Vol. XXIV—No. 245 Anaheim, California, Monday, May 16, 1921. TWENTY-FOURTH YEAR

ALL READY FOR HARDING TO SAY WORD

Baby Show Biggest Ever Held In So. Cal.

WILLIAM RUSSELL'S WILD WESTERNERS TRIM ELKS 2 TO 0

Bryon Houck, Vernon Coast League Holdover, Sets Down 11 Locals by Strike-Out Route

Anaheim Elk baseballers got some real practice yesterday afternoon at Commonwealth park when they bumped up against William Russell, wild westerner of the movies, and his bunch of fast pa-Coast leaguers and semi-pros. Those fans who stayed away for fear they would be forced to witness a farce similar to the one staged by the very tame Tom Mix Wildcats the previous Sunday missed the best game of the pre-Elk State league season.

It was a case of too much Byron Houck, star twirler with the Vernon Coast leaguers last year and a holdout this season. Houck held the locals to six hits and struck out 17. Salveson, who started the game for Anaheim, permitted five hits— two in the fourth and three in the fifth, the Russellites counting one tally in each frame. Salveson fanned four, the same number as Hughes who entered the box in the fifth. Hughes showed more ability to cope with the delivery Houck, permitting but one scratch hit in five innings.

The pleasure of the afternoon's pastime was somewhat interferred with when Urtubees, right fielder for the visitors, failed to dodge one of Hughes' fast inshoots and was knocked unconscious, the ball hitting him near the left ear. He regained consciousness within a few minutes and was taken to the Fullerton hospital where he suffered a hemorrhage of the ear.

Houck kept Anaheim hits scattered, permitting no more than one in an inning. In the fourth inning the locals made their direct threats to count when Bush got on by Urtubees' fumble of his fly. Ramage sacrificed him to second and Hawking sent him to third in the same manner. Then Captain Buster Callahan, who had doubled the previous inning, was purposely walked and Hawkins got on similarly. However, Cline fanned with the bases full.

In the next inning, Houck struck out three in a row.

There will be no game next Sunday on account of the Orange show but a week from Sunday Pasadena Elks will be the opposition.

The Russellites will probably be brought back for another game two weeks from Sunday.

The box score:

RUSSELL'S ALL-STARS—

	AB	R	H	SH	PO	A	E
Setz 3b	4	1	0	1	0	1	0
Simmons 2b	3	0	1	0	3	0	0

SCHOOL CHILDREN SEE SHOW TUESDAY

The school children of all the grade schools of Anaheim will turn out en masse for the orange show tomorrow afternoon, C. C. Smith, superintendent of the grammar schools, stated this morning. The children will visit all the exhibits, see the miniature packing house in operation, and use the amusement grounds to the south.

HOKLENBERGER SELLS LOT

A new record price was set for Main-st property, Huntington Beach, when Patrick H. Quinn of Huntington Beach paid to W. Kohlenberger of Anaheim $6,000 for the vacant lot next to the Princess theatre.

This lot has a frontage of 25 feet on Main-st and is 117 1-2 feet deep, and the sale price is $240 per front foot, or $40 more than the last sale of property in this block a few weeks ago.

—Witman, Investment Specialist.

Expects $15 But Finds $107.83 Coming to Her

Just like getting money from home!

The First National bank has just received a letter from Mrs. Clara J. Pierce, of Pomona, asking that she be forwarded $15 and accrued interest, enclosing a deposit book showing the deposit to have been made Jan. 8, 1906, provided she hadn't checked it out.

The bank looked up the records and found that she had checked out the $15 and also a deposit of $35 made May 7, 1906. However, the bank found that Mrs. Pierce had forgotten about a deposit of $53 made Oct. 7, 1907, and $11 on Nov. 4th, 1907, which has been accumulating interest steadily ever since.

Soon, instead of Mrs. Pearce getting $15 she will be getting $107.83.

JOE BASTANCHURY SEVERELY INJURED

Joe Bastanchury of the Bastanchury ranch near Fullerton, was seriously injured last night while returning home from Los Angeles when he turned a sharp curve near his home at too fast a speed and his car turned turtle. His collar bone was broken and he sustained a deep gash across his forehead and many cuts and bruises about the face and arms. He was given surgical attention by Dr. J. W. Tuxaw of Anaheim, and later taken to his home.

ANAHEIM GIRLS WIN FROM CHINO 21-20

The Anaheim high school girls' baseball team under the coaching of Miss Day defeated the Chino girls 21 to 20 in a game at Chino Friday evening.

Miss Margaret Schneider won a place in the girls' singles for the semi-final tennis tournament next Saturday at Los Angeles in an interscholastic tennis meet at the Chaffey high school Saturday. The Misses Carmichael and Jeanie McElheny won places in the girls' doubles.

REDUCE FISK TIRES 12½ TO 20 PERCENT

The Fisk Rubber Co. have announced a substantial reduction in the prices of their entire line of tires. The new prices show decreases of from 12 1-2 per cent to 20 per cents.

This reduction places quality tires within the reach of all car owners as it brings the first cost of high grade tire equipment to a low enough level to conform with their necessary economies.—

BANDS WILL LEAD PARADE TO GROUNDS

The Anaheim and Fullerton bands will alternate in leading the parade to the Valencia show grounds each evening. The Anaheim band will march from the center of Anaheim to the show grounds on Tuesday, Thursday and Saturday evenings.

MAY ERECT SCHOOL WITHOUT BOND ISSUE

It is possible that the new Mexican school building which Anaheim desires may be obtained without a bond issue, C. C. Smith, superintendent of the grade schools, stated today. At any rate, Mr. Smith said, there are hopes.

BLUE BIRD DAY NETS $200

Blue Bird tag day Saturday in Anaheim resulted in the raising of $200 in the campaign for the benefit of the Community Welfare League, which cares for crippled children.

$500 CONTRIBUTED TO W. F. M. S. AFTER MISSIONARY SERMON

490 In Attendance at Methodist White Temple Sunday School Yesterday,—a Record

Dr. J. A. Geissinger spoke yesterday morning at the Methodist White Temple on the subject, "In His Stead." Text: "So Send I you," John 20:21. Following the sermon a collection totalling $500 was taken for the W. F. M. S. Last year the collection amounted to $220. There were 490 at Sunday school, a record.

Dr. Geissinger said in part:

There are two very important implications in this text. The first is this: Christianity thrusts us forth to work for the redemption of the whole earth. That is a hard saying for most of us. Like the apostles we would build our tabernacles apart from the grind of the world and spend our time in holy contemplation. We believe in the forgiveness of sins, in the assurance of God's love, in peace of conscience, in the communion of the Holy Ghost, in the joy of the Lord. But that we are to bring the principles of Christianity to bear upon all life and civilization for their transformation—that seems to be hard saying and takes us out of the quiet of contemplation and worship!

The second point in the text is this: Jesus Christ, himself lays upon us the commission to carry the gospel to the whole wide world and to toil for that time when the the whole wide world will be for Jesus.

I shall take for the background of what I wish to say to you this morning the gist of three recent great utterances. Last October Robert E. Speer spoke before many of the educators of the country at the fiftieth anniversary of the founding of the Ohio State University, upon "The Ideals and Principles Which Should be Laid Upon the Lives of Our Young Men and Women in Our Universities." He named four such principles, cooperation, personal values placed above property values, fraternalism or unity and collective leadership.

The second address is that given some time since by Robert Horton, in London, on "The Spiritual Revolution," in which he argues that man must find his joys in acts of enlightenment and mercy; not in carnal pleasures, gluttony, lust, pride, and self-exaltation.

The third is a report by Margaret Slattery giving her first impressions of China. She sets forth the squalor, the ignorance, the misery, the suffering of life in China and over against that the light that Christianity is bringing into the lives of the Chinese people. The hope of China is in the study of the Book, the principles of democratic government, the laws of health, the lives of the great servants of the race, in the schools, the hospitals and compounds of China.

My message to you is that we are to lay upon the minds and hearts of the men and women of the world the great Christian ideas and ideals, the ideas and ideals of personal worth, of cooperation, of brotherhood, of sacrifice. This is the commission that Christ lays upon his church in this text.

He knows when he gave it that his followers would encounter ignorance, superstition, idolatry, materialism, greed, jealousies, race prejudice, political intrigue, immorality, injustice, and ill-will. But he sent them forth commanding them to trust in God, to be led by the Holy

Dollar Day, Saturday, May 21—Anaheim's Greatest Bargain Event. Watch the Plain Dealer.

INTEREST IN BABY EVENT GROWING BY LEAPS AND BOUNDS

It Now Appears That Score of Doctors and Nurses Will be Swamped in Judging

Interest in the Baby Show in connection with the Valencia Orange Show May 17 to 22, seems to be increasing by leaps and bounds. At first it was thought that the Baby Show would be but a small affair, but present indications are that it will be the biggest thing of its kind ever given in So. Calif. and will be one of the main attractions of the Orange Show. Women have registered their babies by the hundreds, while merchants have donated prizes lavishly, all being anxious to do whatever they could to make the Baby Show a grand success.

The direction of the Show has been in charge of a committee of women of whom Mrs. E. J. Horsley, Mrs. Garnett, Mrs. H. A. Johnston, Dr. Bessica Raiche, Mrs. Wm. Jackson and Miss Kuehle together with others have been untiring workers.

A committee of ladies from various parts of the county will act as hostesses, about five different ladies being present each day, whose duties it will be to meet the people who come in, take them around to the different exhibits, demonstrating the same, give out government literature on Child Welfare life, take charge of the programs, and look after the comfort of the people in general. A matron has been secured who will be in constant attendance at the rest room in order to make the women and children feel at home. Also, a sand pile where the kiddies can dig to their hearts' content, has been provided. Likewise, there will be a nursery with trained attendants who will take charge of the children while the mothers are looking over the exhibits in the larger tents.

The interior of the tent has been tastily decorated and around the sides will be numerous exhibits by local merchants and others. The Red Cross has sent a full equipment, including First Aid boxes, milk exhibit, dental hygiene, salvage and shop reconstructed garments and many health service posters.

There will also be a school exhibit from the public school and numerous health posters made by the young ladies of the high school and grade school have been placed in the windows of the local merchants. Beautiful booths have been installed displaying all kinds of children's clothing, toys and everything pertaining to child life.

The show will be open from 10:00 o'clock each morning, when the judging of the babies will begin, until the Orange Show closes in the evening, but will have no Sunday program.

Mothers are invited to bring in their babies for examination whether they have entered in a coupon or not.

The Japanese Association will bring all the babies they have, Dr. H. D. Newkirk has been informed. He says that the show will be fairly swamped. Preparations are going right on today in the baby show tent and will soon be completed.

The following prizes have been offered:

Sweepstake prize—best boy under 5 years, engraved silver loving cup, $25, by Johnston-Wickett clinic.

Sweepstake prize—best girl under 5 years, engraved silver loving cup, $25, by Anaheim Laundry.

1st prize—age to 1 yr., $5 saving account, Anaheim National bank.

2nd prize—age to 1 yr., $1.00 saving account, Golden State bank.

1st prize—1 to 2 yrs., silver spoon, Hartfield Jewelry store.

2nd prize—1 to 2 yrs., $1.00 saving account, Golden State bank.

1st prize—2 to 3 yrs., silver cup, Alex Witman jewelry store.

2nd prize—2 to 3 yrs., $1.00 saving account, Golden State bank.

1st prize, 3 to 4 yrs., $5.00 saving account, First National bank.

2nd prize—3 to 4yrs., $1.00 saving account, Golden state bank.

1st prize—4 to 5yrs., $5 saving account, Southern Counties bank.

2nd prize—4 to 5 yrs., $1.00 saving account, Golden State bank.

Fattest 6 months old baby, photograph prize, Betzhold, the protograpaher.

Baby one year and younger with the longest hair, brush and comb, Falkenstein's.

Best Mexican baby, set of gold pins by S. Q. R. Store.

Best Japanese baby, $5.00 saving account, First National bank.

About 50 blue and silver ribbons will be awarded to the babies who are not quite fortunate enough to secure one of the above prizes.

CHAUTAUQUA WILL RETURN

The Ellison-White Chautauqua will return to Anaheim next year under the same conditions it was here last year, it was stated today.

Electrical troubles—Phone 456.

MAXIMUM MERCURY

The maximum temperature today was 72, it was reported at the Anaheim Orange and Lemon Ass'n.

Program of Valencia Orange Show Tuesday

10:00 A. M.—Opening of Exposition by Warren G. Harding, President of the United States. The President will open the Show by long distance telephone from Washington, 1 o'clock, eastern time, which corresponds with the opening hour printed here. His message will be received by Charles C. Chapman, Honorary President of the Show; Mrs. E. E. Remsberg of Santa Ana, sister of the President, and Wm. Stark, Mayor of Anaheim, and immediately announced to the waiting assemblage.

This is the first time in the history of the world that an exposition has been opened by a Chief Executive, impelling his own voice over more than three thousand miles of telephone wire. The President has kindly volunteered to perform this function, through the courtesy of Hon. Samuel Shortridge, U. S. Senator from California and Hon. Phil D. Swing, Congressman from this district.

1:00 P. M.—Opening exercises of the Exposition to be held in Citrus Department. Address of Welcome by Hon. Tom McFadden, Chairman of Committee on Reception and Entertainment. Responses by prominent Californians.

2:00 P. M.—Opening of Amusements—the Valencia Joy Zone.

3:05 P. M.—Concert in grandstand, Citrus Department, by Harry Green's Famous Marigold Gardens (Chicago) Orchestra, interspersed with vocal, instrumental and vaudeville numbers.

6:30 P. M.—Concert—Anaheim Municipal Band.

7.30 P. M.—Orchestral Program. 9:00 Vaudeville.

100 CARS IN TRIP TO CAJON SATURDAY

Practically all Anaheim auto dealers turned out Saturday to the picnic at Camp Cajon in observance of Cal. Automobile Day. There were about 15 cars from Anaheim and about 100 cars from Orange-co. which attended the picnic at Camp Cajon.

Harry D. Riley stated this morning that the roads were in fine shape, and that the day was one of the most enjoyable of the year, the scenery being unsurpassed. The first batch of cars left Anaheim at 8 o'clock, the remainder going independently. All the cars carried advertisements of the Orange show here, and these attracted much attention, especially in San Bernardino.

The camp itself was surprising, and the equipment there something that cannot be found in many places, even in Calif. There were all kind of cooking utensils and places for cooking, and practically every fraternal organization in the country and social organizations are represented. There is also a spring of nice cool, clear water.

Riley expressed himself as being particularly interested in a fat man's round table. There was no particular program for the day, as it was simply a social get-together, and as no cops were in sight the prevalent pastime was African golf. Camp Cajon must be a welcome sight to tourists after crossing the deserts. The view from the summit of the mountains there is one of the prettiest in So. Cal.

EXHIBIT OF SCHOOL WORK IS DIFFERENT

The grammar school exhibit this year will be different from any ever held before in Anaheim, C. C. Smith, superintendent, stated today. Instead of having it only one day in one building where less than two dozen parents would see it, it will be held for a week in the window of the S. Q. R. Store at Center and Los Angeles-sts, which space has been generously donated by Mr. Renner. The date for the show will be announced later.

SAVAGE INDIANS COMING SATURDAY

Big Heap and Little Heap, the real thing in Indians, from the Savage Tire Co. at San Diego, will be here Saturday to assist in advertising this popular make of tire.

They will make their headquarters at Heffer's Savage tire store on No. Los Angeles-st.

AMERICAN LEGION WILL MEET TUESDAY

Anaheim Post, American Legion, will hold its regular bi-weekly meeting at the clubrooms tomorrow evening. Members are urged to be on hand despite the fact there's an orange show in town.

Liberty Garage, for Your Ford repairing and parts. Work guaranteed.

Baby Show Registration Coupon

Mothers wishing to enter their babies in the prize contest of the California Valencia Orange Show, May 17-22, should fill out and mail to the Baby Contest, Anaheim C. of C., the following coupon at once, then they will be notified what day and hour to bring their babies for examination.

Name of parent .....

Address .....

Age of child ..... Nationality .....

SEEK SUBSCRIPTIONS FOR SALVATION ARMY

With a quota of $2500 for No. Orange-co and but one $10 subscription reported in Anaheim todate, Chairman Wm. P. Webb, Jr., of the Orange-co campaign committee for the Salvation Army, issued a special appeal today for voluntary subscriptions to this very worthy cause.

Mr. Webb has put the purpose of the committee to make a house to house canvas and individuals are cordially urged to leave their subscriptions at whatever size, with E. E. Smith, treasurer, at the Golden State National bank; J. H. Whitaker, with the Orange-co Rock & Gravel Co., Fisher-bldg, or with Webb at his office in the I. O. O. F. bldg.

With three counties over the top in the opening day of Ammunition Week, the Salvation Army's campaign gives promise of being a complete success thruout the state. The first county reported to have attained its quota was Placer.

Following closely the lead set by Placer county, Yuba and Sutter counties came in neck and neck for second place. According to W. E. Langdon of Marysville, chairman of The Army's joint campaign in these two counties, the quotas were attained with more enthusiasm on the part of the public and the volunteer workers than has marked any campaign since war days.

In former years the men and women of The Salvation Army were required to daily solicit contributions in order that the work of this organization might be carried forward. In recent years, however, the annual campaign has been substituted by a drive for funds.

Under the new arrangement The Army is able not only to have its men and women devote their time exclusively to the specialized work for which they are trained, but the work can be more efficiently executed through a form of proper budgeting.

ANAHEIM IN FINALS IN TENNIS TOURNEY

Anaheim high school entered the So. Calif. championship tennis tournament Saturday at Chaffee high school. There were 92 entries, including some of the best talent in the south. Anaheim girls' doubles and singles fought up to the third and semi-final round which will take place next Saturday. The two boys' teams were not so successful, being eliminated in the first round.

The coach is very well pleased with the showing of the players for Anaheim is the only school in the orange league to get into the semi-finals.

ORANGE CITY HALL FINISHED

Orange's new $80,000 city hall building is being "dressed up" for the coming of the municipal officials it will house.

The mammoth building stands completed with the exception of some tinting.

—If It's from Witman's, It's Good!

AS NEARLY READY AS POSSIBLE NOW FOR OPENING TUES.

All Visitors Barred Until Opening at 9 a. m. Tuesday to Avoid Confusion

The California Valencia Orange Show, at the hour of going to press, is as nearly finished as is possible at this time, and all concessionaries and exhibitors will be working all night to have everything ready for the big ceremony by long distance phone from Washington D. C., at 10 o'clock.

A strict rule, barring all visitors until the opening of the show, is being enforced for the reason that exhibitors cannot quit on the finishing touches if any misturbances are permitted.

All day Sunday Mr. Lewis, radio superintendent of the Pacific Tel. & Tel. Co., of Los Angeles, was busy perfecting all wires over which the President's message will come. He spent several hours, talking to Chicago and intermediate points. The enunciation of the second operator, put on at Chicago, was so clear that it sounded like one from the Valencia Hotel. The lady was talking into a desk telephone at Chicago office, and reported that the weather was overcast and a low temperature prevailed at Chicago. She said that she wished she was in California among the orange groves. Salt Lake reported bad weather, but the line was very clear and the voice could be heard quite distinctly. Officials in San Francisco and all the principal points where the engineering corps of the company is maintained were listening on the line and many local people listened in with great interest.

It is stated that the President's message over this long distance line will involve the assistance of many scores of persons, and the work here has taken four solid days. As this is the first time such a message has ever been sent, since the perfection of the transcontinental long distance telephone, the scientific world is on the qui vive and the story will receive unlimited publicity.

The full load of electricity, excepting on the sides of the racks, was carried all night Sunday and last night and the users of electricity in Anaheim noticed the fact perceptibly.

The view from the gangway through which visitors enter the Exposition is in an entrancing manner, and pictures the human idea of fairyland probably as comprehensively and beautifully as ever was attempted anywhere. Several who visited the Chicago Auto Show recently held and which was said to have furnished the finest exposition of automotive scheme ever put on in the United States, enthusiastically declared that for its size, the California Valencia Orange Show offers even greater charm to the eye.

In the industrial department, an auxiliary building 40 feet long has been constructed under the direction of Chairman H. E. W. Barnes of the entertainment committee so that crowds in both ends of the exposition will be held, and there will not be the constant shifting of people which has been experienced at other shows, much to the annoyance of industrial exhibitors. In this particular the California Valencia Orange Show will stand out in exposition history. At 8 o'clock tomorrow morning, C. W. Reeves will call on Howard Gates for a beautiful bouquet to be carried by Mrs. Remsberg, of Santa Ana, the President's sister. Mr. Reeves will then call for Mrs. Remsberg in an automobile, provided by the Studebaker agency, and bring her to the Exposition grounds by 9 o'clock. Within a few minutes after this time, the Los Angeles correspondents of Selznick, Pathe, Fox, International and Pathe motion picture weekly will rehearse the ceremony to be carried out by President Harding from Washington. The visitors who will be privileged to hear President Harding will be seated at an 80 foot table provided for that purpose, and place receivers at their ears so that photographers can have every assurance of getting what they want of this novel ceremony. Representatives of all Los Angeles papers will be on hand to make staff pictures.

Dr. Bessica Raiche reports that about 200 babies will be registered and there will be a plenty of doctors and nurses on hand who will examine and score them. Parents are requested to bring their babies in plenty ahead of the appointed hour. The afternoon programs will be full of worth while and all mothers who possibly can stay are requested to do so. There will be all attendants necessary to take care of the children that mothers wish to leave in the care for which a nominal charge will be made. The program will be announced very closely.

DAILY GREETING TO OUR READERS

How guilt, once harbored in the conscious breast,
Intimidates the brave, degrades the great!—Dr. Johnson.

This country today is much more in need of doing than of talking.

Moral courage is not always so spectacular as physical courage, but in many instances it is more real and more admirable.

Congress is coming along with its work as expeditiously as reasonably is to be expected, perhaps. But there is the usual surplus of superfluous talk.

The American people and millions in foreign lands habitually trust to Providence and the American farmer to feed them. This trust is not misplaced. Providence is unfailing, likewise the farmer.

Observance of Memorial Day should not be prefunctory, indifferent and listless. The people should put vigor of devotion and soulfulness into these commemorations.

Teach the children to be polite. The little thoughtful courtesies make life sweeter and make human nature more attractive. A spontaneous show of politeness always makes those who witness it, as well as the recipient of it, feel better.

Not a child in all this broad land should go hungry. There is abundance for all. The hand of greed should be stayed, and ways and means of distributing foodstuffs should be made such that all people everywhere, may have enough to eat.

No alien who feels that the United States government should be destroyed by violence should be permitted to remain in this country. Such person is apotential enemy, not only of the government but of the people of the United States.

The California delegation in the lower house of Congress is working as a unit in endeavoring to obtain adequate tariff protection for California's orchard and farm products. This teamwork, with political differences forgotten, is sensible and praiseworthy, and should get what is desired.

There should be a Society for the Prevention of Cruelty to Stomachs, and one of its first works should be to induce people to stop abusing their respective stomachs by overloading them; by giving them improper food; and by eating at unseasonable hours.

A diploma from high school, college or university will not, in and of itself, carry a young person very far in life. But the educational training which the diploma represents, if it be backed by character, competency, courage and consistent energy on the part of the graduate is of vast benefit in assisting a young man or young woman to get on in the world.

The problem of the railroads cannot be worked out in an hour or a day. It requires time, and genius, and patience, and there should be co-operation on the part of all who are directly connected with the management and operation of the roads and also on the part of the public. The success and efficiency of operation of the roads is closely related to the prosperity and development progress of the country.

There are glowing opportunities at Washington now for great statesmanship to develop. The raw material, so to speak, is there, in the form of urgent needs for constructive legislation. Who will be the master artisans of statecraft to seize upon these needs and, with consummate courage and wisdom, formulate and mould sagaciously in legislation? Every crisis in national history develops its one or more great men. The Nation awaits the fledgling of a super-statesman in this crucial period.

WORKING FOR THE STATE MADE OBLIGATORY

Bulgaria has hit upon a plan of rehabilitating itself that appeals to common sense as being effectual. All classes of society must give a certain amount of work each year to the state. The law applies to men of 20 years and over, and to girls and women more than 16 years old. The labor that is required comprises roadmaking, sanitary service, digging canals, street paving and the building of schools and reading rooms.

What a blessed thing it would be if world conditions were such that each and every nation could, with safety to itself, turn from the building of armaments and military training to the performance of such wholesome labors of peace as the Bulgarians are doing!

BASEBALL CORRUPTION IS OUTLAWED

Corruption of baseball is outlawed in California. The legislature, at the recent session, passed the Flaherty bill making bribery of baseball players or others connected with the game a felony. Governor Stephens has signed the measure and it is law. California has done well to put this legal stigma upon dishonorable methods in playing the popular national game. Enactment of this legislation was inspired by the fact that the attempt to prosecute accused players of one of the Pacific Coast League teams failed in this state because there was no statute specifically outlawing bribery of this nature. Henceforth those who would attempt to debase baseball can be proceeded against under criminal law and those found guilty of bribery [illegible] punished and branded as fel-

[illegible] great numbers of Americans [illegible] intensely interested in this [illegible] game have the right to be [illegible]ed against crookedness. With [illegible] firmness and promptitude [illegible] promoters of baseball on [illegible] throughout the coun[illegible] up strongly to its de[illegible] crooks. Players in both [illegible]nor leagues against [illegible] were made or suspic[illegible] been put out of the [illegible] some of them [illegible] are being taken[illegible], and all are de[illegible] organized base[illegible] relentless foe of [illegible]ption, is nation-

al arbiter of the organized game and soon is to devote his whole time to this. Managers and owners of teams are cooperating to cleanse the game for good and all. The outlook is of the very best.

RETALIATION ON TARIFF IN PROSPECT

Argentina and Uruguay are much wrought up about the emergency tariffs that the United States Congress is about to levy—particularly the duties upon meats and other animal products of those two countries. Threats of retaliation are made in both countries. Imposing of high tariff rates on American goods is suggested; and also individual boycotting of American markets, by selling elsewhere. But some of the cool-heads down there point out that increased tariffs, made in Washington, will themselves impose retaliation in that, by shutting out imports from Argentina and Uruguay, the U. S. would continue to suffer by reason of bad exchange conditions. If the U. S. does not continue to buy from South America, they contend, exchange rates will continue to be so unfavorable that South America will not be able to buy from the United States.

This situation is exceedingly delicate. The American farmer should have adequate tariff protection, it is felt. At the same time it is extremely important that the United States cultivate close trade relations with Latin America and, if possible, hold the rich commerce with those republics which easily might be alienated by governmental policies at Washington which the Latins might regard as unfriendly toward them. A fair measure of reciprocity, it would seem, should be initiated by the U. S., to hold the good will of Latin America.

SHALL PHILIPPINES BE INDEPENDENT NOW?

General Wood, arriving at Manila, was greeted with banners and shouts insisting upon near-future independence for the Philippines. General Wood is sent to the islands to study the situation from every angle and to report as to whether or not, in his judgment, the Filipinos are prepared for autonomy.

It should be understood by all the world that the problem of the Philippines, as Americans view it, resolves itself into this: When should autonomy be granted? It is solely a question of time and preparedness on the part of the Filipinos to assume the grave responsibilities which complete political independence would impose upon them. No true American wants to imperialize the islands by making them subject territory to be held in vassalage by the United States. This nation is solemnly pledged to give independence to the islands. This pledge will be kept. The only question is, When? The time will not be prolonged beyond the nearest date upon which, by expert judgment, the Filipinos shall have demonstrated their capability to rule themselves wisely and in peace.

The United States is not tyrannizing over the islands, nor is there anything in American rule to which Filipinos reasonably can object. Their yearnings for independence well may be curbed, to await the suitable hour. Then, they may rest assured, the United States will redeem its pledge in full.

FEDERAL PRIMARIES IN PROSPECT

Since the recent decision of the United States Supreme Court in the case of Senator Newberry, of Michigan—which decision virtually nullifies primary contests as applied to nominations for federal positions—friends of the primary system have been casting about to devise ways and means of giving Presidential and Congressional primaries constitutional sanction. The conviction prevails that the sure way is, to submit to the states a constitutional amendment authorizing Congress to establish a Presidential direct primary and to regulate primaries for the nomination of Senators and Representatives. That an amendment of this nature would be ratified quickly there is no doubt.

The primary system, while not without its defects, is the nearest approach to democratic representativeness in making nominations that has yet been devised. The flaws that have developed in the primamry system are not fatal. They can be corrected as experience denotes the best means. Meanwhile, the people should have this system maintained unimpaired, so that, in naming the President and members of Congress, they may have free and untrammeled choice.

A Want Ad in the Plain Dealer Will Bring Results.

ANNUAL PICNIC OF FARM CENTERS BIG AFFAIR SATURDAY

El Toro Best Represented with 26 Out of 31 Members Present

The third annual picnic of the Orange-co Farm Bureau Saturday at Orange-co Park was the biggest ever held. On the same day Farm Bureau picnics were being held all over the U. S.

Splendid music was furnished by the Fullerton high school symphony orchestra, under the direction of Prof. Harold Walberg. The following selections were rendered: America's Finest March, Romance, Fond Memories, Spirit of America, embracing the national anthem and other patriotic selections. Miss Hattie Coon acted as pianist.

During the musical program, the San Juan Capistrano Farm Bureau gave a stunt, an Indian pow-wow in which a dozen took part, appearing in costume. During the dance, Ted Cochran used a Chinese tom-tom in a most pleasing manner.

Of the 16 Farm Centers in the county, El Toro was the best represented with 26 members present. They have a membership of 31.

After the speeches, a tug of war was held between El Toro and Lancaster Farm Centers, with El Toro winning. At 4 p. m. a meeting of the original board of directors was held, followind by dancing in the pavilion, with music furnished by a Fullerton orchestra.

The following were the speakers for the afternoon: Vice President R. G. Peters, who spoke on State Market Exchange, beginning with the three principal factors of Farm Burear, 1st educational propaganda, organization, showing what benefits are derived from organization; 2nd, cooperative marketins association. California was asked by the Chicago convention to appoint a committee of 21 to formulate a plan of cooperative marketing of the fruit output of the entire United States. Cotton growers have formed a pool, especially those in the state of Texas as a state organization as well as in other states for cooperative marketing of cotton. 3rd, political, non-partisan, suitable legislation through existing party officials. In the February Atlantic Manthly there appeared an article "Miracle of New Privilege" which shows the nationwide influence of the Farm Bureau. Another article, "New Agrarianism" also appeared in a popular magazine.

The closing of the world war has marked the passing of the old regime of agriculture, and introduction of the new and better system under the leadership of the Farm Bureau. He said the decline of agriculture and the decline of the Roman empire were parallel.

Prof. L. B. Smith of the extension department of the University at Berkeley spoke about the development of the Farm Bureau in the past year. The county board of supervisors deserves great credit, working hand in hand with the Farm Bureau. The Farm Bureau office in Santa Ana is as busy an office as can be found anywhere. However, he said, when you join the Farm Bureau your dues must go wherever it is determined in your Farm Bureau this needs be sent. Not one cent of your dues goes toward the paying for the services of the farm bureau advisors. There are 1600 farm bureaus in the 33 states all told; 1200 farm bureaus in the northern and western states, similar to those in Orange county. There are about 37 county farm bureaus in California.

He spoke especially about dairying and the systematic cow testing, improving the dairy hedrs, the good done in the poultry department and about the grain growers in their bulk handling of grain in California. This work is talked about in Congress. The county Farm Bureau serves as business manager for the farmer. "We need the farmer and the farmer needs the Farm Bureau and the benefits to be derived from it."

The speech of County Farm Advisor embraced a report of demonstrations and work carried on by the extension division during the past year in Orange county. During the past year everyone has had a chance to get in touch with the Farm Bureau through the many meetings. It is a mis-conceived idea that the Farm Bureau is for any one class alone. Other things handled are fumigating, aphis and red spider, poultry feeding and culling, the management of agricultural clubs, tractor demonstrations, seed collection, pest control, cover crop, fertilizer, coddling moth, for the walnut grower, etc.

The prinicpal speech of the day was made by J. W. Walker on "National Agricultural Legislation."

EXPECT BIG CROWD FOR Y. M. C. A. MEET

That the annual convention of the Orange-co Y. M. C. A. to be held on Monday evening at 6:30 in the First M. E. church, Santa Ana, will be one of the best attended, is the feeling of the committee, as reports come in from over the country. In order to accomodate those who wish to attend, the various communities have been assigned quotas of delegate on the following basis: Santa Ana—150, Orange—40; Garden Grove—20; Tustin—10, Anaheim—30; Fullerton—30; Huntington Beach—1[illegible], La Habra—5, Brea—5; Yorba Linda—5; Tickets have been placed in the hands of Association men in all communities, and the feeling is general that a good crowd will be in attendance.

One of the big features of the program will be a demonstration of group work under the direction of Mr. Malcom Finley and his group of "Black Wolf" boys of the United Presbyterian church of Santa Ana. His group has one of the finest records of all the groups of the county for the last season and won second place in the annual track and field day events. They will give a demonstration of the mid-week meeting of the class showing how the club work is carried on.

Other features of the program will be talks on "Recompense of a Leader," "The Association's Value to a Community," and "What the Program means to me and my School." Music will play quite a large part in the evening program and the address "Coming—His New Day," by Roy C. Campbell of San Diego will be an inspiration to all.

Preliminary to the meeting, pictures and posters relative to the activities of the association will be on display in the assembly room of the church, and it is hoped that the many friends will arrive early and thus get a chance to see them before dinner. Tickets for the dinner can be secured from the men in the various churches and through the office or by phoneing 615-M, Santa Ana.

SO. CALIF. CO. HAS SHOWING AT 1300

Whittier Field

Backers of the So. Calif. Oil Co. are beginning to watch operations with a little more interest since J. A. Bailey took charge. The So. Calif. is opening up new hole right along. A showing of oil at 1300 feet lent considerable encouragement to the work.

The Whitley Oil Co. started drilling on No. 7. No. 5 is at 2200 in the blue shale. No. 6 stands cemented at 2214.

At 3600 feet the Union Oil Co.'s Gregg No. 1 on Rideout Heights is standing. It is understood that the well will probably be abandoned. The 3600 feet was drilled without getting as much as a good showing.

Drilling on the Shell Co.'s Hart No. 1 in Turnbull canyon is now at 3530. The formation is hard sandy brown shale and is not showing any more than a slight indication of oil. It begins to look as though no oil will be found in Turnbull canyon.

The old Murphy-Coyote property of the Standard is showing a lot of new development work. No. 70 is the property's deep well now drilling at 4450. No. 83 is bailing for a water test at 2900. No. 84 is making good time drilling at 2950, and No. 86 just recently started shows 250 feet drilled. On the Bastanchury ranch the Standard has No. 1 in the sandy shale at 2700 feet. Three wells are drilling on the Emery. No. 31 at 4020 is sidetracking pipe, No. 37 is at 4007 cleaning out, and No. 38 is standing cemented at 3200.

Nothing was done on the Wilshire Oil Co.'s No. 1 at Santa Fe Springs during the past week. Rumors are arising to the effect that there are some thoughts of abandoning the deep test well. Drilled to 5200 feet the well represents an effort to get deep production in the Santa Fe Springs district. Deep water has prevented any production test of any value to be made on the well.

The Amalgamated Oil Co. has suspended work temporarily at McNally No. 1 after going to 4245 and striking hard sand rock. Fishing on Butterworth No. 1 has been resumed and the Amalgamated hopes to get the hole in drilling condition again in a few days.

On the Meyer lease the Union has two wells drilling: Meyer No. 4 at 3875 is in gray shale, and Meyer No. 5 as 3100 is in shale and shell. Bell No. 1 is rigging up to go ahead with the rotary at 3450.

Progress is now being made again on the Bandini well. Drilling at 3475 reports brown shale, and the hole in good condition.

OVER-PRODUCTION POSSIBLE AT BEACH?

(Huntington Beach Field)

The week's developments at Huntington Beach resulted in so many big wells being brought in that there is now some fear of overproduction being expressed for the Southern California. Huntington Beach seems to be literally soaked with oil, it being no trick at all to bring in a 1500 or 2000 barrel well.

On the Hugh Grant lease, a property that was not considered to be exactly gusher territory, the Texcal sprung a real surprise by bringing in a 1500 barrel well. Two weeks ago pipe was set at 2828. On drilling out the cement and going but three feet into the sand the well broke in and started flowing. The remarkable thing about this new producer is that 1500 barrels a day is coming from 3 feet of sand, and the well is flowing thru ten inch casing. The gusher has done much to relieve the tension under which the management has been working for six months or more, and puts the Texcal in the list of the big producers at Huntington Beach.

Standard Oil Success at Huntington A-3 a 2000 barrel well. Drilled to 2750 feet, this gusher started off making 2000 barrels of 22 gravity oil. The big well is flowing thru a 5-8 nipple and is under a 300 pound pressure.

Bolsa Chica No. 1, the greatest well ever brought in at Huntington Beach, and now the biggest producer in So. Calif. continues to increase its production. For a month this well has been flowing steadily around 2800, the production has gone up to 2300 barrels. Bolsa 2 and 3 are standing cemented at 2384 and 2080 respectively, and two more gushers will probably result when these two are opened up.

The Standard set pipe at the Jones Community well at 2500 feet. With a good showing of oil previous to the cementing something can be reasonably expected when the cement is drilled out. Torrance No. 1 is cleaning out at 3870 and will soon be ready for a production test. Surf No. 1 will make a heavy oil producer at 3700, and is being cleaned out. Six wells are drilling on the Huntington A property. No. 7 is putting in 8 inch at 2800 and will be the next producer.

The Argonaut Oil Co. drilling in oil sand at 2975 has set expectations for not less than a thousand barrel well. Soon after drilling out the cement at 2868, the well was found to be difficult to hold down and every once in a while pushed out a lot of oil. The sand at 2975 still continues very rich, and the well is exhibiting plenty of "kick." Lumber is on the ground for No. 2 and development work is to go right ahead.

Before the end of the week the Pantages-Huntington will be a producer. Indications point to at least 500 or 600 barrel well. With 89 feet of oil sand in the hole, reaming to set pipe is now being done and with a successful shut off on the water Pantages-Huntington is "sitting pretty."

Irving Auger, the genius that is behind the destiny of the Bolsa Chica Oil Co., is getting ready to bring in a producer. On account of the differences in formatian and showing something startling is being looked for which the cement is drilled out. Standing at 2131 the cement will be drilled out early next week.

The Petroleum Midway will increase the Huntington Beach output with four wells in the every near future. With Columbia 1-1 cemented at 3100, Columbia 3-1 putting 8-inch at 3007, Ray Walker ready to drill out at 2456, and Vollmer Meyer almost completed the Petroleum Midway will bring in four new wells at about the same time. Bray No. 1 is rigging up, and Thornton No. 1 another new well, is building rig. Towers No. 1 drilling at 600. Lumber is on the ground for Smythe No. 1. A location has been made and the rig is going up for Vollmer-Meyer No. 4. Work on the High School property is not to start for at least 60 days.

The coming in of the Western Union's 1200 barrel well on the north side of the Huntington Beach field started a lot of new work. Ten new derricks are going up. Three of the new wells belong to the Petroleum Midway, three to the Amalgamated Oil Co., and four to the Union Oil Co.

DELIGHTFUL SURPRISE

A delightful surprise was given to C. W. Barnett, of 900 E. Center-st, Saturday evening. The evening was spent with cards and games while some beautiful music, both vocal and instrumental was given by Mr. and Mrs. Irland, Miss Edna Clout and Mrs. Brennig. Among those present were, Mr. and Mrs. M. Hardisty, Mr. and Mrs. W. Brennig, Mr. and Mrs. R. E. Kosart, Orange; Mr. and Mrs. O. H. Mitchell, Mr. and Mrs. J. Maddix, Fullerton; Mr. and Mrs. C. Holdridge, Mr. E. Credit, Fullerton; Mr. H. Baker, Fullton; Mrs. Hennig, Mr. L. Hennig, Mrs. S. Webmore, Misses Josephine and Winnfred Baldwin, Fullerton; Mr. and Mrs. B. Irland, Mr. and Mrs. D. M. Walker, Mr. and Mrs. T. Corneck, Miss Edna Clout, and Mr. Carson.

BRIDE-ELECT HONORED

Miss Alice Grimshaw entertained in honor of Miss Dorothy Garrison at a 1 o'clck luncheon Saturday. The color scheme was yellow and green. Decorations were Shasta daisies and ferns, a four course luncheon being served. The guests then adjourned to the living room where they worked on the bride's hope-chest. Miss Garrison then gave some beautiful instrumental music and Mrs. W. Ross and Miss Alice Grimshaw gave some select vocal solos. Among the guests were Miss Dorothy Garrison, her mother, Mrs. Garrison, Mrs. W. Ross, Mrs. Willie Wallop, Mrs. Hainland, Miss Johnston, Miss Emma Owens, Miss Ruth Coon, Miss Hazel Rainy and the hostes, Miss Alice Grimshaw and her mother, Mrs. Grimshaw.

HOTEL VALENCIA GUESTS

Guests at Hotel Valencia yesterday included: Bruce M. Daniels, of Redlands; George Van Bushirk, Los Angeles; J. S. Clark, Los Angeles; Norman Schne, Los Angeles; H. D. Kinzay, La Grande, Ore.; D. M. Wagner, Los Angeles; Leo E. Morris, Los Angeles; Mrs. J. C. Kibre, Los Angeles; A. Mansell, March Field; Tom Richards and Frank Figge, Los Angeles.

JUNIOR H. S. PLANS PROGRAM

Friday night of this week the music department of the Junior High school with Mrs. Winifred Roberts as chy will give an entertainment in the junior high school auditorium. Mr. Worthy's part will consist of readings, and the musical department will render both vocal and instrumental music.

Liberty Garage can save you money on your Ford Repairing.

PACKING HOUSE VISITORS

Visitors at the Anaheim Orange and Lemon Assn. yesterday included: Elmer A. Black, Salt Lake City; L. F. Foote and wife, Minneapolis; Mrs. S. B. Scott, Honolulu.

PHILATHEA MEETING

An important meeting of the Sunshine Philathea Class of the White Temple will be held this evening at 7:30 at the home of Miss Hazel Withee, E. Center-st. All members of the class are urged to be present.

ENGAGEMENT TEA

Mrs. C. J. Mauerhan has issued invitations for an "engagement tea" to be given at the home of her mother, Mrs. Frank S. Gates, Sunday, May 22, from 3 to 5 honoring her sister Miss Frances Schumacher, whose marriage to Mr. Fred Scott will take place June 5th.

B SHARP CLUB HAS A RECITAL

The boys department of the B Sharp Music club met at the home of Mrs. C. A. McCullah Saturday afternoon. The first number on the program was the old fashioned game, "Musical Chairs"—As each boy lost his chair he performed his number on the piano. The enthusiasm of the game helped the pupils to forget the usual embarassment and self-consciousness that boys are quite sure to feel. The following program was rendered.

The Princess Sleeps, Pfeiffer; Bird Song, Mae Aileen Erb...Cecil Horowitz
Minuet, D'Vorak.....Leslie Doxier
The Honey Bee, Mae Aileen Erb; Song of the Clock, Octavia Huson.....
....Robert Chaffee
The Whip-por-will, Thodore Dutton.....
....Leslie Fulsom
America, Jessie Gaynor.....
.....Rodney Chamberlain
Waltz, Krogman.....Everet Idlor
Trio—March Streabogg, Beebe Fay; Everet Idlor, Rodney Chamberlain
March, Krogman.....Donald Hasler

Cecil Horowitz of Garden Grove received the prize for having secured the highest grade of efficiency during the past quarter. An exciting game of baseball followed, refereed by Robert Brown, after which the hostess served ice cream cones. The boys were delighted with the whole afternoon and unanimously voted for boys recitals. The followin were the guests of the club: Mrs. Thompson and sons Robert and Richard, Mrs. J. C. Idlor and daughter Ruth, Mrs. Hasler, Mrs. Horowitz, Max Knox, Alfred Davis and Robert Brown.

Vacuum cup tires. 20% off and free tubes. 6000 miles guaranteed. Liberty Garage, 209 So. Los Angeles-st.

S. S. PLANS MUSIC ON CILDREN'S DAY

PRESBYTERIN CHURCH NEWS

The members of the Presbyterian Sunday school are becoming quite enthused over the music for Childrens' Day. Mrs. Seita will be the accompanist on that occasion.

On Tuesday May 24 there will be a Congregational meeting to hear a report of the "Manse Building Committee." According to rule announcement of this meeting must be given two Sunday's previous to the meeting, consequently the present notice. It is understood that this committee has been working very diligenly and have a very gratifying report to make.

Next Wednesday evening at 7:30 will be the regular prayer and conference meeting at which Dr. Wallace will preside. The meetings are continually growing in interest as well as attendance, and members not availing themselves of these opportunities to hear Dr. Wallace open up the word of God are missing a great blessing. Subject for special prayer will be the convening of the Presbyterian General Assembly at Winona Lake Thursday.

The Ladies Missionary society will meet in the Sunday school room next Friday afternoon at 2:30. Every lady of the church and congregation is cordially invited to attend.

It is understood that the offering to the Chinese Famine fund has now been completed and totals $125.05. This is very gratifying to the workers.

We were greatly pleased to see Mrs. Henry Matter back in the choir, for we have missed her keenly since she has moved to Fullerton.

Mr. Wickett's class was greatly pleased to see Mrs. Pearson in her usual place again.

Mrs. Coon's Young Women's class is steadily growing and they will be glad to welcome any other young women who are not members of other schools.

Dr. Wallace chose parts of the fifth and sixth chapters of Gal. for the scripture lesson and this later served as the foundation for a very edifying sermon. With these selections he combined 1 Pet 5:7 and Matt. 11:30 and developed the theme "Burdens and How to Bear Them." He said in part:

"These texts, like the different parts of music, differ, but harmonize. Because of environment, surroundings, existing conditions, man necessarily must be tried, and is often sorely tried. Some ask, Why should not the path of a Christian be relieved of all anxiety and burdens? It is the lot of man that he must bear burdens. When Christ was so cruelly persecuted he told his followers that they must suffer even as he suffered.

"These texts suggest a three-fold Christian duty: (1) Self-help. (2) Mutual help. (3) Divine Help.

"First, 'Every man shall bear his own burden.' There is a general notion that bearing burdens is menial and many seek to avoid bearing them; unless they think they are honorable. They may be willing to carry book because they think that is literary; or a sword, which is military; and others which they may choose because of the honor attached to them. But there are those burdens which each **must** bear, not because of choice, but because of necessity. It may be the burden of sin; of bitter regret; of duty undone; of lost opportunity; of youthful waywardness, or others which are likewise inescapable.

"Secondly. 'Bear ye one another's burdens." Christ is the great burden bearer of the world. We must imitate Him and so fulfill his law. This is very clearly illustrated in the story of the Good Samarjtan.

"In the pagan world there was no provision for the care of the outcast or poor. The gospel of Christ turned the heart and sympathy of men to human need and suffering. It was the first factor to instill respect for or created in the image of God and to restore as far as possible. The result has been the establishment of hospitals, asylums and homes for every sort of human distress. Paganism spends its energy in reverencing animals, but Christianity recognizes its obligations to humanity and listens to the voice of Jesus as He says, 'Inasmuch as ye have done it to one of the least of these, my brothers, ye have done it unto me.'

"There are some burdens that **no one** can bear for us—then there is the (3) Divine help. 'Cast thy burden on the Lord.'

"Mythology credited Atlas with being the burden bearer of the world. We know that God has arranged it so, in the natural world that planets, suns and constellations are held together and move because of a subtle mutual attraction which we call gravitation

"What is your burden? Low spirits? Despondency? A languid constitution? Weak eyes, like Paul? Remember he sought the Lord thrice for the removal of this physical burden but the answer was 'My grace is sufficient for thee.' Is it poverty? Remember the poor man cried unto the Lord and he delivered him. It is always so—man can help, but God alone can save. He says: 'Take my yoke and learn of me.' Remember a yoke always signifies that two are bearing the burden and when we are yoked together with Jesus, we have the assurance that he will bear the biggest part of the burden.

"Whatever you burden is, cast it on the Lord and He will sustain thee."

LA HABRA RANCH SELLS FOR $50,000

LA HABRA, May 16.—A real estate deal of considerable interest was closed here when the Hart ranch on Hyatt st. was sold to C. E. Beck. The price paid was around $50,000. Mr. Hart is one of La Habra's pioneers, coming to this valley about 20 years ago and locating on the west side of Hoptad. He improved by setting Walnuts, afterwards buying across the street and planting to citrus. There are 15 acres, all under the highest state of cultivation. Mr. Hart has always been identified with the best interests of the valley and town.

Possession will be given in 20 days. Mr. Beck is a brother of George Beck, who planted the first semi-tropical fruits in this valley north of town, on a ranch now owned by W. Manta of Whittier.

GERMANY IS READY TO INVADE SILESIA

BERLIN, May 16.— The German army is ready to invade Upper Silesia immediately in an effort to drive out the Polish insurgents, is was learned from semi-official sources today.

The German press is completely satisfied with Premier Lloyd George's speech but cautions the government to await official permission from the allies before sending troops into the disputed territory.

German army officers, however, are growing impatient to come to grips with the Poles before the latter can cause any further irreparable damage to railways, factories and mines. Information was received here that the Poles had destroyed the Kosel bridge.

HAWTHORNE-INGLEWOOD-REDONDO

Aside from the big Kitselman No. 2 (Bohon) there was little excitement in this field during the past week. The blowout of the Bohon well accomplished considerable damage, practically wrecking the derrick. Merton No. 1 and Hicks No. 1 stand cemented.

—If it's from Wilman's it's good!

A Want Ad in the Plain Dealer will bring results.

City Briefs

H. P. Tobin spent today in Los Angeles.

Mr. Roy Hartman of 214 N. Palm-st. and family motored to Laguna yesterday.

L. J. Sheridan and wife and Joe Carroll and wife, went to Seven Oaks yesterday.

Mr. and Mrs. G. M. Simpson visited their son Gerald Simpson, in Los Angeles yesterday

Mr. Dean W. Hansen and family, 322 Melrose-st. enjoyed the day at Long Beach yesterday.

Miss Mabel McGuire of 525 W. Center-st, had for her dinner guest yesterday Miss Jewel Crowley.

Miss Dorothy Hunt of Los Angeles spent the week end with her parents Mr. and Mrs. H. E. Hunt.

Mr. F. C. Haverty, 233 E. Alberta, st., and family spent Sunday with Mr. and Mrs. Goslee at Orange.

Miss Fanny L. Dunton of Los Angeles is an Orange show week visitor at the home of her nephew, Mr. George Dunton.

Mrs. A. E. Hargrove is steadily improving while her little 2 weeks' old daughter Bernice, is making splendid progress.

Mr. and Mrs. Adolph Biernat, of Los Angeles will be the visitors of Mr. and Mrs. B. B. Herman for Orange show week.

Leroy Marsh and family, S. F. Willard and family, and Richard Ducgdale and family spent yesterday at Camp Cajon.

Miss Aileen Martens of Escondido arrived here yesterday for a lengthy stay with her aunt Mrs. Jack Kaley, W. Center-st.

PAIGE

The Most Beautiful Car in America

A Car With Personality

There is an air of distinction about the New Series "Glenbrook" that you will find in no other moderate priced, five passenger car. That is why it has been adopted by really smart people who will not tolerate the commonplace.

Then, remember, it not only looks but acts the thoroughbred. Under the hood there is a marvelously efficient motor that accelerates from five to twenty five miles per hour in nine seconds flat. This means giant energy for hills and every test of the highway.

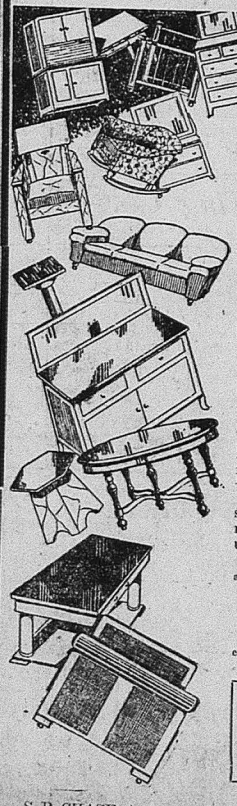

Last, but not least, the "Glenbrook" is a rigid Economist. It extracts every atom of power from a gallon of gasoline and turns up surprising mileage on a set of tires. It is a thrift car with a keen sporting personality—a very hard combination to find.

But we ask you to establish these facts for yourself. Take just one ride in the "Glenbrook" and discover what actually lies hidden under the hood. It will prove a revelation, we believe, and a liberal education in strictly modern engineering

W. E. STRADLEY BLDG. WILL SOON BE DONE

PLACENTIA, May 14.—(Spl.)—W. E. Stradley's new building on Santa Fe-ave. is being finished as fast as possible. It is a two-story brick building with a fancy yellow and white glazed brick front. The lower floor will be occupied by A. E. Rogers of Fullerton who will open a furniture store here about next Saturday. As soon as the rest of the building is finished it will be rented. The second floor is to be apartments.

Mrs. James Tuffree entertained the Placentia Country club in her beautiful home on Thursday afternoon. Mrs. F. D. Miller was winner of the beautiful fern which was first prize and another beautiful plant went to Mrs. T. L. McFadden as consolation. A most delectable luncheon was served to the sixteen ladies present by the hostess.

W. E. Stradley has bought the lots on Santa Fe-ave., now occupied by the shoe shop and the plumbing shop. These two small frame buildings will be torn down and a modern two-story building will soon be erected in their stead.

Of course, when Mr. Stradley plans tearing down their shops, Mr. Schalleo, the plumber and Mr. McFadden, the shoemaker, have to look about for new locations, but everything seems to work out alright in the end. The lot west of Perry & Sons Garage on Santa Fe-ave, owned by O. Howard Lucy has been bought by I. O. Fletcher. Mr. Fletcher will build a fine, large building on this site as soon as possible and Mr. Schalleo will occupy part of it.

J. B. Dickhout is driving a Maxwell touring car, recently acquired.

The Christensen clan along with a large number of their friends held a most delightful basket picnic at the old Reeve ranch at La Mirada. This ranch was bought from J. Reeve some time ago by Ole Christensen and since then has been occupied by his brother, Bloc Christensen. Those participating in this delightful occasion were Mr. Mrs. Seru Christensen and family, Mr. and Mrs. Bloc Christensen, Mr. and Mrs. Arthur Anderson and daughter, Virginia, Mr. and Mrs. Tige Andersen, Mr. and Mrs. Frank Andersen, Mr. and Mrs. Wm. Vogele and son, Richard; Mr. and Mrs. A. Barnhart, Mr and Mrs. Lee Meyers and family and Mrs. Chas. Hansen and grandson.

Mrs. H. P. Bender and daughter, Maxine and Jane are spending a month in Bakersfield.

An all-day meeting of the Social Circle was held Friday at the home of Mrs. Robert McKee. A potluck dinner was served at noon.

Walter Hale has commenced construction of his fine new hollow tile residence on Chapman-ave.

Mr. and Mrs. Ben Terbest and family also Mrs. Maud Owens motored here from Anaheim on Wednesday evening.

Mr. and Mrs. Lewis Lemke spent Tuesday evening with Mr. and Mrs. Lewis Edwardson.

Don New of the Sanitary Market is erecting a new home for himself and family on Center-st.

Buena Park News

BUENA PARK, May 14.—(Spl.)—Mr. Dick Dano, Mr. Claude Porter and Mr. Kilgore were dinner guests at the home of Mr. and Mrs. L. J. Robeson on Thursday evening.

Mr. James Perris was the guest of Mr. and Mrs. Jack Golden on Wednesday evening and Thursday.

Dr. Frank Ashmore has purchased a home in Santa Ana and expects to leave here on June 1st for his new location.

Mr. Richard Nelson was a Los Angeles visitor on Thursday.

A number of Buena Park people attended the May dance festival at the Fullerton high school on Friday afternoon.

Mrs. A. C. Cauthon and daughter, Jewell, visited with Mrs. J. C. Cauthon at Cypress on Thursday.

Miss Irma Robison has been visiting this week with Mrs. Andrew Rodabaugh at Anaheim.

The Ladies Aid of the Congregational church met on Thursday afternoon in the church parlors. There was a good attendance. Refreshments were served at the close of the meeting.

The Eastern Star will give another of their popular dances on Tuesday evening at the Masonic Temple. The Wachtel orchestra of Whittier furnishes the music and it is fine. Don't fail to attend and have a good time.

Mrs. J. J. Kane and Mrs. John Boyle attended the matinee at the Fullerton Rialto on Wednesday afternoon.

Mr. and Mrs. C. H. Owens and Mr. and Mrs. S. W. Little were among the theatre goers on Wednesday evening.

Katella News

KATELLA, May 14.—Last Monday morning the little folks of the primary room at Katella held their last march around the tiny baby shoe into which for the past few weeks, the children have been dropping their carefully gathered pennies for the starving children of China and Poland. Little Winona Benso, a first grade pupil led the march with the greatest number of pennies collected during the previous weeks.

Each day the number of pennies has been increasing until the final amount of twelve dollars was reached. Tuesday the money collected by the children was sent by their teacher, Miss Knapp to Miss Hazel Bemus of Santa Ana, the Junior Red Cross director to be divided equally between the suffering children of Poland and China.

A considerable sum was also raised at the school recently by the sale of three cent Chinese famine stamps under the direction of Lola Hunt and Anna Lampman, two seventh grade pupils.

The school and community picnic of Katella district will be held Friday, May 20 at Orange-co. park. All the patrons and friends of Katella school are urged to attend as this is an annual event enjoyed by old and young when the busy mothers and fathers forsake their work to spend an enjoyable outing with the children at the park.

All the plans for the picnic arrangements have been completed. Automobiles providing transportation for all those wishing to go will leave the school promptly at nine o'clock Friday morning. A delicious picnic lunch will be served at noon with plenty of ice cream provided for by the ladies of the P.-T. A.

Races, baseball matches, hiking, boating and tennis will be the main events planned for.

The members of the Katella Girls Glee club with the Boy Scouts accompanied by several of the parents and Miss Jaques and Miss Knapp are planning on a hiking party up to Mt. Wilson for Saturday.

The hike which has been a much talked of and planned for affair will be one of the closing social affairs of the school year in the nature of a get-together farewell party for the members of the Glee club who are to graduate June 3rd.

Practice matches for the finals of the tennis tournament to be played the first week of June are arousing a great deal of interest at Katella.

The tennis court is constantly in use, some of the young enthusiasts coming early and staying late for extra practice.

A short while ago all the men of the community that were able to leave their ranch work showed up at the school house early one morning. Before noon a large number had put in an appearance.

The occasion of the gathering was the placing and setting up of the playground apparatus and the preparing of the tennis court and baseball diamonds for the spring athletics.

In a very short time the swings were put up, a form for a large sand box and several benches were made and work was begun on levelling the tennis court, with the school children willingly lending a hand.

All the school children wish to heartily thank the men who so generously gave their time, and assistance in helping to make the school grounds a real playground.

West Coast Lease

WEST COAST LEASE, May 14.—(Spl.)—Miss Ursula Keen entertained Miss Margaret Gipson last Tuesday evening while her mother attended the baptismal services at Fullerton Christian church.

Mr. James A. Tunnis, wife and Mrs. McGhee and daughter, Miss Elizabeth, motored to Newport Beach Tuesday. Mr. Tunnis enjoyed himself fishing while the ladies enjoyed watching.

Mrs. Bowman was a visitor at Anaheim last Thursday.

Several will attend the baptismal services at the Fullerton Christian church Thursday evening.

Mr. Howard Flynn and brother, Herbert were in Newport on a fishing jaunt today and were very successful.

BREA NEWS

Brea is surely growing very fast. Small residences are springing up everywhere.

The choir practices every Friday night at the Christian church. The young people are very regular—everybody welcome.

A prayer meeting at the Christian church was well attended last evening, the interest is growing stronger each week. Mr. Clifford Henson led the meeting, after which the pastor gave us an illustration on the blackboard in the form of a study.

ASK PRESIDENT TO HALT MINE RIOTS

WASHINGTON, May 16.—Appeals to President Harding and Secretary Weeks for troops to quell the disturbances in the Mingo Coal fields of W. Virginia were received today from Governors Morgan of West Virgina and Morrow of Kentucky.

At the White House it was stated that President Harding would probably take no action until he has received recommendations from Secretary Weeks.

AT FAIRYLAND WED. & THURS.

Yorba Linda News

YORBA LINDA, May 14.—(Spl.)—Mr. and Mrs. R. A. Knight and daughter Marjorie, and Mrs. Georgia Thing and Miss Doris, spent Wednesday visiting friends in San Bernardino and Pomona.

Mrs. E. T. Walker gave an elaborate dinner at the Walker home on Friday in honor of her husband, Mr. E. T. Walker, Mrs. Irene Shook and Mrs. Luella Lupton whose birthdays all occur this month. Covers were laid at the prettily decorated table for Mr. and Mrs. Roy Shook and daughter, Mr. and Mrs. Lupton and children, Mr. and Mrs. E. R. Walker and family and the host and hostess.

Mr. and Mrs. Van Cleave were dinner guests of Mr. and Mrs. Barnum on Thursday.

The Masonic club held their meeting this month in Yorba Linda on last Wednesday evening, with Mrs. Van Cleave as chairman, serving a chicken dinner. The speaker for the evening informed the ladies the dinner was the best they had received on the circuit, and the ladies are justly proud of the result of their efforts.

Quite a number of Yorba Linda people were Santa Ana visitors Thursday. They included Mr. Earnest Walker, Dr. Lester Keller, Mrs. Christofferson, Miss Margaret Johnson, who were all witnesses in the trial of three bunco men who tried to swindle the local banks. Mrs. Hargraves Mrs. E. R. Walker and Mrs. E. T. Walker spent the day shopping. Only one of the three men is on trial, the man conceded as being the head of the affair, having made his escape.

Mr. and Mrs. J. F. Conley and Mr. and Mrs. Ed Taylor enjoyed a motor trip to Corona Thursday evening.

A large number from here are planning to attend the Farm Centre picnic at Orange-co. park today, (Saturday.)

The "Jazzy Four" will give a dance in Ley hall tonight, (Saturday.)

At the meeting this week of the Y. L. Womans' club is was decided that the last meeting of the year, which falls a week from next Tuesday, would be celebrated with gentlemens' night, at which each member is to bring an escort. It is thought advisable that no children be brought as there will be a dinner served and covers will be laid for only the members and their escorts. The affair will be under the supervision of the executive committee.

Mr. S. S. Collins of Anaheim spent Friday on his ranch here.

Mr. and Mrs. Murray Horne of Huntington Beach spent Wednesday here.

NEWS OF FULLERTON

BALL PLAYER GOES HOME

Clinton Urtubees of Los Angeles who was hit on the head yesterday afternoon at the ball game between the Russell team of the Fox studio and the Anaheim Elks, and was taken to the Fullerton hospital where he received surgical attention and remained overnight, returned to Los Angeles this morning.

TEACHER'S MOTHER SUCCUMBS

Mrs. Mary E. Sherwin, mother of Miss Harriett Sherwin, a teacher in the Fullerton schools, died early Sunday. Funeral services will be held at the Angus McAulay funeral parlors on No. Spadra-rd, Tuesday morning at 10:30 o'clock. Cremation will be in Los Angeles.

DWING-HARSH NUPTIALS

George Pirtus Harsh and Miss Myrtle Lucile Dwing of Fullerton were married quietly Saturday evening at the bride's home on Wilshire-ave. by Rev. John T. Houser, pastor of the First Christian church. The bride is an employe of the Yeager Garage. Only the "home folks" and a few chosen friends were present.

BARACCA S. S. CLASSES RALLY

A meeting of all the Baracca classes in the county will be held at the First Methodist church in Fullerton Wednesday night. It is planned to form a unfor for these Sunday classes of the county.

FULLERTON BRIEFS

J. J. Wade left Saturday over the Santa Fe for Enid, Okla.

Mr. and Mrs. Henry E. Steele left today over the Santa Fe for Wellsville, Mo.

The Fullerton C'oral club presented "The Rose Maiden at the high school auditorium Friday night.

L. H. Smith, president of the Standard Bank of Fullerton has gone to Sacramento to spend two weeks.

The district conference of the Epworth League of the Christian church will be held at the First Christian church in Fullerton Friday.

Mr. and Mrs. H. H. Kolenberg are rejoicing over the arrival of a new baby girl brot by the stork of the Fullerton hospital last night.

PUPILS WILL SERVE BANQUET TO B. OF T.

There have been 175 registered for the ladies' night affair at the monthly meeting of the Fullerton B. of T., Wednesday evening, W. N. Irwin, secretary stated today. The supper which will be served at 6:30 at the Fullerton club rooms will be served by the Fullerton grammar school pupils.

AUTO DEALERS ATTEND PICNIC

A large party of auto dealers from Fullerton attended the automobile day picnic at Camp Cajon Saturday. Geo. Nolan, Dan Matthews and Mr. Stanfield of the A. S. Sitton garage, and their families returned by way of Little Bear lake where they remained over Sunday. Mr. Sitton, Frank Harter and Ray Stokes and families, returned by the way of Little Creek Cabin where they remained over Sunday.

CHURCH BOARD WILL BANQUET

The official board of the First Christian church of Fullerton and their wives will meet at the church parlors in a six o'clock dinner, and will later call at the homes of each of the members of the church.

CROWN STAGE STARTS SPECIAL

The Crown Stage Co. will put on a special bus tomorrow morning from Fullerton to Anaheim, leaving Fullerton at 6:35 o'clock. The first bus now leaves at 7:02.

17 CARS OF ORANGES SHIPPED

Seventeen cars of oranges were shipped out of Fullerton last week over the P. E. lines, W. R. Warburton, Fullerton agent, stated this morning.

THEATRES

Tom Mix will be seen in "The Road Demon at the Fairyland tonight. It is a typical Tom Mix story, full of humor and action, with a touch of love to give it an interest to those who like to see the heroine carried away by the villian and rescued by the dashing hero.

"The Little Fool," from the novel of Jack London, will be seen at the New Grand theatre today.

Mr. and Mrs. Mulahy and Mr. and Mrs. Gust of the Gust Apts. visited the war ship New York and several other small boats, including a mine sweeper and torpedo boat and report a very edifying and pleasant time.

EIGHT CONFIRMED AT GRACE LUTHERAN

A service of unusual interest was held in Grace Lutheran Church yesterday when eight members of the Sunday School were received into full communicant membership of the rite of confirmation. After a short opening service the young folks marched in a body to the altar, confessed their faith and upon bended knees received the blessing. The beautiful song, "Jesus be our Guide" was then sung by the class whereupon each one received a certificate of membership. The class consisted of the following members: Emma Heineman, Ella Brenner, Edna Gutsman, Herman Reinze, Alfred Schimming, Loyd Larson, Ernest Reusch and John Bargsten.

This is the second class confirmed in the church since it was dedicated in the fall of 1919. During that time the congregation has enjoyed a steady growth and a large audience assembled yesterday to witness this latest Pentecostal addition to her membership. Besides these young folks a family of six were also received yesterday.

Today Rev. and Mrs. J. H. Peters will have "open house" in the newly built parsonage. It is expected that a large number of the members and friends of Grace congregation will visit at the parsonage this afternoon and evening. A special program has been arrand for this evening at which the Luther League will serve refreshments.

Preaches on "Christ," Great High Priest"

Rev. Jesse N. Blakeley, pastor of the Church of the Lord, preached at his residence, 511 No. Olive-st., yesterday afternoon on "Christ, the Great High Priest." He preached yesterday morning at the Holiness Mission in Placentia on "Moving up the Line as the Spirit Directs," and last night at Placentia on "These are they who have Come out of Great Tribulation and Washed their Robes and made them White in the Blood of the Lamb."

His text yesterday afternoon was Heb. 4:14; 12:22-24. He said:

"All dispensations of Grace had failed to make the comers perfect or restore them back to the divine image of their creation, as they were created.

"But this dispensation in which Christ had created a plan of redemption was ushered in by the incoming of the Holy Ghost on his followers and could make the comers perfect, or restore them back to their former creation, where they could walk and talk with their maker.

"The first dispensation of Grace or the Jewish dispsation was of a created sacrifice. It would decay, 1 Pet. 1:18-19. It had to be repeated every year, to make the comers perfect. But under the new dispensation of Grace in which Christ was the sacrifice, He could make the comers perfect, because he was the Son of God. He was immortal. He was uncreated. Something that would not decay. 1 Pet. 1:18. He could have laid in that tomb 10,000 years and never have rotted."

HUPMOBILE PRICES CUT $210 AND $340

L. F. Pomeroy is feeling rosy today by reason of the announcement that the price of Hupmobiles, for which he is distributor, has been reduced $210 for the open models and $340 on the closed jobs.

"The Hupmobile has always been recognized as the best four cylinder car on the market and a mighty good buy at the former price," stated Pomeroy today. "The new price makes it an exceptional buy, especially in these days when the autoist is looking for his money's worth.

S. S. RALLY CROWDS ST. MICHAEL'S CHURCH

St. Michael's church was crowded to capacity Sunday afternoon when the Sunday schools of the Episcopal churches of Orange, Santa Ana, and Anaheim met in the Guild hall for their annual rally and marched into the church.

After a short, brigh service in which the children joined heartily, the Rev. Geo. E. Swan of Pasadena, delivered an instructive and interesting address to both young and old, on the meaning of Whit Sunday, the churches birthday.

A special offering was taken for the children's home.

CARPENTIER HERE TO BEGIN TRAINING

NEW YORK, May 16.—Georges Carpentier today set his eyes on the land where he is to play a little-two-handed game July 2 for the biggest stake of his life.

Tex Rickard, promoter of the championship fight; Captain Thierry Mallett, personal friend and New York representative of the Frenchman, and Gus Wilson, his trainer, had to wait on the docks until the liner was tied up to send a welcome to the challenger and his party.

FATHER AND SON IN DUEL OVER WOMAN

KALAMA, Wash., May 16.—Harvey Riker, father and Fred Riker, son, are dead here today following a savage duel at the Riker ranch on the Little Kalama river, 15 miles east of Woodland, Wash., in the mountains, late yesterday.

The gun battle was over Myrtle Riker, wife of the younger of the two ranchers, according to the story told by the young woman to officials here today.

FINED $15 FOR INTOXICATION

H. C. Balling and T. J. Kennedy were arrested last night on No. Los Angeles-st. by Officer M. F. Aurade and were arraigned before Judge Howard this morning on a charge of being drunk. They were fined $15 each.

FRUIT SALES TODAY

New York slower and higher oranges and lemons; oranges $3.35 to $5.85, lemons $3.70 to $5.00.

Cleveland; unchanged oranges; oranges $4.65 to $5.10.

Baby Show Program

Program for Baby Welfare Show:

Tuesday Afternoon

1—Music; children's records on phonograph.

2—Exhibition of kindergarten children, Clifton school, Anaheim.

3—Demonstration of washing and dressing a baby, Mrs. D. C. Cowles, Fullerton.

4—"Development and necessity of Baby Welfare Work," Mrs. Julia E. Saunby, Tustin.

5—Care of the teeth, with tooth brush drill by school children, Dr. J. E. Waters, Anaheim.

HISTORICAL SOCIETY WILL MEET MAY 28

Announcement was made today by Dr. C. D. Ball, president of the Orange co. Historical society, that Saturday, May 28, has been definitely fixed as the date on which the organization will gather in Santiago canyon, formerly owned by Madame Modjeska.

The society has extended an invitation to Ignace Paderewski, famous Polish pianist and patriot to be the honored guest of the occasion.

Paderewski frequently visited the well known Santiago ranch when it was the country home of Madame Modjeska, the Polish tragedienne. The estate at that time was called the Forest of Arden.

Paderewski is now in Paso Robles.

A feature of the historical society's visit to the Modjeska place will be a paper by Mrs. J. E. Pleasants of Santiago canyon. Mrs. Pleasants will tell of her acquaintance with the great actress.

$500 DONATED TO W. F. M. S. AFTER MISSIONARY SERMON

(Continued from first page)

Spirit, to depend upon prayer and to continue in the spirit of love and hope and they would prevail.

The event has justified his confidence, for the gospel has steadily leavened the life of the whole world. Millions have entered into his peace and customs and institutions have yielded to the Christian appeal. Christianity is today the standard by which we judge conditions in the world and it is also the salt that saves the world from utter corruption. It is allaying the industrial and international strifes and lifting the world toward brotherhood.

One of the outstanding movements today is of the backward peoples lightwards. It is true that after all these centuries of Christian effort the nominally Christian peoples number but six-sixteenths of the population of the earth. Ten-sixteenths of the population of the earth, or five-eighths, are still unreached by the gospel.

This may seem a staggering fact but it has been figured out that if each of the 171,000,000 Protestants in the world would win one new convert this year, and then each one of these new converts would win one, the last man, woman and child could be reached in three years.

One-half of all the missionary work of the world is done by the United States, but the task leaves but 35 persons to be won for Christ by each one of the Protestant Christians in the U. S.

But figures by no means can tell the story. Take India, for example. There two great break-ups are on. The cast system is giving way. Whole villages are being reorganized on western lines. It is true that only about ten per cent of the men of India are literate and 1 per cent of the women, but schools are going up rapidly and the light of knowledge is breaking in from all sides. The second great movement in the cult of command is mercy brought in by westerners. The Buddist and Hindu ideas of the worthlessness of life and meaninglessness of life are giving way.

Women and girls in all these lands are being reached by women. Day schools, kindergartens, dispensaries, hospitals and industrial schools are reaching hundreds of thousands and this work progresses by leaps and bounds.

The ambition of Japan to be reckoned among the great world powers is affecting life in that country most favorably. So the effect of the return of the indemnity money by the U. S. is working wonders in changing the attitude of the population of China, about one-third of the human race. So the contact of the British with the natives of Africa.

Yet, hopeful as are the facts along all these lines, what would happen if all professing Christians could hear in the words of our text a personal command laild upon them. It is estimated that not more than one in four of our professing Christians are interested in missionary work. How are the three out of four going to face their Lord in the light of his command?
