OBLONG VIEWS

(From an Egg-Shaped Head)

By WALDO HUNTER, P.S.B.

The Christmas card industry, which is getting more crassly commercial every year, may as well face it. I am buying no cards this year. Instead of the usual Christmas greeting, we are sending out a letter following substantially the following text, printed in green ink on white paper and surrounded by a red holly border. We shall send them to our dozen friends back home, then sit back and wait for the House of Hallmark to crumble into dust.

'Tis a sorry commentary on the frailty of human nature that most communications between old acquaintances are limited to casual and impersonal Christmas cards or frantic supplications for money when we are in dire financial straits.

* * *

At this time we don't necessarily want any of your money nor do we want to add to your accumulation of Christmas cards. We just want to wish you health, happiness, and a good new year. God knows we don't want anything like the last one.

To give you a quick run-down on our particular status, we are now ensconced in a dwelling at 12832 Strawberry Lane, Garden Grove, California (the Weed Capitol of the Golden West.) The house consists of two bedrooms, bath, huddling room, kitchen and back stoop.

* * *

We managed to finagle a Veteran's Administration loan for this lean-to, after exhaustive examination, cross-examination and inquiry. Fact is, every once in a while (even yet) we see a government man across the street behind a bush peering over our way through a surplus war-assets stroboscope, or something, just to keep us in line.

And somewhere on the fringes, there lurks the representative of a finance company with ice water coursing through his veins.

Our son, Billy, eight years old this December 14, is getting along famously at school, where he is in grade three. We will never forget the time we enrolled him in this grade. "My, what a striking child," said his teacher, just after Billy struck her on the shin with an 18-inch length of gas pipe.

* * *

But we do love Bill, and just for something special we are not requiring him to work at the laundry on Christmas day.

During the past year I have worked at the Anaheim Gazette (a newspaper) where my services are always appreciated and remarked upon fully nearly every morning when I show up for work there is comment. The boss says, "oh, no, not HIM again!"

Although some would lead you to believe that all residents of Southern California drive Cadillacs and reach out the kitchen window every morning to yank oranges off lush trees, don't you believe it. The only Cadillac I've run into in the last month was owned by a Pasadena orthodontist, and it cost me plenty.

As for the oranges, we still pay 29 cents a dozen for the things at markets, and they are about as succulent as old parboiled goulashes. We have two orange trees on our lot, and they produce nothing but confusion.

People out of the state also are prone to play up the earthquake danger here. This is purely and simply anti-California propaganda. (Pry the piano off of grandmother, dear. The quake's over for a few minutes.)

* * *

As for other things around our property, we have a dog, named, prophetically, "Scrappy." He is gentle and considerate. It was only the other night that he wrenched a leg off the kitchen table and sent it sailing into the sink. He is not fastidious in his dietary habits, however, and will eat anything. He is especially fond of children.

Then, there are the cats, numbering three at the last census. One of them, "Dopey," has eight toes in front. We haven't had the courage to count the ones on his hind paws. We also are the possessors of a pet raccoon, who has shown his gratitude for kind treatment by chewing off my index finger.

* * *

We have enjoyed life on this sun-washed Pacific slope where rail meets sail and sea, and if you see a man wearing a necktie, you can be assured he is either going to—or coming from—a funeral.

The only time they require you to wear a suit out here is when you are going to San Quentin's gas chamber.

Our hope is that you will enjoy the Christmas season in your particular locality, that fortune will smile on you and that you and yours will realize the best there is to be had during the year ahead.

Feel free to write us at any time during the next year, and send us anything you like. Canadian bacon is not frowned upon around these parts, and a gift of white side-wall tires for the car would not be considered a personal affront. And, of course, at no time are cash donations discouraged.

P. S. Merry Christmas and a Happy New Year!

New Shopping Center Proposal Approved by Planning Commission

A change in zoning that would allow installation of a commercial shopping center on 10 lots at the northeast corner of N. Placentia ave. and Anaheim-Olive rd. was approved Tuesday by the Anaheim Planning Commission.

The commission's action means the proposed will go to the city council with the planners' recommendation that it be approved.

In expressing their approval of the reclassification request of the Bill Co. Inc., of 160 N. Placentia Ave., Anaheim, the planners went on record as favoring the proposed suburban commercial center which will include a super food market, drug store, barber shop and other neighborhood shops.

The Bill Co., subdividers of 83 lots in the parcel between E. Center St., and Anaheim-Olive rd. east of Placentia Ave., originally planned to use a portion of the tract for commercial purposes. The company then revised its plans and changed the tracts to all single family dwellings.

Marks Return

Tuesday's reclassification marks a return by the company to its original plans of incorporating a neighborhood commercial center in the westerly 10 lots.

The property is currently zoned R-1 and company officials are seeking the change to C-1, neighborhood commercial. The Bill Co., proposes to build commercial buildings. There are approximately 793 homes in the vicinity, it was pointed out.

At Tuesday's session a letter addressed to the commission and signed by eight residents in the area expressed favor with the proposed center. After the letter was read, Commissioner A. J. Schutte said he had received many phone calls from home owners in the vicinity expressing their approval of the project.

Action was initiated during the session whereby the planners recommended to the City Council that the western frontage of along S. Los Angeles st. between Hall rd. and Vermont Ave. be re-zoned as follows:

1. A 20-foot setback for the future widening of Los Angeles street.

2. The next 60 feet to be set up as a parking-landscaping zone.

3. At the rear of the P-L zone there is a proposed C-1 zone x 120 feet in depth.

The area from Los Angeles st., to Lemon st., is 580 feet wide and presently zoned residential-agricultural.

Commissioners expressed some doubts whether this is the proper time for the re-classification procedures or whether the area should be left as presently zoned until more specific uses are outlined for the area.

Two property owners in the area, H. E. Slayton, 9852 S. Los Angeles st. and Bernard Flynn, 8891 S. Los Angeles st., expressed their approval of the proposed reclassification in writing.

The board passed the measure.

St. Jude Fund Drive Kicks off

Eighty captains, volunteer workers and well-wishers met Tuesday for a luncheon as guests of the Fullerton Assistance League to formally open the Fullerton community campaign for the St. Jude Hospital fund.

Highlights of the kick-off luncheon, held in the Assistance League Hall, 226 W. Amerige ave., was presentation of a $1,600 check by the league to the hospital fund.

Presenting the check was Mrs. Marjorie De Land, league president. It was accepted by C. Stanley Chapman, chairman of the Fullerton community drive. The money represented proceeds from the sale of tickets to the league's lecture series, featuring Mrs. Georgiana Hardy, well-known television personality and book reviewer.

At the meeting, Walter Pray, public relations committee chairman, told the "St. Jude Story," pointing out the need for more hospital beds. He said inadequate hospital facilities is one of the most critical problems facing residents of northern Orange county.

One of the campaign directors outlined the procedure of the community campaign and expressed confidence that the $750,000 goal will be met.

Similar community drives are to be conducted here in Anaheim and in Buena Park, La Habra, Brea, Placentia, Yorba Linda and Puente.

As an aid to the drive, a speakers bureau has been organized and will hold its first meeting tonight in Fullerton High School PTA conference room. Speakers will follow a regular schedule addressing various clubs and organizations in the area on the subject of the St. Jude Hospital.

Naval Reserve Men Promoted

Thirty-three members of Naval Reserve Surface Division 11-3 and 11-5 were promoted this week at the Naval Reserve Training Center, Los Alamitos (Long Beach), by successfully passing written examinations in the Eleventh Naval District. These men receive regular training in the Naval Reserve by attending weekly drills and completing two week training cruise annually. In addition these men have shown by actual demonstration that they can perform certain professional skills of their ratings.

From Anaheim

Several hundred young men are attached to these two fine divisions which stand first and second respectively in the Eleventh Naval District. There are thirty-seven Surface Divisions in the Southwest section of California.

The following men have all been promoted to the rank of Seaman Apprentice: Floyd D. Baker, 817 W. Broadway; E. V. Keeley, 543 S. Ohio; Harold A. Heinrich 403 S. Philadelphia; R. G. Knox, 9611 S. Loara; James P. Roberts, 410 W. Vermont and R. L. Hanson, 850 N. Helena.

BIRTH

Mr. and Mrs. Carl Lindgren, 10141 Nutwood st., announce with pride the birth of a daughter. The infant was born in St. Joseph hospital and her birth weight was recorded at 7 lbs. 9½ oz.

Personnel Meet

"Induction of New Employees" was the open discussion topic selected by Stan Bates, general chairman for the Orange County Personnel and Industrial Relations group, to hash over at their December 9th meeting, held in the Garden Room at Knott's Berry Farm. Noon luncheon was served.

Major points covered at the meeting were: employees first impressions, means of indoctrinating the new employees, how to make the new employee feel at home.

Professional personnel people in Orange county attended.

Mrs. Fred Battle recently suffered a broken ankle in a fall and is now recuperating in Orange County hospital.

200 Attend Red Cross Open House

An estimated 200 local people responded to the invitation to visit the new chapter headquarters of the Anaheim Red Cross during open house held from 3 to 8 p.m. Sunday.

Co-chairmen Mrs. E. H. Korsten and Mrs. John Wilson termed the affair a decided success and were gratified by the interest shown by guests as they toured the building and observed the nature of the work currently being conducted.

Greeting guests at the door were members of the Red Cross board of directors, executive secretary Mrs. Kathryn Wheeler whose retirement is effective Jan. 1, and the new secretary, Mrs. Rudy Bowsen. Mrs. M. A. Gauer was in charge of canteen, and Mrs. Lotus Loudon, publicity.

The tea table was decorated with an unusual centerpiece that depicted the various phases of local Red Cross activity. The decoration was fashioned by Mrs. Joe Thompson.

Throughout the afternoon and evening hours, many members who have been active in Red Cross work through the years presided at the tea table. Among these was Mrs. R. L. Taylor chairman of the Long Beach Council, the council under which Anaheim chapter functions together with 11 other units in this area.

The new chapter house loocated at 418 N West st., was deeded to the Anahem chapter for permanent headquarters by Mr. and Mrs. John J. Dwyer. Funds from an estate were used to remodel the historic landmark and to furnish it for Red Cross activities.

No, Georgi, Home Freezers Ain't Siberian Winters

The pudgy man in the military uniform brushed a spot of borscht off the newspaper page.

"Andrei, this morning's paper says there's a depression brewing in the United States of America. People aren't buying as many home freezers as they did last year."

His companion, a grey-haired man in a morning coat, answered respectfully.

"You're right, Georgi. There is a depression brewing, just as you and our late comrade have predicted for many years. Home freezers are a pretty accurate indicator of business in that capitalistic country."

Georgi leaned back thoughtfully, his uniform tightening as new strains were set up.

"The working classes won't let their masters get away with it. Take away their home freezers, and . . . " He stopped, puzzlement wrinkling his face.

"By the way, Andrei . . . what is a home freezer?"

Optimists Plan Christmas Party

Local Optimists will hold a family Christmas party this Thursday at 7 p.m., with Santa Claus and all the trimmings. The program will be put on by Billy Watkins and his trained dogs, always a hit with young and old. A turkey dinner will be served by the Girl Scouts.

A program featuring the Fremont school harmonettes, under the direction of Mr. Martin was held at the last meeting with Harold Botts, chairman. Phil Schumacher was Bob Martin's guest. Boys' Work Chairman Mary Mason reported the local club's basketball team one of the best in the league.

Auction Success

The third annual auction held Dec. 4-5 was a great success considering several conflicting events in town taking the time of many people. Thanks goes to Chairman Bob Schooler, Secretary Bob Martin, Joe Sowder for a good job done. Steve Stephens made a lively auctioneer.

Yule Party to Feature Home Holiday Ideas

Holiday ideas for the home will be featured at the Christmas party given jointly by members of the Northern Orange County Home Departments in the basement of White Memorial Methodist church Dec. 15. Members of the Anaheim Home Department have been designated general chairmen of the event.

Exhibits will be viewed from 9:30 until 10 a.m. From 10 a.m. to noon, a party food demonstration will be given by Miss Ruth Klumb, home economist.

After luncheon, the afternoon will be devoted to a Christmas program with music by Meredyth J. Barker, home advisor, accompanied by Mrs. Karl Lovaas; a Christmas story my Ada Brisco, and a cookie exchange by "Santa Claus."

Members of the Anaheim, Garden Grove, Euclid, Yorba Linda-Orangethorpe and La Habra groups are asked to bring one to two dozen cookies in a transparent bag with the recipe and cook's name, and their own table service plus an extra plate for dessert. Guests are welcome.

Officers Named By Lois Rebekahs

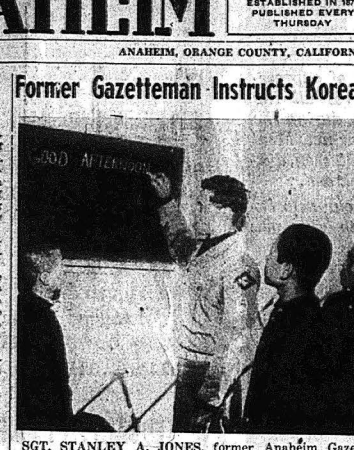

Mrs. May Johnson of Fullerton, an active Lois Rebekah lodge member for the past five years, was elected Nobe Grand of the lodge Friday evening in Anaheim Odd Fellows Hall. She succeeds Mrs. Pat Senter.

Chosen to serve with Mrs. Johnson were Mrs. Opal Carter, vice-grand; Miss Barbara Meyers, recording secretary; Mrs. Margaret Meyers, financial secretary, and Miss Hannah Horwitz, treasurer. The officers will be installed in a pubic ceremony Jan. 15.

Plans were completed for the Christmas party and program to be held Dec. 18. Two new members, Miss Loma Soidle and Mrs. Mary Soidle, were initiated during the meeting.

Mrs. Carrie Minnis and committee presided at the social hour which folowed.

Former Gazetteman Instructs Koreans

County Board Firm on Policy Regarding Sewers For New Subdivisions

In line with their previous policy, the County Board of Supervisors ruled again Tuesday that sewers must be provided for new subdivisions.

Supervisors upheld the County Planning Commission ruling that sewer lines and connections must be provided for a subdivision southwest of Stanton. They denied the appeal from the requirements which had been made by Cottage Grove Properties, Inc., of Long Beach.

Atty. Robert H. Jacobs argued that the sewer requirement for the 114-home, 26-acre tract was "unreasonable and impractical" and that the cost would be prohibitive. He said the Long Beach firm plans low-cost houses and that expense of providing a pumping station and lines to either the Garden Grove Sanitary District or Midway City Sanitary District would be approximately $40,000.

The developers said they are proposing to develop approximately 180 acres in the area west of Stanton Blvd. and south of Chapman ave. Supervisors have set a hearing for next Tuesday on two other protests by the same subdividers.

A part of the over-all development would include a shopping center, a church and other like facilities, supervisors were told.

Board members, however, said the people in the Westminster area south of the proposed new tract had difficulty with septic tanks and cesspools which the developers had proposed for the new area.

When Engineer Edward Finster said there was a sandy condition in the area of the tract in question, Chairman Willis H. Warner said there were "pockets of sand" also in the Westminster area, but when there was extensive use of septic tanks, they soon became saturated and the people had trouble with disposal systems.

When the subdivider claimed it would be necessary to pump sewage to disposal lines, Rancher Walter Schmid of the area quoted a letter from Finster indicating it was possible to lay a gravity sewer line to the Midway City-Westminster area.

Supervisors said in view of the extensive development planned by Cottage Grove Properties in the area, they could not agree to any sewage disposal other than through trunk lines.

Graduation Treat

The quarterly graduation class of Criss Business College attended a showing recently of "Cinerama" in Los Angeles. Afterwards, the group had dinner at Melody Lane restaurant.

The graduating class members who made the trip were Beverly Baker, Delia Duarte, Sally Flores and Ramona Peters. The girls were accompanied by Albert Peter and Mr. and Mrs. Chas. Criss.

Citizens Asked to Help Fight Road Littering

County officials today are asking help in coping with the problem posed by motorists who dispose of their trash along roadsides.

Willis Warner, chairman of the county's board of supervisors, said beer cans and bottles were making an unsightly condition over the county and that there were measures set up to prosecute persons found guilty of littering up the roadways. But catching the offending parties is something else, he told directors of the Associated Chambers of Commerce this week.

He blamed Los Angeles county residents for most of the litter in the western portion of the county.

He asked that county residents take the license number of any car from which they see trash being thrown, telephone him in the court house, and he would see that some action would be taken.

"These beer companies are advertising throw-away cans and bottles," Warner said, "and people are taking them literally."

Local Group Host 'Y' Secretaries

The Anaheim YMCA was host Thursday to 125 Southern California YMCA secretaries, according to John E. Bertch local 'Y' secretary.

Dr. Hedley Dimock former dean of George Williams college, Chicago, who is making a special study for the San Francisco YMCA brought a visual presentation on "A Design for Leadership Training in the YMCA."

A 9 o'clock fellowship period was followed by a devotional talk by Rev. Frank Butterworth, White Temple Methodist church pastor. Eric Chapman, executive secretary of the Holywood 'Y' presided as President of the YMCA Secretaries of Southern California.

Dinner Planned By Thimble Club

A progressive dinner for Lois Thimble club members and their friends will begin at 5:30 p.m. December 15 in the home of Mrs. Berthyle Reisiner, 947 N. Helena.

After the soup course, the group will continue to the Ben Brook home, 509 Chartres, for salad. Mrs. Mabel Ives of 407 E. North st., will serve the main course in her home. The dessert and Christmas party will follow in the home of Pauline Miller, 1243 E. Adele

Dump Truck Owners Seek Use of City's Main Street

Anaheim City Administrator Keith Murdoch has been authorized by the city council to work out a plan whereby dump trucks will be able to travel the city's streets without regard to present plans that call for the re-routing of all trucks from Center st. to Orangethorpe ave.

The council made the move after the California Dump Truck Owners Association asked for an agreement whereby their trucks would be allowed to travel the streets.

E. O. Blackman, representing the association, asked for a form of permanent agreement with the council whereby special permits could be issued allowing dump trucks the use of Anaheim main streets while traveling between points immediately east and west of the city.

Boost in Costs

Blackman told the council that to route the dump trucks around Anaheim would add 15 minutes of travel time. He said it would boost the cost of hauling rocks, gravel and asphalt 10 to 15 cents per ton.

Since many of the truck drivers live in and around Anaheim, any cut in business would therefore affect residents, Blackman asserted.

Consumers west of Anaheim could purchase the materials cheaper from the Long Beach area in event the trucks were not permitted to travel through Anaheim, the representative said.

Mayor Charles Pearson indicated there should be no hard and fast rule laid down by the city on dump truck routes. He said a more flexible rule would be more beneficial to all concerned.

Ceremony Honors Troop Members

The newly-organized 6th grade Girl Scout Troop at Lincoln school held an impressive investiture ceremony in the school cafetorium recently and followed it with a party.

Mrs. Elmer Peters, troop leader, presented the following girls with their pins: Kathy Bates, Karen Gretel, Nancy Callahan Carolyn Anderson, Patty Jones, Judy Williams, Dianna Hemingsen and Joyce Mosgrove. Mrs. Ralph Gates, assistant leader, was also presented with the Girl Scout pin.

The hostess committee had arranged a decorated table and place cards marked each Scout's place. Refreshments were served by Kathy Donovan, Katherine Gates, Priella Cranston, Stephanie Stillman, Judy Fores, Phyllis Ritter and Ronnie Bartch, all members of the hostess committee.

St. Jude to Honor Patronesses Mon.

The St. Jude Hospital Guild's December meeting will be a tea honoring patroness members at 2 o'clock, Monday, Dec. 14, in the La Habra Woman's Clubhouse.

It will be a silver tea to provide a party for the children's ward of the St. Joseph hospital in Orange, where Guild members are beginning active work with the Sisters who will operate the new St. Jude hospital.

CYPRESS FARM CENTER

The Tuesday, Dec. 15 meeting of the Cypress Farm Center will be held at 11th and Grand, Buena Park, at 6:30 p.m. A Christmas dinner and festivities will be in order. Dr. Charles Lee Feinberg, will deliver the Christmas message. There will be door prizes, and gifts for the children.

Anaheim School Board Again Seeks Answer to Sidewalk Problem

Anaheim's "sidewalk problem" reared its head again Tuesday night when the board of education reaffirmed by resolution its stand on the matter.

The resolution was passed after a report was made by Supt. Paul W. Cook.

The resolution will be a part of a message to be sent to the Anaheim City Council which has received such communications before but took no action, board members asserted.

Cook pointed out that the city's refusal to install sidewalks in hazardous areas costs the Anaheim taxpayers more than any savings effected by not putting in the walks.

Taking Lincoln School as an example, he pointed out that a survey showed 137 pupils could walk to school at Lincoln if there were sidewalks. Now they must be transported by bus, costing the taxpayers $2,518 annually, over and above the five dollars per pupil received from the state.

Cook said that pupils in other school areas, notably Horace Mann, must walk in the street because the council has neglected to enforce the rule that sidewalks must be installed by all builders.

He was directed by the school board to make one more plea to the council.

Site for New School Obtained

A site for a new school and a lease for new administrative headquarters were acquired Tuesday night by Anaheim city schools.

The site is on North st. at the end of Loara, and the administrative offices will be the old justice court quarters in the Masonic Temple.

Deed for the 8.8-acre site on W. North st. and the north dead end of Loara rd. was ordered recorded. Sellers were Mr. and Mrs. Fred Bentjen who sold the school's 4.4 acres and Mr. and Mrs. Leonard Halderman who sold an equal amount of land. Purchase price to each was $18,700.

Since Anahem Union High School is soon to build more classrooms on the Fremont grounds before taking over as a junior high school, the bungalow housing offices of the superintendent must be moved. The board agreed to pay $75 per month to Anaheim Masonic Temple association for the lease, stipulating it will be renewable. Workmen will refurnish the rooms immediately, but the lease begins January 1.

An appraisal report was received from Tevis T. Westgate, who estimated that the Lewis Freeman property on Vermont ave., near Olive st., is worth $3,500 per acre. The board wants the 7¼-acre plot for an addition to Thomas Jefferson School grounds.

Ohio Artist Joins Advertising Firm

W. B. "Bill" Stoops, Cleveland artist and industrial advertising counsellor, has joined the Orange County advertising agency of Perryman and Spielman as a third partner in the organization, it was announced today.

The firm will be known as Perryman, Spielman and Stoops Advertising Agency. Stoops studied in the Ohio area and worked with several large industrial firms in their catalogue and advertising departments before he established his own art service in Cleveland in 1949. He came to Orange county last year with his wife and two children and resides in Santa Ana.

The ten-year-old Santa Ana firm is the county's only nationally recognized advertising agency.

Mariners Meeting

The admiralty board, newly elected to lead the Mariner's club of the First Presbyterian church for the coming year, was installed at last week's fleet meeting by the Rev. Roland Anderson.

Those installed were admirals, commodores, Catherine and Russell Hess; vice-admirals, Forest and Midge Simonton; commodores, Erwin and Elsie Stahl; look-outs, Carl and Catherine Miller.

As the surprise program a "This Is Your Life" reading was arranged for the out-going admirals, Kenneth and Edith Heuler, by members of the Shore and Shrimp boats.

A pot luck dinner was enjoyed in the church dining room, with members of the Shore boat providing the main course of ham.

This general meeting consolidated plans for "pal week," the highlight of the Mariner year when secret pals shower each other with daily gifts and yet escape detection. The hilarious escapades were described at individual parties held by each of the five Mariner ships yesterday when secret pals were unveiled.

Navy Man Home

SAN DIEGO, Calif. (PHTNC)—With a third tour of Korean duty behind her, the destroyer USS Brown returned here Nov. 18th.

Returning aboard the Brown after four months of Korean duty was Robert B. Dick, machinist's mate third class, USN, son of Mr. and Mrs. Dave Dick of 1275 E. Sycamore st., and husband of Mrs. Lory J. Dick of 913 S. Palm st., all of Anaheim, Calif.

During her cruises in Korea, the Brown operated with fast carrier Task Force 77, Task Force 95 and the Formosa Patrol.

While engaged in shore bombardment during her second tour of duty, the Brown came upon a smal boat filled to near-sinking with 37 Korean refugees. The men, women and children inside were taken aboard, treated and later transferred to a command post behind the front lines.

Christmas Program

A Christmas program scheduled for the regular meeting of Lincoln PTA will be given Dec. 17, in the cafetorium of school with the Kindergarten rooms hostesses. The students will give the program.

Guest speaker will be Rev. Murray Morford who will choose as his topic "Increase Our Faith."

Capilla Scene Of Wedding Rites for Couple

Miss Anna-Mae Byerley was united in marriage with Marvin W. Gould in Mormon ceremonies at Capilla de San Antonio wedding chanel, Bishop G. Merkley officiating.

For the simple marriage rites, Miss Byerley was a radiant bride in a street length gown of royal blue corded taffeta. As a pretty accent, she wore a wrist corsage of pink tea roses.

The bride's only attendant in the flower-decked chapel was matron of honor, Mrs. J. M. Porter. Mrs. Porter wore a tailored dress of navy blue with pale pink accessories and a corsage of pink tea roses. Her husband, J. M. Porter, attended the bridegroom as best man.

By the light of many tall tapers, Mrs. Clara Faust played the wedding music which included the bridal couple's favorite, "Because."

The bride makes her home at 10611 La Palma Ave., where the couple will live following a honeymoon trip to Las Vegas and Death Valley. Her parents are not living, but she was represented at the nuptial ceremonies by her grandmother, Mrs. G. E. Eib.

The bridegroom is the son of Mr. and Mrs. A. Cox of Salt Lake City, Utah, and has made his home locally at 10771 La Palma ave.

Approximately 125 friends of the bridal couple attended an informal wedding reception held at the Northrup Recreation Clubhouse. The new Mr. and Mrs. Gould, as employees of Northrup-Anaheim, have been active in the Northrup square dance club, the Northrup Ballroom club, and the Whittier Folk Dance club.

Marywood School To Offer Yule Party Dec. 13

The traditional Christmas drama program produced by the Marywood School for girls will be given Dec. 13 at 8:15 p.m. in the Anaheim Ebell clubhouse. An invitation has been extended the public to attend.

A new play, written and directed by Marywood's drama coach, Gwen Holly Simpson, will be the main feature of the evening. Entitled, "A Time for Love," its cast includes Marywood junior girls, with the masculine roles played by Mrs. Simpson's students and former pupils from Anaheim and Pasadena.

The Marywood Glee Club will give a musical interlude between the acts, and the play will be followed by four beautiful tableaux.

Investiture Rites Held for Brownies

Brownie Troop 48 of George Washington school recently held combined investiture services and birthday party. In solemn ceremony, presentation of pendants to the 10 girls were made by their leader, Mrs. Cliff Rettig, assisted by Dorothy Bovee.

Mrs. Roberta McFarland, executive director, was the guest speaker of the afternoon and congratulated the following Brownies: Linda Sue Herring, Suzie Blackburn, Mary Ann Torres, Betty LaRose, Carole Stewart Mary Ellen Howald, Nancy Miller, Joan Hackney, Paige Bruington.

Demonstration On Phone Usage

A demonstration and explanation of correct telephone usage was given students of the Criss Business College on Friday, by John Richards, lecturer of the Pacific Telephone and Telegraph Company, Los Angeles branch.

In the one and one-half hour courtesy demonstration designed to assist telephone users in improving telephone habits, Richards presented two moving pictures. Their titles were, "Telephone Courtesy" and "I'm Listening." They are widely used by schools, business firms and organizations, Richards said, and deal with correct operation of telephone equipment and good voice technique.

BIRTH

Born to Mr. and Mrs. Donald Baggott, 1278 California Place, a baby girl in St. Joseph hospital, December 3. The infant's birth weight was 6 lbs., 12 oz.

Mrs. Frank Kellogg recently fell and broke her hip and is now recuperating in the Santa Ana Community hospital.

Mr. and Mrs. Harry Spotts of 530 S. West st., entertained at dinner this past week, honoring Mrs. Spotts' mother, Mrs. A. C. Morgan, who celebrated her 89th birthday. Dinner guests included Mr. and Mrs. B. Koester of Westwood, Mr. and Mrs. E. Jorgenson of Eagle Rock and Mr. and Mrs. L. R. Daughenbaugh of Downey.

Mr. and Mrs. Adrian Smith of North Adams, Mich., are visiting their son and daughter-in-law, Mr. and Mrs. James Clifford Smith, 202 E. Alberta st.

Engaged

Mr. and Mrs. Harvey Koss of 7852 Orange Rd., announced the engagement of their daughter, Jeanette, Anaheim High graduate, to Donald McMillin, son of Mr. and Mrs. Glenn McMillin of 8761 La Palma ave.

As an undergraduate, she held the office of Tri-Hi-Y Council president and was a Gold Seal Bearer. She is now attending Fullerton Junior College as a sophomore student, is affiliated with the Theta Nu Theta sorority and is secretary of Associated Women Students.

Her fiance also graduated from Anaheim High school in '52, and at the present time is attending Fullerton Junior college. The wedding is being planned for late spring.

DINNER GIVEN

A potluck dinner for all new FHA members of Anaheim Union High School was given recently in the cafeteria. The FHA girls combined business with pleasure as new members provided the entertainment and a short business meeting was held.

Cornelia Dykstra was elected song leader and Yoshiko Kinoshita was selected recreation chairman.

Ann Forest gave a talk describing the trip a delegation from the club took to the FHA state convention held in Asilomar.

Holy Land Pictures At Wesley Meth.

An armchair trip through the Holy Land, including, Nazareth, Sea of Galilee, the Jordan where Jesus was baptized, Bethlehem and the actual inn where He was born, Jericho Road, Dead Sea, the Jordan, Damascus and the Street called Straight, will be part of the program at Anaheim Methodist Wesley Church this Friday eve, Dec. 11.

The pictures to be shown by Paul Travis are proclaimed the finest ever done on the Holy Land in almost inaccessible places on account of racial feuds, and will close in a breath-taking visit to the Tomb and Calvary — actually where Jesus was crucified and the garden where he was buried.

One of the program features will be the singing of a brand new song, "Jesus, Guide Me," written and composed by our own Mrs. Grace Shattuck Ball. Mrs. Anabelle Schurman has been asked to introduce this new song to the public.

MOD Press Mgr.

Phillip H. "Casey" Cassidy has been appointed manager, Press department, Mutual Orange Distributors and also editor and advertising manager of "Citrus Leaves," the citrus industry magazine published by MOD, according to a recent announcement by Robbins Russell, general manager. Cassidy succeeds Willis Parker, who has retired.

It will appear in Dinner Key Exposition Hall, Miami, Fla., February 6-14; Pan-Pacific Auditorium, Los Angeles, Calif., March 6-14.

Christian Science Lesson in God's Preserving Power

The promises of help and protection found in the Scriptures are ever in process of fulfillment. So says the Lesson-Sermon on "God the Preserver of Man" in all Christian Science churches Sunday.

The Golden Text is from Psalms (40:11). "Withhold not thou thy tender mercies from me, O Lord: let thy lovingkindness and thy truth continually preserve me."

The restoration of Eutychus to life by Paul is in the Lesson (Acts 20:9,10,12). It is related that he "fell down from the third loft, and was taken up read. Anr Paul went down, and fell on him tnd embracing him said, Trouble not yourselves; for his life is in him. And they brought the young man alive, and were not a little comforted."

Mary Baker Eddy admonishes in "Science and Health with Key to the Scriptures:" "When an accident happens, you think or proclaim, 'I am hurt!' Your thought is more powerful than your words, more powerful than the accident itself, to make the injury real. Now reverse the process. Declare that you are not hurt and understand the reason why, and you will find the ensuing good effects to be in exact proportion to your disbelief in physics, and your fidelity to divine metaphysics, confidence in God as All, which the Scriptures declare Him to be" (p. 397).

Time Changed

The Christmas program for Broadway PTA scheduled for December 15 in Thomas Jefferson auditorium will be held in Broadway school, 1:30 p.m. the same day.

New Chevrolet December 18

Chevrolet introduces its 1954 model passenger cars Friday, December 18.

More than 7000 retail dealers nationally will display a variety of body styles in events that range from annual open houses to elaborate entertainment programs.

The showings come near the close of one of the company's most successful years. A statement by W. E. Fish, general sales manager, reported 1953 retail sales will be topped only by the record-breaking volume of 1950, once again out-selling all other automotive makes.

Fish described the new models as "greatly improved" and "fit successors to the cars that have led the industry in sales for 18 of the last 19 years."

"This is a record of popularity," he pointed out "that can be matched by few products of any kind in the last quarter century's highly competitive American markets."

The dealer exhibits will be held simultaneously across the country and follow the 1953 model pattern when two days rather than one were designated for "announcement showings."

Introductions will benefit from a broadscale advertising program which the company plans to continue throughout next year.

Christmas Mail

For the convenience of our patrons, the post office windows will be open for the mailing of parcels and the sale of stamps until 5 p. m. on Saturdays Dec. 12 and 19. The money order and registry windows will close at noon as usual on both days.

LOUIS H. HOSKINS, Postmaster.

Phone Rate Raise Amendment Filed

Pacific Telephone today filed an amendment to its application for statewide rate increases now before the California Public Utilities Commission.

"The amendment is made necessary by further cost increases since our original application was filed on Dec. 10, 1952. These costs are principally in wage increases under contracts negotiated during the current year," said H. I. Perry, telephone manager here.

"Our costs have been going up steadily, but rates have not changed since 1951. With this amendment, the total rate increase sought will average statewide about four cents a day per telephone."

Flower Mission Re-elects Leader

Mrs. Kurt Epstein was re-elected president of the Presbyterian Flower Mission in a meeting held in the home of Mrs Cassie Wetherell, 417 N. Pine.

Elected to serve with Mrs. Epstein were Mrs. Jeanne Larson, first vice-president; Mrs. Esther Norgarde, second vice-president; Mrs. Kathryn Wheeler, secretary; Mrs. Iva Young, treasurer.

A trio from the Orange Presbyterian Church gave a musical interlude which was followed by a Christmas reading by Mrs. Joe Thompson. Plans were made to call on members of the church who are shut-ins during the holiday season. Devotions were given by Mrs. Holly Markel.

The co-hostesses, Mrs. J. H. McLauchlin and Mrs. C. Hick greeted the 30 members who attended the meeting.

Edison Sponsors Electric Contest

Applications are now being taken for the 4-H Club Farm and Home Electric Project for 1954, according to Frank Spurrier, 4-H Club Agricultural Extension Service specialist at the University of California.

Boys or girls from 10 to 20 years old may enroll in the Electric Project and compete for special awards by making application with local 4-H Farm Advisors or at any local Edison Company office Mr. Spurrier said.

Now in its fifth year, the 4-H Club Farm and Home Electric project aims at developing an active interest and skill among 4-H Club members in electrical methods and equipment which will improve farming and home-making methods and raise the standards of living in their communities.

First year work in the electric project includes instruction in safety, wiring, lighting, heating and power. Project books, talks, movies and demonstrations are supplied by the 4-H club to teach how electricity can be used to make possible a more profitable and enjoyable farm life.

Bothered by bathroom barricades?
HELP YOUR WIFE! HELP YOURSELF!

THIS CHRISTMAS GIVE HER AN AUTOMATIC GAS CLOTHES DRYER

Only gas dries clothes so fast —costs so little to run

Why not make every washday a sunny day for your wife? Give her an automatic gas clothes dryer for Christmas.

Delicate fabrics dry perfectly in minutes in an automatic gas clothes dryer—free your bathroom from nightly barricades of of lingerie. Even ordinary clothes placed in an automatic gas clothes dryer are ready for storage or ironing in minutes.

An automatic gas clothes dryer provides ideal drying weather any time, day or night, rain or shine. It eliminates backyard lines and heavy baskets. It reduces clothes drying to tossing rinsed laundry in your dryer, setting the control, then removing the sweet-smelling dried clothes.

Visit a dealer or your Gas Company and see the dryer displays.

Insist on an automatic GAS clothes dryer because gas outsells other types here for 3 very important reasons:

1 Gas dries clothes faster than any other fuel—faster even than sunshine.
2 Gas costs so little—dries clothes for less than 2¢ per dryer-full.
3 Automatic gas clothes dryers cost less installed—cost less in the long run, too.

Automatic gas clothes dryer illustrated is the new WEDGEWOOD

Couple Married on Bride's Parents 25th Anniversary

Miss Dorothy L. Spencer and William Edward Billow exchanged marriage vows Nov. 28. Their nuptials were solemnized at 10 o'clock in St. Mary's Catholic church in Fullerton by the Rev. J. Augustine German.

Daughter of Mr. and Mrs. William A. Spencer of Fullerton, the bride was given in marriage by her father and was lovely in a chapel length gown of white shantung taffeta. The occasion was especially meaningful to the Spencer family since it marked the silver anniversary of the bride's parents.

Miss Spencer was attended by Miss Jeanne Theile, who, as maid of honor was gowned in gold color taffeta. Bridesmaids Mrs. Dianne McGoldy and Miss Joan Silver wore identical gowns of bottle green. These attendants and soloist, Miss Terry Martin, were classmates of the bride at the Queen of Angeles College of Nursing.

The bride carried a white prayer book and an arrangement of white butterfly orchids while her attendants carried yellow spider chrysanthemums tied with green and gold ribbons.

The bridegroom is the son of the late Frank Billow and Mrs. Billow of 844 S. Lemon st. Joseph Szuba attended him as best man. Ushers were Thomas Spencer of Fullerton, Kenneth Kapaner of Anaheim and John Mitchell, Jr., of Long Beach.

Mrs. Lester Semans was at the organ for the wedding music and accompanied Miss Martin who sang "Ava Maria," "The Lord's Prayer," and "Panis Angelicus."

Double Reception

Following the ceremony, a double reception was held at Capilla de San Antonio to honor the newly-weds and to celebrate the 25th anniversary of Mr. and Mrs. Spencer's wedding day. Accordingly, there were two "bride's" tables, each centered with a cake.

Both cakes were cut with sentimental ceremony. Mrs. Spencer was lovely in a brown velvet gown with pink accessories. Her brown cymbidium orchid corsage was tied with silver ribbon.

For her son's wedding, Mrs. Billow chose a turquoise gown with pink accessories and wore a harmonizing corsage of orchids.

The new Mr. and Mrs. Billow departed on a honeymoon trip to Apple Valley and will return on Dec. 10 to make their home in Santa Ana. The bride is a registered nurse at the Orange County hospital and her husband is a dental technician at the Garden Grove dental laboratory.

Oxnam Comes To California

At the call of Bishop Gerald Kennedy, local Methodists will send Rev. Frank Butterworth and E. S. Williamson of White Temple and Rev. Wm. McKinley Walker and Mrs. Ludwig Schurman of Wesley, as official delegates to a special session of the annual Southern California-Arizona Conference to be held in Los Angeles, Dec. 18. This is the first time in the history of that group that there has been occasion for a mid-year session.

One object of the gathering is to have a legal majority take action on a grant of $437,000 from the Hill-Burton Hospital Construction Act funds for a proposed hospital at Arcadia. Several other property matters involving amendments to Articles of Incorporation also are slated for consideration and action.

A high-light of the occasion will be the appearance of Bishop Dromley Oxnam. Conference officials and resident bishop Kennedy have invited Bishop Oxnam, who serves the Washington Episcopal Area, to deliver two "Bill-of-Rights-Week" addresses. He will first speak at noon, Dec. 18, at Pacific Coast Club in Long Beach on the topic "The Struggle for the Minds of Men." The same evening he will appear before a mass meeting at Los Angeles First Methodist church under the auspices of the Conference that meets during the day at the same place, and will speak on "Contemporary Threats to Civil Liberties."

Bishop Oxnam was denied the use of an auditorium in Los Angeles some weeks ago in the management claiming that he was a "too controversial" personality. In the denominational weekly that comes to local Methodist families, the bishop explained he had never planned to be in California at the time they proclaimed he be ban.

Bishop Oxnam has had an almost unanimous support from the newspapers of the U. S., during his dealings with the Un-American Committee. He was cleared of suspicion by the Velde Committee and is recognized by informed persons as an active foe to Communism. He has pointed out in his writings the vicious elements in the Soviet program.

Advance in Rank

CENTER, Kansas City, Mo.—43d Infantry Div, in Germany.—Donald D. Keller, son of Mr. and Mrs. L. H. Keller, 874 S. Claudina st., Anaheim, Calif., was recently promoted to Corporal while serving with the 43d Infantry Division in Germany.

The "Winged Victory" division is training as part of the NATO Army for the defense of western Europe.

Corporal Keller, who arrived in Europe in September 1952, is a jeep driver in Company K of the division's 169th Regiment. He has been in the Army 20 months.

Footlighters to Present Play in Hollywood Church

The M.Y.F. Footlighters troupe of White Temple Methodist church last week presented its latest three-act comedy, "The Front Porch," in the First Methodist church of Hollywood.

A recent premiere performance at a meeting of the Palomar Methodist Union in South Oceanside received widespread favorable comment. The Footlighters will journey to the mountain community of Idyllwild soon to present the play in the Idyllwild Community church, and in January will give a performance in a suburb of San Diego. The local performance is scheduled for Dec. 27, at White Temple.

Directed by their pastor, the Rev. Frank E. Butterworth, the Footlighters have won national recognition for their high calibre of drama produced on road shows through four western states. "Theatre Arts" Magazine regularly lists their productions, an honor not generally enjoyed by a group of teen-agers.

The current vehicle has been under rehearsal for three months. It is a merry story of the contest between frustration and contentment in the lives of a typical American family and its neighbors. In line with the established policy of constantly giving new people an opportunity to develop in personality through the medium of the drama program of the church, the cast of 12 includes eight young people brand new in Footlighters. It is the youngest cast ever to perform under the Footlighters' banner.

The cast includes veterans Bob Puckett, Kay Schmitt, Jack Dierberger, and Joe Doughty. The newcomers are Glenda Gray, Chuck Osborn, Dorothy Thomas, Bix Tamlyn, Betty Osborn, Kay Dierst, Enid Blakely and Ted Dinkler.

Fuschia Society Elects Officers

Gene Hedrick was elected president of the Orange County branch of the National Fuchsia society at the latest meeting held in American Legion hall. According to newly appointed press secretary, Mrs. Stella Filer, outgoing president Martin Lumsden was named national representative; Erick Horner, vice-president and Mrs. Clyde Jackson, secretary-treasurer.

Mrs. Jackson introduced the speaker of the evening, Dr. C. B. Houghton, Long Beach pathologist, who spoke on metropolitan water in relation to gardening and how gypsum could be used to counteract some of its deficiences.

Martin Lumsden presented the traditional birthday plants which were bedding begonias grown grown in Hedricks garden from seed imported from Germany.

Thirty-two members and sixteen visitors attended the meeting and brought a variety of gifts to be given patients at the Los Angeles Children's hospital at Christmas.

Next meeting is to be a Christmas party and is scheduled December 29.

BACK FROM OKLAHOMA

Mr. and Mrs. Frank S. Nipper, 527 S. Clementine, returned home Saturday afternoon from a Thanksgiving vacation and visit with their son-in-law and daughter, Mr. and Mrs. O. L. Rush, and small grand-daughter, Linda Lee Rush, of near Skiatook, Okla. While away, they also visited old-time friends and acquaintances in Shidler and vicinity.

Ebell Society Slates Annual Christmas Party

When the Anaheim Ebell Society held its annual Christmas program Dec. 7, the Mitchell Boys Choir were the featured artists. They enjoy a national reputation under the guidance of Bob Mitchell, who has directed them in many musicals, motion pictures, radio, and TV programs.

Mitchell himself is well-known in the music world, having started his career at the age of 6 as a pianist and is regularly heard from the N.B.C. radio and television outlet in Los Angeles.

Members of the choir range in age from 8 to 14 years and represent many races and creeds. They sang the Christmas songs in 12 different languages and have scheduled 4 costume changes.

According to the program chairman, Mrs. George La Follette, there will be no business meeting. The program will begin at the Ebell clubhouse at 2 o'clock and will be followed with the tea that has come to be traditional at this season.

Tea chairmen are Mrs. John Wison and Mrs. James Patterson. Decoration chairmen are Mrs. W. E Whiteman and Mrs. S. Watters

RESOLUTION NO.....

RESOLUTION OF THE BOARD OF DIRECTORS OF STANTON COUNTY WATER DISTRICT DECLARING NECESSITY OF INCURRING INDEBTEDNESS AND FIXING TIME AND PLACE OF HEARING.

The Board of Directors of Stanton County Water District does hereby RESOLVE, DETERMINE AND ORDER as follows:

Section 1. That this Board of Directors deems it necessary for the Stanton County Water District to incur a bonded indebtedness in the sum of one hundred ninety thousand dollars ($190,000) for the purpose of the acquisition of capacity (including rights of use) in the Magnolia Trunk Sewer located in Magnolia, Cannery and Highland Streets and presently owned by certain other districts and cities, and for the acquisition and construction of trunk and force main sewers and sewage pumping and metering facilities, including the acquisition of all land, easements, pipe, pumps, meters, machinery, apparatus and other property necessary therefor.

Section 2. That Tuesday, the 22nd day of December, 1953, at the hour of 7:30 o'clock, P.M., of said day, at the meeting place of this Board, at the Savannah School, 7791 East Cerritos Avenue, Stanton, California, be and the same are, hereby fixed by this Board of Directors as the time and place for a hearing by this Board on the question:

(1) Will the whole or only a portion of the district be benefited by the accomplishment of said purpose?

(2) If only a portion of the district will be benefited, what portion will be so benefited?

Section 3. That, there being no newspaper printed and published in said district, notice of said hearing shall be given by the Secretary of this Board by posting a copy of this resolution in three public places hereinafter designated, within said district at least two (2) weeks before the time fixed for said hearing. Said three public places are as follows:

(1) Stanton Hardware, 10615 Stanton Avenue, Stanton, California.

(2) Bill Womens Market, 10621 Stanton Avenue, Stanton, California.

(3) Chambers Hardware and Building Supply, 10631 Stanton Avenue, Stanton, California.

Section 4. That said copies of this resolution posted shall each be accompanied by a notice subscribed by said secretary, with the seal of the district attached, to the effect that the hearing referred to in this resolution will be had at the time and place above specified, and that at said time and place any person interested, including all persons owning property in said district, will be heard upon the questions stated in this resolution.

ADOPTED, SIGNED AND APPROVED this 1st day of December, 1953.

Back Again! UNION PACIFIC'S FAMOUS ECONOMY TRAIN

UNION PACIFIC RAILROAD

The Challenger Streamliner

STARTING JANUARY 10TH

NO FASTER TRAIN EAST Daily to Chicago

Fully Streamlined

Here's travel news that IS NEWS! Union Pacific again slashes travel costs! The famous "Challenger" which pioneered economy train service between Los Angeles and Chicago returns to service January 10.

The "Challenger" Streamliner will be completely streamlined in equipment and speed—and on as fast a schedule as the Streamliner "City of Los Angeles"—39¾ hours to Chicago. There are no faster trains East—and no extra fare on either train, beginning January 10. The "Challenger" Streamliner will provide all the features set forth in this announcement—plus attentive service and courtesy for which Union Pacific personnel is so well known.

★ **LOW COST MEALS**

The Challenger Streamliner will offer a new experience in economical coach travel! Imagine eating three full meals a day for a total of $2.50: Breakfast for 65¢; Luncheon for 85¢; and Dinner at $1.00. Breakfast example: bacon or ham and one egg, toast and jelly, coffee—65¢. Special menu for children.

★ **NO EXTRA FARE**

With the re-establishment of The Challenger Streamliner—on a 39¾-hour fast schedule to Chicago—there will be no *additional service charge*—and the "NO EXTRA FARE" policy will apply as well to all Union Pacific Streamliners out of Los Angeles beginning January 10.

★ **NEW LEG-REST COACHES**

The Challenger Streamliner will feature new Coaches—latest design in comfortable, reclining individual chairs—each with relaxing leg rests. All seats reserved. Modern, spacious wash rooms.

★ **FULL DINER SERVICE**

No lunch counter stools or cramped quarters for Challenger Coach passengers! Although meals are "unbelievably" low priced—Union Pacific's tradition of fine food graciously served will be very much in evidence—plus the luxury of a full-length dining car.

★ **FULL-LENGTH LOUNGE CAR**

A meeting place for all passengers on The Challenger Streamliner. Here, you'll talk with friends—enjoy refreshments—play cards—read—write letters or listen to the radio. It's your "club" to enjoy—as you travel the economical Challenger way.

★ **PULLMAN SLEEPING CARS**

While The Challenger Streamliner is primarily a special Coach train, many people desiring this fast 39¾-hour schedule to Chicago will wish sleeping car service. For such passengers, there will be rooms and berth accommodations in modern Streamlined Pullman cars.

★ **CAFE-LOUNGE CAR**

Here, Pullman passengers on The Challenger Streamliner will find unexcelled dining and club car service. Meals served here will be like those offered on the Streamliner City of Los Angeles, but Pullman passengers may, if they desire, take advantage of the economy meals in the main diner.

½ **FARE FAMILY TRAVEL PLAN**

It's "double economy" when you take your wife—or whole family—on The Challenger Streamliner and take advantage of the Half-Fare Family Travel Plan. Leave any Monday, Tuesday, or Wednesday (Family Travel Days). Ask any Union Pacific Ticket Agent for details.

ANOTHER UNION PACIFIC "FIRST"

Union Pacific is the first to announce the removal of Extra Fare charges on its Streamliner services from Los Angeles to Chicago. Yes, on January 10 there will be no more extra fare on the Streamliner "City of Los Angeles" for either Coach or Pullman patrons. Same fast schedule and fine service.

Convenient Connections in Chicago to and from the EAST

EASTBOUND	Standard Time	WESTBOUND	Standard Time
LV Los Angeles	2:00 P.M.	LV Chicago	9:00 A.M.
LV East Los Angeles	2:20 P.M.	AR Las Vegas	2:55 P.M.
LV Riverside	3:12 P.M.	AR San Bernardino	3:33 P.M.
LV San Bernardino	3:36 P.M.	AR Riverside	4:15 P.M.
LV Las Vegas	6:50 P.M.	AR East Los Angeles	10:10 P.M.
AR Chicago	7:45 A.M.	AR Los Angeles	10:30 P.M.
		(Only one night—Chicago to Los Angeles)	

The Challenger Streamliner (Train No. 108) arriving in Chicago at 7:45 a.m. makes all important eastern train connections—including popular Florida trains. Through tickets—Coach or Pullman—to Los Angeles in order to eastern and southern destinations may be purchased from your United Airlines Ticket Agent.

The Challenger Streamliner Replaces LOS ANGELES LIMITED January 10

Effective January 10 The Challenger Streamliner will replace the Los Angeles Limited—for many years a favorite of those who prefer a midday departure. Fully Streamlined, The Challenger Streamliner will leave Los Angeles—at 2 p.m.—and arrive in Chicago six hours and fifteen minutes earlier than the present Los Angeles Limited schedule—making the entire trip in 39¾ hours. There will be no faster train than The Challenger Streamliner to Chicago.

☆ ☆ ***Challenger Reservations Now for January Travel EAST*** ☆ ☆

Because of the former popularity of The Challenger as "The economy train" it is suggested that those planning on going East in January make their reservations on The Challenger Streamliner as soon as possible. All Union Pacific Ticket Agents in Southern California are now making advance reservations. First departure of The Challenger Streamliner for Chicago will be 2 p.m. January 10.

Julius Stankey

Julius C. Stankey, 63, a native and resident of Anaheim died early Thursday morning enroute to work at the Long Beach Douglas Aircraft plant. Apparently enjoying good health his passing came as a distinct shock to his family and friends. The family home is at 751 N. Palm street.

He is survived by his wife, Amanda Stankey; three sons, Edward J. Stankey of Altadena, Jay C. Stankey of Anaheim and Walter E Stankey of Long Beach; one daughter, Mrs. Elaine L. Kuizmaul of San Clemente; two sisters, Mrs. Amelia Lenz of Anaheim and Mrs. Bertha Sterling of Pasadena and five grand-children.

He was a member of Bethel Baptist church of Anaheim. Funeral services were conducted from the Hilgenfeld chapel, 2 o'clock, Monday afternoon with Rev. Berthold Jacksteit, church pastor officiating. Burial was made in the Anaheim cemetery.

3 BIG REASONS... why Safeway Steaks and Roasts are ALWAYS Tender!

1 FROM LUSH GRASSLANDS AND MESAS TO SCIENTIFIC FEEDLOT HANDLING
The fine Western cattle yielding U.S.D.A. CHOICE BEEF reach the peak standards insisted upon by Safeway experts only after highly trained Nutritionists in California. Feedlots have supervised their diets. Balanced rations containing scientifically determined amounts of rich proteins, vitamins, minerals and carbohydrates create meat and fat of the uncxcelled palatability so familiar to every Safeway Store meat patron.

2 IT TAKES U.S.D.A. CHOICE GRADE AND SAFEWAY AGING FOR FINEST OF MEATS
The finest eating meat money can buy! Safeway sells only U.S.D.A. CHOICE GRADE in beef and lamb cuts. Furthermore, because Safeway completely operates the largest, finest Meat Aging Plant in the West, these quality meats age under precise conditions of temperature and humidity the full time Nature requires to develop unparalleled uniformity in tender, juicy roasts, steaks, and chops. Thus, *each Safeway Store stocks meats of identical quality* from the Aging Plant.

3 MONEY IS SAVED WHEN MEATS ARE FULLY TRIMMED BEFORE WEIGHING
Safeway trim goes further than removing untidy-looking fat. All the excess fat, inedible meat, and bones not properly belonging to the cut are removed. In terms of money, Safeway customers get more good-eating meat in every pound purchased. This policy applies not only to U.S.D.A. CHOICE beef and lamb, but all other meats, and conforms to a uniform company policy in effect at every Safeway Store.

IN THE DAYS OF LONG AGO

From the Files of Anaheim Gazette

By MRS. HENRY KUCHEL

75 Years Ago

(In the Gazette of this date in 1878, there is a very fine picture of the Horticutural Pavillion. We copy the following description.—Ed.)

Above is a view of the Horticultural Pavillion, now being erected by the Southern California Horticultural Society on Temple street, Los Angeles, only 1500 feet from the junction of Main and Spring streets, which is considered the center of business.

The Pavillion lot has a frontage of two hundred feet on Temple street and extends back to Sand street, a depth of three hundred and forty feet. The above cut represents the Temple street front. The Sand street front is reached by easy grade with no stairs. The Pavillion consists of a main hall, two stories high, with a frontage of 76 feet by a depth of 132 feet, with an annex of 39x60 feet in the rear, to be devoted to the purposes of a stage and annexes in each side 50x50 feet, two stories in height, one to be devoted to the purposes of a machinery hall, and the other to an art gallery In the angles in front of these annexes one story apartments will be employed respectively for fine arts and floral halls.

The auditorium in the main hall will be 112 by 76 feet, and, with the extensive galleries, will have a seating capacity of 4000. The Pavillion complete presents a frontage 176 feet by a depth of 161. The main central hall is now being built and, the wings will be added as soon as the finances of the Society will permit. The directors intend to build only so far as they can pay, and are firmly resolved to incur no indebtedness. J. de Barth Shorle is president of the Society and L. M. Holt secretary.

Mr. Wartenborg informs us that the river bed crossing on the Anaheim and Silverado stage road, has been covered with straw and is now as easy a piece of road as the traveler could wish for.

Persons in Los Angles or elsewhere who desire to send letters to Silverado should write on the envelope "via Anaheim." The mail is sent from Anaheim per stage every morning and reaches Silverado in a few hours.

The photographic parlors are now an art gallery in miniature. Some very fine portraits of our citizens adorn the walls. Among those we noticed the other day were large pictures of Mr. and Mrs. Rob't W. Scott, Mr. and Mrs. A. G. Beebe, Mr. John Fischer, Mr. Frank Ey, Mr. Ed Dunham, Mr. Theo Rimpau, Mr. Adolph Rimpau, Miss Langenberger, Mrs. Leonard and others whom we cannot now recollect.

50 Years Ago

Chas. F. Grim, manager of the Griffith Lumber Co's., branch in this city, has tendered his resignation and will take a vacation for several weeks with his family on Judge Pleasant's ranch n the Santiago Canyon. He will be succeeded by Henry Adams of Tustin, who is well and favorably known in business circles in Orange county. Mr. Grim has no intention of leaving Anaheim. He has been in the service of the Griffith Company for sixteen years and has been in Anaheim for four years. As a director and later as president of the Chamber of Commerce he has been one of the most active workers for the development of Anaheim.

Mrs. Frank Eastman has been quite ill but is now convalescing.

Miss Hettie Weisel has returned from a visit with relatives in Milwaukee.

E. W. Brewer, a well-known mechanic of Fullerton has just received from Secretary Shaw of the Treasury Department at Washington, D. C. the finest gold medal ever sent into this country as a token of respect from Congress for his bravery in saving a number of persons from drowning while he resided at Redondo Beach. He saved six lives.
