory of the Lord, as the waters cover the sea."

In "Science and Health with Key to the Scriptures" Mary Baker Eddy says, "The still, small voice of scientific thought reaches over continent and ocean to the globe's remotest bound." "You can prove for yourself, dear reader, the Science of healing, and so ascertain if the author has given you the correct interpretation of Scripture." (pp. 559, 547.)

Christian Church To Hear Ex-Pastor

Don Earl Boatman, minister of the Christian church from 1939 to 1943, will speak at the morning service this Sunday. After leaving Anaheim Mr. Boatman served as professor of Christian Evidences and director of athletics at the Minnesota Bible college until this past summer when he became president of the Ozark Bible college in Joplin, Mo.

Mr. Boatman and his family are spending the holidays with Mrs. Boatman's mother, Mrs. Lena Bulkeley, 945 N. Dickel.

'Old Paths and A New Way' is Sermon Topic

The Rev. William McKinley Walker, pastor of Wesley Methodist church, Wilhelmina and Los Angeles sts., will speak on the subject "Old Paths and a New Way" in the 11 a.m. worship service this morning.

The choir, under the direction of Margaret Elliott, will have special music for the New Year season.

White Temple To Recognize Students Today

Student Recognition Sunday will be observed in White Temple Methodist church tonight at the regular 7 o'clock service, when the entire evening worship will be presented by a group of college students home for the holidays.

A special welcome will be accorded to the 27 students from White Temple away attending college, and a selected group of them will conduct the program. Don Brummet of the University of Redands will preside, while Dan Demaree of Occidental college gives the evening prayer and Marjorie Cranston of Redlands plays the organ. Shelley Smith of the University of California at Santa Barbara will speak on "What College Did to Me."

A/C Jim Wright of Vance Air Force Base in Oklahoma will describe the influence of the local church on men away from home. The effectiveness of the Wesley club on students away from home will be presented by Fred Edwards, Jr., of Redlands, after which Bill Bonney of Whittier college will discuss the missionary opportunity offered to Christian students by the "intellectual pagans" on campus. Celia Hamilton, Phi Beta Kappa from Pomona college, will be the final speaker on "The Missionary Challenge of Foreign Students on the Campus."

At the 9 and 11 o'clock morning services, Rev. Frank E. Butterworth will preach on "7 Miles and 2 Days," referring to the relationship between tragedy and triumph reflected in the Christmas message.

'Looking Ahead' Is Sermon Topic

For his sermon this morning at 10:45, the Rev. Howard S. Congdon, pastor of First Presbyterian church, 310 W. Broadway, has chosen the topic "Looking Ahead."

Sunday school classess will be held at 9:45 a.m.

Mrs. Marie Haas Dies Unexpectedly

Marie Jeanette Haas, a native of Charleston, Mo., who came to Anaheim eight and one-half years ago and who has resided here continuously, died unexpectedly early Tuesday evening at the family home, 608 N. Philadelphia st.

She is survived by her husband, Herman E. Hass; two sons, H. David and Michael E. Haas both at home; parents, Mr. and Mrs. Irvin Middleton of St. Louis, Mo.; five brothers, Charles and Glenn Middleton of Illinois, Alfred and Bud Middleton of Missouri and Gene Middleton of North Hollywood.

Funerol services were conducted from the Hilgenfeld chapel yesterday. Rev. Harry F. Stief, pastor of Grace Lutheran church, officiated and burial was made in Anaheim cemetery.

Mrs. Mary Garland Dies in Fullerton

Mrs. Mary Garland, 74, died yesterday at the home of her daughter, Mrs. Elizabeth Steward, 407 N. Truman, Fullerton. She was born in Wales and had lived in Anaheim six years.

Survivors are her husband, Thomas W. Garland of the home, 744 N. Olive, two daughters besides Mrs. Steward, Mrs. Gladys Fisher, Anaheim, and Mrs. Thelma Lyle of Pennsylvania. Seven grandchildren, two brothers, William and Roland Hartland, two sisters, Mrs. Hanna Hunt and Mrs. Sara Wright all of Pennsylvania. She was a member of the Bethel Baptist church of Anaheim. Funeral services will be held in the chapel of Backs, Campbell and and Kaulbars, Tuesday at 2 p.m. with the Rev. Berthold Jackstelt officiating. Interment will be in Pittsburgh, Penn.

Yesterday's Puzzle Solved:

Military Says Korean Stalemate Rivals World War I Trench Warfare

SEOUL, Sunday, Dec. 28 (AP)—A bloody stalemate came to Korea in 1952—a deadlock unrivaled since World War I when trench warfare on a static front brought down a dreadful blood-letting on Western Europe.

This is the verdict of a 3000-word summary of 1952 operations released today by the U.S. Eighth Army.

The most dangerous strip of ground on earth in 1952 was the belt of fortified positions that twist for 155 miles across the ridges and valleys of torn Korea.

The Chinese call the strip "Chien Hsien." U.S. soldiers call it "The Front."

The Eighth Army estimated that 150,000 Communists—Chinese and Korean—were killed or wounded on this unchanging front in 1952.

The blood of thousands of American, South Korean and United Nations soldiers stained the rugged ground in deadly struggles.

The front has hardly shifted a yard since Nov. 27, 1951.

On that day, armistice negotiators at Panmunjom set a 30-day demarcation line which the United Nations hoped would become the center of a buffer strip during an armistice.

The armistice never came. As the peace talks dragged on, both sides dug in deeper. No, a major offensive through the spiderweb of trenches and bunkers would be costly.

Italian Peasants Quit Communist Party en Masse

SAN SEVERO, Italy, Dec. 27 (AP)—A group of 432 Italian peasants marched into a local theater tonight and renounced membership in the Communist and Socialist parties.

The group then declared allegiance to Italy's governing Christian Democrat Party.

Matteo Pistillo, former local Red leader, said the peasants were switching their allegiance in recognition of Premier Alcide de Gasperi's agrarian reforms under which property grants are being given to landless peasants on a long-term mortgage basis.

Last week another group of 450 peasants turned in their Communist membership cards in similar mass demonstration.

The land reform program—partially underwritten by Marshall Plan funds—has been one of De-Gasperi's chief weapon in fighting Communism.

THE AMERICAN SCENE — An electrical train intrigues the Eisenhower family in Ike's Columbia university campus home as they try out some of Santa's gifts on Christmas day. The President-elect and his wife, Mamie, had as much fun as their grandchildren, Susan, 11-months, held by Mrs. Eisenhower; David, four, and Barbara Anne, three, holding her doll. At right is Mrs. John Eisenhower, mother of the children.

DURING CHAPLIN INCIDENT — An unidentified young man protests as he is taken into custody by police after American comedian Charlie Chaplin was pelted with fruit and vegetables on his arrival for the Rome premiere of his movie "Limelight," Dec. 22. Three men were taken into custody in the incident outside the "Sistina" theater.

Capt. Carlsen Returns to San Francisco

SAN FRANCISCO, Dec. 27 (AP)—Capt. Kurt Carlsen, who a year ago gained world-wide fame for his hero's effort to save his sinking ship, will bring his new ship into port here late tomorrow.

He will be on the bridge of the Flying Enterprise II, namesake of the vessel he lost off the English Coast.

He struggled for 13 days, at times alone, to bring the freighter to safety. The ship had cracked her hull during a storm, and Carlsen ordered his 10 passengers and 40 crew members from the badly listing craft.

He stayed aboard, and was joined by Kenneth Dancy, mate of the British salvage tug Turmoil. The Turmoil tried to tow the hulk to Falmouth, England. But the line parted and Carlsen and Dancy were rescued just before the Flying Enterprise sank, 50 miles from safety.

Monday, the 38-year-old Danish-born captain will be honored by the Marine committee of the San Francisco Junior Chamber of Commerce. The committee will present Capt. Carlsen with a scroll commemorating his heroism.

Capt. Carlsen's wife and children will visit him during his San Francisco stay.

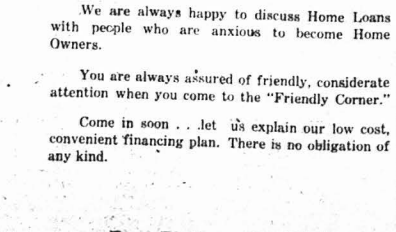

The new Flying Enterprise has been at sea for about six months, but this is her first crossing of the Pacific.

Red Guerrillas Grenade Pilgrims

KUALA KUMPUR, Malaya, Dec. 27 (AP)—Communist-led guerrillas ambushed and killed 10 persons including two women and a child on their way home from Moslem prayers in Johore State last night.

The guerrillas tossed a grenade under an armored estate car returning from a mosque with a party of Malays. When the car sped on, they threw a second grenade, overturning it. Twenty guerrillas then opened fire on the occupants.

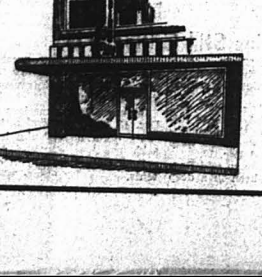

HOME LOANS

We are always happy to discuss Home Loans with people who are anxious to become Home Owners.

You are always assured of friendly, considerate attention when you come to the "Friendly Corner."

MRS. ROBERT LEE HAMM
(Jarrett-Snider Studio)

Hamm-Dixon Marriage Solemnized In Church of Christ Rites

Capilla de San Antonio was the setting of the post-Christmas wedding of Rita Raye Dixon of Fullerton to Robert Lee Hamm of Rapid City, South Dakota. Floyd Thompson of the Church of Christ, Santa Ana, officiated at the double ring ceremony.

Wearing a gown of ivory satin and ivory chantilly lace, the lovely brunette bride was escorted down the aisle by her uncle, Jack D. Ward. The dress was fashioned with a round neck with gathered lace bertha and puffed sleeves; tiers of ruffled lace formed the skirt. A tiara of lace and pearls held the finger tip veil. She carried a white orchid and a prayer book.

Rosemary Fri, her attendant, wore a ballerina length gown of Victorian red velvet. She carried a muff decorated with holly. Groomsman was Robert Griffith; ushers were Bill Ward, cousin of the bride, and Ray Lancaster, jr., brother-in-law of the bride.

A prelude of sacred music and the traditional wedding march were played on the organ by the bride's aunt, Mrs. Jack Ward. William Sacher sang "Always," "Because" and "The Lord's Prayer."

More than 100 guests greeted the young couple at the reception. Mrs. Jewel Dixon, mother of the bride, wore a dress of robin blue velvet with pink carnation corsage and Mrs. Rennie Williams, aunt of the groom, wore navy blue with identical flowers. The groom's mother, Mrs. Claude Hamm, was unable to attend the ceremony. Rosemary Fri poured at the reception; Marilyn Strickland was in charge of the guest book.

When the couple left for a wedding trip to Crestline, the new Mrs. Hamm was wearing a gray suit with the orchid from the prayer book. Eventually they plan to settle in Rapid City when Mrs. Hamm completes his tour of duty with the armed forces. Tentatively he will be stationed in Alaska in March or April of 1953.

MRS. TED RAY GUINN—Radiant bride, who was the former Marlene Sutherland, daughter of the James M. Sutherland, 10691 So. Chestnut St., Stanton, before her marriage in the Stanton Community church recently. Mr. and Mrs. Oscar L. Guinn of La Mirada, are the parents of the bridegroom.

Guinn-Sutherland Vows Made In Pretty Candlelight Rites

The Stanton Community Church was the scene of the wedding of Miss Marlene Sutherland, daughter of Mr. and Mrs. James M. Sutherland, 10691 S. Chestnut st., Stanton, to Ted Ray Guinn of the United States Navy, son of Mr. and Mrs. Oscar L. Guinn of La Mirada. The bride's father gave the bride away with Rev. Charles A. White officiating at the double ring ceremony.

The bride was regal with the white pan-velvet of her gown in three folds, edged in seed pearls, forming a cowl shaped collar that revealed a nylon yolk. The pearl trim was repeated on the long pointed sleeves. The tight fitted bodice with a full skirt ended in a court train. Her finger-tip illusion veil was held with a poke bonnet of lace and seed pearls.

She carried an arm bouquet of hyacinths and stephanotis centered with a white orchid. Ear clips and matching pearls, a gift from the bridegroom that he brought back from Japan, and a brooch that has been in the family for over 100 years was pinned into the folds of the bride's gown by her aunt, Mrs. Carl Sutton of Santa Ana.

Miss Barbara Amling was maid of honor in a full length powder blue chiffon-over-taffeta gown with a strapless bodice and matching stole, accented with a ballerina bouquet of pink hybrid carnations.

Jimmie Dona Sutherland, the bride's teen-age sister, was junior bridesmaid, attired in a floor length formal pink organdy ruffled dress, carrying a white basket of blue baby chrysanthemums and a pink and blue wreath of flowers in her hair.

Dick Groff of Fullerton was best man and Frank Miser and Clark Karraker were ushers.

Baskets of white crysanthemums and tapers in candelabra decorated the altar. Red holly berries and white satin bows marked the pews with a white carpeted aisle.

Mrs. Jeanne Wettstein organist, accompanied Nancy Groff singing "The Lord's Prayer" and "Yours."

A reception for 100 guests followed in the club rooms of the church. Mrs. Sutherland, the bride's mother, was modish in a lavendar wool street length frock with rhinestones and a small matching hat trimmed with lillacs. Mrs. Guinn, mother of the bridegroom wore beige net over coral faille with black accessories. Both mothers of the couple wore lavendar corsages.

A four tiered wedding cake was topped with a bride and groom standing in a small heart. Doris Grivey, Ethel Jenkins, Rozella Sutherland, sister of the bride, and Yvonne Norris served the cake and red Christmas punch. Delores Amling carried the guest book.

The couple left for a Big Bear honeymoon with the bride in a two piece blue aqua knit suit and white angora bonnet, wearing her orchid.

The new Mrs. Guinn graduated from AUHS. Guinn also graduated from AUHS. Guinn also graduated while attending Redlands University. After a two week's honeymoon he will be stationed on the USS Princeton. The couple will make their home at 838 N. Garnsey, Santa Ana, where the bride will continue her employment with the Spratt Optical company.

Miss Cranston to Wed Robert Fulton, Jr.

Choosing the gay holiday season to reveal her happy secret, Marjorie Ruth Cranston daughter of Mr. and Mrs. Albert M. Cranston, has announced her engagement to Robert E. Fulton, jr., son of the Robert E. Fultons of Fullerton.

Marjorie, who is a first semester organ major at the University of Redlands, first made the announcement to her fellow students at the university Christmas dance, but saved the news for her friends at home until she returned for Christmas.

Shelly Smith, 623 W. North st., had bidden a group of girls who had attended school here for a holiday reunion, supposedly, then cleverly revealed the real purpose. A large scroll, bearing various historical dates, including the Fulton steamboat incident, gave the first clue. The guests were then each given a small scroll inscribed with the names of the bethrothed couple.

The bridegroom-elect, a student at UCLA, is a permanent member of Alpha Gamma Sigma National-al Honorary society. He also attended Fullerton high school and junior college.

The wedding date has not been announced.

Theatre Opens Season Janury 7

With their famed Christmas play in its final week, the Mexican players will open their 1953 season on Jan. 7 with "Que Muchacha!" (What a Girl), a lively play of California's early days at the Padua Hills theater.

"Las Posadas," the Yuletide production, will have its final performances on Saturday in order to accommodate those unable to attend the annual drama of Christmas in Mexico earlier though press of holiday engagements.

"Que Muchacha," from an original story by Director Hilda Ramirez de Jara, concerns the romance of a high spirited senorita whose unpredictable tomboyish propensities developed all sorts of trials and tribulations for herself as well as for her family.

The play will be given in English, with the captivating songs and dances of bygone days introduced in a spectacular wedding fiesta. Colorful costumes and sets are promised for the production.

Stanton Notes

Mrs. Leonard Jennings was in charge of the annual children's Christmas party for the Sunday school of the Stanton Community church when more than 150 children received candy treats prepared by Mrs. William Dubbs.

Mrs. John R. Martin introduced the primary class who presented their part of the program after the entire ensemble opened with carols. Mrs. Lawrence Martin was head of the juniors and presented Betty Jean Jaedcikle and Fred Kirk in an accordion duet. Lynn Ann Pletz played "Road to Bethlehem," a piano solo to open the junior high recitations led by Mrs. Ralph Vipond. Sharon White offered "Oh Little Town of Bethlehem" and Mrs. Jeanne Wettstein was organist.

Mmes. Jennings and Vipond had designed the nativity scene on a felt-o-graph that was shown during the program and at the close they compl-ted the story of Christ with scripture.

William Cornthwaite made the presentation of a small teapot to Rev. and Mrs. Charles A. White that, when opened, revealed a gift of $50.

The beautiful church decorations of poinsettias, ferns and white chrysanthemums had been arranged by Max Moolick, Mrs. Dubbs and the Whites. Mrs. Paul Pletz was in charge of caring for the small tots in one of the clubrooms as the adults praticipated in their part of the entertainment.

Mrs. Roy Allen of Chestnut st., Stanton, has returned from a week's visit with her grandchildren and relatives in Escondido.

The Albert Azzarras of Main st., Stanton, spent the Christmas holidays with friends, Mr. and Mrs. Chavitteo Orlando of Cucamonga.

Greentree Stable's Straight Face is aptly named. His mare was Expression, the daughter of Never Change.

McConnell-Gregory United In Saturday Rites

With a ring which had belonged to her great grandmother, Sharon Gregory, daughter of the John C. Gregorys, plighted her troth to Don L. McConnell, son of Mr. and Mrs. C. W. McConnell, Saturday night at the First Methodist church in Fullerton. Rev. Owen Greer officiated.

Escorted to the altar by her father, Sharon wore an exquisite gown of white satin fashioned with an oval scalloped neckline outlined with small flowers of pearls. From a scalloped waistline and a full skirt, the finger tip veil of net was held in place by a satin Juliet cap embroidered with seed pearls, and she carried a white orchid on a New Testament.

Maid of honor, Ann Murfield, wore a dress of rose taffeta with cocoa netting overskirt. Barbara Aryes and Betty Roe, school friends, served as bridesmaids wearing aqua taffeta with brown net overskirts. The dresses had sweetheart necks and were ballerina length. Little Sharon McConnell, niece of the groom, was junior bridesmaid. All carried bouquets of chrysanthemums and wore sweetheart hats.

Groomsman was Bud Gerding of San Paula, Bob Frazer and Owen Richlieu of Fullerton were ushers.

When the young couple left for a Santa Barbara honeymoon, Mrs. McConnell was wearing a navy suit with gray accessories. Both attended Fullerton schools. Sharon will continue to live in Fullerton until February when she will complete her training as a vocational nurse at Fullerton junior college, where she is a member of the Theta Nu Theta sorority. At that time she will join her husband in Corpus Christi, Tex., where he is a naval cadet.

Calendar

MONDAY

Rotary Club—12:15 p.m. Elks Club.
Toastmasters—6:30 p.m. Lum's Cafe.

TUESDAY

Stage Set For Browns, Lions Game

CLEVELAND, Dec. 27. (AP) — Detroit's Lions, hot after their first pro football championship in 17 years, moved into the payoff game tomorrow against the "worried" Cleveland Browns.

Around 50,000 are expected to turn out in sub-freezing temperatures and possible snow at Municipal stadium—more than 50,000 making the 150-mile trip from Michigan for the joust.

Odds favoring the Lions jumped after Cleveland Coach Paul Brown announced end Mack Speedie and halfback Dub Jones would miss the game because of injuries. Speedie leads the National league in pass catching. Jones, also a nifty ball grabber, once scored six touchdowns in one game.

"This really hurts us," Brown added. "There is the crux of our pass offense all shot to pieces. We'll be without our top scoring threats."

Coach Buddy Parker of the Lions expressed doubt the two key men would really miss the game. "I'll believe it when I see it," he declared.

With or without Speedie and Jones, the Detroit coach still thinks it will be an "even-stephen" game between the "two great clubs."

He said the kiting odds wouldn't affect his team. "After all, they've played the Browns before and know what Cleveland has," Parker said. "Odds mean nothing to players." Neither does being an underdog.

Detroit beat Cleveland, 17-6, earlier this season.

Brown asked for the underdog roll in the past six championship games, but now he says it isn't "nearly as much fun" as he expected. This is the first championship game in which the Browns have been on the short end of the odds.

Moneywise, each player gets at least $1000 out of the game, with the winners getting a few hundred dollars more than the losers.

The weatherman predicts the mercury will be in the low 20's, with sky cloudy, some snow flurries and a 15 to 20 mile wind off Lake Erie.

Both passers—Bobby Layne of Detroit and Cleveland's Otto Graham—are used to such dipping temperatures and it should not affect their throwing overly much. The field has been covered with tarp and should be fairly dry—if hard. The Browns ended their practice by working out in tennis shoes in case it is really hard.

"YOU BETTER WIN THAT GAME"—Are the words of advice given by David, an 11-year-old patient at the Shriners hospital for crippled children at San Francisco to Richard Batten, member of the West team and the first ex-patient ever to play in the Annual East-West game. Batten, a 220-pound tackle from the College of the Pacific and other members of both teams visited with the small patients before yesterday's game. The game, however, didn't turn out as David advised it should for the West was upset to lose to the East by a thrilling last-minute touchdown. (AP Wirephoto)

Mighty Football Machines to Vie In Salad Bowl

PHOENIX, Ariz., Dec. 27 (AP)—A collision of two mighty offensive football machines—liberally studded with former All-America and professional grid performers—is in store for an expected 18,000 Salad Bowl fans here Jan. 1.

The sixth annual showing of the charity contest will part the San Diego Naval Training Center Blue-Jackets against the undefeated Screaming Eagles of Camp Breckinridge, Ky.

They are rated two of the top service teams in the nation.

The Eagles, a 101st Airborne Division unit, rolled over all opposition in their regular season campaign, then climaxed their preparations for the New Year's Day battle with a 48-0 defeat of an Ohio Valley all-star team last week.

That made San Diego NTC sit up and take notice.

The sailors were generally favored to win until they took a 35-14 drubbing from Bolling Air Force Base in the Poinsetta Bowl at San Diego last week.

Now the picture is completely scrambled, and there is good reason.

NTC, defeated only by University of Southern California prior to the Bolling AFB contest, can boast of such backfield stars as Jim Monachino, Jim Waddell, Odie Posey and Dale Atkeson.

But the Eagles have Notre Dame's Larry Coutre, Florida A&M's Bernie Stephens and Bob Kilfoyle, 190-pound quarterback from John Carroll University.

A high scoring battle is anticipated.

Camp Breckinridge will move its offensive circus to Phoenix Monday to complete preparations for the game. NTC plans two padless drills in San Diego Monday before leaving for Phoenix by bus. Single drills are planned Tuesday and Wednesday here.

Chico Cagers Win From Willamette

CHICO, Calif., Dec. 27 (AP) — Chico State's basketball team turned on the heat late in the last quarter tonight to come from behind and down Willamette University of Salem, Ore., 70-67.

The Wildcats were trailing 67-58 with only three minutes to play when they suddenly got the range for 12 straight points while holding the visitors scoreless.

Canisius Falls to St. Mary's 68-57

BUFFALO, N. Y., Dec. 27. (AP) —St. Marys of California pulled ahead in a late surge to beat Canisius, 68-57, after Case staved off a last gasp rally to edge Buffalo, 82-81, in a basketball double-header at Memorial auditorium tonight.

Dick Sullivan of St. Marys scored two goals early in the final period that sent the Gaels winging toward victory. Before that, the count was tied eight times.

George McLaughlin was St. Marys' top scorer with 17.

Tech Favored in Sugar Bowl Game

BILOXI, Miss., Dec. 27. (AP)—With grim seriousness, Mississippi Coach Johnny Vaught said today that Georgia Tech should be "20-point favorites" over his Ole Miss Rebels in their Sugar bowl football game on New Year's day.

Oddsmakers have made Tech's unbeaten and untied Engineers favorites by between one and two touchdowns.

Vaught made his comment shortly after and his 51-man squad arrived by chartered plane to put the finishing touches to their training at this gulf coast resort city.

Tech Coach Bobby Dodd and his squad arrive in New Orleans tomorrow.

Although he said Tech should be favored by 20 points, Vaught didn't concede that his own unbeaten but twice tied Rebels have no chance.

"It is going to be a matter of who wants the game the worst," he said.

East Upsets West 20-21 in Shrine Classic

Last-Minute Win Sparked By O'Connell

SAN FRANCISCO, Dec. 27 (AP)—Eastern college all-stars, led by pass-pitching Tom O'Connell of Illinois, who set a new East-West passing record, scored a thrilling last-minute 21-20 victory over the West today in the 28th annual Shrine football classic.

A capacity crowd of 62,000 fans in Kezar stadium, drenched by rain in the final period, saw the great Illinois quarterback engineer his teammates to the surprising win in the benefit game for crippled children.

The All-America-studded West had lined up as a 6-point favorite.

The Eastern team came from behind to win with a 71-yard aerial and ground drive. O'Connell threw three passes—among the 21 he completed for his record—in the march through the mud.

With the ball on the 5-yard line, he handed off to halfback Bill Reynolds of Pittsburgh who swept around the West right end behind great blocking to score. Bob Haner of Villanova made his conversion score perfect for the day—three for three—as he booted the winning point.

In the same period, the West had gone into a 20-14 lead when All-America quarterback Don Heinrich of Washington passed 24 yards to All-America left half Billy Vessels of Oklahoma. Fleet Billy ran 25 yards more to score.

Both teams scored touchdowns with the East leading at halftime 14-13.

Beside the capacity crowd, millions saw the game which was nationally televised.

The vast audience saw O'Connell win the plaudits of the crowd and become voted the most valuable player of the 1952 contest.

His 21 completions out of 37 throws bettered the old mark of 14 out of 31 set by Don Klosterman of Loyola for the West last year.

The thrill-packed engagement was played under skies so gloomy that the stadium lights had to be turned on in mid-afternoon.

Recovered fumbles paved the way for three of the touchdowns.

Early in the opening quarter, J. D. Kimmel of Houston, giant guard, recovered a fumble by O'Connell on the East 14. California's hard-hitting fullback, Johnny Olszewski, drove through left guard for the last six yards.

The East's Bill Reynolds of Pitt, rushed in to block the try for point by Nebraska's Bob Reynolds.

Late in the same period, Ohio State's Tony Curcillo recovered Olszewski's fumble on the West 20-yard marker. The East moved the ball up to the six. From there O'Connell passed to Harry Babcock, great end from Georgia, in the end zone.

Haner's conversion put the East ahead 7-6.

The East scored from the West 22 in the second period after Bob O'Neil, defensive end from Notre Dame, recovered a fumble by Bob Reynolds. O'Connell completed one pass to Gene Gedman of Indiana, for nine and another to left half Don McAuliffe of Michigan State, for eight. McAuliffe drove through left tackle for the last yards. Haner again converted or 14-6 East.

Leo Reise, defenseman on the New York Rangers, is also an accountant.

ARCADIA, Calif. — VANDERBILT HORSE CAPTURES SANTA ANITA FEATURE — Alfred G. Vanderbilt's First Glance, with Jockey Eric Guerin in the saddle, beats the favored Reighs Bull (on rail behind First Glance) by a neck to capture the $20,000 Palos Verdes Handicap, first half of the double feature at Santa Anita Park here today. Grantor, ridden by Willie Shoemaker, is finishing third. (AP Wirephoto)

Southern California Favorite by Slender Margin in Rose Bowl Game

PASADENA, Dec. 27 (AP)—The kickoff hour for the annual Rose Bowl football game draws nearer and the margin of favoritism draws tighter for the clash between Wisconsin, co-champion of the Big Ten, and Southern California, ruler of the Pacific Coast Conference.

Most of the experts still lean toward Southern California as the favorite. But few of these feel overly confident.

The Wisconsin bandwagon is almost as crowded as the Trojan camp, however, and well represented among the Badger selectors are West Coast grid observers.

These Westerners have been well indoctrinated by the six previous visits of Big Ten teams to the Pasadena bowl—Illinois and Michigan twice, and Northwestern and Ohio State.

Ignoring these experiences, which is a difficult matter, of course, the Western observers feel: 1. That Wisconsin is a far better team than some have tried to make them believe, and 2, the Trojans have yet to display championship offensive tactics.

Most all agree that Coach Jess Hill's Trojans are tremendous defensively. Only against Notre Dame to whom they lost, were the Trojs ineffective. Their season's feat of holding 10 foes to 2.6 yards per play as compared to the Badgers' 3.9, indicates this strength.

Seemingly Wisconsin's defensive platoon is not as effective as that thrown up by Bob Peviani, Elmer Willhoite and Bob Van Dorren in the line or the two linebackers, Marvin Goux and George Timberlake.

Notre Dame found a way, however, and admirers of Wisconsin Coach Ivy Williamson believe he is more than smart enough to do the same with his quick breaking T-style of play.

Williamson has kept his practices closed to all but intimate followers of the Badgers. He has said he plans nothing particularly new in his attack. It'll be the usual T-stuff with "some spread formations," he declared.

The Trojans might take this casual comment with a large grain of salt. The Williamson offense hammered out 3497 yards running and passing and averaged 5.2 yards each play.

He is genuinely honest when he labels the SC defense as "tremendous," so it stands to reason he isn't going to be content to hit them with the "usual" attack he employed all season.

Key man in this assault is the quarterback Jim Haluska, a sophomore from Racine who pitched 112 completions out of 119 throws for 1410 yards and 12 touchdowns.

Work horses in the running department are fullback Alan the Horse Ameche and right halfback Jerry Witt.

Wisconsin's worries at left halfback are well known. The No. 1 breakaway artist, Harland Carl, missed a lot of the season because of injuries, and Bill Hutchinson filled in. Now Carl is nursing a new knee injury and whether he starts the game seems problematical.

Williamson has not appeared unduly worried about this. He merely pointed out that this was "nothing new."

The contest will be broadcast and telecast by the National Broadcasting Co.

Game time, Jan. 1, is 2 p.m.

Fresno State Wins in Final Stanza 87 to 84

FRESNO, Calif., Dec. 27 (AP)—Fresno State's basketball team battled on almost even terms with the visiting University of San Francisco until the last quarter tonight when the Dons, paced by center Frank Evangelho, pulled away to an 87-74 victory.

Evangelho, a six-foot five-incher, topped scoring with 21 points. Forward Len Tucker paced the Bulldogs with 20.

USF led 18-16 after the first quarter, but Fresno took a 42-38 halftime edge, USF pulled ahead again 64-57 in the third quarter and outlasted the wearying Fresnans.

Three Staters and two USF players were ejected for fouls—most as Fresno struggled to get back into the game in the closing minutes.

Stanford Cagers Spurt to Defeat Loyola 67 to 65

SAN JOSE, Dec. 27 (AP)—Stanford's basketball team stayed barely ahead of Loyola of Los Angeles most of the evening, and then put together a fourth quarter spurt to down the Southern California quintet, 67-57, tonight at the San Jose Civic auditorium.

The game, opener of a double header which put together Santa Clara and San Jose State in the nightcap, was Loyola's second straight loss after seven wins. Santa Clara downed the Lions last night 82-67.

Stanford held a first quarter edge of 12-8. Loyola thinned it to 25-24 at the half and Stanford came back to a 44-41 advantage when the third quarter ended.

But the Indians, paced by Don Carlson and Ron Tomsic, rang up 11 points in three minutes while a shift into a tight zone defense held Loyola scoreless.

Tomsic took game scoring honors with 26 points on 11 field goals and four free throws. Forward Johnny Kurtz topped the Lions with 19 points, scored mostly on long set shots.

San Diego State Beats New Mexico

SAN DIEGO, Dec. 27. (AP)—San Diego State outscored New Mexico Western 63-63 in a tight basketball game tonight.

San Diego led 39-42 at the half, but the visitors staged a strong rally in the closing minutes. Forward Bob Bradly was high scorer for the home team, bucketing 26.

De Anza, First Glance, Capture Coveted Races

ARCADIA, Dec. 27 (AP) — The Springhill Stable's De Anza won the $25,000 California Breeders Champion Stakes and Alfred G. Vanderbilt's First Glance captured the $20,000 Palos Verdes Handicap in a twin-bill racing feature at Santa Anita park today.

A crowd estimated at 40,000 turned out in an afternoon that started drizzly and wound up with the clouds clearing away.

Jockey Ralph Neves piloted De Anza to a surprise length and a half triumph in the mile and one-sixteenth Breeders stakes for California-bred 2-year-olds. The time was 1:45 1/5.

The inquiry sign went up for the place and show finishers. As a result, C. L. Hirsch's Book Circle was awarded second and Ross and Brank's Atomic Speed, the favorite with Eddie Arcaro aboard, moved into third. Merryman, which had raced second, was moved back to fourth for interference in the stretch.

De Anza paid $14.60, $8 and $4.90; Book Circle $39.40 and $12.90, and Atomic Speed $3.20.

In the Palos Verdes, Eric Guerin piloted Vanderbilt's First Glance into a half-length victory over another favorite, Reighs Bull, again with Arcaro up. Stranglehold finished third.

The time for the six furlongs was 1:10 1/5.

First Glance paid $12.20, $5.70 and $4.20; Reighs Bull $4 and $3, and Stranglehold $4.90.

In the 2-year-old special, jockey Willie Shoemaker was thrown from Busterbegood, which stumbled leaving the gate. Shoemaker limped off the track.

It was the second mishap of the afternoon. In the first race, Ray York was unseated and bruised in a spill when his mount, Delfan, stumbled at the start.

Arnie Weinmeister, star tackle of the New York Giants, was a sergeant in the field artillery during World War II.

Excitement Accompanies Kuchel Appointment

By HENRY C. McARTHUR

SACRAMENTO (CNS)—Unusual excitement accompanied the appointment last week of Thomas K. Kuchel, state controller, to the United States senate, as successor to Vice President-elect Richard E. Nixon. Gov. Earl Warren's conference room was so loaded with television equipment, newsreel and still cameras that there was barely room for news reporters.

Although many had guessed Kuchel would receive the appointment, no one actually knew, at least none of the capitol news staff, until the governor handed out the announcements, and at the same time announced his intention of appointing Robert Kirkwood, Santa Clara assemblyman, as state controller to succeed Kuchel during the first week in January.

It is generally conceded that in making the appointments, the governor selected two able, conscientious and independent men to carry on the work of the two important offices Kuchel has successively been assemblyman, state senator and controller and can take his place in the select group of 98 United States senators with a wide knowledge of state affairs, as well as the problems on world affairs which confront the nation.

In Kirkwood, the governor has selected a man whose record in the assembly has not only been sound and humanitarian, but also who has wide knowledge of fiscal affairs through his services on the ways and means committee.

The governor made another appointment during the week which received but scant attention in the excitement which accompanied the Kuchel-Kirkwood announcements. This was the reappointment of Richard E. Mittelstaedt to the public utilities commission, a post filled by Mittelstaedt for some time.

Capital Writer Approves Kuchel,

Political Pressure Hits Newcomer Fast

SACRAMENTO (CNS)—The rapidity with which the pressure starts on a public official in high office was demonstrated here Monday with appointment of Thomas H. Kuchel as U. S. senator.

Kuchel had been out of the governor's office only a short time, after being televised and interviewed for radio broadcasts.

However, in that short time, the news of his appointment had reached Honolulu, Hawaii, and he received a call from that city asking how he stood on the issue of statehood for Hawaii!

How he stands remains to be seen, for Kuchel wasn't in his office to answer the telephone.

SACRAMENTO, CNS) — The appointments of Thomas H. Kuchel as U. S. senator and Robert Kirkwood to succeed Kuchel as state controller, announced this week by Gov. Earl Warren, leaves nothing to be desired by the people of the state for able, conscientious and energetic representation in high office.

This is at least, the opinion of this writer, who for the past six years has had the privilege of working closely with both of the appointees, of observing Kuchel's handling of the state controller's office, and of Kirkwood's activities as a member of the assembly from Santa Clara county.

In all of those years, no single instance can be recalled when it has been necessary to point out any questionable activity in the controller's office. And the same statement applies to Kirkwood's service in the assembly, where he has not only done a sound and honest job for his district, but has interested himself in the wider state issues as well. As an assemblyman, Kirkwood has stood on his own two feet, and has refused to succumb to any type of pressure.

The Kuchel appointment provided little surprise for capitol newsmen. He has been mentioned prominently for the post ever since the November elections. The various leads given by the governor, to the effect that he would appoint a young man from Southern California to the post, almost narrowed the field to the state controller.

Kuchel was mum on the subject for some time, and newsmen devised all kinds of questions in an attempt to trap him into an admission that he was going to get the senatorial post. About a week before the appointment was announced, Kuchel, a frequent visitor in the capitol press rooms, more or less 'disappeared,' which was a pretty fair indication that the appointment was set up. However, some of the press wanted to climb out on a limb far enough to predict or say with certainty that the appointment was in the bag.

Although there isn't a newsman on the staff but who will regret seeing Kuchel leave the state capitol, nevertheless all of them were silently hoping he would receive the appointment, and when the governor announced it Monday, the announcement was followed by a loud cheer from the press gang.

Kuchel's extreme popularity with the press stems primarily from the fact that he has treated the representatives with fairness, has never withheld or even suggested that any public records be withheld from the press or public and has proven himself as assemblyman, state senator and controller a public official who has the interests of the state at heart and the integrity to carry out his beliefs and principles.

The Kirkwood appointment, however, was a definite surprise. There had been speculation as to whom the governor would appoint to succeed Kuchel in the event he elevated the controller to the senatorial post. Kirkwood's name was not mentioned as a possible candidate, and in all probability never thought of it himself until approached by the governor.

For Warren is allergic to individuals who seek appointment to such office, on the theory that the job should seek the man, and not the man the job. It is understood that Kuchel had a difficult time keeping his many friends from promoting him for the office, which he did not seek in any manner.

Gordon Richmond Of Orange Named Tax Appraiser

SACRAMENTO (CNS)—Thomas H. Kuchel, State Controller, has announced appointment of Gordon X. Richmond of Orange as inheritance tax appraiser for Orange county, vice James B. Utt who resigned after his election to Congress.

Richmond, an attorney, has practiced law in Orange county since 1931. He graduated from the UCS college of Law in 1928 and was admitted to the Bar in that year.

The new appraiser is a past president of the County Bar Association of Orange county and a past president of the State Republican Assembly. He has served as chairman of the County Central Committee for several terms.

In announcing the appointment, Kuchel said:

"I know of no one better qualified for inheritance tax appraiser in Orange county than Gordon Richmond who has had many years experience in tax and probate matters."

Richmond maintains his law office in Orange where he resides. He is married and has four children.

Kirkwood not to Take Controller's Office 'til Jan. 5

SACRAMENTO (CNS)—Robert C. Kirkwood, assemblyman from Santa Clara county and state controller-designate, will not take his new office here until after he qualifies as an assemblyman Jan. 5, at least, Governor Earl Warren said today.

A part of the oath taken by candidates is that they will qualify for office if elected, and Kirkwood was reelected in November.

Consequently, he will be on hand to vote in the speakership fight. Once mentioned prominently himself, Kirkwood swung his support to Assemblyman James Silliman, of Monterey.

Telephone Hour To Feature Grieg Concerto Jan. 5

The first 1953 broadcast of the Pacific Telephone Hour will feature pianist Clifford Curzon playing a movement from Grieg's "Concerto in A Minor," on Jan. 5. The program is heard Mondays at nine p.m. over KFI Los Angeles and KPSD San Diego.

On Jan. 12, the famed Yale Glee Club will present a group of unusual folk songs and their familiar "Whiffenpoof Song." Contralto Marian Anderson will include an air from a Debussy cantata on the Jan. 19 broadcast. Violinist Jascha Heifetz will perform a movement from Mozart's "Concerto No. 4" as his major offering on Jan. 26.

Pacific Telephone Manager R. J. Rossberg reminded listeners that all programs are subject to change.

In 80 games at Ebbets Field the Dodgers scored 389 runs for an average of 4.86 runs per game.

Court Forces Open Records In Imperial

SACRAMENTO (CNS) — Once again, a newspaper has found it necessary to go to court to secure public information.

The Imperial Valley Publishing Co., which publishes the Imperial Valley Press and the Morning Post at El Centro, filed mandamus action to force Elmo Sherman, chief of police and city marshal of the City of Imperial, to open his public records and writings to employes of the paper.

According to word received from Roberts and Campbell, attorneys who represented the publishing concern, an alternative writ was issued by Imperial county superior court on Dec. 23, requiring the chief to permit the publishing company and the public to see such public records as they may desire.

The action taken in Imperial county follows a long line of decisions by California courts that actions of public officials in California are public property.

One of the first of such actions was by the San Francisco superior court, which held that Paul Scharrenberg, state director of industrial relations, was required by law to open his records to Western News Service, a corporation which formerly supplied news to the press from the state capitol.

Western News was succeeded by Capitol News Service, which subsequently forced the state department of public health to open its records to the public concerning county hospital investigations, not, however, through court action.

Sex Offenders Still Problem For California

SACRAMENTO (CNS)—A sex offender who cannot benefit from psychiatric treatment and who must be returned to society either to go free or to serve another of a usually long list of short-term prison sentences presents a difficult problem to the people of California, Dr. Frank F. Tallman, state director of mental hygiene, said in a recent report to the governor.

Tallman explained that state law provides for 90-days psychiatric observation of sex offenders in a mental hospital. Purpose of observation is to advise the court whether the offender is a sex psychopath as defined by law and whether he would respond to treatment.

From Oct. 1, 1949, when the law went into effect, through October of this year, 668 offenders have been sent to Norwalk in the south or Mendocino in the north. Of these, the director stated 453 were committed to hospitals as patients until deemed safe to return to society.

But of the offenders who are not committed to hospitals, Tallman declared:

"It is this group—untreated and perhaps untreatable as to the causes of their aberrent behavior, and apparently undeterred by a long series of imprisonments—that perhaps presents California's most serious unmet problems in the field of the sex offender."

Upon release from hospitals, treated patients are under court jurisdiction for five to ten year periods and life-long registration with police authorities.

Tallman said that of 50 such patients released from Norwalk in the past two years, only one has been returned.

Polio Cases Hit 114 in California

SACRAMENTO (CNS) — Polio cases reported in California during week ending Dec. 13 numbered 114, according to a communicable disease tabulation by the state department of public health.

Other disease cases most numerously reported were mumps, 665; chicken pox, 448; measles, 320; whooping cough, 63, and pneumonia, 36.

NOTARY COMMISSION

SACRAMENTO (CNS)—A notary public commission has been issued to Lloyd G. Adams, 824 W. Chestnut st., Anaheim, the secretary of state has announced.

Fullerton Public Forums to Open Again Jan. 8.

Second series of Fullerton Public Forum programs will open on Thursday evening, Jan. 8, at 7:30 p.m. with colored motion picture on Austria, a completely new film taken last summer by Traveler-lecturer Karl Robinson, it was announced yesterday by Walter Pray, moderator.

All meetings of the second series will be on Thursday nights except for one, by Dr. Douglas Kelley, which is scheduled for Friday, Feb. 13, because of a school holiday on Feb. 12. Dr. Kelley, eminent psychologist, is author of the best seller, "Twenty-two Cells at Nuremburg."

Following Robinson on Jan. 8 will be Francis Line with his film, "Seven Wonders of the West" on Jan. 15. Milton Silverman, science editor with the San Francisco Chronicle, appears Jan. 22 to speak on new developments in medical science.

At the Jan. 29 forum, Ralph Lapp talks about what nuclear physics and atomic discoveries will do for peacetime progress and better living. Murray Banks, psychology lecturer, will present the humorous and serious aspects of human thinking and the workings of man's mind, on Feb. 5.

"BUTCH" DID ALRIGHT — Lester Allen (Butch) Odle, 6, is greeted on his arrival in Berkeley, Calif., after being lost aboard a train on Christmas day. He was found, alone and crying, by a passenger agent, when his traveling companion had wandered into another car for a visit and car was switched to another train. Butch was met by Walter Darling (left) his companion on train, and his foster parents Mr. and Mrs. Lester O. Swalley. Railroad employees, of the Southern Pacific, took up a collection and presented Butch with many gifts, including a bicycle.

Local Guardsmen To Train at Hunter Liggett

SACRAMENTO (CNS)—Major General Earle M. Jones, California's adjutant general, today announced encampment dates for the guard next summer.

Men in units from Yreka to Calexico will train for 15 days at Hunter Liggett Military Reservation, near King City, and Camp Irwin, near Barstow, as follows:

June 14 to June 28, 49th Infantry Division, Northern California, and state headquarters and headquarters detachment, Sacramento, at Hunter Liggett.

112th Anti-Aircraft Artillery Brigade, San Francisco and Bay area; 114th Anti-Aircraft Artillery Brigade, San Diego and Long Beach; Headquarters and Headquarters Detachment, 175th Ordnance Batallion, Sacramento; 3668th Ordnance Company, Long Beach and State Headquarters and Headquarters Detachment, Sacramento, at Camp Irwin.

40th Infantry Division, Southern California; 111th Armored Cavalry Regiment, Pasadena; Headquarters and Headquarters Company, 137th Transportation Truck Co., Los Angeles; 621st Transportation Truck Co., Los Angeles; 765th transportation Truck Co., San Diego; 59th Army Band, Sacramento; and State Headquarters and; Headquarters Detachment, Sacramento, at Hunter Liggett Military Reservation.

OAKY DOAKY

IT'S A GREAT HONOR, SIR OAKY, TO TAKE THE FIRST RIDE IN MY ROCKET SHIP!

I DON'T CARE ABOUT THE HONOR, PROFESSOR GESSOR! I JUST WANTA GET BACK TO UNCERTAINIA.

CAN I TAKE MY HORSE?

OF COURSE, SIR OAKY!

PROFESSOR, I'M GOING WITH SIR OAKY, TOO!

OH, NO YOU'RE NOT!

...THERE ISN'T ROOM FOR TWO HORSES ON THIS SHIP— AND YOU'RE AS BIG AS A HORSE!

IMOGENE IS IN A DITHER BECAUSE THERE ISN'T ROOM FOR BOTH HER AND OAKY'S HORSE IN PROFESSOR GESSOR'S ROCKET SHIP...

BUT, PROFESSOR, THIS ISN'T FAIR!

WHAT ISN'T?

I PLANNED TO MARRY SIR OAKY, THEN GO WITH HIM TO UNCERTAINIA FOR OUR HONEYMOON!

LET'S LET SIR OAKY DECIDE THIS MATTER!

SIR OAKY, DO YOU WANT TO TAKE IMOGENE, OR YOUR HORSE, ON THIS TRIP?

MY HORSE, OF COURSE!

SCORCHY SMITH

SNIFF SNIFF! IT SMELLS LIKE LIMBIANS!!

LIMBIANS! HERE IN ASTAR'S SHRINE? IT'LL BE THAT EARTHMAN!

HEAR THAT? SHOUTING DOWN THAT WAY! COME ON!

"DROP MY GUN"?! I'M HOLDING IT, EARTHMAN, TO PROP YOU!

OPAL! BREAK AWAY FROM THAT TRAITOR!! I'VE GOT TO LET HIM HAVE IT!... NOW!!

THE DRAMA OF DEATH AND DELIVERY OF THE MISSING GREAT RUBY FINDS SCORCHY FACING REPENTANT OPAL AND TRAITOROUS SVEND IN THE CRYPT BELOW THE THE GREAT SHRINE ROOM...

PASS ME THAT OMNIBLAST, PVM!

OPAL! BREAK AWAY FROM HIM OR YOU'LL DIE WITH HIM!

YOUR BEST CHANCE OF SURVIVING IS TO STAY WITH ME, OPAL DEAR... THIS GUN IS CLOSER THAN HIS!

DICKIE DARE

IS THIS SUPER! YOU SEE, YOU AND JAN ARE... MY FOLKS!

KID, OUR HEARTS TELL US YOU'RE PART OF OUR FAMILY:.. THAT'S WHY WE FLEW EAST TO SET UP SHOP HERE FOR AWHILE

COULTON WAUGH

JAN! HEY— THIS LOOKS LIKE... HOME.

YOUR HOME EXACTLY AS MUCH AS OURS, PARTNER! MERRY CHRISTMAS!

DAN AND JAN, WHOM DICKIE THINKS OF AS KINFOLK, HAVE FLOWN EAST TO PAY HIM A CHRISTMAS VISIT...

COULTON WAUGH

AND NOW WE PROUDLY PRESENT, RICHARD FLYNN!

DAN... YOU DIDN'T NAME HIM FOR ME?

WE SURE DID! AND SINCE HE SPENDS MOST OF HIS TIME IN HOT WATER...

...WE NATURALLY CALL HIM...

BET I KNOW... HI, DICKIE!

ADVENTURES OF PATSY

A CHEAP PUBLICITY SEEKER, — THAT'S ALL YOU ARE!! YOU'RE RUINING MY SHOW!!

DON'T YELL AT ME!!

SHE WORKS UNDER NO RESTRICTION OF TIME, RUR!

HER SINGULAR ORDER IS TO TRANSPACE TO US THIS AMAZING EARTHBEING, SGT. SONIC SO THAT WE MAY STUDY HIS TECHNIQUE!

REHEARSAL AT THE TV STUDIO...

TODAY'S SHOW WILL HAVE A LOVE SCENE OR TWO IN IT, SONIC!

OH DIANA

HI, DIANA! I JUST STOPPED BY TO ASK IF YOU PASSED YOUR MATH EXAMS!

OH, HAL! THAT'S SO SWEET OF YOU!

WELL, YOU SEE, THE STORY ON THAT IS —

I DIDN'T PASS MINE, EITHER!

I'M SORRY BOB, BUT I DON'T CARE TO GO OUT WITH YOU!

PLEASE DON'T ASK ME AGAIN! MY ANSWER IS DEFINITELY NO!

AW, COME ON, DIANA

NO! NOT IN A HUNDRED YEARS!

GEE!

I PROBABLY WOULDN'T WANT TO GO OUT WITH YOU THEN!

ALL RIGHT... I'VE HIDDEN THE GOLF BALL SOMEPLACE IN THE HOUSE! LET'S SEE YOU FIND IT WITH THAT LITTLE "FINDER" OF YOURS, MR. PETERS!

OKAY... COME ON, I'LL SHOW YOU WHAT A GREAT LITTLE FINDER IT IS, TOO!

PETERS HAS TO PRODUCE NOW... HE'S PUT HIMSELF... —AND THE LITTLE BALL-FINDER ON THE SPOT!!

by JOHN S. NEUBAUER

Who steals my purse steals trash,
But he who filches from me
my good name
Robs me of that which not
enriches him,
And makes me poor indeed.
—William Shakespeare

* * *

TODAY'S WORD — **And with what measure ye mete, it shall be measured unto you.** —Matt. 7:2.

* * *

RESOLUTIONS — Are you going to make New Year's Resolutions, neighbor? Some folks make resolutions just to break them. Do you? A good resolution, even if it will be broken, is better than none. Resolutions are good intentions. Many of them are for self-improvement and consequently worthwhile. A person has to have faith in himself before he can have faith in anyone or anything else. Resolutions, even if they are broken, are morale builders.

* * *

CONTRIBUTION — An anonymous Anaheimer postcards the following four-liner:

Roses are red, violets are blue
But it's a-way they never get
around to,
As those little dandelions do.

* * *

PASSING — **Jess Ramirez**, the Placentia aircrafter, who signed up for a hitch in the Air Force. "It's a wonderful opportunity to learn," he said as he told how he hitch hiked the breadth of the land in two days and a night. . . **Bob Breckenridge**, former Yorba Linda advertising man, is really going to town in his chosen profession . . . Fire Chief **Ed Stringer**, Anaheim's amiable fire chief, reiterated the oft-repeated warning about unvented gas heaters creating deadly carbon monoxide gas in tightly-closed rooms. . . . **Jim Barthelmes** is another youngster counting the days when school will begin again. . . . **Bill Zabrie** covers a lot of ground in doing a day's work.

* * *

TOWN TALK — Anaheimers are talking about **Charles Diggs'** resignation. The county planning commissioner will enter private business. His action wasn't entirely unexpected. . . . Anaheimers are pleased with **Tommy Kuchel's** appointment to **Richard Nixon's** senate seat by Gov. **Earl Warren**. Kuchel in turn appointed Orange's **Gordon K. Richmond** to Congressman **Jimmy Utt's** inheritance-tax appraisership. . . **LeRoy Lyons, Jr.** is in favor of another department for the Orange county superior court. State Senator **John Murdy, Jr.**, and **Earl W. Stanley**, assemblyman from the other end of the county, will also work for it. The demand is urgent. . . **Smart and Final** acquired the firm of **Haas, Baruch & Co.** of Los Angeles. Anaheimers are also discussing the weather and a house sub-committee investigation of El Toro Marine Base that has the top brass guessing.

* * *

DRIVER'S LICENSE—Has your driver's license expired? Or have you had your's renewed lately? Well, **Neubauer** did that t'other day. Really, there wasn't much to the chore. You walk into the Department of Motor Vehicles office in Santa Ana, get an application and fill it out and when you return it, the genial gentleman behind the window gives you a questionnaire on the motor vehicle code. "Fill this out and return it to the next window," you're told. . . . You do that and then they have you sign your name a half a dozen times, read an eye chart, and take your thumbprint "if you do not object." Then you drive around the block while an examiner observes your driving technique. . . Those fellows are so courteous and nice that it's a pleasure to part with the two-dollar fee.

* * *

PLEASE NOTE — In a holiday traffic check held in the 'Tween-City Strip 611 cars were stopped and 69 citations written—55 warnings for minor infractions of the code. Capt. **Herbert Null** of the Highway Patrol said the three most dangerous corners in the county were: Manchester and Grand avenues in Buena Park;

Upward Trend in Business Holds In So. Calif.

Business activity in the southern half of California continued its record-breaking climb for the fourth consecutive month in November, B. W. Jordan, manager of Security-First National bank's Anaheim branch, reported today.

The bank's index of business in this area has risen during every month since last January, with the exception of June and July when activity was depressed by the steel strike. Compared with November, 1951, last month's increase amounted to 11 per cent.

November, 1952, was characterized by considerable strength in retail trade and industrial activity, with weaknesses developing in building and real estate activity, the banker pointed out.

Department store sales in November reached the highest level on record, seasonal factors considered. The bank's seasonally-adjusted index of department store sales for the Los Angeles area, as reported in its Monthly Summary of Business Conditions, was nine per cent above the previous month and 16 per cent above a year earlier. Preliminary data for the first half of December suggest considerably smaller year-to-year gains than in November, although a record Christmas season is indicated, Jordan said.

The summary also pointed out that retail stores in the southern half of the state had taxable sales during the first half of 1952 totaling 21½ per cent more than in the first half of 1950 (the six-month period just prior to Korea).

Manufacturing employment in the Los Angeles metropolitan area expanded last month to 608,400. This was 19 per cent above a year ago and was the highest level ever recorded except at the height of World War II. One in every three factory jobs in existence now has been created during the past 2½ years.

Harbor and Newport Blvd. intersection in Costa Mesa; and Coast Hiway south of Serra near San Clemente. . . He didn't say it, but that Coast Hiway is a mankiller. More service men are highway casualties than are hurt on active duty, so it seems.

* * *

PEOPLE — It won't be long now! **Vic Reudy** will soon be hobnobbing with the baseball elite when the crack of the horsehide resounds against the hickory stick at La Palma Park. . . **Edward Mene**, the Mayor of Anaheim's South Side, really enjoyed this holiday season. "Anyone who has been under the weather really appreciates it." . . **Alvin and Martha Trabbert** are back in business. They appreciate Anaheim and Anaheimers appreciate their jovial good natured service. . . **Homer Hurst** has a new hobby — playing nursemaid to chinchillas. And that's a chore. . . **Ervin Wedel** is an Anaheimer who could give **Dale Carnegie** lessons on "How to Win Customers and Make Friends." . . . **Harry Roeschlaub** is one of Anaheim's most versatile men. He can handle a white collar job behind the bank teller's window — and he does — and he can operate a gas station. That he does too. He can run farm machinery. And that too, he does. He's equally efficient at any and all jobs he tackles.

* * *

SPORTLETS — Didcha know that **Bert Haysom**, the Santana bonus baby, is under doctor's care. He has lifters. He's lost so much weight that **Branch Rickey's** worried whether his investment will materialize . . . Anaheim needs a good basketball pavilion — other than a high school gym—where fast winter sports could be staged. . . . Looks like the Sunset league cage race will be a chase between Huntington Beach, Anaheim and Fullerton. The Oilers should repeat, but Anaheim or Fullerton might sneak home in a tight race. **Joe Hernandez** is still looking for a pitcher who might change Kwikset's luck in baseball.

* * *

PARTING THOUGHT — Everything is normal! The kids who were so good before Christmas have weakened and are themselves again.

Condon Poor Security Risk, Committee Says

WASHINGTON, Dec. 27. (AP)— The house committee on un-American activities asserted today that Dr. Edward U. Condon was not qualified for any position involving national security because of his "propensity" for associating with persons of questionable loyalty.

Dr. Condon, who heard about the committee's report in advance of its release, told reporters in St. Louis today that the committee's "lying dishonesty" toward him was based on "political spite work."

Dr. Condon, former director of the national bureau of standards, was accused by the committee in 1948 of being the "weakest link" in the chain of security protecting atom bomb secrets.

He said at that time:

"If I am one of the weakest links in the nation's atomic security, this is gratifying information, because I am absolutely reliable and therefore we have nothing to worry about. The country can relax."

A number of officials and congress members upheld Condon's loyalty.

House subversive hunters continued their feud with the former government scientist in their year-end annual report.

In response to charges by Condon that the committee had long refused him a hearing, the committee earlier this year first invited and then subpoenaed him for an appearance.

Testifying last Sept. 5, Dr. Condon—now research director for the Corning Glass Works, Corning, N. Y.— reiterated previous denials that he knew about espionage and subversive activities charged to a number of his associates.

In its report, the committee noted that Dr. Condon denied ever having been a communist and said:

"Dr. Condon's appearance, however, served to confirm the committee's belief that because of his propensity for associating with persons disloyal or to questionable loyalty and his contempt for necessary security regulations, that he is not qualified for acceptability to any security position."

The committee said that in its earlier A-bomb investigations it was amazed at the numerous instances in which it was disclosed that Dr. Condon was acquainted with known or suspected espionage agents.

The committee did not, nor does it now, possess information that Dr. Condon was a Communist or committed any act of espionage. However, because of his associates and disdain for security regulations the committee recognized his vulnerability in any post of security."

Sen. Ferguson Asks Army to Purge Out Reds

WASHINGTON, Dec. 27. (AP)— Sen. Ferguson (R-Mich.), today urged the armed forces to "purge their ranks" of known and suspected Communists.

Ferguson, a member of the senate internal security subcommittee, said subcommittee members "are of the opinion and have some knowledge that there are many Communists among the commissioned grades in active service and in the reserve."

He mentioned no names in the prepared statement, designed originally as a series of six articles plugging for extension of the Red-hunting subcommittee.

Ferguson is its senior Republican member and presumably will head the group if it is continued. Its authority now is scheduled to expire Jan. 1, when it would have to return to the treasury unexpended balances of the more than $300,000 congress put up to finance its work.

A serialized news "handout" is a device new to Capitol hill, and in response to newmen's urging, Ferguson's office finally released all six chapters in a batch, for immediate publication in Sunday editions, instead of the originally planned one-a-day schedule.

The leadoff article argued, that, "if subversive elements in the U. S. can be discovered and controlled, there need be no fear of a shooting war in America."

"From everything I can learn," it said, "I believe that the Red army will never go to war with any nation until the Kremlin is satisfied that nation is sufficiently pentrated with Communists and other subversives who will function as an effective fifth column in the target country to weaken its internal strength and assure the success of the Reds' military forces."

"It is obvious that further inquiry will be necessary," he said.

"During the next two years we should like to show how the Communist menace can be destroyed, how and why some Communist penetration efforts have failed, and what success has attended efforts of some organizations to break away from Communist domination."

"SARI-SAND", the picturesque home built by Mr. and Mrs. Thomas B. Jordan in Apple Valley. The unusual name is derived from Mrs. Jordan's first name, Sari, and Sand, with which the unusual home is surrounded. Outstanding feature is the extensive use of tile.

Unusual House Gets Unusual Name

Unique Use of Tile Featured In Model Home

"Sari-Sand," the new model home now on display in Apple Valley, is as unusual as its name. Created by Thomas B. Jordan, West Coast manager of the Mosaic Tile Co., it graphically demonstrates the design flexibility of clay tile.

The name, "Sari-Sand" was derived from Mrs. Jordan's name, "Sari," coupled with "sand" from the Apple Valley desert setting. Sebastian Puglisi of W. & J. Sloane, working with Mrs. Thomas B. Jordan, selected furnishings which completed a harmonious blend of house, setting and decoration. They selected desert colors of beige, brown and green to blend with rich mahogany trim and redwood ceilings.

The fireplaces in living room and bedroom are typical of an imaginative approach to design. They are faced with unglazed ceramic mosaic curved tiles, known as "bullnose," in a basket weave, three-dimensional effect. The living room fireplace facing is brown and beige, while a soft tone of green is used in the bedroom. This totally new idea has excited much favorable comment.

Another highlight of "Sari-Sand" is the den. Here, bronze glazed wall tile covers an entire end wall. The floor, of small faience tiles, is patterned in a Navajo rug design. To complete this room, Sloane selected simply styled furniture . . . a foam rubber sofa in brown, black and yellow cotton tweed, flanked by twin honey-toned lamp tables. Two large, square bleached wood coffee tables add to this grouping. Against the tiled wall they placed a blonde console television and two modern chairs.

Sliding glass doors lead from the den to a covered patio, attractively furnished with metal furniture. The den floor is of deep Navajo red quarry tile in an interesting basket weave pattern.

The focal point in the living room, is the colorful fireplace. As complementary pieces, Puglisi and Mrs. Jordan selected a green cotton tweed sectional sofa, placed between two washed birch lamp tables. Corner step tables and a round mahogany coffee table complete the grouping. Other furnishings include a cotton tweed chair in yellow, brown and beige plaid, and three low tables in a gray finish. Comfortable cushions convert the smaller tables into seats. The brown "Fibre E" carpeting is bordered by russet quarry tile. Draperies are sheer, of gray beige casement cloth, which softens the desert sunlight.

"Sari-Sand" could be called the patio-house for it boasts three of them. Both bedrooms open to a small covered patio. The kitchen and den share another large covered patio, and there is a third patio at the rear of the house. All have floors of Mosaic quarry tile.

From the kitchen, one moves to the patio through a revolving door-bar, remipiscent of the one in Thomas Jefferson's Monticello. One side of the door is flush with the wall. The other is built out in a half circle with a counter top of rich mahogany. Shelves below the counter are concealed by tambour doors. A pivot permits the hostess to serve snacks to the patio or the living room with ease.

The "pass-through" opening between kitchen and dining area is fitted with a large revolving lazy susan, which serves from a kitchen counter to a built-in mahogany buffet in the dining room.

The black iron dining table is topped with glass. Four matching chairs are upholstered in gay green cotton print. Glass enclosed shelves on the wall above the table and top-lighted with fluorescent tubes, bathe the table setting in a soft light.

"Sari-Sand's" kitchen was designed for convenience and beauty. Varying tones of blue glazed tile on the walls contrast beautifully with rich mahogany cupboards. The tile is repeated on the sliding doors of one cupboard, while two center cupboard doors boast delightful tile murals of a Dutch girl and boy.

Unglazed ceramic mosaics and Mosaic "Velvetex" tile, in shades of blue, cover the counter, areas and frame the built-in range and griddle. A satin finished, quilted copper hood, which conceals a small exhaust fan, tops the range alcove. The floor of Navajo red quarry tile blends beautifully with mahogany cabinets and redwood ceiling.

All visitors to Apple Valley are invited to visit "Sari-Sand." Signs direct the way, and inquiries will be answered at the Apple Valley administration office, located directly across the highway from the Apple Valley Inn.

SURROUNDING the "Sari-Sand" fireplace is an unusual wall of unglazed ceramic mosaic curved "bullnose" tiles in a basket-weave, three-dimensional effect. Colors are brown and beige.

REVOLVING BAR-DOOR, reminiscent of the one in Jefferson's Montecello, leads from kitchen to patio. One side of door is flush with wall, other is built out in half-circle counter.

THE DEN at "Sari-Sand" has a much-commented about bronze glazed tile wall at one end of the room. The Navajo patterned floor is made of small faience tiles. The overall effect is one of simplicity, soft beauty in keeping with the desert atmosphere.

Japanese TV Planned

TOKYO (AP)—The government-owned Broadcasting Corp. of Japan has received a preliminary license to telecast and plans to start regular television service in February over a three-station hookup. A series of TV tests already has been made in Tokyo, Osaka and Nagoya, showing popular sports events.

Subcommittee Finds Hollywood has Ceased to be Full Pocket for Reds

WASHINGTON, Dec. 27 (AP)—The House un-American Activities committee said today that Hollywood no longer provides an extensive financial reservoir for Communist Party activities.

In its annual report to the House, the committee said it feels that its public exposure of Communist infiltration into the motion picture industry has greatly diminished the party's sources of funds in the film capital.

The committee first undertook its filmland investigations in 1945, held public hearings in 1947 and resumed them in 1951 and 1952.

It reported that in its inquiries of the past two years it experienced "much fuller cooperation and assistance from individuals in and associated with the motion picture industry.

"As a result," the report continued, "the committee ascertained that the Communist efforts to infiltrate this industry had been a full-scale and carefully planned operation and that the Communist Party had been successful in recruiting individuals in important and strategic positions in almost all phases of motion picture production.

"Had these Communist efforts gone unexposed, it is almost inevitable that the content of motion pictures would have been influenced and slanted and become a medium for Communist propaganda."

The committee said it is not finished with its investigation of the film industry, still having a number of witnesses to call.

Meanwhile, it urged that all fields of entertainment and culture maintain "a steadfast vigilance in order to avoid the possibility of further Communist infiltration into them."

Maldive Islands Forsake Crown— No Sultans Left

COLOMBO, Ceylon, Dec. 27 (AP)—After 800 years as a sultanate, the 2000 scattered islands of the Maldive group, 400 miles southwest of Ceylon in the Arabian Sea, will become a republic Jan. 1.

The reason? The Maldives ran out of sultan material.

The new republic, with 83,000 persons, will remain under British protection. Its first president is 41-year-old Amin Didi, now the Maldives' prime minister and author of their constitution.

The change in political status will come about when Sir Cecil Myers, British high commissioner to Ceylon, signs a new treaty recognizing the republic New Year's Day.

The largest foreign group to visit the islands since World War II will witness the inaugural ceremony. Offshore a British cruiser and at least one British Royal Air Force flying boat will lend a touch of modern color to the scene.

But no one expects the political change will alter the islands' peaceful way of life nor its business of trading dried fish and other products of the sea to Ceylon for rice.

The Maldives' people are all Moslems. Traders here say that throughout their recorded history the islands never have had a crime of passion. There is no police force and even political revolutions have been bloodless.

Under Islamic law, alcoholic beverages are banned and the people use little tobacco. Its import or cultivation is prohibited.

Dogs are unknown, since a religious ban exists on their breeding.

Reds Said to Control World's Largest Local

WASHINGTON, Dec. 27 (AP)—House Red hunters said today Communists control the CIO United Auto Workers Local 600 in Detroit, described as the "largest labor local in the world."

The House un-American Activities committee so stated in its annual report, summarizing seven months of investigations in Michigan.

"Ways must be found to remove the Communists from their positions of control of this large local whose members play such an important role in America's defense," the committee declared.

Radar May Catch Smugglers

SINGAPORE (AP)—Small craft engaged in smuggling goods and illegal immigrants into Singapore may in the future have to pierce a radar screen ringing the island. The government is considering establishing a radar station atop a hill overlooking Singapore harbor, the newspaper Sunday Standard reported recently. The station would be in contact with police patrol craft by radio.

DICKIE DARE
OKAY, MR. MECHANICAL MAN, YOU SATISFIED OUR THIRST AND HUNGER! WHAT'S NEXT? WHAT DO WE DO?
DO? WE DO NOTHING. WHY SHOULD WE DO ANYTHING?
WELL, BECAUSE... ER... GOSH... YOU'VE GOT ME THERE, MR. FRANKENSTEIN
WRONG NAME. MY NAME IS "HERMES" AFTER THAT OF THE GREEK GOD
WELL, HERMAN, YOU WON'T HAVE TO BE PUTTING UP WITH US DUMB HUMANS ANY LONGER... LOOK WHO'S COMING—BETCHA DEM OL' DOC BUFF HIRED THAT HELICOPTER!
LOOK, PILOT, A SPOT ON THE WATER!
IT'S A RAFT, DR. BUFF—I'LL HEAD FOR IT
THIS WAY, DOC!
I MUST REPORT THIS TO HEADQUARTERS
POSITION: LATITUDE 10° S. N., LONGITUDE 150° W. SMALL HELICOPTER COMING FROM N.W. CEILING UNLIMITED. AWAITING INSTRUCTIONS...
GOSH... SO HERMAN HAS SOME ONE WHO... WHO OPERATES HIM
I WILL TAKE STEPS SO OUR EXPERIMENT IS NOT DISCOVERED. REPLACE THE HELICOPTER AND REMAIN CALM.
MESSAGE RECEIVED
WOOSH, HERMAN, YOU MEAN YOUR BOSS WON'T LET US GET SAVED? WELL, HE'S IN FOR A SHOCK!
DR. BUFF IS COMING! WHAT COULD POSSIBLY STOP HIM?
THAT SMALL CLOUD
MY CHIEF IS TESTING OUT HIS REMOTE CONTROL RAINMAKER
HEY, THE RAFT'S BEGINNING TO MOVE! AW GOSH... IF DR. BUFF COULDN'T FIND US—
HE WILL NOT FIND US! MY CHIEF, BY HIS REMOTE MAGNET CONTROL, IS REMOVING THE RAFT FROM THIS AREA UNDER COVER OF RAIN.
HERMAN, PUT UP YOUR FISTS. YOU AND I ARE GOING TO FIGHT!

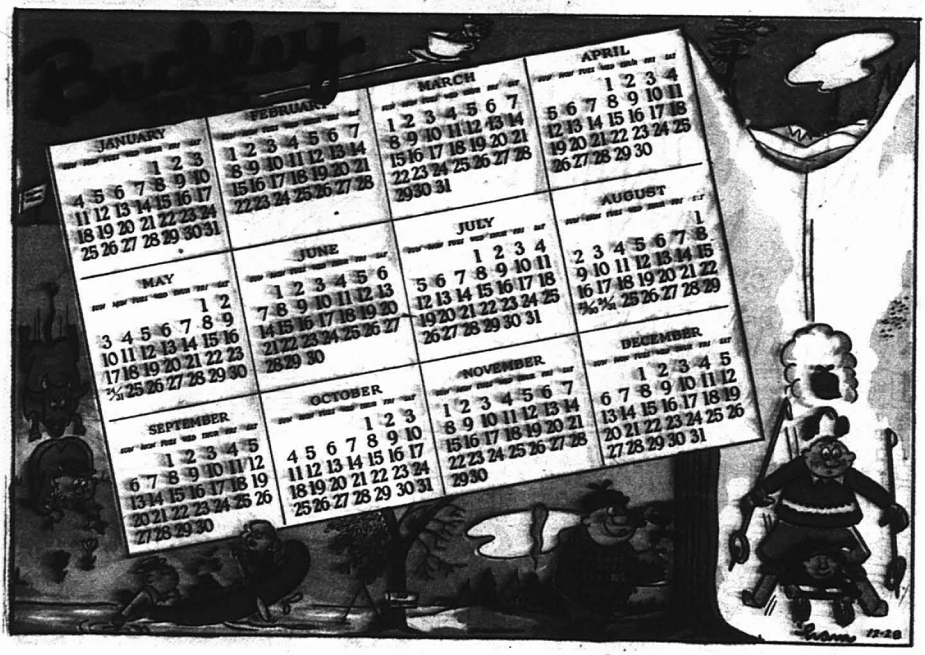

by
REFULLER
I'LL TEACH YA TO CALL MY MUSTACHE "MESSY"!
HAVE AT ME, MEN!
NELLIE, WE BETTER GET OUT OF THE WAY!
EN GARDE, OR HOWEVER YA SAY IT!
THE SAME TO YOU!
BANG
HAW, HAW, HAW!
WOT'RE YA LAFFIN' ERBOUT?
HAW, HAW, HAW YOU LOOK SO FUNNY WITHOUT YOUR---
MY M-MUSTACHE? IT'S G-GONE!
WOE IS ME!
THAT WAS A CLEVER WAY TO GET RID OF HIM, OAKY---AND I KNOW WHY YOU DID IT!
ER--YOU DO, POMONA?!
OF COURSE I KNOW! YOU WANTED US TO HAVE LOVERS' LANE ALL TO OURSELVES!

THINGS to COME
BY FRESHMAN
YOU NEVER KNOW WHERE THEY'LL PUT A RUNWAY THESE DAYS!!
BECAUSE PLANES ARE NOW EQUIPPED TO LAND IN CROSS WINDS, AIRPORTS OF THE FUTURE WILL HAVE PARALLEL RUNWAYS INSTEAD OF INTERSECTING ONES RESULTING IN SAFER AIRPORTS REQUIRING LESS LAND. EVEN TALL BUILDINGS RUNNING PARALLEL TO RUNWAYS WOULD NOT HINDER LANDINGS.
CHARLIE! WHAT HAPPENED TO YOU?
I MISTOOK A NARROW ALLEY FOR A—
BETWEEN-BUILDINGS RUNWAY!!

NEIGHBORLY NEIGHBORS
BY HORRIS
ARE YOU GOING TO MAKE ANY NEW YEAR'S RESOLUTIONS, PETERS?
NEW YEAR'S RESOLUTIONS? THEM DAGGONE THINGS?
YES, THEM DAGGONE THINGS!!
THEY AIN'T WORTH THE BREATH IT TAKES TO NAME 'EM OVER! NOBODY EVER KEEPS 'EM!!
I ONLY MADE ONE THAT I EVER REALLY KEPT.
YOU ONLY KEPT ONE NEW YEAR'S RESOLUTION?... WHAT WAS IT?
THAT I'D NEVER MAKE ANOTHER NEW YEAR'S RESOLUTION!!
