Adopts Tentative $10.5 Million City Budget

Council Approves Salary, Sanitation Hikes

The city's $10.5 million budget for the 1959-60 fiscal year, plus salary increases for city employes and sanitation charge hikes for residents, today have approval of city councilmen.

The budget, however, has yet to win final approval. Councilmen in acting on the $10,661,752 measure, gave it tentative okay Tuesday. Final adoption of the budget, showing no tax increase for the next year, is expected in the near future. Current city property tax rate is $1.10 per $100 of assessed valuation.

Action on the salary resolution by councilmen gives adjustments and the addition of 46 full-time personnel. The adoption of the new salary schedule raises the municipal payroll to 610 workers.

The salary figure is approximately $750,000 more than last year's payroll. It includes pay raises for all but three of those now employed, cost of new employes and increases in insurance and retirement programs.

Personnel (112) mostly police and firemen, receive a 7½ per cent pay increase.

Approximately 160 employees will receive two-step promotions amounting to a 10 per cent hike in their earnings.

The majority of city workers were recommended for a one-step increase, amounting to approximately 5 per cent increase. This involves some 335 workers.

Survey Held

City Manager Keith Murdoch pointed out surveys are made to determine the prevailing wage or salary being paid for comparable shop or office work in city hall.

He explained the city then uses a median rate (middle) to bring city wages up to prevailing standards.

"The end result is that the city of Anaheim employes are neither the highest paid nor the lowest paid in the area," he declared.

Twenty-one of the new personnel are represented by nine new policemen and 12 new firemen.

Sanitation Hikes

In approving the sanitation hike charge, councilmen went along with City Manager's request that the increase is needed to balance this year's budget.

The average homeowner's sanitation and refuse bill will be increased from $1 to $1.25 per month. Motels and hotels will get a slight decrease by now paying $1 for the first unit and 25 cents for additional ones. This is a monthly rate.

Councilmen prior to adopting final reading of the sanitation hike ordinance heard objections from Francis Ritcher, motel owner at 1914 S. Los Angeles St. He said he objected to the new charges proposed by the city.

Cut in Half

City officials pointed out that he had previously been paying $38 per month sanitation charge to the city. He now will pay approximately $19 or half his former bill.

The proposed water bill increase, also needed to bring the new budget into balance, was put off another week.

Under the proposal homeowners will probably be charged an extra 50 cents a month for water.

Murdoch explained the increase is necessary to take care of the cost hike for water the city purchases from the Metropolitan Water District.

The tentative budget adopted by councilmen provides for $2,030,515 in capital improvements.

SECOND ROUND NOTES — More of the mail sack this week indicates not only does A. J. Bepristis, 1547 Edithia Ave., read the Gazette but quite a few others do too.

• • •

If you recall, Mr. Bepristis was the resident who submitted a "Letter to the Editor" blasting the city's proposed utility increases for the next year. His contentions, however, met with some resistance from this writer, who believes the increases are justified.

• • •

Apparently, this reporter is not alone. Mr. Bepristis himself submitted this note he received, signed, "A Taxpayer, Anaheim, Calif."

• • •

Dear Mr. Bepristis:

I have read some pretty stupid "Letters to the Editor" in various newspapers during my life. I have lived in Anaheim for 38 years and I do not think there is a better operated and organized city in America. If I didn't like the way things are run here, I would get the "! ! ! " out and live somewhere else, "Where taxes and wages are really high."

P.S. How the "! ! !" do you live on $5,000 a year, like a peon!

• • •

Mr. Bepristis' answer to this is: When will you be leaving Mr. ??? We newscomers and industry (new) are building a new Anaheim and will have plenty to say about it.

• • •

Mr. Bepristis also took time to answer this reporter's comment in Little Notes last week.

• • •

Bill McCance: From your comments of My Letter to Editor—one question bothers me. Why is your paper so personally concern-with the city of Anaheim man-

Church Gets Rezoning for Sale of Land

The Central Baptist Church of California today has a change of zone to C-1 and R-3 on part of its property, north of Lincoln Ave. on the west side of Magnolia, despite a number of objections from area residents.

Councilmen Tuesday night granted the church the zone request after a long public hearing and a host of protests.

The church contends due to Flood Control Channel construction it can not sell the eight acres adjacent to the church site for residential homes.

Necessary to Sell

Church representatives said it is necessary to sell the land for "economic reasons." Church spokesmen said it had been the

School Trustees Okay Budget

Anaheim City School District trustees have adopted a publication budget of $4,472,109 for the 1959-60 fiscal year.

The action was taken et Tuesday night's meeting.

Final changes in the budget for the new school year may be made by the board at the time of the public hearing and final adoption of the budget August 6.

Under law, the school district had to act on the new measure by July 20, even though actual assessed valuation figures for the district will not be available until a later date.

Anaheim... ... In Brief

Local Helicopter Sets Traffic Record

Los Angeles Airways, Southland helicopter airline which services Anaheim, set a new traffic record in June. The increase was a 33 per cent rise over June of 1958. The total included 4,505 passengers carried during the month.

'Recession Not Over for Epileptics'

"The recession is not over for epileptics," according to Mrs. Norman Cave of Yorba Linda, president of the Orange County Epilepsy Society, now joining with location chapters throughout the state in the July "Independence for Epileptics" campaign. She is campaigning for hiring of epileptics by industry. She asked that contributions be sent to Epilepsy, 8302 Mountain View, Yorbe Linda, Calif.

Company Sues City for $75 Per Day

Jon-Mar Co. wants $75 per day from the city of Anaheim as long as it is prohibited from selling beer at 405 S. Brookhurst Ave. This is the contention of a suit by the company against the city. The suit charges the city is wrong in zoning the land for residential use. It was being heard by Superior Court Judge John Shea in Santa Ana.

Accountant to Assume Duties for H.S.

Robert C. Cahall soon will begin his duties as new accountant for the Anaheim High School District at a salary of $695 per month. His wage scale calls for an increase through six steps to $920.

Resident to Retire After 37 Years

Arthur M. Morris of 2827 E. La Palma Ave. will retire July 23 from his post as assistant city clerk of Los Angeles. Morris began his 37-year career in municipal work in 1922 as a member of the Los Angeles Department of Water and Power's land division. He was appointed council minute clerk in 1939 and became assistant city clerk three years later.

Capacity Crowd Jams Greek Theatre

A capacity crowd of some 2,000 people jammed the Greek Theatre of City Park to hear the entertainment offered by the Norton Air Force WAF Band, as they played for a straight hour without a break. Five more programs will be presented, with the last program August 14.

Teen-Ager Night Set for Greek Theatre Program

The second in a series of free open-air programs in the city's Greek Theatre is scheduled for tomorrow evening at 7:45.

Tomorrow night's event will be themed, "Teen-Night," and will feature area teen-agers on the musical program.

Featured will be Play Boys, Windjammers and Nancy Brown, 19-year-old Fullerton Jaycee vocalist and Anaheim resident.

The program will be directed

Moving Day Nears For School Offices

Moving day is approaching for the City School District's Administrative offices.

Now located across the street from each other, the two offices will be moved by August 7 to the old Broadway School. This site is now being converted. In the future it will be called the City School District's Administrative and Educational Center. It is located at 412 E. Broadway.

TV Center

The school will also house the district's new closed circuit television studios which go into operation next semester.

Present school district offices are in buildings at 107 N. Emily and 251 E. Center. The offices formerly were located at 210 S. Citron until 1953. The School Board's next meeting will be held in the new quarters August 6.

District Supt. Robert Shanks points out the move will result in a substantial savings to the district.

Current Expense

He explained that currently the district is paying $3,900 annual rent for office space.

He estimates cost of conversion of the old Broadway school into administrative offices at approximately a little less than two years rent. "After that the district will not be paying any rent and will only have the cost of operating the new site," he stated.

He said present quarters are inadequate and too small for the expanding operation.

"It also is good planning to take advantage of buildings already constructed instead of going to the expense of building a new administrative headquarters," he declared.

Reasons Given

Shanks explained that at present only four grades are being conducted on the Broadway site.

The old school, one of the first in the city, now lies in a depopulated area from the standpoint of school children. "Instead of going to expense of moving in upper grade children we are utilizing the space with administrative offices," he said.

Know Your Fire Department

Budget Shows Growth

(This is the second in a series of articles on the city's Department.—The Editor.)

Total expenditure proposed by the Anaheim City Fire Department for the 1959-60 fiscal year is $621,625—an increase of $132,505 over last year.

Salaries for the next fiscal year will amount to $553,700 as compared with the $444,150 last year.

With opening of the Fire Station No. 4 in January 1960, 10 new employees to the department will be added. This will provide four stations and nine fire companies, according to Chief Edward J. Stringer.

These new employees will include six firemen, two fire engineers and two fire captains. The last two positions will be filled by promotions.

Stringer said that Station No. 3 will be operated as a two-company station until Station No. 5 is erected.

"This backup crew in Station 3 is required due to the shortage of personnel in the headquarters station," he declared.

$4 Million in Repairs for Streets Needed by City

Anaheim has 28.35 miles of streets in critical need of $4,441,000 of repairs for which there is no immediate financing available. That is the report of the city engineer. The street deficiency survey is made annually as required by state law. The total picture in this: Of Anaheim's 266.51 miles of streets there are 28.35 deficient. Correction of the total deficiency would cost $4,441,000. Some of the major projects listed as deficient will be corrected this fiscal year by the city receiving its annual gas tax allotment.

Of the total $34.84 miles of primary streets, 19.77 miles are deficient. Total cost of these projects has been estimated at $3,625,000.

Of the 31.09 miles of secondary streets 5.12 miles are deficient. Cost of these projects is set at $710,000.

Of the others, 200.58 miles, 3.48 miles are deficient for a cost of $106,000.

Anaheim Visitor Tells Plans For New State Fair Project

Details of the New State Fair, expected to be in operation in Sacramento by 1968, were explained in a visit to Anaheim this week by Theodore Rosequist, coordinator of the new project.

Rosequist visited Gazette Publisher Bert Abraham, a California State Fair director.

Rosequist said that 200 acres of parking will be incorporated in the new fair grounds which calls for permanent year-round exhibitions.

Projects Cost

The project, slated to cost $30 million, also includes one and two-tenth miles of recreation area along the American River.

It will be situated at the junction of Highway 99-E and 40, the main roadway between Reno and San Francisco.

Rosequist assured, even with the $30 million expenditure, surveys have shown the fair will become self-sustaining.

He said that Stanford Research Institute estimates he fair will be drawing 4 million visitors by 1975.

He pointed out the present fair, scheduled for September, is now operating at deficit. "With year-around activities we can make this a self-sufficient project," he declared.

Major Problem

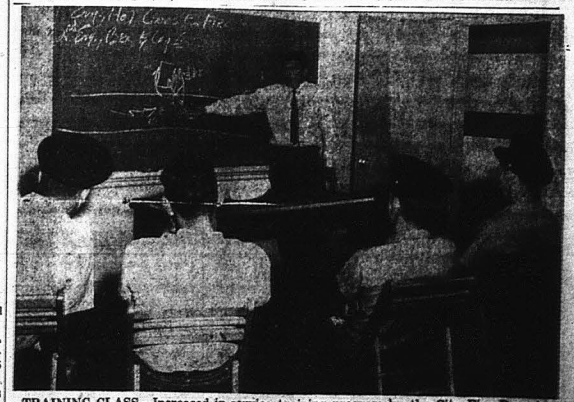

He said parking has been one of the major problems in the current State Fair operation.

Council Studies Rhino Request for Return of Club

City councilmen today are studying the request by Denzel E. Reasoner, now negotiating to take over the Rhino Football club stock, to bring the team back to Anaheim's La Palma Stadium.

Reasoner appeared at Tuesday night's city council meeting for permission to use the stadium. He said he wants to move the team from Montebello back to Anaheim. He asked councilmen to consider reducing the stadium fee the city now proposes to charge.

Reasoner said the professional football club in the future will be known as the Anaheim Rhinos. He said the team plans a tour of Europe this year and that games will be televised and broadcast by CBS over the radio.

St. Michael's Episcopal Church Offering Summer School Program

A church school program for the summer months is being offered at St. Michael's Episcopal Church, the Rev. John K. Saville, rector, reminded parents this week.

The program is for children through the second grade in the past school year. The third grade and above remain in church with their parents for messages planned to interest the entire family.

Nursery care is also being continued through the summer months at the 8:30 and 10:15 a.m. services, Rev. Saville explained. In addition to those two services, the church's summer schedule includes communion at 7:30 a.m. Sunday and communion at 9:30 a.m. Thursdays. Nursery care is also provided for the Thursday service.

Kindergarten and nursery "picture stories" via film are being presented at the church school. The schedule includes thees subjects: July 19. "Birthday Surprise for Daddy;" July 26, "The Story of Spring;" Aug. 2, "Children in Church;" Aug. 9, "The Christian Family;" Aug. 16, "The Baby Moses;" and Sept. 6, "Friends Who Help Us." Films for Aug. 23 and 30 have not yet been scheduled.

Mrs. Donald Conlee is coordinator of the nursery-kindergarten program. She is also director of the 8:50 a.m. program and is assisted by Nina Polley, Sandra Bird and pianist Miriam Easton.

Mrs. John K. Saville is director of the 10:15 a.m. program, assisted by Karen and Kathleen McLaughlin, Mary Larson, Joan Miller. Cindy Currier and Debbie Saville. Karen McLaughlin is pianist.

First and second graders are viewing two different film series. During July, they are seeing "The Story of Joseph." During August, they will see "The Life of Moses."

Teacher of first and second graders at the 8:50 service is Janet Easton. Mr. and Mrs. Domer Miller are teachers for the 10:15 a.m. service. Pianist is Susan Lafollette.

Under the supervision of Frank Mitchell, lay readers Jack Polley, Steve Brandon, Matt Davison and Gerald Bird are assisting at the two church school meetings each Sunday.

In charge of the summer program and plans for this fall's church school is Mrs. Marie Scott, the church's new Christian education director.

Mrs. Scott will speak to young people of senior high school are at 7:30 p.m. Sunday, July 19, on the subject, "Christian Fellowship and Mental Health."

In outlining the summer program for young people the Rev. Saville also pointed out that the church's junior choir sings for the 8:50 a.m. church service. The Senior choir, assisted by some of the junior choir members, sings at the 10:15 a.m. service.

Judges Named for LA Sorority Meeting

Frank Hall, well known Brea resident and formerly editor of your Anaheim Gazette, has been chosen to serve as one of three judges ato the Alpha Iota International Sorority meeting to be held in Los Angeles. The four-day convention will be held at the Statler hotel beginning July 16.

Business women who are members will attend from throughout the United States, including Hawaii, and neighboring Canada. Registrations indicate between 400 and 500 will be present for all or part of the convention.

Hall and two other men were chosen by Mrs. John Clatt, general chairman who lives in North Hollywood, to judge chapter newspapers. historians' and yearbooks. Awards will be made at a Sunday morning brunch, one of the highlights of the convention.

Among those attending convention will be members of Theta Nu, one of the western hostess chapters, which is affiliated with Criss Business college in Anaheim.

Gladys Huggins Is Bride of J. Hinkle In Evening Rites

Embroidered white organza over delicate pink peau de soie in a ballerina leigth was worn by Gladys L. Huggins for the evening nuptial service uniting her to James R. Hinkle. The Rev. Don Taylor performed the ceremony at West Anaheim Baptist Church.

The bride is the daughter of Mrs. V. Huggins of Bastrop, La., and the bridegroom is the son of Ben Hinkle Sr. of Garden Grove.

A molded bodice with tucked front and stand-up collar fashioned the pastel gown. An illusion veil of the same pink tint and embroidered with flowers complemented the dress. She carried a cascade bouquet of pink roses on a prayer book. She was given in marriage by Eli Fisher her brother-in-law.

Mrs. Elf Fisher, sister of the bride, was matron of honor and wore a pale green taffeta faille gown fashioned with bouffant skirt and dark green bows, and matching shell hat. She carried a pink carnation bouquet.

The church altar, for the double ring ceremony, was decorated with white stadioli, white stock and pink candles.

Soloist was Ethel Echels, who sang "Always" and "Because" accompanied by Mrs. Frances Sneller at the organ.

Ben Hinkle, Jr. of Garden Grove was best man, while Thomas Fisher of Long Beach and Jerry Morrison of Garden Grove ushered.

A reception for 60 people was held at the church where a three-tiered cake was cut and served by Mrs. D. Miller. Mrs. James Pilkerton served coffee and Mrs. James Pierce punch. Mrs. Gary Mosier circulated the guest book.

For a honeymoon trip to Las Vegas, the new Mrs. Hinkle changed to an imported swiss cotton print dress with white accessories.

The bride received her education in Bastrop, La. having attended business college there. Her husband is a graduate of Garden Grove High School and Santa Ana College and he is assistant business manager at Western Auto in Garden Grove.

The young coupl's are making their home in Anaheim.

Outdoor Christian Rally Slated For Sunday Night at Amerige Park

The Ninth Annual Outdoor Christian Rally sponsored by the churches of the Fullerton area will be held in Fullerton's Amerige Ball Park Sunday at 7:30 p.m., and will feature Louis Zamperini, former Olympic track star and world champion miler; Bill Carle, concert and recording artist; and Madge Killion, Hammond Organ artist.

Presenting a half hour concert will be the Congress Hall Salvation Army Band from Los Angeles under the direction of Harry Stillwell, Jr.

The Congress Hall Band appears each year in the Pasadena Tournament of Roses parade and for the past several years has been a popular feature at the Fullerton Outdoor Rally.

The dramatic story of Louis Zamperini is that of a "Dead-End kid" who became in internationally famous athlete and war hero.

Some 25 churches and a number of civic organizations are taking part in the Rally which is expected to draw an attendance of several thousand again this year. Dr. Carlton Buck of the First Christian Church of Fullerton, chairman of the committee in charge of arrangements, will act as master of ceremonies, and other area clergymen and laymen will participate in the program.

St. Anthony Claret Women's Council Slates Active Year

At a recent board meeting, plans for a very active year were presented by Mrs. Larry Bomkamp, president of the Council of Catholic Women of St. Anthony Claret parish.

A fashion show will be held Oct. 3 at the Royal Hawaiian Restaurant. Mrs. Al Schinsky will act as chairman of the event.

The annual rummage sale will be held Oct. 28, 29, 30 and 31 in the old bowling alley on So. Los Angeles St. and all members are urged to save articles for the sale.

A "come as you are brunch" will be the highlighted event for the month of November. Because members will be invited by surprise, no date can be revealed for this event.

On Dec. 4 and 5, a used toy sale will be featured. Mrs. Pat Olsen will act as chairman.

Mrs. Don Arford has accepted the chairmanship of the combined four-parish dance to be held on New Years Eve. Details will be presented later.

A Pre-Lenten Mardi-Gras ball will be held on Feb. 27. The time and place will be published at a future date. From this point on, the annual parish Fiesta, to be held the last week end in April, will be the main concern of the Council. Details for each event will be published as the time approaches. All proceeds will be donated to the parish building fund.

Rockhounds to Meet In Anaheim Tonight

"Rock-hunting in Baja California" will be the subject of the year's outstanding program, when The Searchers Gem & Mineral Society hold their regular monthly meeting tonight at 7:30.

Speaker is Glenn Vargas of Thermal, who is well-known to California rockhounds and lapidarists as a teacher of lapidary arts and widely traveled rock and gem hobbyist.

Vargas is well-qualified to discuss Baja California from a rockhound's viewpoint, as he has made numerous field trips into remote areas of this part of Mexico and has many beautiful slides to illustrate his talk. He will be accompanied by his wife, Martha, who is a talented lapidarist and creative silversmith in her own right: both of the Vargases having won numerous awards at mineralogy shows all over the West Coast.

Mr. and Mrs. Vargas both teach Lapidary Arts in Palm Springs schools, and belong to several mineralogy clubs. Their home in Thermal is a showplace for rock and gem hobbyists, and members of The Searchers are urged to attend this outstanding program and bring their friends along, too.

The meeting will be held at the usual place, 211 East Center St., in Anaheim.

The Ohio State Club will meet in the round house at Santiago Park in Santa Ana July 24 for a share-a-dish dinner at 6:30 p.m. Coffee will be furnished.

Constance Carr Becomes Bride of William A. Warch in Candlelight Nuptial Ceremony in Garden Grove Church

Pink gladoli, carnations and stock adorned the altar at the First Presbyterian Church in Garden Grove for the candlelight nuptial ceremony uniting Constance Joyce Carr of Garden Grove and William Albert Warch of Anaheim. The Rev. T. Gillespie officiated.

The bride is the daughter of Mr. and Mrs. Frank Carr of Garden Grove and the bridegroom is the son of Mr. and Mrs. Willy Hendrickson of 629 Pepper Anaheim.

Given in marriage by her father the bride entered the church wearing her own design in a floor length gown of lace over satin fashioned with a bouffant skirt and train scattered with appliqued lace flowers. The princess lines of the gown featured also a sweetheart neckline and long tapered sleeves. A delicate pearl-encrusted crown held her fingertip veil to her short hair. A single pearl on a chain, gift from the bridegroom, was her only jeweled adornment. She carried an orchid centered stephanotis bouquet on a white Bible.

Matron of Honor

Mrs. Caroline Seibert, sister of the bride, was matron of honor. She wore a short pink crystalline dress trimmed with streamers of green chiffon crossed in front and trailing down in back, and she carried a white basket of pink daisies.

Bridesmaids were Mrs. Pat High, Melva Chavez and the Misses Shirley Graham, Betty Cormack and Donna Weber. All wore pink gowns also, but with pink streamers. They carried baskets of pink daisies. All the attendants' gowns were designed by the bride.

Claude Krug, fraternity brother of the bridegroom was best man. Ushering were Dan and Dave Wall, uncles of the bridegroom, Howard Garr, brother of the bride, and Dick Joyner and Lowell Kolb.

Miss Elleen Medivic was soloist, accompanied by Mrs. Helen Burns at the organ. Selections included "Because," "O Perfect Love" and "The Wedding Song."

Danny Wall and Dick Joyner were candlelighters.

A reception for 300 was held at the church where cake and punch were served from a table decorated in a pink and green motif. Mrs. Gene Wall, aunt of the bridegroom, maked the wedding cake.

MR. AND MRS. WILLIAM ALBERT WARCH
. . . in candlelight service

Assisting in serving were Miss Kathleen Eggers, Miss Barbara Shira, Miss Jeanine Alberts and Mrs. Rae Ramsberger Baker. The Misses Karen and Sharon Gipe attended the guest book.

For a honeymoon trip to Carmel and Monterey the new Mrs. Warch changed to a white sheath dress with lace coat, red accessories and an orchid corsage.

The bride is a graduate of Garden Grove High School and Long Beach State College and was employed at Garden Grove High School. Her husband is a graduate of Long Beach Poly High School and Long Beach State College. He is employed by Dolly Madison Bakery while he continues his studies in acting. The couple will live in Glendale.

Prenuptial courtesies included showers by Mrs. Milly Musolf, Mrs. Gene Wall and the bride's Delta Zeta Sorority sisters, the Misses Donna Weber, Shirley Graham and Betty Cormack; Mrs. Pat High and Mela Chavez and two adult evening sewing classes.

One of the major roles in the comedy will be played by Fred Frank, 325 N. Pine St., Anaheim.

Curtain time for the production will be 8:15 p.m. Seats for all performances will be reserved. Tickets are on sale Mondays through Fridays from noon to 5 p.m. and on Saturdays from 9 a.m. to noon in the auditorium box office.

Members of the Zion Lutheran Fellowship enjoyed a day at Noname Lake near Corona last weekend where 31 persons went trout fishing and later held a potluck supper featuring fried trout.

Floyd D. Bakers Honeymooning in Canada Following Chapel Nuptials

Mr. and Mrs. Floyd Donald Baker are honeymooning at Lake Louise and Banff, Canada, following their marriage in a candlelight ceremony performed in the Garden Grove Chapel at Capilla de San Antonio by Dr. John Vander Meulen of the First Presbyterian Church in Santa Ana.

The bride is the daughter of Mr. and Mrs. Charles E. Ramsbarger of Garden Grove and her husband is the son of Stanley J. Baker of 817 W. Broadway, Anaheim.

Baskets of gladioli, agapanthus and larkspur formed the chapel decor and complemented the pastel colors of the attendants' gowns.

The bride was given in marriage by her father. She wore traditional white in imported Chantilly lace over taffeta fashioned with Sabrina neckline and long tapered sleeves. A panel of seed pearls and sequins trimmed the lace that extended from the bodice to the hemline in front. Alternate rows of lace and pleated ruffles fashioned the skirt and chapel train. A crown of orange blossoms, seed pearls and tulle leaves held her French illustion veil to her hair. She wore a single strand of pearls and she carried an orchid-centered cascade bouquet of white roses.

Miss Jeannine Alberts of Garden Grove served as maid of honor. She wore mint green chiffon over crystalline taffeta with matching headband and she carried a bakket of white daisies.

Bridesmaids were Dr. Irene Wakamatsu of Los Angeles, a classmate of the bride at USC, who wore pink; Mrs. Jim Lawrence of Montclair, blue; Mrs. Warren Riley of San Luis Obispo, lime green; and Miss Barbara Summers of Arteisa, yellow.

Cynthia Prichard of Anaheim was flower girl, wearing coral nylon and carrying a basket of daisies. Randy Baker of Woodland Hills was ring bearer.

Bestman was William S. Baker of Woodland Hills, brother of the bridegroom. Ushers were Charles E. Ramsbarger, Jr., of Garden Grove, brother of the bride; Lee Blair of Orange, Marcus Gartner of Los Angeles and Gary Claussen of Anaheim.

Mrs. Peggy Lighthill of Fullerton was soloist, accompanied by Mrs. A. F. Faust of Anaheim.

A reception for 250 followed the service. A four-tiered cake was cut by the couple and served with punch. Hostessing were Mrs. Marcus Gartner, guest book; Mrs. Lee Blair and Miss Donna Mader.

The bride's mother chose pale green silk with matching hat and a corsage of yellow rosebuds for her daughter's wedding. Substituting for the bridegroom's mother, who is deceased, was his sister, Mrs. David Prichard who wore rose voile with a rosebud corsage.

The new Mrs. Baker changed into a beige linen sheath for her honeymoon trip. Her accent colors were green and brown.

The bride is a graduate of Fullerton Junior College and received her Doctor of Dental Surgery degree from the University of Southern California this June. She is president of Southern California chapter of Upsilon Alpha, National Sorority for Women Dentists. She will practice dentistry for children.

The bridegroom is a graduate of Anaheim High School, Fullerton Junior College, UCLA and is now a physicist at Douglas Aircraft in Long Beach.

Judith Engel, Edward Legerstrand Nuptials Held at St. Boniface

Judith J. Engel, daughter of Mr. and Mrs. Walter Engel of 401 N. Palm St., became the bride of Edward W. Legerstrand of Van Nuys in a double ring ceremony at St. Boniface Church. The Rev. Paul Peterson officiated.

The bride was given in marriage by her father. She wore white lace over satin fashioned with a scalloped neckline and short shirred sleeves, and a bouffant full length skirt. Her fingertip veil was held to her hair by a pillbox headpiece and she carried a bouquet of white roses and white stock.

Miss Marie Legerstrand of Van Nuys served as maid of honor wearing mint green in a ballerina length gown and carrying pink carnations in a cascade bouquet.

The bridegroom, the son of Mr. and Mrs. E. D. Legerstrand of Van Nuys, chose Joseph Doyle of Anaheim for his best man.

A garden reception was held for an intimate group at 2123 W. Crestwood Lane where Mrs. Joseph Doyle, the bride's sister was hostess. Another sister, Roseann Brunson, attended the guest book.

The bride is a 1958 graduate of Anaheim High School and has been employed at S. H. Kress and Company in Anaheim. Her husband was educated in Norwalk and is employed by Weiserlocks in South Gate.

Following a honeymoon trip to Big Bear, the young couple returned to make their first home at 119 Fahrion Pl.

World War I Women Hold Dinner-Meet

A potluck dinner and meeting was held last evening by the Auxiliary to Anaheim Barracks 1235, Veterans of World War I, at the Anaheim American Legion Hall.

The meeting was open to all veterans of World War I and their wives, as well as mothers, widows, sisters and daughters eligible for membership.

Attendance Given

Average daily attendance in Anaheim junior high and high schools for the 1958-59 school year was 10,685.

The Navy Mothers of Anaheim 841 entertained the patients in the tuberculosis ward of Long Beach Veterans Hospital Monday.

Gifts were presented to those observing birthdays and bingo was played. Cookies and punch were served.

Salk PTA Presents Check to Troop 38 For New Flags

At their first Parents Night gathering, Scout Troop 38 of Anaheim was presented a check for the purchase of their troop flags by their sponsors, the Dr. Jonas E. Salk Parent-Teacher Association.

On behalf of the organization Mrs. John Lopez, president and Mrs. George P. Karcher, first vice president presented the check to Scoutmaster Edward A. Smith, who turned the gift over to chairman of the Troop committee, Larry Sauls.

The Parents Night meeting was held to give all parents of the boys a look at what is happening each regular meeting night of the Scout Troop. The program began with an inspection of the troop conducted by Scoutmaster Smith and his assistant scoutmasters, James Donley and Larry Wendt. Games were played with scores kept of the points that each patrol won. Senior Patrol Leader Larry Wendt, Jr., led the cheer for the winning Eagle Patrol.

A candlelight ceremony with 12 candles, each signifying a part of the scout law was held and candidates were given their first award in scouting, their tenderfoot badges. The following boys had met their tenderfoot requirements: Dennis Clark, Stephen Donley, Gary Griswold, Blaine Rutherford, Donald Sauls, Nick Scarpine and Lawrence Wendt.

Troop committeemen present along with many parents were: Jim Sauls, chairman of the committee; Lyle Rutherford, treasurer; Ed Clark, trop advancement.

Philomelas' First Summer-Fall Meet Features 'Grab Bag' Program

Mrs. Daniel Halliday, newly installed president of the Philomela Toastmistress Club, presided when the first meeting of the summer-fall term was called to order. This meeting, held at the home of Mrs. John Pherigo, was the club's anprogram. Each member drew her assignment for the evening upon nual Impromptu, or "grab bag" arrival.

The highlight of the meeting was the impromptu speeches given by Mrs. James Jones and Mrs. Ethel Ruth Gibbony. Mrs. Gibbony used many illustrations to make her point — the importance of paying attention to others—in "The Lost Art of Listening."

Mrs. Jones, in telling about an incident of her childhood in Georgia, entertained the group by recalling "One Dark, Scary Night."

Miss Aileen Hodgson who had drawn the assignment of Toastmistress, introduced the speakers and the member evaluators, Mr. Rober Berns, and Mrs. William Powell, and Mrs. Robert C. Morgan, who served as general evaluator.

In keeping with the "grab-bag" night, Mrs. John Titus, as Topicmistress, had each member drop one small item from her purse into a paper bag. These, then, were drawn out, one at a time, and elaborated upon by the topic participants. Mrs. Wesley Hickman, as lexicologist, urged the use of colorful synonyms to replace the word "real."

Mrs. Catherine Meursinge was welcomed as a new member to Philomela. She is a transfer from the Walnut Park Toastmistress Club. Visitors introduced by the president were Mrs. John Lioen and Mrs. Sharley Van Tassel. Refreshments were served by the hostess, Mrs. Pherigo, assisted by Mrs. Jack Madison.

An account of the installation of Council number one officers was presented by the new club representative, Mrs. Bill Wilson. She reported that the "Malihini" club of Hawaii has been assigned to Council No. 1, which heretofore, has consisted only of Toastmistress clubs in Orange County and the Long Beach area. To welcome its first overseas club, the council program followed the Hawaiian theme in dress as well as decorations. Mrs. Wilson also reported that Mrs. Titus, immediate past chairman of the council has been officially designated as the corresponding representative for the Malihini club.

Beginning July 23, the Philomela club will meet the second and fourth Thursday of each month at the Edison School in Anaheim. Scheduled as speakers at the next meeting are the club's three newest members, Mrs. Berns, Mrs. Meursinge and Mrs. Hickman. Women of the Anaheim area are invited to attend, and arrangements to do so may be made by calling Mrs. Pherigo at LA 5-7717 or Mrs. Halliday, JA 7-5312.

ORANGE — A total of 356 persons are enrolled in the first session of this year's Chapman College Summer School, Director Paul H. Demaree reported today.

'Y' Camp Sessions To Begin Monday

A full-day camp of 170 Anaheim area boys and girls will begin the fifth YMCA Day Camp for boys and girls 6 - 12 years of age Monday morning.

Among activities planned are a day at Irvine Park, a morning swim at Santa Ana plunge, a trip to Marineland and an overnight camp at O'Neill Park.

Four special busses pick up campers near their homes and transport them to camping locations.

There are a few openings in the final period scheduled for July 27-31.

YMCA officials have commended the directors and group leaders of the day camp program for their services. The camp is a project of the United Fund-related Anaheim YMCA.

Alamitos Friends Schedule Barbecue

Plans are under way for the annuel barbecue sponsored by the Alamitos Friends Church to be held the first Saturday in September.

The huge feast is open to the public and will feed approximately 2000 in the church garden. As in other years, the beef for the barbecue will be roasted underground at the Buffalo Ranch.

The Five Ladies Missionary Circle will hold their annual bazaar at this time.

The event also marks the homecoming for the former members of the church.

RESOLUTION NO. 5383
A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ANAHEIM ACKNOWLEDGING RECEIPT OF A PETITION FOR THE ANNEXATION OF CERTAIN UNINHABITED TERRITORY TO THE CITY OF ANAHEIM AND DESCRIBING THE TERRITORY AS THE PLACENTIA - ANNEXATION DESCRIBING THE BOUNDARIES OF THE TERRITORY PROPOSED TO BE ANNEXED AND GIVING NOTICE OF THE DAY, HOUR AND PLACE WHERE ANY OWNER OF PERSON OWNING REAL PROPERTY WITHIN SUCH TERRITORY SO PROPOSED TO BE ANNEXED MAY APPEAR BEFORE THE CITY COUNCIL AND SHOW CAUSE WHY SUCH TERRITORY SHOULD NOT BE ANNEXED TO THE CITY OF ANAHEIM.

WHEREAS, the City Council of the City of Anaheim did on the 16th day of July, 1959, receive a written petition asking that certain new territory described in said petition be annexed to the City of Anaheim; and

WHEREAS, before the filing of said petition, the proposal for the annexation of the territory herein after described to the City of Anaheim was submitted to the Boundary Commission of the County of Orange, State of California, and reported upon by said Boundary Commission with respect to the definiteness and certainty of the proposed boundaries; and

WHEREAS, said territory proposed to be annexed to said City of Anaheim is situated in the County of Orange, State of California, and is contiguous to the City of Anaheim and is uninhabited territory, and said petition contained a description of said territory in words and figures as hereinafter in this Resolution described; and

WHEREAS, the City Council finds from evidence and reports received that at the time of the filing and receipt of said petition, it was and now is signed by owners of not less than one-fourth (¼) of the land in the territory by area and by assessed value in the territory proposed to be annexed, according to the last preceding equalized county assessment roll; and

WHEREAS, the City Council finds from evidence and reports received and from said petition that at the time of the filing and presentation of said petition that said new territory proposed to be annexed to said City of Anaheim did not form a part of any municipal corporation and that said territory was unimbabited and is contiguous to the City of Anaheim; and

WHEREAS, the City Council finds from said petition and evidence submitted to it records in the business of the territory so proposed to be annexed to the City of Anaheim are as follows, to wit:

PLACENTIA-CERRITOS ANNEXATION

That parcel of land located in the County of Orange, State of California, being a portion of Sections 24 and 25 of Township 4 South, Range 10 West, S.B.B.&M., described as follows:

Beginning at a point in the existing City Limit lines, said point being the southwest corner of the Southeast Annexation to the City of Anaheim, as passed by Ordinance No. 1104 on November 27, 1956, and filed with the Secretary of State of December 31, 1956; thence,

1. Easterly and northeasterly along the existing Anaheim City Limit line to its point of intersection with the east line of the west half of the northwest quarter of Section 24, Township 4 South, Range 10 West, S.B.B.&M., said point also being in the northerly right-of-way line of the Southern Pacific Railroad Company right-of-way (100 feet wide); thence,

2. Northeasterly along the north right-of-way line of the said Southern Pacific Railroad right-of-way to the point of intersection with the easterly line of the Rancho San Juan Cajon De Santa Ana Rancho line, as said Rancho line is shown on Map No. 9, 1897 in Book 3, Page 258 of Patients, Records of Los Angeles County, California; thence,

3. Southwesterly along the last mentioned Rancho line to its point of intersection with the southerly right-of-way line of Struck Avenue (40 feet wide) as said Struck Avenue is conveyed to Orange County, California, by Document recorded December 27, 1910, in Book 411, Page 37 of Deeds, Records of Orange County, California; thence,

4. Southeasterly and easterly along the southerly right of way line of Struck Avenue to its intersection with the east line of Lot 7 of the Travis Tract, as shown on a map filed in Book 8, Page 126, Miscellaneous Records of Los Angeles County, California; thence,

5. Southwesterly along the east line of Lot 7 of said Travis Tract to its point of intersection with the existing Anaheim City Limit lines as established by the Katella Annexation to the City of Anaheim, passed by Ordinance No. 1119, January 30, 1957, and filed with the Secretary of State March 4, 1957; thence,

6. Northwesterly along the existing Anaheim City Limit line to a point in a line parallel with and 30.00 feet easterly of the west line of Section 24, Township 4 South, Range 10 West, S.B.B.&M., said point also being in the existing City of Anaheim City Limit lines as established by the Placentia Annexation to the City of Anaheim, as passed by Ordinance No. 1018, September 27, 1956 and filed with the Secretary of State October 18, 1956; thence,

7. Northerly along the last mentioned parallel line and said existing City of Anaheim City Limit lines to the point of beginning.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Anaheim that such proposed annexation be designated as "PLACENTIA-CERRITOS ANNEXATION" and that notice of such proposed annexation be hereby given as hereinafter provided.

BE IT FURTHER RESOLVED that a public hearing shall be had upon the said matter not less than forty (40) nor more than sixty (60) days after the passage of this Resolution, unless the owner or owners of all of the territory to be annexed have petitioned for annexation or filed their consents to such annexation, in writing, with the City Council.

BE IT FURTHER RESOLVED that the 25th day of August, 1959 at the hour of 7:00 o'clock P. M. at the City Council Chamber in the City Hall of the City of Anaheim be, and the same is hereby, fixed as the day, hour and place when and where the City Council will hear protests made by any owner or owners of real property within the territory proposed to be annexed; and that at any time before the hour set for hearing objections, any owner of property within said territory may file with the City Clerk written protest against the annexation. Said protest shall be in writing and shall state the name of the owner of the property affected and the description and area of the property in the description and area of the property.

BE IT FURTHER RESOLVED that the City Clerk be, and she is hereby, authorized and directed to cause a copy of this Resolution to be published at least twice, but not oftener than once a week, in a newspaper of general circulation, published in the City, to wit: The Anaheim Gazette of Anaheim, Orange County, California, and also in a newspaper of general circulation, published outside of the City, but in the County of Orange, in which is located the territory hereinabove proposed to be annexed to the City of Anaheim, to wit: The Daily News of Garden Grove, Calif.; and that such publication shall be completed at least twenty (20) days prior to the date of hearing hereinabove specified.

AND BE IT FURTHER RESOLVED that the City Clerk of the City of Anaheim be, and she is hereby, authorized and directed to cause written notice of such proposed annexation to be mailed to each person to whom land within the territory proposed to be annexed is assessed, in the last equalized county assessment roll available, on the date the proceedings were initiated, at the address shown on said assessment roll or as known to said City Clerk, and to any person who has filed his name and address and the designation of lands in which he has any interest, either legal or equitable, with said City Clerk; and in the event that land within the territory proposed to be annexed to the City of Anaheim is owned by a County, the City Clerk of the City of Anaheim shall also cause written notice of such proposed annexation to be mailed to the Board of Supervisors of such County. The foregoing notices shall be given not less than twenty (20) days before the first public hearing on the proposed annexation.

THE FOREGOING RESOLUTION is approved and signed by me this 16th day of July, 1959.

C. I. SCHUTTE,
MAYOR OF THE CITY
OF ANAHEIM.

Health and Welfare payments shall be made in accordance with the Southern California Master Labor Agreement.

All foremen, unless separately classified, shall be paid as provided in the May, 1958 revision of the A.G.C., B.C.A., H.B.I., E. G. C. A., A.F.L.-C.I.O. Southern California Master Labor Agreement.

Apprentices may be employed in conformity with Section 1777.5 of the California Labor Code.

The rates of per diem wages for each of the various classifications of work shall be the hereinbefore set forth prevailing rates of hourly wages multiplied by eight. Eight hours shall constitute a day's work, it being understood that in the event that workmen are employed less than eight hours per day the per diem wage shall be that fraction of the per diem wage herein established that the number of hours of employment bears to eight hours.

The overtime rule establishing the rates of overtime and holiday work shall be in accordance with the following: Where a single shift is worked, eight hours of continuous employment, except for lunch periods, shall constitute a day's work beginning on Monday and continuing through Friday each week. Where work is required in excess of eight hours in any one day or during the interval of time from 5:00 o'clock P.M. Friday and 12:00 o'clock midnight Saturday, such work shall be paid for at the minimum rate of one and one-half times the basic rate of wages, and on Sundays and holidays such work shall be paid for at the minimum rate of double the basic rate of wages, except as otherwise provided in the May, 1958 revision of the A.G.C., B.C.A., H.B.I., E.G.C.A., A.F.L. - C.I.O., Southern California Master Labor Agreement.

Holidays as herein referred to shall be deemed to be New Year's Day, Decoration Day, Independence Day, Labor Day, Veterans' Day, Thanksgiving Day and Christmas Day. If any of the above mentioned holidays other than Labor Day and Thanksgiving Day falls on Sunday, the following Monday shall be considered a legal holiday.

It shall be mandatory upon the contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than the said specified rates of wages to all laborers, workmen and mechanics employed by them in the execution of the contract.

Each bid shall be made out on a form to be obtained at the office of the City Clerk or the City Engineer of the City of Anaheim and shall be accompanied by a certified or cashier's check or bid bond, for ten (10) per cent of the amount of the bid, made payable to the City of Anaheim, and shall be sealed and delivered to the City Clerk at the City Hall of the City of Anaheim before 2:00 o'clock P.M. on the 30th day of July, 1959, at which time sealed proposals will be opened in public by the City Clerk and the City Engineer. Sealed proposals shall be submitted in sealed envelopes and marked in the upper left hand corner "Sealed proposals for construction of THE IMPROVEMENT OF WESTERN AVENUE, PROJECT NO. 74", together with the name and address of the bidder. The above mentioned check or bond shall be given as a guarantee that the bidder will enter into a contract, if awarded to him, and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested to do so by the City of Anaheim. Such contract shall be entered into within fifteen (15) days after receipt by said contractor of notice of the awarding of the contract, unless such time is extended by the City of Anaheim.

Each bid must specify the name and location of the mill, shop or office of each subcontractor who will perform work or labor or render services to the contractor in or about the construction of the work or improvement and the portion of the work which will be done by each subcontractor. If any bid submitted fails to specify a subcontractor as aforesaid, the contractor submitting such bid agrees to perform the work himself.

The successful bidder will be required to furnish a faithful performance bond in an amount equal to 100% of the contract price and a labor and material bond in an amount equal to 100% of the contract price, said bonds to be secured from a surety or bonding company satisfactory to the City Council of the City of Anaheim and shall be approved by the City Attorney as to form and sufficiency before acceptance.

Plans and specifications may be obtained from the City Engineer or the City Clerk of the City of Anaheim at the City Hall, Anaheim, California for the sum of Five ($5.00) Dollars, if picked up at said offices, or the sum of Six ($6.00) Dollars if forwarded by mail.

The successful bidder will be required to continuously maintain adequate protection of all his work and adjacent property from damage arising out of the performance of the contract and to furnish the City with public liability insurance in an amount not less than $100,000.00 for injuries including accidental death of any one person, $300,000.00 on account of any one accident, and property damage insurance in an amount not less than $50,000.00, and public liability insurance to cover vehicles used by him whether on or off the premises in an amount of $50,000.00 for injuries to any one person or $100,000.00 for any one accident, and property damage in an amount of $10,000.00. Compensation and employer's liability insurance shall be maintained during the life of the contract covering all employees on the project. The contractor shall be responsible that all employees of subcontractors are protected by such insurance. Such insurance shall be furnished by companies satisfactory to the City and subject to the approval of the City Attorney as to form and sufficiency.

The successful bidder and any subcontractor and contractors employed by him in the performance of said work or any part of the work of said public improvement will be required to use only such manufactured articles, materials and supplies as have been mined or produced in the United States, and only such manufactured articles, materials and supplies as have been manufactured in the United States substantially all from articles, materials and supplies mined, produced or manufactured, as the case may be, in the United States pursuant to the provisions of Sections 4300 to 4305, both inclusive, of the Government Code of the State of California.

Pursuant to the provisions of Sections 4330 and 4331 of the Government Code of the State of California, and price, fitness and quality being equal, the successful bidder and any subcontractors or contractors employed by him to do any part of the work on the above described public improvement shall be required to prefer supplies grown, manufactured or produced in the State of California and next to prefer supplies partially grown, manufactured or produced in the State of California.

Each bid shall be accompanied by a Non-collusion Affidavit, copies of which may be obtained from the City Clerk.

The successful bidder or bidders shall be required to enter into a contract with the City of Anaheim in the manner and form approved by the City Attorney of the City of Anaheim.

The City Council reserves the right to reject any and all bids or to waive any informality to the extent permitted by law, and reserves the further right to make an award to the lowest responsible bidder found and determined to serve the best interests of the City of Anaheim.

By order of the City Council of the City of Anaheim, California.

Plus fringe labor costs as set forth in the Southern California Master Labor Agreement of May, 1958.

Health and Welfare payments shall be made in accordance with Southern California Master Labor Agreement.

All foremen, unless separately classified, shall be paid as provided in the May, 1958 revision of the A.G.C., B.C.A., H.B.I., E.G.C.A., A.F.L.-C.I.O. Southern California Master Labor Agreement.

Apprentices may be employed in conformity with Section 1777.5 of the California Labor Code.

The rates of per diem wages for each of the various classifications of work shall be the hereinbefore set forth prevailing rates of hourly wages multiplied by eight. Eight hours shall constitute a day's work, it being understood that in the event that workmen are employed less than eight hours per day the per diem wage shall be that fraction of the per diem wage herein established that the number or hours of employment bears to eight hours.

The overtime rule establishing the rates of overtime and holiday work shall be in accordance with the following: Where a single shift is worked, eight hours of continuous employment, except for lunch periods, shall constitute a day's work beginning on Monday and continuing through Friday each week. Where work is required in excess of eight hours in any one day or during the interval of time from 5:00 o'clock P.M. Friday and 12:00 o'clock midnight Saturday, such work shall be paid for at the minimum rate of one and one-half times the basic rate of wages and on Sundays and holidays such work shall be paid for at the minimum rate of double the basic rate of wages, except as otherwise provided in the May, 1958, revision of the A.G.C., B.C.A., H.B.I., E.G.C.A., A.F.L. - C.I.O., Southern California Master Labor Agreement.

Holidays as herein referred to shall be deemed to be New Year's Day, Decoration Day, Independence Day, Labor Day, Veterans' Day, Thanksgiving Day and Christmas Day. If any of the above mentioned holidays other than Labor Day and Thanksgiving Day falls on Sunday, the following Monday shall be considered a legal holiday.

It shall be mandatory upon the contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than the said specified rates of wages to all laborers, workmen and mechanics employed by them in the execution of the contract.

Each bid shall be made out on a form to be obtained at the office of the City Clerk or the City Engineer of the City of Anaheim and shall be accompanied by a certified or cashier's check or bid bond for ten (10%) per cent of the amount of the bid, made payable to the City of Anaheim, and shall be sealed and delivered to the City Clerk at the City Hall of the City of Anaheim before 2:00 o'clock P.M. on the 30th day of July, 1959, at which time sealed proposals will be opened in public by the City Clerk and the City Engineer. Sealed proposals shall be submitted in sealed envelopes and marked in the upper left hand corner "Sealed proposals for construction of THE BROOKHURST STREET SEWER IMPROVEMENT, JOB NO. 1163," together with the name and address of the bidder. The above mentioned check or bond shall be given as a guarantee that the bidder will enter into a contract, if awarded to him, and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested to do so by the City of Anaheim. Such contract shall be entered into within fifteen (15) days after receipt by said contractor of notice of the awarding of the contract unless such time is extended by the City of Anaheim.

Each bid must specify the name and location of the mill, shop or office of each sub-contractor who will perform work or labor or render services to the contractor in or about the construction of the work or improvement and the portion of the work which will be done by each subcontractor. If any bid submitted fails to specify a subcontractor as aforesaid, the contractor submitting such bid agrees to perform the work himself.

The successful bidder will be required to furnish a faithful performance bond in an amount equal to 100% of the contract price and a labor and material bond in an amount equal to 100% of the contract price, said bonds to be secured from a surety or bonding company satisfactory to the City Council of the City of Anaheim and shall be approved by the City Attorney as to form and sufficiency before acceptance.

Plans and specifications may be obtained from the City Engineer or the City Clerk of the City of Anaheim at the City Hall, Anaheim, California for the sum of Five and no/100 ($5.00) Dollars, if picked up at said offices, or the sum of Six and no/100 ($6.00) Dollars if forwarded by mail.

The successful bidder will be required to continuously maintain adequate protection of all his work and adjacent property from damage arising out of the performance of the contract and to furnish the City with public liability insurance in an amount not less than $100,000.00 for injuries including accidental death of any one person, $300,000.00 on account of any one accident, and property damage insurance in an amount not less than $50,000.00, and public liability insurance to cover vehicles used by him whether on or off the premises in an amount of $50,000.00 for injuries to any one person or $100,000.00 for any one accident, and property damage in an amount of $10,000.00. Compensation and employer's liability insurance shall be maintained during the life of the contract covering all employees on the project. The contractor shall be responsible that all employees of subcontractors are protected by such insurance. Such insurance shall be furnished by companies satisfactory to the City and subject to the approval of the City Attorney as to form and sufficiency.

The successful bidder and any subcontractor and contractors employed by him in the performance of said work or any part of the work of said public improvement will be required to use only such manufactured articles, materials and supplies as have been mined or produced in the United States, and only such manufactured articles, materials and supplies as have been manufactured in the United States substantially all from articles, materials and supplies mined, produced or manufactured, as the case may be, in the United States pursuant to the provisions of Sections 4300 to 4305, both inclusive, of the Government Code of the State of California.

Pursuant to the provisions of Sections 4330 and 4331 of the Government Code of the State of California, and price, fitness and quality being equal, the successful bidder and any subcontractors or contractors employed by him to do any part of the work on the above described public improvement shall be required to prefer supplies grown, manufactured or produced in the State of California and next to prefer supplies partially grown, manufactured or produced in the State of California.

Each bid shall be accompanied by a Non-collusion Affidavit, copies of which may be obtained from the City Clerk.

The successful bidder or bidders shall be required to enter into a contract with the City of Anaheim in the manner and form approved by the City Attorney of the City of Anaheim.

The City Council reserves the right to reject any and all bids or to waive any informality to the extent permitted by law, and reserves the further right to make an award to the lowest responsible bidder found and determined to serve the best interests of the City of Anaheim.

By order of the City Council of the City of Anaheim, California.
DATED: July 7, 1959.

...Fire Budget

(Continued from Page 1)

Two fire dispatchers also will be added to the headquarters station. This new personnel will relieve regular firemen for fire fighting duties.

This year's request for non-personnel services is $34,490, or $13,485 more than $21,005 spent last year.

The fire chief explained the need to purchase new fire hose to replace old is one of the main reasons for the increase.

Also showing an increase this year because of the new stations and personnel, are the utilities, automotive, maintenance, laundry services and training program.

The Federal Communications Commission is requiring that radios in the Fire Department be put on split channels, necessitating an increase in radio maintenance.

Capital Improvements

Capital expenditures for the department are recommended for an increase of $9,470 from $24,160 in 1958-59 year. Total capital improvements this year are set at $33,635.

Main items will be a new 1,000 gallon fire truck to replace the unit, which will be transferred to Station No. 4. Other capital items for the new year are a sedan and radio to be used by the Fire Prevention Bureau to increase its efficiency; and radio for the new truck; floor polisher, furniture for Station No. 4 and miscellaneous fire fighting equipment to be used by the new company.

...Teen-Ager

to the teen-ager and will feature popular music.

Members of the Windjammers appearing are:

Ed Killops, Bob Fras, Bonnie Warner, Larry Gillette, Jane Gibbs, Marsha Westbrook, Mike Chapman, Don Christopherson, Karen Heart, Dennis Sandstrom, Al Ferazzi, Steve Balman, Ronnie Clark, Wally Bartelt, Linda Skinner, Carol Tysdell, Bob McCandless, Ron Rydman, Bob Haahr, Ken Henderson, Charles Lam, Dennis Littleworth and Ken Shearer.

Fred Rothneir is band instructor along with Ralph C. Smedley.

Playboy members are Ron Browne, Jim Schamp, Bernie Sloop and Johnny Bahler.

...Councilmen

(Continued from Page 1)

councilmen set the election for the Katella Park annexation for Sept. 13 after less than 10 per cent of the assessed valuation of the area protested.

City Manager Murdoch also informed councilmen of a new annexation by the city. Councilmen set August 25 as public hearing for the 112 acres Placentia-Cerritos Annexation.

The area is bounded by Placentia, Cerritos and Struck Collins and the Santa Fe railroad tracks.

Councilmen also denied the request by George and Dorothy Bennett for change of zone from R-A to R-3 at 9072 to 9092 Stinson.

Variance Grant

A variance was granted Daisy Olmstead for three years to sell jewelry made from stones and to erect a sign at her home, 1731 W. La Palma.

Final reading of an ordinance changing the zone to C-3 for Nicholas Dovalis at the northwest corner of Lincoln and Vermont was adopted.

The council also approved final reading of an ordinance giving C-3 zoning at 1531 E. Center for E. Mariene and Fred Cooper.

...Streets

(Continued from Page 1)

ments on these major street jobs with some including signals are:

Katella to city limits, $250,000.

Katella Placentia to Haster, $175,000.

Ball Rd., Santa Ana Freeway to Knott, $500,000.

Euclid, Riverside Freeway to La Palma, Broadway to South city limits, $650,000.

La Palma, Magnolia to Brookhurst; West to Placentia $350,000.

Magnolia, La Palma to Lincoln, $175,000.

...School

(Continued from Page 1)

The new budget, some $648,375 more than last year includes no special tax levy.

It has, however, been indicated that one might be necessary if assessed valuation of the district does not come up to expectations.

The publication budget was adopted on a $1.15 per $100 of assessed valuation for the general fund rate.

...Little Notes

(Continued from Page 1)

agement. Also—Only in dictator countries comments are prohibited.

* * *

EDITOR'S NOTE—What newspaper isn't interested in the way municipal government is operated? After all, that's one of the great public services any newspaper can perform — reporting the facts on the way city government is operated. There's nothing personal involved.

* * *

PAY INCREASES — Everybody, including city employees and councilmen, were no doubt shocked Saturday to read that municipal employes were granted pay raises. That story was carried in another newspaper and certainly surprised most. The facts are that councilmen were not scheduled to act upon the proposed salary increases until Tuesday night.

* * *

Nothing like being a city councilman and having to read about what you did without having done it or having any knowledge of the action.

* * *

IT'S HOT, LIKEWISE NOISE —This past week's warm nights have apparently resulted in an abnormal number of "disturbance calls" to the local police department. In most cases loud parties, loud radios or just loud talk are apparently the disturbing factor to complainingi citizens. Some people find it too hot to sleep open the windows wide and forget that there might be other persons in the neighborhood trying to sleep or just suffer quietly.

* * *

ARE YOU CURIOUS, TOO? — Nothing like wondering about something when you are taking a nice "hot Sunday" drive along the Santa Ana Freeway.

* * *

The most incongruous thing this reporter noticed Sunday were the people, cars and all, parked on the divider strips.

* * *

Checking shows that this is part of the state's annual traffic census. In addition to regular state personnel, about 2400 temporary employees were used throughout Orange, Ventura and Los Angeles for the county Sunday and Monday.

Meeting Cancelled

The Magnolia School District has cancelled its August 17 meeting, provided that there is no business pending.

350 Boys Ready For 'Y' Camp

More than 350 Anaheim boys are scheduled to attend Y Camp Osceola in the San Bernardino mountains during the August 1-8 and August 15-22 periods, according to William Poirier, Anaheim YMCA General Secretary.

The earlier period will be attended by younger boys while in the August 15-period a large section of the camp will be set aside for junior and senior high aged boys. All places for the August 1 period are filled while a few are still open in the August 15 period.

A series of leadership training sessions for counselors, by William Hoover, are underway.

A September 5-7 Labor Day weekend family camp is scheduled to conclude the present summer camp season.

Spend your money wisely. Buy from the Gazette Advertisers.

Lecturer

Dr. Wernher von Braun, world renowned scientist and missile expert, will lecture at Chapman College on Friday, at 8 p.m. in the college auditorium, 333 N. Glassell St., Orange. Tickets at $1.50 each will be available at the door.

The program was originally scheduled for July 15 but additional Defense Department commitments in Hawaii have required Dr. von Braun to postpone the speaking engagement.

Electronic Lock Showing Set at Area Thriftimart

Bib Smith, host of the television show, "You and Your Big Ideas," will visit the Thriftimart market at 1625 Orangewood with his new "electronic lock."

He will be present from 4 to 9 p.m. both Saturday and Sunday.

It is possible by dialing the right combination on the lock to win $50 worth of groceries. Sankyo Movie Cameras, Baskon Movie Projector and a complete selection of Swank's jewelry for men. If you dial in a circuit opening the alarm then you will receive a Mattel Burp Gun or a pair of Swank cuff links. More than 1,000 gifts will be awarded.

Any inventors from Anaheim, who would like to appear on the shows can pick up an application at the Thriftimart Market in East Anaheim Center.

Awards Offered

The four highest-scoring contestants in each of nearly 70 categories will receive awards and $500 in U. S. Savings Bonds will be distributed among the four Grand Prize winners at the Western States Accordion Festival in Long Beach, Aug. 15 and 16, under the auspices of the Accordion Association of Southern California, represented in this area by the DeBusschere Keyboard Conservatory, 1025 W. Center St., and the eCntral School of Music, 145 W. Ball Rd., Anaheim.

Publishers Ask Cabinet Job for Former Governor

Names of supporters, including Gazette Publisher Bert J. Abraham, of the drive to obtain the appointment of former Gov. Knight as Secretary of Commerce, were announced today by Jeanne Crandall, Los Angeles civic leader and husband of a Gallen Kamp executive.

She said that many of those on the list have sent President Eisenhower wires or letters strongly urging Knight be given the post.

Among publishers who have given editorial support to the proposal are:

Carroll Parcher, Glendale News Press, president of the California Newspaper Publishers Association; Walter Kane Bakersfield Californian; T. M. Storke, Santa Barbara News-Press.

Also Abraham, Anaheim Gazette; Ben Reddick, Newport Harbor News Press; Ferdinand Mendenhall, Van Nuys News and Green Sheet; Stanley T. Wilson, Turlock Daily Journal.

Also, James A. Guthrie, San Bernardino Sun-Telegram; Russell A. Quisenberry, San Fernando Valley Times; William Werner, Alameda Times-Star and Fred D. McPherson Jr. Santa Cruz Sentinel.

Anaheim Graduate Takes Position in School Office

Prophets are with honor in their own communities, words of the old adage notwithstanding.

Miss Nancy Mushegain, 8141 Walker Street in Cypress, is a personable young girl graduate of Anaheim Union High School. She was an alumnae of Centralia elementary school four years before that.

As soon as school was out in June, Nancy took a temporary position in the library at Centralia district's administrative center. She was already acquainted with her immediate superior, Mrs. Helen Riester, librarian. Mrs. Riesterer was formerly a second grade teacher in Centralia school.

Others Miss Mushegain knew as a pupil when Centralia school included kindergarten through eighth grade were her former principal, Glen H. Dysinger, Sr., now district superintendent, and her seventh grade teacher, George H. Williams, assistant superintendent in charge of education.

HARD AT IT — These youths are typical of those taking advantage of the crafts program held daily in Anaheim City Park under the direction of the City Recreation Department.

Anaheim Elementary School Summer Sessions Now Open

Summer school will continue through Friday, July 31, for approximately 360 children in the Anaheim Elementary School District. The children will attend classes from 8:00 a.m. until 12:20 p.m. daily Monday through Friday.

Twelve well qualified teachers have been selected from the Anaheim Elementary staff to work under the leadership of James Abrecht, principal of Lorara School. They will be teaching a course of study that has been designed to strengthen the childrens' basic skills.

The entire emphasis will be on the fundamental processes. Individual instruction of a remedial nature will be given in phonics, word attack and comprehension in the field of reading. Stress will be given to the mechanics of addition, subtraction, multiplication and division, and a practical approach to using these processes in problem solving. Written composition will help reinforce spelling, writing and language along with drill in these subjects.

Children who will attend the summer school have been selected on the basis of their needs to improve certain skills areas and the expressed desire of their parents that they would attend summer session. The children will be in the fourth, fifth and sixth grades next fall.

The summer classes are held at Loara School located at the corner of Broadway and Loara Streets. Parents have been asked to furnish their children's transportation to and from school, because the State has not allotted money for transportation in the summer program.

Hallamore Wins $250,000 Contract

Hallamore Electronics Division of The Siegler Corporation has received an equipment development contract award totaling more than $250,000 from Hughes Aircraft Co., according to John G. Brooks, Siegler president. The company is located in Anaheim.

A complex radio frequency signal generator, the new equipment is being designed and produced for use on production lines of a Hughes classified advanced air-to-air guided missile. Signals generated in the unit will test the target-seeking radar "brain" and the responses of external control surfaces, Brooks said.

In practice, assembly line technicians will simulate a variety of flight patterns of approaching aircraft, he added.

"With manually-operated selectivity controls, the operator of the test unit can even simulate defensive manuevers of an enemy aircraft. Such tests during assembly of the weapon provide additional assurance that if and when needed the control system will work perfectly to put the defensive rocket on a collision course with the enemy," Brooks said.

During the transmission of these radio frequency test signals, the rocket's radar system locks on to the "target" and actuates control surfaces that are observed by quality control technicians.

Orange County in Epilepsy Campaign

A statewide campaign for funds to aid sufferers of epilepsy, a nervous disorder affecting 147,000 Californians, will be waged during the month of July by local chapters of the California Epilepsy Society under the honorary chairmanship of advertising and civic leader Don Belding of Los Angeles, it was announced today by Mrs. J. Norman Cave, president of the Orange County Chapter.

Entry Deadline

July 20 is the final day for entries in the Western States Accordian Festival contests to be held in Long Beach, Aug 15 and 16 wherein all aspiring accordionists under 21 can compete for the prizes, troohies and ribbons in their individual age brackets, for solo, duo, combo or ensemble honors.

Entrants must register with a member of the sponsoring Accordion Association of Southern California, locally represented by the DeBusschere Keyboard Conservatory, 1024 W. Center St., and the Central School of Music, 145 W. Ball Rd., Anaheim, and the Buena Park Art and Music Center.

Anaheim Attends Workshop Hosted By Centralia

Orange County's second annual Classified Workshop recently drew literally hundreds of men and women to the all-day meeting hosted by Centralia School district.

Early in the morning, school buses, station wagons and private cars poured into the parking near the Wagon Camp at Knott's Berry Farm wheer the general session was held. The crowd of nearly 1000 filled seats in the amphitheater and wagons in the ring.

Palmer G. Campen, general chairman, introduced Glen H. Dysinger, Sr., superintendent, Centralia School district, and Walter Knott. Superintendent Dysinger introduced Linton T. Simmons, county superintendent of schools, all of whom spoke a word of greeting. Also presented to the audience were Frank A. Grunenfelder and Ernest R. Norton from the county schools' office. Campen is assistant superintendent in charge of business in Centralia School district.

Main Speaker

Principal speaker at the general session was Dr. J. C. Fikes, speech instructor at Santa Ana college and consulting psychologist and counselor working in remedial speech at Fitz school in Garden Grove and for the Cypress School district.

Dr. Fikes spoke on "Public relations in our schools." He named affection, loyalty and goodwill as ingredients for successfully working with the public.

Once in awhile an individual comes along who gives a gift of goodwill without a desire to receive in return, he opined.

PUC Counsel Asks Cut in Firm's Rates

Not only should the Dyke Water Company be denied a further rate increase, but the rates should be reduced to the former 53-a-month flat-rate schedule, it was contended today in a brief filed by William C. Bricca, staff counsel of the California Public Utilities Commission.

The recommendation was part of a bill of exceptions answering a proposed report filed May 28 by Stewart C. Warner, presiding examiner in the company's rate application proceedings. The company, located in Garden Grove, provides water for some West Anaheim homes.

Bricca, summarizing the position of the PUC staff, also wrote:

There is insufficient evidence to warrant a finding as to the company's present financial condition. Warner had stated that the present financial condition of the company "continues to jeopardize" its ability to furnish reasonable service.

Even if it is assumed that the company's financial condition is presently precarious, "any such condition was caused by the applicant's unlawful, reckless, and imprudent extensions of its service," Bricca contended.

The staff also took exception to Warner's proposal that the company's customers be required to pay 75 cents a month for the purchase and installation of meters. Bricca wrote:

"To require utility ratepayers to pay for capital installations in the form of meters not only is a departure from customary ratemaking, but also is wrong in principle. It results in a double burden upon ratepayers in that the ratepayers not only bear capital costs, but also continue, throughout the life of the plant installed, to produce a return to the utility upon the cost of the plant."

BENEFIT RODEO AT FAIR—Vivian Dorr, beautiful cowgirl, will do trick and fancy riding at the United Cerebral Palsy Assn. Benefit Rodeo, Saturday and Sunday at the Orange County Fairgrounds, Costa Mesa. She is shown atop her show horse "Stormy" with Dennis Nutt, son of Mr. and Mrs. Grover Nutt, 17051 Santiago, Orange, representing the UCPA of Orange County.

Big Rodeo Scheduled for Orange Co. Fair Saturday

TV stars, movie actors, and dignitaries will thrill children and parents alike as they lead the grand parade which will open each performance of the United Cerebral Palsy Assn. Benefit Rodeo, staged at the Orange County Fair, Saturday and Sunday.

The Championship Rodeo, sanctioned by the Cowboy's Assn. of America, will begin the 2 p.m. Saturday and Sunday matinees, and the 8 p.m. Saturday show, with Grand Marshall Ray Holderness riding forth into the arena followed by famous personages of the west.

Adding to the excitement of the fair, Paul Maxey, mayor of "People's Choice" TV show, who appears in the movie "Man Without a Gun", will be seen at Sunday's matinee. His wife, Jean Maxey of TV's "For Better or Worse" will ride with him.

Well Known

Todd Ferrell, known as "Boomer"—Timmy's friend in the TV Lassie Show—will ride in the parade with his brother Ray Ferrell, little brother in "Peck's Bad Girl", at the Saturday night and Sunday rodeos.

Cleo, the talking dog of "People's Choice" TV show, will be seen with his trainer Frank Inn.

Show stopper for the Saturday matinee rodeo parade will be Pepito, world famous Spanish clown appointed as court jester by Spain's late King Alfonso to entertain his children. Pepito is recently appearing in some of the "I Love Lucy" shows.

Showing their support of UCPA, by riding with the famous personalities, will be some of Orange County's well known celebrities: Dale Heinly, mayor of Santa Ana; J. E. Riddle, mayor of Laguna; Howard M. Cornwell, mayor of Fullerton; A. J. Schutte, mayor of Anaheim; Richard T. Hanna, assemblyman from the 75th District; Edward J. Allen, Santa Ana chief of police; Harry L. Wilson, La Habra chief of police; Dr. Theodore Scheppe, president of UCPA of Orange County; Edward Lund, first vice-president of UCPA, and Fred Sachs, rodeo chairman.

Thrilling Events

Six thrilling events will spice the jovial fairgrounds atmosphere and test the skills of cowboys risking life and limb for prize money. Stan Ruano of Westminster will be featured in the calf roping event; Jon Lane of San Diego will show his prowess at steer wrestling; and Anson Thurman of El Monte will show off bull riding.

Beautiful, blond Vivian Dorr will do fancy and trick riding on her show horse, "Stormy" and "Gorgeous George."

Bareback bronc riding and saddle bronc riding, as well as team roping will be featured.

The championship rodeo, lasting about three hours each performance is $1.25 for adults and 75 cents for children. All proceeds go to the United Cerebral Palsy Assn. of Orange County to support service, education, and research projects.

Concessions open during the rodeos will be handled by the Orange County Parents Group for Handicapped Children and Adults, headed by Glen Walker of Fullerpresident.

NO MOUNTAIN CAT, MISTER...

That's a Chevy with Positraction!

That 3134 Fleetside has the sure-footed ways of a big western bobcat. Roams through high brush country that would buck the life out of most trucks. Crosses streams without benefit of a bridge. Climbs talus grades where pinon won't even grow. But that's all routine for this Chevy, equipped with Positraction* rear axle. It's hard at it every day for the Utah Fish and Game commission. Figure about 60,000 miles of mountaineering before this Chevy is traded. And yet the district officer who drives it would bet his badge the tie rods won't even need replacing!

Out in that wild, climbing Utah country, Chevy's suspension and frame and brakes, its Positraction rear axle and Thriftmaster 6 power are proving themselves under rougher conditions than most test engineers could dream up. They're proving that Chevrolet's advanced engineering and design ideas pay off—in spades—when the going gets especially mean and dirty.

Positraction, of course, is a big plus on this job, providing the sure grip needed to dig through mud, snow, loose sand, whatever comes along. Could be that a Positraction-equipped ½-ton pickup is the answer for your area of operation. Or maybe a 4-wheel drive Chevy. WHAT'S DOING

H. I. Perry, your Telephone Manager in Anaheim

Accidents can happen— and sometimes it's the telephone that bites the dust. Well, telephones are built to take it. But I wonder if you've thought about this fact: when something does go wrong with your phone — because of accidents or normal wear and tear — your telephone man will be out to fix it, *free of charge.* It's a lifetime guarantee, too, in effect as long as you have a phone. And, when you come right down to it, it makes your telephone pretty unusual. Can you think of anything else that doesn't cost you a single cent for repairs?

Orange County Sets Emergency 'Dimes' Campaign

Orange County will have an emergency March of Dimes next month, August 10 to 23, following the example of other sections of the country, in order to meet its obligations to between 400 and 500 polio victims in the county during the remainder of the year.

This announcement was made by officials of Orange County Chapter of the National Foundation, meeting with local community chairmen of the 1959 March of Dimes at the Revere house in Santa Ana.

The chapter is facing a critical financial situation, since it is no longer able to obtain outside funds from the National Foundation's epidemic fund, the group was told by John McKittrick, Tustin, chairman of Orange County Chapter.

Chapters in areas of the country are having fewer polio patients have been feeding the national epidemic fund for the benefit of areas of higher polio incidence, such as Orange County. But the other chapters now need all of their funds for the new Foundation program of research and aid to victims of arthritis and birth defects, McKittrick said.

"The national purse has run dry," he stated. "We must now provide for our own."

Orange County Chapter is already $41,000 "in the red" with unpaid bills and needs an additional $18,000 to meet needs the rest of the year, McKittrick explained.

Mrs. Dorothy Sutherlnd, Costa Mesa, executive secretary of the chapter, explained new eligibility rules for patient care. Police Chief Arthur McKenzie of Costa Mesa, county March of Dimes chairman, outlined plans for the emergecy March of Dimes and and said that definitely there would not be a Mothers March.

Meting Dates Adopted by Board

Meeting dates adopted by the Anaheim Union High School District board of trustees will be the second Thursday of each month.

The exception for the next school year will be the meetings held July 16 and August 6. Meetings are held at 123 N. Citron, at 7:30 p.m.

County Cancer Crusade Helps

Orange Countians donating to the successful 1959 Cancer Crusade should be interested to know that their dollars have helped make possible the largest medical statistical study ever attempted in America, Howard Loudon, Orange County Cancer Society president, said today.

The research, to begin this fall, will be instigated to find out why some people are more likely to get cancer than others.

This and other questions will be answered in an American Cancer Society study involving more than 1,000,000 Americans. The project, which will take six years to complete, will be conducted with the assistance of 50,000 trained American Cancer Society volunteers, Loudon added. He pointed out that if volunteers were not available to handle the field work, the project would cost many millions of dollars.

The study, under the direction of Dr. E. Cuyler Hammond, American Cancer Society Director of Statistical Research, also will probe the effect of environment on cancer and will attempt to learn more about its symptoms to improve early detection. Dr. Hammnd said that the information to be obtained is designed to test many theories about the cause of cancer

A "hot" ring helps tame an old enemy

Atomic radiation helps this man do his job.

He's Dr. Hugh Macpherson, one of Standard's research engineers. The "hot" ring he's holding is an ordinary piston ring which has been exposed to atomic radiation.

By installing such radioactive piston rings in a car, our research engineers can use a Geiger counter to measure wear *as it happens* while the car is driven on the highway, in traffic, on hills—in every possible driving situation.

This research technique has taken months off the time needed to test the effectiveness of new motor oils, and it's far more accurate than previous methods.

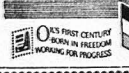

It's one of the techniques pioneered by Standard's scientists to help defeat an old enemy . . . wear — to learn what it is, what causes it, how to prevent it.

Our progress has been steady. Working with car manufacturers, we've virtually ended the problem of wear in automobile engines.

In the 1930's, for example, cars could go only 20 to 40 thousand miles before a major overhaul. But with today's motor oils and regular oil changes, your engine can be good for more than 100,000 miles — can, in fact, outlast the car.

By such never-ending research that leads to better products . . . ***the people at Standard are planning ahead to serve you better.***

One Step Toward Economy Made in Legislature

This newspaper never has been indisposed to printing evidence of the exorbitant costs of operating government, including the legislature itself, but takes equal pleasure in reporting an occasional ray of light toward economy.

Such a bright spot turned up recently in an announcement by Assembly Speaker Ralph M. Brown (D-Modesto) that the state will begin saving an estimated $5000 a month through elimination of unnecessary pages in the Assembly Daily History. They are pages which have been printed each day, four days a week, without change, and also appear in the larger volume, the Weekly History.

The general practice in the legislature and in state government itself is to take a dim view of such small savings, as being isolated examples which do not make for any real economies in government. Included in this dim view are such instances as two recent conferences which were cancelled at the request of Gov. Edmund G. Brown, for a total savings of perhaps $20,000.

However, real economy in government can inly start with such isolated examples. On the day when they become the practice rather than the exception, real economy will exist and perhaps the taxpayers may get off with less of a bite.

On the matter of the high expenses of operating the legislature, much criticism accrues, and rightly so in many instances. State departments must have their budgets scrutinized, however lightly, by the legislature, but the lawmakers hold the final word on their own expenditures.

It's not surprising then that the legislature, on paper, pays a dear price for services rendered by state departments. Other departments then may be given similar services at reduced rates — to appear self-sustaining — and in effect, are being subsidized by the legislature.

A case very much in point is that of the state printing plant. In fact, if the charges are not padded, to provide false economy made to the legislature for printing work claims for other state departments then the cost of operating the state printing plant must be very high indeed.

For a look at the charges of the legislature for relatively simple printing jobs shows prices far out of line with private industry. In addition, the legislature receives no quantity reduction.

For instance, the legislature is charged $7.92 for 500 bond letterheads. The price for 2000 bond letterheads is exactly four times the amount for 500, or $31.80. the legislature at $14.76 per thousand but

Tinted Monarch envelopes are billed to the price on an order of 2500 shows no quantity discount and amounts to $36.92.

Perhaps one of the most exorbitant charges made for the legislature is on scratch pads. During February, one bill showed 15 members and three attaches were provided with 251 scratch pads at a total of $175.61. This amounted to about 70 cents each and most printing plants in California would be happy to turn most of their efforts to producing the little pads at such a price.

Personal cards for the members also represent considerable expenses each month and there are some unexplained puzzles in the billing for them. Cards printed on one side are billed at a rate of $15.58 per thousand, no matter the size of the order.

However, cards which are known as "Capitol Cards," bearing a full color picture of the capitol on one side and the member's name, address, etc., on the other are billed at only $14.75 per thousand.

162 Youths Take Part in Day Camp

Currently 162 Anaheim boys and girls are taking part in the third Anaheim YMCA day camp program.

A day trip to Long Beach Naval facilities was held yesterday and an overnight trip to O'Neal Park Thursday are among features of this week.

Some openings are available in the final three periods, July 13-17, 20-24, and 27-31. Special Wednesday trips will be Corona Beach and Marineland. Because of the interest in Y day camping six periods are now provided rather than four which were held last summer.

Characters on Wheels by Rex Thompson (Crowell). Author tells of life as a trailer park manager and of the people who live on wheels. Well written, full of gay humor, many bits of sparkling conversation; very pleasant reading indeed!

Challengers of the Deep by Wilbur Cross (Sloane). Submarines from beginning to the present, from those that crawled along on the bottom of the sea to the latest thing in expensive atomic machinery. Contains glimpses of personal lives of the men who made them. Uses quotations, real-life incidents, diagrams and photos of some famous subs, Argonaut, Plunger and finally the Nautilus.

How to Travel Without Being Rich by Wm. Strong and A. Runyon (Doubleday). Complete listings of world tours with emphasis on economy and time-saving. Steamship lines carrying both freight and passengers, how to choose a cabin, clothes to take, guidebooks to read, lists of holidays and festivals in other lands, and listings of out of the way places to stay while abroad.

The Islands of Hawaii by Bradford Smith (Lippincott). Stories of the adventurers who set up shop there, history of the waves of migration into the islands, how to say simple phrases in Hawaiian, festivals, struggles among nations for a foot-hold there, and finally, the coming the the Americans. Plenty of good local descriptions.

The Phil Rizzuto Story by Milton J. Shapiro (Messner). All time records, anecdotes, humor and stories of the 16 year baseball career of Phil Rizzuto of Yankee fame. Some material on the famous old Yankee teams of the '40s, managers, strategies used, personalities. For baseball fans old and young alike.

Picture Cook Book by editors of LIFE (Time, Inc.) Highly developed art of preparing fine food, illustrated in brilliant full page color photos in sections, such as desserts, sea foods, vegetable dishes, outdoor cooking, children's food, wies recipes included at the end of each section. A gourmet's masterpiece.

Sea Diver by Marion C. Link (Rhinehart. Adventure of the Link family aboard the SEA DIVER in search of treasure in the sea off the Florida Keys. They found adventure in their made-over shrimp boat by following old charts to the sunken Spanish treasure hulks. How to hunt treasure in the modern styles.

Self Help Devices for Rehabilitation by National Foundation for Infantile Paralysis (Brown). Actual photographs and diagrams of the many devices for the handicapped, including addresses of the people who make them, suggested prices, with explanations of how to use these wonderful pieces of equipment. Includes lever-operated controls for autos and just about every device for any type of disability.

The Status Seekers by Vance Packard (McKay). National best-seller about American social life and its current drift. Explains about social behavior, prestige, status, clubs, houses, autos, social position, culture, entertainment, with a chart on gauging social position, index. Written for the general reader who is interested in the whys and wherefores of present day social life.

YOUR LEGISLATOR AT WORK!

With the close of the five and a half month Session, I look upon it with mixed feelings. Partly, it's with a sense of relief that the pressure is off for a while, that we can really relax for a few weeks. Partly, it's with a sense of loss, a tinge of regret at separation from the colleagues with whom I have worked — or struggled — through a Session of intense activity.

The 1959 Session, preserved now only in its record, differed in many respects from its predecessors because of constitutional changes in our operations. But its ending brought with it the same satisfactions in results achieved and disappointments in causes lost. As I have said before, the legislative process is one of reaching intelligent and equitable compromises, and no participant emerges either complete winner or loser.

Value

The Session amply demonstrated the value of the new constitutional provision which ended the half century old recess required by prvious law. The number of measures introduced was sharply reduced by almost a third. This reduction gave our committees and each legislator as individuals much greater opportunity to review each measure more carefully. The results are evident; a larger proportion of bills introduced were given at least one committee hearing than ever before, and the percntage passed by both houses and sent to the Governor was also substantially increased.

Since the period within which the Governor may sign bills extends for nearly a month, it is not possible now to summarize all the legislation enacted. However, an examination of some of the most significant actions taken in several basic fields can be made.

"For financing operations of our state government for 1959-60, a total of $2,225,000,000 was appropriated in the budget bill. The sum marks a new record for both California and the nation. To assist in raising the needed revenue, new or additional taxes were levied on items ranging from incomes to inheritances, from beer to cigarettes.

Our biggest headache for the past several years, water, was finally compromised, and will probably be known as the outstanding legislation accomplishment of the session.

Anaheim Cancer Crusade Raises $17,090; Increase Over 1958 Drive

"Orange Countians, realizing the need for cancer research, can be proud of the results of the 1959 Orange County Cancer Crusade," it was announced today by Miles Engle, county crusade chairman.

The Orange County crusade not only went away over the quota for the year, set at $69,050, it also topped the 1959 achievement goal of $75,000. To date donors have contributed $87,235 and monies are still being received at the Orange County Branch of the American Cancer Society.

Anaheim's Total

Credit for the success of Anaheim's generous response is given to Anaheim Crusade Chairman, Mrs. Floyd E. Boyer and her volunteers. The total amount received to date is $17,090.44 compared to $11,274.83 of last year.

"Crusade contributions are spent for the primary object of saving lives," Engle stated.

Forty-five per cent goes directly to the national research program (however, as a result of additional national and division allocations, substantially more goes into cancer research — about 50 per cent. Some 40 per cent remains in the division in which it was raised, supporting education and public service programs. Three per cent is devoted to a national program of medical grants and fellowships. And 12 per cent is used by the national office for the overall nationwide program.

The Cancer Society's major fields of program operation are: public education, professional education service, and research.

Public education is primarily to make the public realize the absolute necessity of treatment at the earliest indication of cancerous growth.

Professional education deals with the responsibility of the doctor — its major objective is to "make every doctor's office a cancer detection center."

The Society's service program seeks to save life and ease pain, affording many forms of aid to cancer patients, as well as to potential victims.

Examination of the research projects supported by the Society shows that: scientists are probing the biological and chemical processes that underlie cancer.

Building Still Leads 1958 for Six-Month Period

Building in the city of Anaheim for the first six months of this year still leads 1958 despite labor problems which hampered construction here earlier this season.

Total valuation of permits issued for the first six months of 1959 total $24,717,581 as compared to $21,967,581 for a corresponding period in 1958.

During June, 312 building permits were issued for a total valuation of $4,410,517.

June Total

Total valuation of permits issued for the first six months of 1959 total $24,717,581 as compared to $21,967,581 for a corresponding period in 1958.

The June total includes 343 living units for a valuation of $3,-162,350. This consisted of 127 single family, five four unit, 16 six-unit and two seven unit, four eight family unit, two nine-unit and three 12 unit.

In June of 1958 there were 162 living units totaling $2,033,015 and 294 building permits for a valuation of $2,967,507.

Permits issued in June of this year for commercial and manufacturing firms were:

R. H. Grant, (offices) $70,000; Thomas Coughlin (stores), $34,-000; Dr. Murray Walker (rest home) $70,000; Dr. F. A. Rusch, (dental office), $18,500; Brookhurst Shopping Center, $220,000; Galen D. Local Postmaster Reports on Campaign By U.S. Government on 'Filth Factories'

A disclosure that one of the nation's biggest "filth factories" has closed its doors, together with news of the roundup of some of the country's biggest dirty mail merchants, featured a new exclusive report on the anti-smut campaign released from Washington today.

The report, in the form of a press summary, was furnished to local Postmaster Marshall N. Fie by Postmaster General Arthur E. Summerfield.

Another highlight of the report concerns the jailing of the operator of a filth-by-mail "club," furnishing the ultimate in obscene movies.

"Evidence that the Postmaster General's drive against mail obscenity is catching on continues to mount," the local postmaster commented in releasing the report. "Complaints from all over the nation indicates an increasing awareness by parents of this grave threat to our children, as well as a desire to do something about it."

Here are highlights on recent progress by the Post Office Department in its anti-obscenity campaign, plus further details on the cases mentioned above.

1. Complaints about obscene mail are expected to be up about 100 per cent this year, soaring beyond 100,000. Most of them involve unordered solicitations of youngsters.

2. Postal inspectors are now hot on the trail of dozens of dealers in smut and a number of important cases are pending with U. S. Attorneys. Investigations by postal inspectors into all types of obscenity activities now are running at the rate of thousands annually.

In addition to stepped-up investigations, the Postmaster General's campaign has produced in recent days notable indictments convictions and raids, the local postmaster disclosed. They include:

In several New York raids a multi-million dollar mail order "filth-factory," flooding the nation's homes with solicitations, as well as obscene and pornographic slides, films, pictures and circulars, was smashed following investigations by postal inspectors. Three of the nation's largest and longest-established filth dealers were indicted and are awaiting trial.

2. In Detroit, a Federal Grand Jury handed down one of the first major indictments under new law which permits prosecution of dirty mail dealers at the point where th mail is received, rather than in city of origin. Three West Coast dealers were indicted. One of the three was indicted on charges involving mailing on indecent advertising to a 15-year old boy and the others were also indicted on charges involving obscenity solicitations.

3. A married couple was sentenced recently in Federal Court at Sacramento, California, to 10 years imprisonment for the mailing of obscene material. This was the first conviction under the recent law. They were originally arrested in California on a warrant issued by the U. S. Attorney at Boise, Idaho.

4. At Los Angeles, one of the nation's "obscenity empires," mailing out thousands of salacious circulars every month, closed down and filed "out-of-business" papers with the Post Office Department.

5. In another Los Angeles case,

A DOUBLE EXPOSURE of lovely Gloria Neil is needed to show the dual effects of a single electric heat pump house in this life-size weather indicator which will be displayed by Southern California Edison Company at the Orange County Fair, July 14 through 19. Visitors to fair will be asked to step in one side and cool off or into other and warm up, whichever they prefer.

Edison Display 'Cool Off' for Visitors to Fair

Visitors to the Orange County Fair at Costa Mesa through Sunday, July 19, can enjoy a "cooling off" period in a unique display presented by Southern California Edison Company.

This will be one section of the electric power company's display showing the newest appliances for the kitchen as well as a remarkable way of controlling the weather inside the home, J. A. Long, Edison's district manager said.

According to Long, the display is a life-sized duplicate of those model Swiss chalets that forecast the weather by having a fair maid come out side for good weather, a witch outside for rainy or poor weather.

There is no fair young maid nor any witch, however in the Edison display. Instead, visitors to the fair are asked to step in one side if they want to "cool off" and in the other if they want to be warmed.

Purpose of this display is to demonstrate the weathermaking abilities of a single electric heat pump. In this case, the heat pump will be taking heat from one side of the chalet — thereby cooling it—concentrating and pumping it to the other side—warming it.

"Actually, an electric refrigerator is one kind of a heat pump," Long explained, "except that it only works in one direction, extracting heat from inside the refrigerator cabinet."

one of the most bizarre investigations in history led to a 6-month jail sentence for 70-year-old Albert J. Amateau. Amateau had long eluded prosecution by a clever system in the operation of 4 dirty mail clubs.

Guideline Supplied

Members of this "Certified Buyers Register," after paying an entrance fee and filing an application, complete with "references" were furnished codes as a guideline to the particular kind of filth they desired from among a large selection of extreme obscenity.

In addition to these crackdowns, the local postmaster noted that the Post Office Department has been receiving continuing active support from the nation's most influential organizations for the anti-obscenity campaign.

At the recent National Convention in Denver of the National Congress of Parents and Teachers, resolutions were adopted vigorously supporting the campaign and calling on P.T.A. groups at local levels all over the country to support anti-smut activities.

Support has come also from such groups as major national organizations of professional and business women, as well as many national Catholic, Jewish and Protestant Organizations.

News About Our Service Men

WESTERN PACIFIC — Frederick L. Baird, seaman apprentice, USN, son of Mr. and Mrs. Albert C. Baird of 8192 Regla St.; Howard C. Nagel, fireman, USN, son of Mr. and Mrs. Howard C. Nagel of 2432 Glencrest, and Jack R. Landram, fireman apprentice, USN, son of Mrs. D. M. Palmer of 907 Emeild, all of Anaheim, are serving aboard the heavy cruiser USS Los Angeles, operating with the U. S. Seventh Fleet in the Western Pacific.

The cruiser, flagship of the Commander, Cruiser Division Five, participated in the three-day Black Ship Festival at Shimoda, Japan, May 15-17.

The Festival commemorates the visit of Commodore Matthew Perry and the opening of Japanese ports to Western trade.

The Los Angeles is scheduled to visit other Japanese and Far East ports during her three-month cruise.

FORT ORD, CALIF. — Army Pvt. Elbert K. Norland, son of Mr. and Mrs. Verne I. Norland, 1343 S. Palm St., Anaheim, completed the light-vehicle driver course June 5 at Fort Ord.

Norland entered the Army last January and completed basic training at the fort.

The 21-year-old soldier is a 1958 graduate of Anaheim Union High School.

CAMP PENDLETON, Calif. — Marius J. Campo, radarman seaman, USN, of Anaheim, serving aboard the destroyer USS Crowell, took part in an amphibious landing on the beaches of Camp Pendleton, Calif., May 28.

The operation, known as "Twin Peaks", involved more than 60 Navy ships and 25,000 Marines and was the largest exercise of its type since January 1957.

Participating in "Twin Peaks" were cruisers, destroyers, minesweepers, submarines, underwater demolition teams, and assorted amphibious force ships which comprised both "friendly" and "aggressive" forces. They employed conventional and simulated atomic weapons in carrying out their part in the amphibious assault exercise.

LONG BEACH, Calif. — Clay F. Wallace Jr., fireman apprentice, USN, son of Mr. and Mrs. Clay Wallace of 2730 Crescent Ave., Anaheim, returned to Long Beach, Calif., aboard the attack cargo ship USS Merrick after a four-month tour of duty with the U. S. Seventh Fleet in the Far East.

During the cruise the Merrick toop part in a joint U. S. - Korean amphibious exercise near Pohang, South Korea and visited Japan, Formosa, the Philippine Islands, Hong Kong and Okinawa.

OPPAMA, Japan — Dale K. Harper, son of Mr. and Mrs. Kenwood St., Anaheim, Califfn was promoted to aviation electronics technician third class, USN, June 16, while serving at the U. S. Naval Air Facility, Appama, Japan.

Before entering the Navy in November, 1957, he attended Lawrence Institute of Technology.

LONG BEACH, Calif. — Navy Lt. (jg.) E. J. Farrell of 1820 Crone Ave., Anaheim, Calif., and Richard Moore, chief hospital corpsman, USN, of 709 S. Agate, Anaheim, returned June 27 to Long Beach, Calif., aboard the oiler USS Mispillion after a tour of duty with the U. S. Seventh Fleet in the Western Pacific.

Capable of carrying four million gallons of fuel oil, jet fuel and aviation gasoline, the Mispillion participated in over 50 refuelings at set and transferred over nine million gallons of fuel oil to other units of the Seventh Fleet including the attack aircraft carriers Bon Homme Richard and Ranger, the heavy cruiser Los Angeles and numerous destroyers.

The ability to replenish at sea is vital to the mobility of the Seventh Fleet in carrying out the task of guarding the peace in the Far East.

During her tour, the oiler visited Hawaii, Japan, the Philippines, Okinawa and Hong Kong.

FORT EUSTIS, VA. — Army Pvt. Leslie J. Ginn, '22, whose wife, Marcia, lives at 1854 W. Tamara Lane, Anaheim, was scheduled to complete the final phase of six months active military training under the Reserve Forces Act program at Fort Eustis, Va.

During this phase, Ginn is receiving transportation specialist training.

He is scheduled to spend the remainder of his military service with the 477th Tansportation Company in Santa Ana.

Ginn, son of Mrs. Irene Dart, 1307 Monterey, Richmond, is a 1954 graduate of South Nodaway High School, Barnard, Mo. Before going on active duty, he was employed by State Farm Insurance Company in Santa Ana.

WESTERN PACIFIC—Kenneth R. Edwards, seaman, USN, son of Mr. and Mrs. K. C. Edwards of 2137 Romneya, Anaheim, William L. Barton, seaman, USN, son of Mr. and Mrs. Max L. Barton of 8901 Bernice Dr., Anaheim, and Charles R. Redell, seaman apprentice, USN, son of Mrs. Bonnie E. Redell of 411 Guinida Lane, Anaheim, took part in Operation "Granite Creek," May 25 to June 1, while serving aboard the attack aircraft carrier USS Ranger in the Western Pacific.

"Granite Creek" is an exercise designed to test the effectiveness of the Navy's aircraft carrier striking force of the U. S. Seventh Fleet in the Far East.

The Ranger, which along with other carriers is providing air might to the country's first line of defense in the Pacific, is on a routine tour of duty with the Seventh Fleet.

School Children Practice Spanish With Field Trip

Boys and girls attending Centralia School district's summer school took the opportunity to practice their Spanish first hand when fifth and sixth graders in the rapid learners' classes enjoyed a field trip to Olvera street.

Two busloads of 94 youngsters, accompanied by seven adults found Los Angeles' oldest street at the Plaza a fascinating source of historical information. Probably the most interesting was the 141-year old adobe house built by Don Francisco Avila when the Pueblo was under the rule of Spain in 1818. The guide on the tour of the premises called attention to the thickness of the adobe walls and explained that the original dirt floor was covered with boards after lumber was shipped into California.

Admire Piano

The school boys and girls admired the beautiful piano, the third one to reach California, which sailed on a ship around Cape Horn from the east coast. They lingered beside a potter's wheel in the patio of Avila house to marvel at the deft hands of the benign Senor Madero, who fashioned little vases from red clay as they watched. Before stepping out into the bright sunshine of the street again, each visitor paused to wish on the "good luck" horseshoe imbedded in cement near the entrance to the little chapel which is part of the adobe house.

Back on the street again, pupils bargained in limited Spanish with friendly vendors in the colorful shops and little "puestos" down the center of the Paseo. Favorites with boys and girls seeking to "go native" were those which served hot tacos, taquitos and other Spanish and Mexican foods. Bulging parcels and bags filled with authentic "folklore" mementos and souvenirs for brothers and sisters were evidences of an interesting and educational experience when the buses loaded for the trip home.

Teachers Employed

New teachers for the next year have been employed by the Anaheim Union High School District.

They are Miss Marcia Black, Kean Farrar, Herman Mende, Beverly Nicholas, Harold Irvine and William Bottelfson.

Resignations of teachers accepted by the board are John C. Steinborn, Fremont Junior High School, and Margaret Taylor, Western High.

Supt. Paul E. Cook told the board last week that approximately 1,200 teachers filed appli-
