

Halloween Parade To Depict Anaheim History

The thousands of Orange County citizens who pack La Palma Stadium and line the streets of Anaheim for the annual Halloween parade on October 27 will not only be thrilled by one of the most colorful spectacles of the events history but they will also be seeing

a true pageant of Anaheim's 105 years as a city. Following the 30th annual Halloween Festival theme, "Centurama," the Anaheim Story, the first five divisions of the parade will each depict an era in Anaheim's history from its inception

in 1872, through the pioneer days, the Roaring 20's, the World War II era, and to the present days of astronauts and telestars. First division, captained by Joe Cano, will depict the theme of the Spanish ranchos and early Spanish automobiles, while Everett Gillespie's floats will follow with a

picture of Anaheim early agriculture, mining and building of stockade, and the early pioneers. Jim Brice and his third division will follow with the car of the Gay 8's, the establishment of early business firms in Anaheim, early automobiles; and representation of the early families of the city.

Historical picture to be covered by the fourth division led by Pat Patterson will include: Modern Day Anaheim, industrial, commercial, and residential. Chuck Currier's fifth division will end the pageant by taking a look into the city's crystal ball by depicting: future development; industry; Anaheim, the electronic and scientific center; manufacturing; and overall contributions to the might of American freedom.

As a climax, the parade will feature a sixth division comprised of color guard, marching units, band, patrol and clowns of the always colorful El Bokal Temple Shrine.

For the first time in its 39 year history, the colorful and historical pageant and parade will be covered by television cameras. As a result, it is estimated that close to a million Southern California viewers will see the spectacle when it is shown on Channel

9 from 9 to 10 p.m. on the night of the parade. This is being made possible by three of Anaheim's community-minded and locally owned business who are sponsoring the show — Anaheim Savings and Loan Association, Keystone Savings and Loan Association, and the S.Q.R. store.

ROUGH 'N' READY MOM—Gunnery Sergeant J. L. Sullivan, Jr., Anaheim Marine recruiter, was made an honorary "mom" Monday by members of the local Mothers March committee. Sgt. Sullivan donated office space to the organization so they could prepare for the January Mothers

March and March of Dimes. Here Mrs. John Mitchell, special events chairman, and Mrs. Donald Ready, Mothers March chairman, show the sergeant 'Today I Am a Mother' tags that will be worn by men during the March. Open house will be held at the office, 272 E. Lincoln today.

Killer of Hospital Guard Gets Five Years to Life

Andrew Lee Jones, 27-year-old Los Angeles business college student, has been sentenced to a five-year to life prison term for the murder of a Fullerton man May 23 at the Orange County General Hospital.

Jones was convicted of second-degree murder Thursday by Superior Court Judge Kenneth Morrison. Although the case had been scheduled for an answer-to-arraignment procedure, attorneys agreed to have the case considered on the merits of a sheriff's department report, coroner's report, and the transcript of a preliminary hearing.

Jones fatally shot Sheriff's department guard Harold Maurice Blenn Sr., 61, of 1490 Lombard Drive in a guard station in front of the hospital. Blenn had been attempting to help Jones' 18-year-old girlfriend,

who had talked the defendant into stopping at the hospital when she became frightened because of his advances.

Anaheim Mother Of The Year

Committee members of the Anaheim Mothers March will hold an open house today at their new offices, 272 E. Lincoln St., it was reported yesterday by Mrs. Donald Ready, chairman of the organization.

Woman Dies In Weekend Car Crash

Elizabeth McGill, 42, injured early Sunday morning in a collision on the Santa Ana Freeway near Harbor Blvd., died the same evening at Anaheim Memorial Hospital.

Car driven by Mrs. McGill who lived in San Diego, bounced off the side of another vehicle and crashed into an overpass abutment.

Another passenger in the car, Keith McGill, also of San Diego, was hospitalized with serious injuries.

Passengers in the other vehicle, Norval G. Snyder, 49, and Bill Ogile, 29, both of Norwalk were treated for injuries at Anaheim Memorial Hospital.

Seven Years Probation For Ruskin

A one-time candidate to the Anaheim City Council was given seven years probation last week on phony check charges.

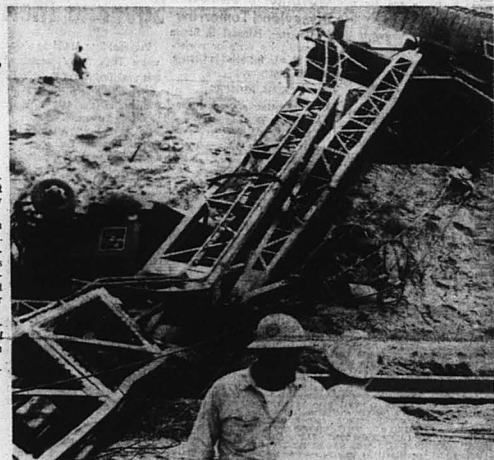

Henry Ruskin, who ran for the council post in April, plead guilty to the charges Friday before Superior Court Judge Kenneth Morrison. Charges filed in the court indicated that Ruskin had cashed worthless checks for approximately \$1,000. All of the checks were passed in the Anaheim area.

One of the conditions of Ruskin's probation requires that he make complete restitution.

During the election race the suspect polled 650 votes and finished 12th in a field of 14 candidates.

DRIVING SAFETY

The Automobile Club of Southern California says that choosing the proper lane — and staying in that lane — is essential to safe driving in heavy traffic.

TWO INJURED — Two workmen suffered serious injuries last week when the pile driver on which they were working toppled over in West Orange (Garden Grove Freeway project) and crushed a truck. The injured—both workers on the self-propelled pile driver which apparently inched too close to the edge of a hill and

toppled over—are Arthur Larson, 60, of 1303 Colonial, Anaheim (hip injury and other minor hurts) and George Hildebrandt, 61, of 2867 Yearling, Lakewood (severe head injury and other hurts). Both were taken to St. Joseph Hospital.

Savanna Booster Club Hosts 200 Two Anaheim Landmarks Slated For Demolition

Over 200 parents, teachers, and administrators attended the first year of the Savanna High School Rebel Booster Club last week at the high school campus.

Meeting was opened by Irv Pickler, president, who introduced the following officers for the year: Doug Leavenworth, first vice president; Bob Hostler, second vice president; Kathryn Fiskin, recording secretary; Dorothy Pinamonti, corresponding secretary; Fred Dorsche, treasurer; William Palmer, faculty advisor.

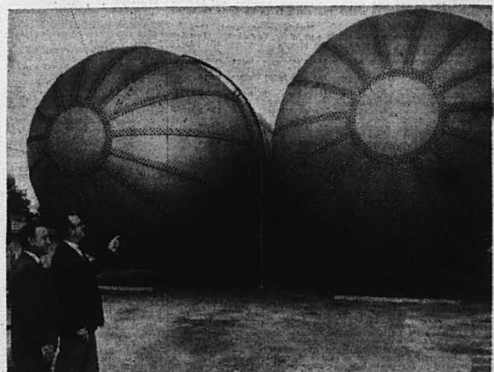

The march of progress will stir nostalgia in the hearts of longtime Anaheim residents as demolition crews dismantle the two Southern Counties Gas Co. holders which have served this area for more than one third of a century.

Large natural gas storage tanks, located on gas company property on Topeka St. near Lin-

coln, at one time played a vital role in helping solve Southern Counties' gas supply problems.

Nowadays, however, modern techniques of underground and pipeline storage have rendered above-ground holders obsolete, according to Paul King, gas company manager in Anaheim.

Two holders can store a maximum of 1,100,000 cubic feet of gas.

LANDMARK GOING—Two familiar old Anaheim landmarks, these two natural gas storage tanks near the corner of Topeka St. and Lincoln, were scheduled for removal this week. Huge containers will be replaced with underground storage

tanks. Above, Thornton Piersall, director of public works for the city of Anaheim, and Paul King, local manager for Southern Counties Gas Co., inspect tanks before they are dismantled.

Anaheim At A Glance

An allocation of \$635,154 was received by the City of Anaheim as its share of local sales and use taxes collected by the State Board of Equalization. Money resembled a 12 per cent increase collected during the second quarter of this year. Distribution represented a 12 per cent increase over the amount allocated during the same period last year.

The University of Michigan has issued a 'challenge' to Orange State College for what may be called the 'second intercollegiate elephant race' in the nation, this week stated Ben Wade, elephant racing chairman at USC. Friday, October 26, is supposed to be the day when colleges and universities meet at the Ann Arbor campus for the mighty race of the pachyderms. First elephant race was held on the USC campus in May, 1962, Harvard won.

A guilty plea entered by Dr. Donald Buka, 1314 Ridgeview Dr., an Anaheim dentist charged with failing to file California individual income tax returns, was reversed last week by Anaheim-Fullerton Municipal Court and a substitute innocent plea accepted. The dentist, who maintains offices at 607 N. Los Angeles St. will be tried Nov. 15. Authorities charge that Buka owes \$1,804 in back taxes and penalties.

Richard Watts, 15, of 9672 Pandora St., was hospitalized last weekend after he ran into a car while riding his bicycle. Taken to Martin Luther Hospital for treatment, the youngster told investigating officers that he was traveling east on Lincoln, near Euclid Ave., and hit the car when it turned in front of him into the parking lot of a restaurant. Driver of the vehicle was identified as Ellery C. Stowell, 41, of Newport Beach.

Sheriff's Deputy To Attend Nat'l Drug Conference

L. James Broadbent
... At Wash. Meet

Sheriff James A. Musick today announced that a member of his Department, Lieutenant James B. Broadbent, has received an invitation from President Kennedy to attend the White House Conference on Narcotic and Drug Abuse in Washington D.C. this week.

"Invitations have been extended to approximately 400 selected authorities in the various disciplines relating to the growing problem of law enforcement in United States," explained Sheriff Musick. Officials from law enforcement, correctional, judicial, legal, medical sociological, legislative research, educational mass media, and pharmaceutical man-

Western High Graduate At Air Academy

Gerry Holmes, a 1960 graduate of Western High School, is now a junior at the Air Force Academy in Colorado Springs, Colorado. Youth first attended the Academy in June 1960 after being appointed by Representative James B. Utt, 26th Congressional District.

Of 220,000 applicants, only seven hundred were accepted. Some of Holmes' many honors while at Western were membership in the California Scholarship Federation, Academic Honors Group (he maintained a straight-A average), awards in the National Poetry Contest and Scholastic Magazine Writing Competition, and a \$1000 scholarship from the North American Management Club.

This summer he spent several weeks with some of his Air Force buddies in Europe and then several weeks at his home in Buena Park. Upon his graduation from the Academy in 1964, after studying such courses as calculus, aerodynamics, advanced chemistry, and English, he will be commissioned as a second lieutenant in the United States Air Force. Friday to seek an up-to-date appraisal of the magnitude and nature.

Manufacturers from all over the nation will meet in the State Department Auditorium Thursday and Friday to discuss the problem. They will also examine the role of law enforcement activities in controlling the illicit supply and in apprehending those engaged in the sale and distribution of such drugs, and examine existing programs for the treatment and rehabilitation of addicts with a view to developing positive and effective means of permanently restoring addicts to a proper and useful role in society.

RICHARD D. HEANEY
... To Head Plant

Anaheim Robertshaw-Fulton Plant Gets New Director

Richard D. Heaney has been appointed as director of manufacturing for Robertshaw-Fulton Division at Anaheim, it was announced today by J. F. Tobias, division general manager. The appointment is effective immediately.

Louis Shannon was named by Heaney as his first order of business, to succeed him as superintendent of manufacturing. Both men have been associated for several years with the Aeronautical and Instrument Division. Heaney is a native of Columbus, Ohio, and holds a B.S. degree in radio engineering from Tri-State College at Angola, Indiana. During World War II, he served with the U.S. Army Air Corps as a radio operator. After his plane was shot down over Germany, he spent 14 months as a prisoner of war. Before joining Robertshaw in 1960, he was a production engineer for the electronics division of National Cash Register Company.

Heaney is active in civic affairs, including a committee for junior achievement and the Little League baseball program. His wife is the former Gloria L. Sewell of Angola. Aeronautical and Instrument Division is one of eight manufacturing divisions of Robertshaw-Fulton in the United States. Its products include airborne flight controls, telegraph terminal apparatus, airborne pressure regulators and valves, miniaturized oxygen breathing systems, level measurement control devices, and process control instrumentation.

Local Woman Tri-County VP For Rep. Club

An Anaheim woman and a Garden Grove man were named this week to head activities by local members of the Orange County Young Republicans.

Organization unanimously elected Harry H. Johnson, Jr., as president at its executive board meeting last week. Johnson has been serving as interim president since Gene O'Rourke of Newport Beach resigned the position last month because of the pressure of business.

In a second action Mrs. J. Robert Scott of Anaheim was named as California region vice president. Her region consists of Orange, San Bernardino and Riverside counties.

New president has been active in Young Republican work since the 1960 campaign. He is currently serving his second term as president of the Garden Grove Young Republican unit and is also editor of the Orange County Republican Challenge, the county party newspaper.

Johnson is a manufacturer's representative and has lived in Garden Grove for eight years. He serves as an alternate member of the Orange County Republican Central Committee.

Previously, Mrs. Scott served for two years as precinct chairman for the third supervisorial district. In 1960 she was second vice president of Orange County YR's and in 1961 active as state YR precinct chairman. Mrs. Scott is currently an alternate member of the Orange County Central Committee.

CAR EXPORTERS

Brazil is the largest U.S. motor vehicle export market, with the emphasis on trucks, according to the Automobile Club of Southern California. The South American country bought 51,100 motor vehicles last year, of which 50,000 were trucks.

Educator Heads Hanna Committee

Orange County superintendent of schools elect Frank Grunfelder today announced the formation of an Education Committee to Elect Richard T. Hanna to Congress in the next 34th Congressional district (West Orange County).

Grunfelder, who will serve as committee chairman, named Dr. Charles L. Ruby, Fullerton Junior College professor and member of the Orange County Democratic Central Committee, as vice chairman.

"Assemblyman Hanna has demonstrated an outstanding knowledge and genuine concern for the best interests of the education of our young people," Grunfelder said.

"As chairman of the Education Committee of the California legislature, Richard Hanna helped push through the master plan of education for California and was instrumental in securing the new University of California campus at Irvine for Orange County as well as Orange State College. He is deserving of the support of all educators."

Chairman Grunfelder named other Orange County educators as members of the executive board for the committee:

Wynn Silver, 603 Amboy, Anaheim; Fred Allen, 11196 Corbett Ln., Garden Grove; Marx N. Dressler, 117 4th St., Seal Beach; Garry Graham, 2508 Chanticleer Rd., Anaheim; Bernard L. Hyink, Orange State College, Fullerton; Reynolds Johnson, Orange State College, 1972 Teal Dr., Garden Grove; Mary Jean Lambert, 1822 Beach Blvd., Huntington Beach; James M. Perkins, 607 West Rd., La Habra; David Snow, 1228 E. Wilhelmina, Anaheim; Margaret Wise, 305 N. Russell, Fullerton; Betty McKinley.

VISIBILITY

The Automobile Club of Southern California reminds you that good visibility is essential to safe driving. Never drive even short distances if the windshield is a hindrance. Your car is not free of insects, road film, and other dirt accumulations. Remember, you have to see danger in order to avoid it.

FIRST CORPORATE GIFT: Robert Shanks (right), general campaign chairman of the Anaheim Western Communities United Fund, accepts a check from S. S. Zamos, controller for Kunin & Sons, Inc. Pat Shay, public relations director for the local food processing plant, looks on. The check is the first corporate gift received by the United Fund this year.

Youngster's Puppet Show Brings \$2.47 To Cancer Society Coffers

Children's minds think big often in a manner which astounds the adult.

It was probably the talk she heard from her parents recently that set young Barbara Heinecke wondering how she could help her aunt, suffering from cancer in a Minnesota hospital.

Well, here she did, generously, too.

Of her own volition 9-year-old Barbara planned and staged a neighborhood puppet show—and donated her modest proceeds to the American Cancer Society.

Why the Cancer Society? "I want them to find ways to make medicine for shots," Barbara said. The money is for shots.

Barbara, daughter of Mr. and Mrs. W. C. Heinecke, 1733 Sallie Lane, Ana., presented the \$2.47 she received from admission and sale of cookies, fruit and punch to the Orange County Branch of the ACS in Santa Ana.

Servite Lists Semifinalists

Five students of the senior class at Servite High School have just been named as semi-finalists in the eighth annual National Merit Scholarship program. The students cited for their outstanding achievement are:

Michael Gan chow, 1556 Norma Lane, Anaheim; Gary Schantz, 2113 Romney, Anaheim; Richard Spehn, 1772 W. Alonaz, Spring, Anaheim; Martin Dowd, 2532 Orange Ave., Costa Mesa.

They are among 895 seniors from 314 schools throughout California who are numbered among the highest 11,000 students throughout the nation. Each Semifinalist now moves a step closer to winning four year Merit Scholarship to the college of his choice.

Qualifying examination, a test of educational development, was given to 566,214 students in 16,000 high schools last March. The 11,000 semifinalists constitute about two-thirds of one per cent of the nation's graduating high school seniors.

Newlyweds To Make
New Home in Anaheim

Making their new home at 618 Pauline St. in Anaheim are Mr. and Mrs. Clark E. Soule who were recently married in an evening ceremony at Capilla de San Antonio.

The bride is the former Patricia Duffy, daughter of Mr. and Mrs. James E. Duffy, 1093 N. Hart, Orange, and the bridegroom is the son of Mrs. Janet McMillan of 2330 S. Shelton St.

The nuptials took place in the Chapel of the Bells with the Rev. Albert Casebeer of the First Christian Church in Anaheim performing the rites.

The bride wore a street length white satin brocade dress and a small hat with a face veil and carried a cascade bouquet of white carnations. For the honeymoon trip to Big Bear Lake she wore a sports ensemble.

Open House Set
By GOP Women

Formal opening ceremonies for their new campaign headquarters at 119 No. Los Angeles St. were conducted Saturday by the Republican Federated Women of Anaheim.

The "Open House" event featured cross country telephone conversations between Bob Geier, GOP nominee for the 34th Congressional District, other GOP candidates, and national leaders in the Republican Party.

Orange County and Anaheim city officials participated in the opening day program. Directing the new headquarters, are Mrs. Mark Hicks, president of the Anaheim Federated Women; Mrs. Herbert Hendrickson, West Anaheim president; and Irma Ray, past president of the Anaheim organization.

AEHS Offering
Classes in Sewing

Due to popular demand in the advanced sewing field the Anaheim Evening High School is pleased to announce that the third class in custom sewing will be offered on Monday mornings in the YMCA building from 8:45 to 11:45 a.m. in addition to the other Tuesday and Wednesday classes already offered.

Mrs. Jeanette Myers is the instructor. All women interested may call the Evening High School PR 2-0660.

Tri Hi Y Has
First Meeting

Mrs. Arlene Ohanian hosted the Jr. Tri Hi Y Women's Committee for the first meeting of the school year.

Vice-President Mrs. Alex Deverall, conducted the meeting due to the vacancy in the office of the presidency. The first item of business was the nomination and election of a new president. Mrs. Otto Griggs was elected president for the remainder of the school year.

Other items of business taken under consideration were rally and potluck for Y Clubs; Hollywood Y-Day Oct. 27; Smorgasbord Nov. 18. New seventh grade mothers will be invited on the committee during the month of October.

Newly elected president, Mrs. Otto Griggs, checked to see that all committee women were working with United Fund. The Anaheim UMCA is a United Fund-Related agency.

Next committee meeting will be held Oct. 9 in the home of Mrs. Robert Dockson.

Couple Visits Here

Dr. and Mrs. Robert Burns McAulay, formerly of Orange, recently spent a week as guests of Mrs. Earl Spencer of Anaheim, sister of Dr. McAulay. While here they visited in and around Anaheim.

MUSIC TO SOOTH—The geriatrics ward at Orange County Hospital will have soothing music flowing through its rooms through the efforts of Chi Omega Sorority. As one of their philanthropic project members of the group raised \$100 recently to have music piped into the ward, two

members of the sorority in the above photo presents the \$100 check and a music record to volunteer Lorraine Warner. The smiling benefactors are Mrs. Dwight Baier (left) of 2204 S. Spinnaker, Anaheim, and Mrs. Robert Hatch (right) of 327 Nina Pl., Anaheim.

Junior Ebell Club Swings into
New Season with Heavy Schedule

"Make the most of yourself; for that is all there is of you."

Taking this famous Emerson quotation to heart, members of the Anaheim Junior Ebell Club have all intentions of making the most of themselves during the month of October, having set up for themselves a heavy schedule of activities which include meetings, a brunch, a luncheon, several social events and various philanthropic and civic projects.

The general meeting, a benefit-recipient night, was held yesterday. Mrs. Gary Lindell, health chairman, presented a showing of the Red Cross "Mouth to Mouth Rescue" film conducted by Frank Bruno, chief of the Anaheim Fire Department.

On the tea committee were Phyllis Boydston, Maureen Brown, Betty Callen, Inez Campana, Ann Carlie, Connie Chapman, Edith Cochran, Jody Coffee, Linda Conklin and Jackie Coe, hostess.

Two new chairmen were named: Mrs. George Blinn, historian; and Mrs. Carl Herro, religion.

Members were informed that those wishing to sponsor new prospective members should have them attend the next two meetings, a requirement for

membership. Those desiring to have coffee with new members are asked to contact Lis Martin for membership cards.

The new members luncheon will be held at the Revere House Oct. 16, at 12:30.

Mrs. Gary Lindell, health chairman, reported that the Volunteer Bureau needs drivers to take patients to the therapy pool and the health department in Santa Ana.

Volunteers are asked to sign up with Mrs. Lindell.

The art section has asked members to save frozen juice cans to be used for paint containers for next year's art classes. They may be turned in to Connie Chapman.

Members are asked to save cotton scraps, any shape or size, for lap robes, and grocery bags for use at the Thrift Shop at Orange County Hospital.

Volunteers are also needed to bake birthday cakes on the fourth Saturday, and volunteers are needed to assist at birthday parties at Orange County Hospital on the third Wednesdays, and to

Kappa Deltas

To Meet Today

Orange County Kappa Delta Alumnae Association will meet Wednesday at 8 p.m. at the home of Mrs. Angelo Mauceri, 9671 Hillview Rd., Anaheim.

A special welcome will be made to new and old members. All Kappa Deltas living in this area are invited to attend and reservations may be made by contacting Mrs. J. M. Swigart, KE 5-8058.

HIGHWAY SYSTEM

The \$1,000 mile Interstate Highway System, scheduled for completion by 1972, will have about 6,700 miles within urbanized areas, the Automobile Club of Southern California reports. The remaining 38,300 miles are intercity routes.

Orange State

Orange State

Board of Directors representing 300 members of the Orange State College Alumni Association met last week to discuss planned activities for the 1962-63 season.

Officers of the board are the following: President Robert J. Blacker, 14224 Greenlane, Norwalk; Vice-president Mike Lynes, 1183 Southeast Sylvan Drive, Santa Ana; Secretary Jacqueline L. Reams, 988 Lombard Street, Pomona; Treasurer Ron Boring, 329 North Citrus, Orange; and board members Tony Lombard, 830 South Nicolai, Fullerton; Gordon McKay, 2929 W. Stanton Avenue, La Habra; Jeri Reiser, 321 North Colfax Street, La Habra; Sunny Smith, 14772 La Jolla Road, Placentia.

Potential attendance over a past year's activities has influenced the Board to expect another outstanding season.

Local Women Taken

Into Delta Zetas

Mrs. E. C. Korlouski and Miss Crystal Tilly, both of Anaheim, will be among the ten Orange County Theta Upsilon Alumnae to be initiated into the Orange County Delta Zeta Oct. 7. Theta Upsilon on Sorority joined Delta Zeta in June.

A reception will be held with the Orange County and Long Beach alumnae as hostesses.

Apple a Day Is Good Fix

The experts are making at least one concession to the old-fashioned health rules. An apple a day does keep the doctor away, they're admitting now.

They've taken three years and the cooperation of 1281 college students to establish something that old grandmothers just know by instinct — apples are good for you.

To arrive at this less than sensational conclusion they made these college students (from one university) munch apples every day for three years and then compared the state of their health with the rest of the student body of over 17,000. The result was an amazing reduction in the apple kids, in the two principal types of illness among the student body — upper respiratory infections and depression-pressure.

Now, it's simple enough to figure out what's in the apple to combat infection: it's Vitamin C, say the experts. But what has them stymied is the part about the tension pressure. Is there a tranquilizer built into the apple, or what? Naturally, they're not going to guess, so they're putting it through the test tubes now, but in theorizing they've suggested that maybe the simple act of munching is soothing to the nerves.

Mancher's Fun
Maybe for the muncher it is, but not necessarily for the listener. Far from soothing my nerves, the sound of someone biting into an apple shatters my tranquility and fires up my tension-pressure to the bursting point. The snap of my nerves and the snap of apple skin under the pressure of the central incisors can be heard simultaneously every time.

If I didn't already know that apples are good for you I'd never keep them in the house. But since they're a necessary item for the promotion of good health I buy them every week. However, I expect people to eat them in their lunches at school where they're completely out of the range of my sensitive ears.

And I keep nice, silent things like plums and bananas on hand

for home consumption. This is what I expect but not always what I get. If somebody's taste buds demand an apple and not a plum, then either he leaves the room, or the apple does, or I do. There just isn't enough room for all three of us.

"Why don't you eat one too?" Tony asked the other day after a particularly emotional scene. "Maybe it works like onions. If you eat them too, you don't mind them so much."

"I've tried that, it doesn't work," I snapped. Biting into it sets my teeth on edge.

He gave his apple a silent lick and threw me a penetrating look. "You should eat them anyway. Once you get through the first bite they'll calm your nerves," he said.

"What do you mean, calm my nerves?" I asked suspiciously. He polished the apple carefully on his sleeve and examined it with glowing eyes. "Whenever I feel all keyed up I eat an apple; then I'm fine again," he said.

"It's like a tranquilizer," I said. **Habit-Forming**

He nodded. "I think there's dope in it. Block your ears, I'm going to take a bite."

I blocked my ears and watched him sink his teeth into the apple, pull off a big section and chew it, his face a picture of pure ecstasy.

"I have an idea," I said. "Let me have a bite while my ears are blocked and see what happens."

He held out the apple and I bit into it. It wasn't quite the same as his bite because it exuded something inside my head, but it helped.

"I could wear ear plugs," I said, feeling tranquil for the first time in the presence of apples.

"Sure," he said, heading for the door. "And meantime, maybe those experts will invent an apple that eats like a marshmallow."

ANAHEIM HS OFFICERS—New Anaheim High student officers took over their posts last week following the opening of school. Elected and installed at the close of the spring semester, youngsters have now officially taken over the duties of the office. Shown above, top row, Janet Kier, pep representative; Carl Mabs, director of assemblies; Paul Frank, student body president; Ty Salness, vice president; and Deanna Mason, secretary of safety and welfare. Bottom row: Kirk Hanna, press representative; Judi White, treasurer; Nancy Decker, secretary of records; Charla Hindley, Girls' League president; and Doug Daniels, Colonsist Club president.

Fifteen Anaheim Residents Win Company Awards

Kwikset Division, Anaheim, now in its seventeenth year, recently honored two employees with fifteen-year service awards. Lester Massar of Garden Grove and Glover Medlin, Norco, both members of the polishing department, were recipients of the special pins.

Awards for ten years of service were presented to: Ed Pelzer, Anaheim; Clairbell Horner, Anaheim; George Schroeder, Anaheim; Albert Sioke, Anaheim; Leona Meadows, Anaheim; Harriet Stephenson, Anaheim; Windell Gallegly, Buena Park; Doug Small, La Habra; and Ruth Ledbetter, Fullerton.

Employees presented the five-year gold pin with a ruby inset were: Leon Arm, salesmen, Tulsa, Oklahoma; and Roy Bell, General Manager, La Canada.

AHS Student Body Cabinet Assumes Duties This Week

Working to serve the best interests of more than 2200 students is the main job of the Anaheim High School Student Cabinet. This year's cabinet is composed of Paul Frank, student body president; Ty Salness, vice president; Nancy Decker, secretary of records; Judi White, treasurer; Charla Hindley, Girls' League; Deanna Mason, secretary of safety and welfare; Pete Dinkler, secretary of student officers; Carl Mabs, secretary of assemblies; Doug Daniels, Colonsist Club president; Janet Kier, pep commissioner; and Kirk Hansen, Anaranco representative.

Because of the varied responsibilities of the cabinet, its members are representative of many different facets of student life. For instance, the vice president presides over the student council; the secretary of records is in charge of all correspondence; the treasurer is in charge of student body finances; the secretary of assemblies is responsible for school assemblies

and pep rallies; the secretary of student affairs coordinates school dances, etc.; the Colonsist Club president represents the interests of all the school's inter-scholastic meetings; the Girls' League president performs the same service for the girls; the safety and welfare secretary is chairman of the Safety and Welfare Committee; the pep commissioner acts as liaison between the cheerleaders and songleaders and the cabinet; and the Anaranco representative is the editor of the school paper and is in charge of publicity. The student body president presides at all assemblies as well as cabinet meetings.

These duties are all in addition to the regular twice-a-week cabinet meetings.

Educators Worried Over Rising Cost Of Schools

By SENATOR JOHN MURDY JR.
33th Senatorial Dist.

Several school administrators in Southern California have indicated a concern over rising school building costs and the present schedule allowance maintained by the State Local Allocations Board. The Board, of which I am Vice-Chairman, has decided to maintain the present allowance pending a report by the staff, recommending a change.

For the last quarter of 1962, the costs are anticipated to remain about the same level as they are now. Costs have increased gradually this year and are at the point now where any further increase would put it into the next allowance schedule for state aid or another five per cent higher cost range.

SIGHT RISE

The Allocations Board admits that costs have risen slightly in recent months because of a new wage settlements in the building industry. But it usually takes a 2.5 per cent increase in labor costs to produce a 1 per cent over all increase in construction costs.

Our quarterly report states that there is nothing in the present trend of the construction market for indicate premium prices on bids. The labor supply remains adequate and materials are plentiful. Construction volume is moderate.

The Allocations Board is thus on record today as retaining the present cost allowance schedule, and we have instructed the staff to keep school costs under close surveillance and report any immediate jump in building costs for appropriate action.

School furniture and equipment continues to show no significant change in cost at present. Our report indicates that ample plant capacity for improved production methods and strong competition have resulted in a long period of price stability. We will continue the present cost allowance schedule on these items for the remainder of the year.

Official arguments for and against the 25 propositions you will vote on in November have been released by the Secretary of State, Frank Jordan. There are a number that are quite controversial and in need of research. As of now I am definitely opposed to Propositions 18 and 23 and you will find my name among the authors of the negative arguments.

Voters in California during the June Primary election apparently were a little bit undecided on who and what they voted for or against. There were 298,033 write-in votes. By comparison in 1954 there were 41,343 and in 1958 there were 63,772 write-in votes.

Who needs the United Funds?
We all do!

Let's go one step further, what if there were no youth, health or welfare agencies at all? No Salvation Army, no Children's Hospital, no Red Cross. These are but four of the sixteen agencies in the local United Fund campaign. To sum it up in one word, we'd be in a MESS.

Without the United Fund, there would be no mechanism to select the needed agency to do a particular job or set of jobs, nor would there be a central planning office to force the need of new and pioneering services to meet

DANGEROUS
Last-minute signaling is a dangerous driving habit, says the Automobile Club of Southern California. Whether you have mechanical turn indicators or use hand signals, the law says you must declare your intentions to turn at least 100 feet before reaching an intersection.

Announce 2nd Disneyland, Marineland MTA Routes

A second extension was announced today of the summer schedule for MTA's Marineline Service linking Disneyland, the Catalina Terminal and Marine land.

The Line 127 summer route will remain in effect until Oct. 21, when a new winter schedule will become effective.

The service linking the fundlands normally terminates Sept. 15, but has been extended twice because Portuguese Bend, Line 127 Marineline offer connections with other lines in Long Beach, San Pedro and Wilmington.

Stops are being throughout the hotel-motel complex surrounding Disneyland and at other points enroute, including connecting

stops for buses from downtown Los Angeles.

The Line 127 service is in addition to the Disneyland Freeway Flyer Service provided from MTA's depot in downtown Los Angeles.

Further information may be obtained by telephoning Richmond 7-4455 in Los Angeles, KEystone 5-7707 in Anaheim, NEWmark 8-6800 in the Long Beach area, OSBorne 5-4461 in the South Bay area, or from other toll-free numbers.

Fullerton JC's Experimental Theater Starts

Spotlights are being focused on what is to be a promising debut for the Experimental Theater of Orange State College in Fullerton. Under the supervision of Dr. James D. Young, a one-act play will be performed starting October 25, through October 27.

Programming will include Eugene O'Neill's, "Isle" — a psychological play in traditional manner; Thornton Wilder's, "Happy Journey" — a farce of the famous play "Our Town"; Eugene Ionesco's, "Bald Soprano" — a European experimental; and "John Doe" — a Yale experimental play not yet produced.

Casting for the plays is as follows:

"Isle" — Muriel Berg, director; Mike Hubbard, steward; Bill Shultz, Keene; Ron Bell, Joe; Merritt Grimm, male; Mike Nored, Ben; Gloria Chenoweth, Mrs. Keene; and Linda Carillo, prompter.

"John Doe" — Mike Hubbard, director; Bill Shultz, father; Alexis Lemmon, Ruby; Ron Bell, Jimmie; Merritt Grimm, Jesse; Don Richter, Arthur Neuman; Mike Nored, Petti; Andy Kormos, John Doe; and Kay Dilline, prompter.

"Happy Journey" — Don Richter, director; Andy Kormos, son; Betty Tucker, stage manager; Muriel Berg, mother; Linda Carillo, daughter; Barbara Bowen, Beulah; Alexis Lemmon, prompter.

"Bald Soprano" — Don Richter, director; Mike Hubbard, Mr. Smith; Bill Shultz, fire chief; Mike Nored, Mr. Martin; Betty Tucker, Mary; Mary Ann Lingquist, Mrs. Smith; Kay Dilline, Mrs. Martin; Gloria Chenoweth, prompter.

Orange State Greets Faculty

A president's reception for the new and returning faculty members and their spouses of Orange State College was held Sunday, September 28, in the Guild Hall, Windsor Room of the Green Briar Inn in Garden Grove.

Dr. and Mrs. William B. Langsdorf were the hosts of the reception, which included honored guests from the community, members of the faculty and their families, and officers of the Associated Student Body. Included among the invitations were members of the state legislature, the county board of supervisors, and the OSC advisory board.

This was the third president's reception in the new college's history. The first affair hosted by the chief executive and his wife, Mrs. Eileen Langsdorf, was held in the Langsdorf's new home at Corona Del Mar, and last year's reception was an all-campus gathering on the Fullerton campus of Orange State.

Over 200 guests were welcomed by the hosts at this third annual reception.

VISIT FORESTS

Visits to National Forests in the Pacific Northwest are up 30 per cent — most of the increase attributed to overnight campers on their way to and from the Seattle World's Fair, the Automobile Club of Southern California reports.

Over 200 guests were welcomed by the hosts at this third annual reception.

ENTERTAINMENT ... In and Around ... Anaheim

Meredith Willson

Appears Oct. 12 On Don Campus

Meredith Willson and his wife Rini, famed for "The Music Man," will present the second program in the Santa Ana College Artist-Drama Series on Friday, Oct. 12, in Phillips Hall.

The musical couple will present "Mirth and Music" in which they play selections from their musical hits, recount highlights of show business, and provide varied entertainment. Willson is a philosophical Iowa who gives long hair music a hair-cut, taking the seriousness out of serious music.

Mrs. Willson is a concert singer while Willson's "Music Man" added musical comedy to a long string of accomplishments. He is the erstwhile star of such programs as "Weekday," "The Big Show," "Ev'ry Day" and "Meredith Willson's Music Room. He also is a prose writer.

The series opened last week with Richard Gray and Mavo Loizeaux presenting "A Wild Evening with Shaw" to a capacity audience, in which they gave highlights from the careers of Oscar Wilde and George Bernard Shaw.

Ann Snider Will Head Sales Dept. At Anaheim Inn

Ann Snider of Anaheim has been named director of sales for the Charter House Hotel. News of her appointment came from Bernard Haering, general manager of the Anaheim Hotel.

"Miss Snider's enthusiasm and

proven past experience made her our number one choice in a field of over 30 applicants," smiled Haering. Miss Snider, who was educated at Long Beach City College, UCLA, and the McGeorge School of Law in Sacramento fills the position vacated last month by Bill Thompson.

A former public relations executive, she also served as legislative attaché in the California State Assembly and Senate. She has compiled and published many detailed reports on California legislative sessions, and has traveled coast-to-coast representing the State of California.

Radioactivity

Amount of radioactivity in the air in Orange County during the past week was recorded by the mobile radiological laboratory being operated by the Orange County Health Department.

Reading on the air sample shows the following results: Wednesday, September 20, 6.2 micro-microcuries per cubic meter of air.

The Health Department began its air sampling program September 15, 1981 as part of a statewide monitoring program under the California State Disaster Office.

CAUTION

Motorists should be extra careful during the first few weeks of the new school year, cautions the Automobile Club of Southern California. Many youngsters will be making their first venture into school life and many let the excitement cause them to forget their safety habits. Drive slowly in school zones and give the youngsters a chance to grow up and learn.

TO APPEAR HERE—World-famed Roger Wagner Chorale will be the final act by Orange Coast College during the Fall cultural series, it was reported this week. Other well known personalities who will appear on the program include William L. Shirer, Dr. Ralph Lapp, Richard Armour and Vincent Price.

Wagner Chorale, Vincent Price, In Cultural Series

Reserved seats are still available for one of the most outstanding cultural series to be presented to the community by Orange Coast College.

Beginning in November, such well-known personalities as William L. Shirer, Dr. Ralph Lapp, Richard Armour, Vincent Price and the Roger Wagner Chorale will come to the Orange Coast stage on Wednesday.

All seats will reserve at the low price of \$7.50 for the five performances which will begin at 8 p.m. Season tickets may still be obtained by writing to Orange Coast College, Costa Mesa 5. The college's 1200-seat auditorium is noted for its fine acoustics and visibility.

William L. Shirer, author and commentator, will be the first speaker to appear in the series on Wednesday.

"Enjoyment of Great Art" will be presented by Vincent Price, actor and art authority, on Tuesday, March 28.

Final of the artist series will be the Roger Wagner Chorale which will appear Wednesday, April 10.

The series of four outstanding personalities and choral group promises to be one of the cultural highlights of the community this year.

OCC Plays Host To Speech Clinic

Orange Coast College hosted the annual fall speech clinic of the Pacific Southwest Collegiate Forensics Association last Saturday, in the school auditorium.

Purpose of the clinic was to discuss the professional explorations of the national debate topic, and to hear demonstrations of the individual events in which forensic students may participate.

Featured speakers were Carol Huggins and Miles Eaton both social science instructors at OCC. They will explore the implications of the national debate topic, which is "Resolved: The Non-Communist Nations of the World Should Establish an Economic Community."

In addition, students from various colleges will give demonstrations of Oral interpretation, oratory, extemporaneous speaking, and impromptu speaking. There will be critiques of each demonstration by various speech coaches from the different colleges.

Expected attendance is approximately 200-300 students besides the speech coaches. Schools from all of Southern California and some from Arizona and Utah that are both two and four year colleges will participate.

Orange Coast Eleven Drops Chaffee In Season Opener

By MIKE GIBB

Orange Coast College scored its first win of the year last week by downing the Chaffee Panthers 34-14 at Gruber Field in Ontario. The game marked the opening of the 1993 Eastern Conference football season for both schools.

Pirate Coach Dick Tucker was pleased with his team's debut.

"They all played a fine game," Tucker said. "I was especially pleased with the backs — White,

Hunter, Crisell and Haynes."

Orange Coast scored in every quarter during their victory behind the fine signal calling of freshman quarterback B111 White, a former Westminster High School athlete.

Chaffee scored the first touchdown of the evening when quarter-back Marty Forese connected on a 12-yard pass to end Jim Carter. Rich Ruiz kicked the conversion for the Panthers to give them a 7-0 lead.

Come Back

Pirates came right back as left half Floyd Hunter broke away on a 40 yard sprint to paydirt. Billy White kicked the conversation point.

Pirates scored twice in the second quarter. The first score came on a 6 yard pass from White to fullback Bob Haynes. White again kicked the conversion point.

Orange Coast took advantage of a Panther fumble as Steve Harper came up with the ball on the Chaffee 45-yard line. The Bucs then moved the ball down to the Chaffee 7-yard line. This time White carried the ball across as he went the seven yards around end. The conversion was blocked and the Pirates went into the halftime with a 20-7 lead.

In the third quarter it was Bob Crisell who took the scoring honors. Crisell bulled his way up the middle from about the 6-inch line to add six more points to the Coast cause. White then connected with a pass to end Ed Hiett for two extra points.

Chaffee also scored in the third quarter as Forese took to the air for the second Panther touchdown. The aerial went 37 yards to halfback Sonny Savers. Ruiz again kicked the extra point.

Orange Coast scored its final touchdown in the fourth quarter. This time White connected on a pass from the two yard line to end Gary Carr. The conversion attempt failed and the Pirates went home with the victory.

Dominguez HS Falls Before Magnolia, 25-6

Game number two proved to be quite another thing for Magnolia's Senienais as they wrote off Dominguez 25-6 at La Palma Saturday night.

The game's first touchdown fell to Magnolia in the second quarter on a two yard plunge by Ron Oliver. The score was brought to 7-0 on Jerry Aquinaga's completed conversion.

Only score for Dominguez came on Magnolia's kickoff as halfback Dave Kramer grabbed the ball on the Dominguez 15 and took it all the way for the touchdown.

Magnolia was back again to stay in the game as quarter-back Joe Moses completed to Larry Bingham for the TD.

In the fourth period Magnolia pushed two more across. Number one was another "Moses-Bingham" good for 30 yards, and the score number two was also a Bingham gain. Taking the ball on Magnolia's 45 he pushed through to close the game.

DEEP, SEE—With very good catches of deep sea fish off Orange County's shores, Congressional candidate Dick Hanna ponders the idea of trying his luck as youthful expert Gary Hilbers shows him the latest in fishing equipment. Hanna admits, though, he may not have time for fishing, with the November elections just around the corner.

Fullerton Keeps Lancers Tied Up

Saturday wrote another page to the Indian-Lancer feud as Fullerton remained number one by dropping Sunny Hills 20-7.

Sunny Hills pushed the first score with a rolling 57 yard run by tailback Ken Fowler. Mick Roesser made the conversion.

Fullerton tied the score in the opening quarter as Bob Anderson picked up 29 yards on a wide run. The conversion was picked up by Ted Owens.

The tie was broken in the second period by Dick Smith after intercepting a Sunny Hills pass on the 32.

Final TD came late in the third quarter on a 63 yard sustained drive topped off with a nine yard pass to Ron Romo allowing Fullerton to walk off with another game as the Sunny Hills bench howled.

Santa Ana Dons Struggle To Defend League Title

Santa Ana opened the defense of its title last week with a 29-0 romp over Southwestern at Chula Vista. Dum Marteen fired two touchdowns passes and Mike Anderson scored twice.

After last week's lengthy injury only two Dons, are out of the Owl game. Harry Monahan and Jim Jarrett, both defensive line starters, are shelved. Mike Brown is a possible participant.

Head coach Homer Beatty said no one was injured in the Apache encounter. "No one hit hard enough," he quipped.

Beatty singled out linemen Frank Masuda, Mark Wiehardt, Jack De Wit, Dick Litzing and Art Hatfield for their play.

Halfback, All-American honorable mention last year, hauled in two touchdowns passes. One was a five yard loss from Marteen; the other was a sensational drive catch of a 15 yard Don Orr aerial.

Marteen connected with Anderson for another touchdown. Marteen, second team All-Conference in 1991, hit on nine of 15 for 112 yards. Ken Tucker tossed an 18 yard halfback pass to Jim Williamson to account for the other score.

Anderson gained 133 yards in 21 carries while surprising John Batton of Anaheim carried for 117 yards in 18 carries.

Savanna Rebels Trip

Whittier College was the setting as Savanna High's Rebels squeezed by La Serna 7-6 Saturday night.

The Rebels took a 7-0 lead in the second quarter with 15 seconds remaining on the clock. Stan Newton completed a 12 yard pass to Dave Ullery and a recovered fumble pushed the score across.

La Serna quarterback Gary McCullough carried the ball over on a five yard roll out play. The conversion was blocked by Dave Osborn to keep the win on the Rebel bench.

Beatty said Citrus Backs James Mickell and Clavie Brown both looked impressive in the contest. Brown was one of the top hurlers in the CIF last year at Monrovia High School.

Anaheim Driver Races Sunday At Gardena Track

Billy Cantrell of Ontario, Chuck Conrad of Anaheim and Jim Roessler of San Bernardino will be the favorites in Sunday afternoon's nine event CJA super-modified car racing program at Gardena's Western Speedway, 120th St. and So. Western Avenue, where a 40 lap main event highlights the afternoon's more than 100 laps of racing, starting at 2:30 p.m.

Cantrell who took his first CJA win of the year at Western just two weeks ago will return driving his T-Bird powered car in which he hopes to score his second victory of the year on the one-third mile clay oval.

Roessler, the 1990-91 CJA champion and Conrad will wheel Corvettes as they try for top position. Roessler has scored one more win than any other driver a Western so far this year in the super-modifieds. He also holds the three, twenty, and forty lap track records for the one-third mile track.

Besides the 40 lap main event, other racing on the day's speed calendar will include a 20 lap semi-main; an eight lap handi-capped dash, four eight lap handi-races, and a three lap trophy dash. Time trials to select the fastest eighteen qualifiers for the afternoon's 40 lap feature will begin at 1:00 p.m.

Servite Friars Break Bosco Tech Eleven 29-6

Servite Friars ran over Bosco Tech of South San Gabriel 29-6 last Thursday. It was clearly Servite all the way despite four lost fumbles and 122 yards in penalties assessed against the team.

In the first quarter Rick Ashenbrenner recovered a Tech fumble on the opposition's 30 yard line. Four plays later Chuck Rees chipped 15 yards for the score, but one of the many penalties called it back. Two plays later Rees went over from the nine but fumbled in the end zone.

Clark Ralph of the Padres recovering for six points. Ashenbrenner's boot made it 7-0. The Friars were anything but quiet for the rest of the half but yet failed to score again.

Early in the third quarter Tom Dehart ramble home from the 15 to increase Servite's magic to two touchdowns. At the end of the period the Friars began a 70 yard march to paydirt. Fred Wing's recovery of a fumble behind the goal again resulted in the score.

The point after missed, so the tally stood at 29-0.

For further cushion Blaine Nye threw signal-caller Gary Fidone for a safety. One play later Mike Hamilton took the Bonus kick and handed off to Pete Ganahl on a reverse; Ganahl scored on a brilliant 57 yard play. The kick after made it 29-0 with 1:10 remaining.

Not wanting to be shut out, the

Technician scored on a 58 yard pass and run play immediately after the kickoff.

Friars ended up ahead in first downs, 15-3, and in yardage from the line of scrimmage, 303-116. It also must be noted that half of Bosco Tech's yardage came on their last play of the game. Quarterback Bill Carey and halfback Tom Dehart stood out among many stars in the backfield, while tackle Blaine Nye starred on the line.

Sierra Club Holds First Fall Meet

The places people go for vacations and the lengths to which they will go to record the scene become apparent at the meeting Tuesday, of the Orange County Group of the Sierra Club.

Convening at 8 p.m. in the Spurgeon Room of Santa Ana Public Library, members and guests brought up to 10 color slides each of their trips for the enjoyment and edification of others attending.

Several took advantage of trips offered this summer by the Sierra Club, while others took off on their own to the sea, mountains, desert or out of the country.

Orange Coast Pirates Open Cross Country Season Fri.

Eighteen Pirate cross-country runners opened the Orange Coast College hill-and-dale season when they traveled to Azusa last Friday, to face host Citrus and visiting Pierce College.

Buc opener was originally scheduled for Sept. 28 on the Costa Mesa campus. However, Southwestern, the scheduled visiting team, decided not to field a squad this year. Following the Southwestern cancellation, the hospitality of Owl coach Ed Conley was gratefully accepted by Buc mentor Norm Luman.

Pirates finished third in the Eastern Conference meet last year trailing champion Santa Ana State.

and Mt. San Antonio. Citrus was the sixth place EC team in '91. Pierce has always been a factor to be reckoned with in the Western States Conference. Second last year, they then placed eighth in the Southern California meet; Orange Coast was seventh in this same race.

Pirates are led by three sophomore-lettersmen. Captain of the team, Joe Garrett of Westminster, is the only hold over from the Big Red Eastern Conference cross-country championship team of 1990. Assistant Captain in leading the '92 squad are Mike Scholting of Bolsa Grande (number 5 man on the '91 team) and last year's sixth man, Dale Whitley of Huntington Beach.

Rest of the team are freshmen, and have yet to be ranked in junior college competition. Alphabetically they are Bob Bonadurer (Newport), Al Britt (Laguna Beach), Bob Compton (Newport), Fred Cox (Huntington Beach), Richard Heard (Orange), Pete Joughbold (Newport), Steve Lehnhard (Costa Mesa), Terry Lundy (Newport), Harry Martin (Santa Ana), Dennis Matthews (Bolsa Grande), Vince Stromgren (Valley View), Vince Sweetser (Newport), Pete Smith (Canada), Alan Turner (Westminster) and manager Wally Rokkum (Garden Grove).

Pioneers Hold Milikin, 14-13

Western's Pioneers blazed a happy trail as they edged a tough Long Beach Milikin 14-13 Saturday night.

Western scored both TD's in the second quarter. The first by Ken Box was brought across from the two. The second was picked up by Gary Vincent after grabbing an aerial to run 30 yards for the score.

Both conversions were completed by Bob Flint to give the Pioneers the scoring edge.

OCT. 1 TO 10 ONLY! CALIFORNIA FEDERAL'S SPECIAL OFFER!
2 FREE BOOKS

to welcome new friends — to thank our old friends

Two books for the price of none! California Federal Savings gives you the profitable, fact-filled book, "Personal Financial Management for the Average Family" by Walter Addison Watson — and — the exciting "Holiday Cookbook" We make new friends and say "thanks" to old friends. That's fair exchange. So, pick up your pair of free books at your nearest California Federal Savings Association office. Hurry — offer ends Oct. 10! When you come in, take a minute to learn about the substantial quarterly dividends and the famous Four Safeties enjoyed by all California Federal savings accounts. In fact, you'll never find a better time to open or add to your California Federal savings account than right now. If you have savings elsewhere, transfer details can be arranged by our friendly staff.

HURRY IN! 2 BOOKS PER FAMILY WHILE SUPPLY LASTS! NEW SAVINGS RECEIVED OR POSTMARKED BY OCT. 10 WILL EARN FROM OCT. 1. ACCOUNTS INSURED BY FEDERAL SAVINGS & LOAN INSURANCE CORPORATION.
