SURPRISE PARTY AT NEW WINTERS HOME LAST NIGHT

STEALTHILY gathering at the beautiful new Winters home on Magnolia and Lincoln avenues last evening, about thirty-five friends of Miss Ruth Winters gave her a royal surprise, the inspiration for the event being her birthday anniversary, which occurred during the past week.

The self-invited party met at the entrance of the drive and formed "bunches" which entered at the several doors of the home, at the same time, greeting Miss Ruth, who was busily engaged at the sewing table, with "surprise, surprise!" Quickly recovering the happily invited the crowd to "make itself at home," and an evening of unusual pleasure had its beginning.

Games were brought out and enjoyed for quite a while, and later music, among which was a solo by Miss Viola Cummond, of Santa Ana, and by little Miss Dorothy Winters, who gave two whistling solos, showing decided talent. Refreshments were served later, Mrs. F. B. Winters being assisted by her daughter, Mrs. Tilo Corder, both in receiving and in serving the guests. The party was one of the very nicest of the season.

NEW OFFICERS FOR REBEKAHS

With initiation of one candidate, Mr. Paul E. Johnson, into the Rebekah lodge last evening, an especially pleasant meeting was held, and a large number of members were present.

Plans were made for an elaborate Christmas program to be given at the December meeting, and committees were appointed. Election of officers was also an important feature of the meeting and resulted as follows: Mrs. Ida Chambers, noble grand; Mrs. Flamin Webb, vice grand; Miss Elizabeth Mang, rec. sec'y.; Mrs. Elsie Borth, fin. sec'y.; Mrs. Nellie Terry, treas.; Mrs. C. W. Hedge, trustee. Installation will occur in January.

The remainder of the evening was given over to dancing, before which excellent refreshment was served.

COUNTRY CLUB IS GROWING RAPIDLY IN MEMBERSHIP

THE members of the County club were very pleasantly entertained yesterday afternoon at the home of Mrs. J. O. Reed on the country road. Red roses and greenery furnished the decorative touch for the occasion. The usual pastime of embroidery work and conversation were enjoyed throughout the afternoon. Mrs. Reed served delicious luncheon in the late afternoon.

The members attending were the Mesdames H. G. Carlin, Carlisle, Fish, C. E. Chamberlain, Stevenson of Long Beach; J. J. Omelia, Geo. Tolson, Brown, Meredith, Pullman, Hayden, Chas. Harbison, Collins, J. H. Riethe, Twinn Jr., Twinn Sr., Geo. Reban, Wessler, Keys, Cornwall, W. T. McAllister, Kincaid, John Bolla, D. M. Forsythe, Greg, Teare, Groom, F. K. Day and the hostess, Mrs. J. C. Reed.

AUXILIARY NEXT TUESDAY

All members of the Auxiliary of the American Legion are kindly requested to be present at the meeting room in the Sanitary Dye Works. Following the business meeting, the ladies will adjourn to the American Legion rooms, where a program arranged by them. Refreshments will be served after the hour. All members of both sections are urged to make the affair a success from all standpoints.

NEW SOLOIST AT ST. MICHAEL'S

The Episcopal church is fortunate in securing the services of Mrs. H. Quirrie who has recently come to reside in Anaheim, to take charge as soloist and director of the choir. Mrs. Quirrie has had an exceptional training, holding two medals, one of bronze and one of silver, from the Royal Academy of London. She is an accomplished teacher and will probably open a studio in Anaheim, giving to the young people the opportunity for special training in voice production.

NORSE GRANTS MEET IN OLIVE

The Norse Society of the Orange chapter were very pleasantly entertained yesterday at the home of Mrs. Schaffer in Olive. Large red bunches of holly were used to form the color motif of the afternoon. The afternoon was spent in the usual pleasant manner, and after this hour, Mrs. Schaffer spread a most delicious repast of salad, angel and devil's food cake and coffee.

CHRISTMAS BOX FOR I. O. F. HOME

At the home of Mrs. U. S. Amack, on West Broadway, a committee composed of Mrs. Amack, Mrs. Frank Borth and Mrs. Ella Bourquin, were hostesses to the Lois Thimble club yesterday afternoon.

The ladies diligently sewed on their fancy work, the meanwhile discussing the filling and packing of a box of Christmas toys and gifts to be sent to the I. O. F. orphanage in Gilroy. At the close of the afternoon the hostess committee served refreshments, the following named ladies being in attendance: Mesdames George Chambers, J. E. Howard, E. R. Johnson, Frank Macchile, Dan. Naugle, Guy Pollard, L. R. Webb, W. P. Brumadine, E. L. Ferguson, Rose Van Horn, E. H. Adams, A. G. Neiswanger, Frank Pressel, P. Louisa, B. Hinton, John Housley, Frank Gates, Jessie Black, Lizzie Nylan, Agnes Gibson and the Misses Elizabeth and Minnie Mang, also the hostesses, Mrs. Amack, Mrs. Borth and Mrs. Bourquin.

LUNCHEON, SANTA FE SPRINGS

Several ladies of Anaheim were guests yesterday afternoon of Mrs. Agee, at her home in Santa Fe Springs. Other members of the company being residents of the home city. Beautifying the home with gorgeous red roses, which were grown in the garden of the hostess, Mrs. Agee served a four course o'clock luncheon, the same beautiful flowers being used for table centerpiece. Bridge was the afternoon diversion, several rounds being played. High score went to Mrs. Lewis, and Mrs. Peter Weissel, consolation. Luncheon covers were laid for Mesdames F. H. Houck, E. Borchert, Homer Ames and J. W. Wallop, all of Anaheim, and Mrs. Fayette Lewis, J. Agee, Peter Weissel and the hostess, Mrs. Agee, all of Santa Fe Springs.

RUMORED THAT PROMINENT PAIR WED TOMORROW

FRIENDS of Miss Carrie Lou Evans and Mr. James Sutherland are awaiting with pleasure and enthusiasm the opportunity of extending best wishes and congratulations upon their marriage which, it is whispered, will occur tomorrow at the home of Mr. and Mrs. C. A. McCullah, the latter a sister of the groom-to-be.

Miss Evans is the daughter of Mr. and Mrs. L. A. Evans, of County, and for the past year society editor on the Anaheim Herald. She is a graduate of A. U. H. S., and one of the most popular young ladies in the city. An accomplished contralto singer, she has delighted many audiences with her talent, and it is the hope of her friends that she will remain here, in her new status as a young matron.

Mr. Sutherland is a son of Rev. and Mrs. C. H. M. Sutherland, of Santa Monica, but has made his home near here for several years, being engaged in ranching.

GUESTS AT VALENCIA GUESTS

Guests at Hotel Valencia yesterday included: S. Rosenblum, Los Angeles; Mrs. M. A. Davis, Los Angeles; P. E. Thomas, Denver, Colo.; R. J. Anderson, San Francisco; Fred. Rowell, Los Angeles; N. B. Poor, Placentia; H. M. Johnson, Santa Paula; C. C. Thompson, Los Angeles; Kora Stewart, Los Angeles.

MEET AT NEW MANSE

The Sunday school workers of the First Presbyterian church held a meeting at the new manse on Broadway last evening, there being about 40 present. Incidentally it was a house-warming for Rev. Thomas Alexander, the new pastor. Plans for the Christmas season were rehearsed, and Christmas music was practiced.

AFTERNOON OF PLEASURE

A very informal social afternoon was spent at the home of Mrs. Wm. P. Webb, Jr., yesterday afternoon, when the entertained for several of her intimate friends. The afternoon was spent in needle work and conversation, the room being effectively decorated with garden flowers. In the afternoon, Mrs. Webb served brick for drink and cake to her guests, who were the Mesdames Arthur Crum, of Fullerton; Arthur Shipley, W. B. Walman, A. A. Cohen and Clyde Webb.

BIBLE CLASS HOLDS BANQUET

The Howe Bible class of the First Christian church held a banquet last night in the church parlors on West Center-st., which was well attended by local men. A program was to have been put on by members of the Big Faubus Bible class of Long Beach, but they did not arrive. A number of songs were sung and Rev. Loch Howe, pastor and teacher of the class, gave a talk. Then the ladies of the church served coffee and ice cream.

Arrangements are being made for the Christmas cantata, the portrayal of the prophecy, circumstances leading up to and the birth of Christ.

MONTI CARLOS AT HEYINGS

Mrs. A. H. Heying was the hostess in her usual charming manner to the members of the Monte Carlo Whist club yesterday afternoon, at her home on the Ball Road. At the close of the game it was found that Mrs. Mass was the winner of the first prize. Mrs. Heying used pretty red carnations and ferns to make the room more attractive.

After the social hour a delicious luncheon was served from the small card tables, at which were seated the Mesdames Rex Gibson, W. W. Manter, J. H. Garrett, Grace Atkins, Wm. Jackson, Ralph Mass, B. H. Sidman, W. B. Holland, J. A. Claves, W. E. Alexander and the hostess, Mrs. A. H. Heying. Mrs. Alfred O'Brien, guests of Mrs. W. B. Holland, was a guest of the club.

ENTERTAIN AT DINNER

Mr. and Mrs. E. Black and daughter, Miss E. Black, entertained at dinner Thursday evening for Mr. and Mrs. Poupier, and daughter, Miss Margaret, and Mr. and Mrs. Gross and son.

STANDARD BEAVERS ELECT SECRETARY

The Standard Beavers held a business meeting at Methodist White Temple last evening, and although the attendance fell below the usual number, the meeting was a very interesting one.

Plans were made for a big Christmas party and program, which will be given sometime during holiday week. To succeed Miss Charlotte Brown, who moved to Long Beach, Miss Margaret Twinn was elected secretary. Choices of representatives were served, the conclusion of the business session.

TURKEY DINNER IN NEW MANSE

A meeting of the Sunday school board, consisting of officers and teachers of the Presbyterian church, was held last evening at the home of Rev. and Mrs. T. H. Walker, in the new manse. Reports of the several departments from the recent state Sunday school convention were heard, which made most interesting reading.

The gathering was in the nature of a house-warming, as Rev. Walker and family moved into their new home only Tuesday. The house is a beautiful, home-like place of every convenience and was recently completed at a cost of about \$1000. It is a two-story house of eight rooms and bath. The board meeting was preceded by a 6 o'clock turkey dinner, which was of informal service, about 40 covers being laid.

It was decided to hold the primary grades in the Sunday school separate from the other grades, both opening and classes, the entire program to be held in the primary bungalow, by the church.

No other phonograph can do it!

No other phonograph even dares the test which the New Edison underwent last Wednesday, before a large audience at the High School auditorium.

That fact is something for you to think about. The test of comparison with living artists is the only phonograph test which means anything. It is the only way in which a phonograph can irrefutably prove its realism. It is the most drastic of all phonograph tests. To sustain it, requires absolutely perfect realism, nothing less.

Last Wednesday, the New Edison stood by Helen Clark's side in the High School auditorium. If you were there, you heard the living voice and

the RE-CREATED voice brought into direct comparison. You know that there was no difference between the two voices.

A similar test was made by Joseph Phillips with RE-CREATIONS of his baritone selections. Again the same astonishing result—there was no difference between RE-CREATED voice and living voice.

By this wonderful performance, the New Edison has placed itself apart from all other phonographs and talking machines. It alone has sustained this drastic test. It alone has proved concretely and conclusively, that it gives you the living performances of great artists.

Russian Adults Get Food From Relatives Here

This little ward of the American People Administration, which will provide free meals for up to 1,200,000 Russian children this winter, gets a wonderful meal each day at the Hoover kitchen, but he has to go home to a hungry mother and father. The refugee at A. R. A. did not just sit in idleness, but he was actually in the line of the feeding of children and making and preparing meals.

When the first reports of the extent of the Russian famine were received, showing that 15,000,000 persons were actually on the verge of death from hunger, and that as many more were fast approaching that condition, Herbert Hoover suggested to the Soviet authorities that they permit themselves to deliver to adults in Russia, foodstuffs paid for by their friends and relatives in the United States.

Any person can purchase remittances in \$10 units up to \$50 for delivery to specified individuals in Russia and up to \$50 for delivery to recognized institutions or groups. Applicants may be made in person or by mail to the Department American Relief Administration, 2 Broadway, New York City.

The recipient in Russia will receive a quantity of flour, condensed milk, beans, rice, butter, cooking fat, sugar, tea or cocoa, and soon, far in excess of what the sender could purchase at retail in the United States and have delivered in Russia.

CARD OF THANKS

We wish to express our gratitude to our many friends who extended their kindness and sympathy during the sickness and death of our mother, also for the beautiful floral offerings.

CAR POPULAR XMAS GIFT THIS SEASON

"Cars are going to be a popular Christmas gift this year because of the ability to bring year-long joys to the whole family," says "Burr" Bauer, salesman for the Anaheim branch of the Frank P. Taggart Co., Chevrolet dealers.

"There is no single item that gives such satisfaction to each and every member of a family circle as does an automobile, nor is there any other thing that brings the family together so much in pleasant companionship and recreation as an automobile."

"The family car makes every day a Christmas day, and it is entirely likely that most any family would be willing to forego every other Christmas gift for each and every one of them if they could have a car for Christmas."

"There is nothing of the spirit of extravagance in the purchase of an automobile for family use. It is sound investment in something of actual and intrinsic value. Few indeed, are the things which are not only actually worth the money, but possess at the same time those sentimental values that differentiate Christmas gifts from necessities."

"The far-sighted head of any family will do his car buying at Christmas. He has to buy one ultimately anyway, and he has the certainty that nothing could be provided that would bring such a measure of joy to each and every one of those whom he loves."

"Automobile dealers have long since adopted the unique and timely practice in the delivery of their Christmas cars. Sometimes father has the new car put in the garage on Christmas eve, and the next morning instead of the familiar old bus there is a beautiful new automobile to please and surprise the home folks. Another favorite practice is to drive the car to the door and let some curious member of the home circle go out to see who has parked a strange car in front of the house. A ride in the new car on Christmas day is an experience that a great many carry pleasantly thru years of life."

Hart's orchestra held a regular rehearsal last night at the home of E. A. Board on East Santa Ana St. A full attendance of members was present.

Yorba News

YORBA, Dec. 3.—(Spl.) After years of striving and hard work Mr. Arthur Davidson is getting his ranch all in ship-shape condition; one of the latest improvements is the cementing of the water conduits and wherever cementing was needed, Old Davidson is getting it done. He is so soon as he can get to them or, as soon as he can see his way clear to make them. Sunday he and Mrs. Davidson entertained Mr. and Mrs. Overberg from Richmond and in the evening they in turn went over to Overberg's where a very enjoyable time was had by all concerned.

Mr. Dave Sanchez who had been visiting friends in Pomona since Thanksgiving returned home yesterday.

Mr. and Mrs. August Bieger and their two charming daughters, Lucy and Elita, accompanied by Mrs. Amelia D. Velasco attended the California theatre in Anaheim a few nights ago. Thanksgiving and remained for a week's visit at the home of her daughter and son-in-law, Mr. and Mrs. Ygnacio Velazquez. Mr. and Mrs. Velazquez were Mr. and Mrs. P. Palomares of Ventura, Mr. and Mrs. L. Palomares of Hollywood, Mr. and Mrs. Geo. West of Anaheim, Mr. and Mrs. B. Yorba and Vincent Yorba of Yorba, also Mr. Dave Sanchez.

Mr. and Mrs. Fred Himes of Anaheim called on Mr. and Mrs. J. F. Velasco, the first part of the week.

Mrs. Beatrice Yorba-Johnson, a niece of Mrs. Velasco, has, by her descriptive and interesting letters and postcards, as visualized for her friends the itinerary of a trip she has been taking and which included San Antonio, etc., which we hope has been as enjoyable to her as it seems to those reading about it.

Mr. Pete Romero is the proud possessor of a new Chevrolet and whilst he is quickly getting over it he still is wishing hard that the roads were wider, the traffic less, and that there were not so many corners to turn.

The journalistic bug seems to have bitten several persons in this neighborhood, as, vi de the numerous excerpts purporting to come from "Yorba Linda," yet when something does really get sent from Yorba it is credited to "Yorba Linda." Now, we do not mean that the Yorba Linda correspondent has anything to do with it, but, of course we old-timers at the business, know that every well-appointed editorial sanctum has at least one perfectly good (?) Devil (!) and occasionally even the editor-in-chief when not too much pressed for time—or copy—to amuse himself (or themselves?) he takes to holding heads with the little imps, which develops an appetite for pi, or mischief, and the mischief is done. (Hope the O. C.'s other correspondents understand that I really mean pi, i., pi not "pie," which is altogether another kind of "feed,"—this not being slang either.)

WIND MAKES SEDAN MORE DESIRABLE

That expansive smile spreading over the countenance of Harry D. Riley, Studebaker distributor, today is caused by the strong wind. Yes, Riley likes these winds because it makes business good. This week the Studebaker has been showing a fine line of enclosed cars, specializing on sedans, and there is nothing quite like a disagreeable wind to prove the desirability of an enclosed car.

Eight styles of enclosed cars are being shown, from two to seven passenger models, and for the benefit of those who cannot get in during the day, Mr. Riley is keeping his salesrooms open until 9 o'clock this evening. A novel concert may be heard there each afternoon and evening from 4 to 5 and from 5 to 9, the music coming from Los Angeles by wireless. This is a rare treat and is being enjoyed by the crowds who visit the show room of the Studebakers.

RICHES AND THRIVING FROM THE RAINS

California's rainy season is beginning auspiciously. Gentle downpours at this time of year are of incalculable material worth. They sink into the soil and saturate it. They moisten the roots of vegetation and the glad earth drinks the welcome fluid with avidity. The soil is made ready for late fall and winter plowing. Grasses begin to grow. Grain is advanced. Orchards are refreshed. Gardens come forth with generous growth. Hence the enthusiastic Californian rejoices when the rainy day comes and is ready to sing with the poet:

"It isn't the raining rain to me,
 It's raining daffodils."
 In every dimpling drop I see
 Wild flowers on the hills!

A cloud of gray enigmatis the day
 And overhead the town—
 It isn't raining rain to me—
 It's raining roses down!"

Winter visitors to California may be inclined, at first, to complain of rainy days. But when they have been here awhile they catch the infectious rejoicing of Californians. "In every dimpling drop to me," say "wild flowers on the hills." As they go forth on pleasure jaunts after a refreshing "rain drop" they see "wild flowers on the hills." By which, through the blessed instrumentality of the showers, the green fields and orchards and woodlands and meadows and mountain heights are intensified in their verdant beauty and in the copious rains work magic in swiftly dispelling the sombre brown and supplanting them with the living greens.

The millions of common people of every land are longing for peace. Should the Arms Conference not reach agreement, the world will be plunged into a new era of despair and profound discouragement to the world.

MICE HAVE TWO GRADES OF HAIR

W. E. ALLEN.

California Biological Feature Service
 How many kinds of hair does a mouse have? Yes there are two, but that does not include the whiskers. Mr. R. R. Huettel, a Canadian veteran of the World War, a graduate student of the University of California, and a leading authority on mouse hairs, says that in his studies it is most convenient to consider that there are four kinds obtained by subdivision of the two. He is investigating hereditarily in California their mice and the hairs are being carefully examined for evidence of change in course of the experiments.

Mouse hairs which he has examined are not quite circular in cross section but are a little flattened on one side. There are two kinds as to general shape, one rather broad and larger at the middle than at the two ends toward which it tapers, the other narrow and more nearly the same size throughout its length. The narrow hairs are yellowish (called "aquila") in color in their outer portions and they mostly form the inner coat of the fur. The broad hairs are of three kinds, one with agouti color, another with a section of agouti color toward the outer end and the third with all black color. The last two are also called overhairs, presumably because they form an overcoat which protects the more delicate inner hairs.

All hairs spring from a so-called root and the main body is called the shaft. This shaft is partly hollow in the middle and the spaces are filled with air or coloring matter. If there is no coloring matter present, the hair is white no matter how much air is in it. The solid material forms a spindle and is covered on its outer surface by tiny scales. The large, black over hairs are most numerous near the back bone so they give the appearance of a more or less deeply black stripe down the middle of the back. They are less prominent toward the sides, hence the agouti or white sorts are more plainly seen, thus giving lighter shades of color in that region. Hairs on the lower surface of the body look white that part of the body looks white. One thing that Mr. Huettel is trying to learn is whether or not the numbers of white hairs to the square inch of surface differ in different mice and if so whether or not that difference is inherited. In order to learn about this it is necessary to take a piece of skin and count under a microscope the number of hairs in a given space. To do this he cuts out a piece of dried skin with a punch but he finds that hairs are set in rows somewhat like vegetables in an orderly garden and that his punch does not always cut the rows the same way. Sometimes it hits only the edge of two rows and other times it gets the whole row within the distance that it covers. This causes serious difficulty in estimating the number of hairs on the whole body and makes it necessary to examine more samples than would otherwise be expected in any kind of scientific work and the scientist simply goes ahead doing the best he can.

It is from Wittman's idea good.

BAKERSFIELD YOUNG FOLKS ENTERTAINED

GARDEN GROVE, Dec. 3. — A number of young people from Bakersfield were entertained over Thursday night by Garden Grove friends.

They met at the Yucca campgrounds last summer. They went to San Diego last Friday and attended the second R. Y. P. U. convention until Sunday, when they returned an enjoyed supper at the home of Miss Chas. Hammon.

Monday morning before they returned to Bakersfield a cafeteria breakfast was served at the G. L. Beardsley home.

The guests from Bakersfield were Misses Wanda Rietter, Lena Collins, Frankie Newton, Letitia Newton, Mary Fern Baker and Al Johnston, Harry Redfern, Neil Rietter, Bill Collins, Harold Corp and Orville Eades. The Garden Grove young people who entertained them were Edna Beardsley, Freda Adkins, Emma and Mary Lee, Chas. Hammon, Thomas Emerson, Robert Leubhardt and Walter Leubhardt.

Mr. and Mrs. W. B. Harper enjoyed a family reunion at 1 o'clock dinner Sunday. Best friends immediately family, covers were laid for Mr. and Mrs. Earl G. Marshall, Miss Nina Wickstrom of Los Angeles, Mr. and Mrs. Wilbur Harper and Mark Harper.

Mr. and Mrs. J. E. Burkett were Sunday visitors of Mr. and Mrs. J. A. Doolan.

Miss Cecil Umphres has resumed her duties as chief operator at the local telephone exchange after a month's furlough.

Miss Lettie Harper has recovered from a recent attack of fluency and resumed school duties last Wednesday.

Mr. and Mrs. Elmer Wells and two sons of Long Beach, were Sunday guests at the Ed. Doolan home.

The Bert Gays family are all ill with bad colds this week.

Mrs. Susan Chaffee went to Pasadena Tuesday to spend this week with her sister, Mrs. Bell Helm.

Mrs. Gertrude Paquette Retlow, of Pomona, called on Mrs. W. B. Harper Monday. Mrs. Retlow lived in Garden Grove several years ago.

Nelson Cook returned Wednesday evening from Santa Susana, where he spent several days attending to farming interests at that place.

STAGE TITLE GAME ON BOVARD FIELD

Bovard field, Los Angeles, will be the scene of the final. Cal. gridiron title battle between Santa Ana and San Diego Saturday, Dec. 10, according to an agreement between officials of the two schools.

Following a telephone conference between Principal D. K. Hammond of Santa Ana and Principal T. M. Russell of San Diego it was agreed to stage the contest on the Los Angeles gridiron.

Immediately upon learning of this decision Major McWaters, in charge of the Red Cross disabled war veterans' drive in Los Angeles, began negotiations to allow the Red Cross to take over the management of the contest. He proposes to guarantee each team \$1000 and expenses, and to attend to all publicity provided the surplus go to the organization. He assures the school authorities of an attendance of 12,000.

Principal Hammond agreed to the proposition, but San Diego requested \$1500 and expenses, which would bring it total to about \$2,000. It was not thought that the Los Angeles officials would receive this word with enthusiasm, as it would make their profit small. The matter was being considered, however, and a decision was expected momentarily by Hammond, who was in conference with McWaters.

Marshall Neil's daughters masterpieces, "Bala," "Bala," and "Bala," are seen again at the California. The cast includes Wesley Barry, Lon Chaney and 14 other colorful performers. There are also other decided novelties.

Clayton will be seen again tonight at the Fairland in "Beyond." The Poppy Girls' Revue is also scheduled for tonight.

G. G. VOTES UPON H. S. BONDS TODAY
Voters in the Garden Grove union high school district, embracing the grammar school districts of Garden Grove, Bala and Alamitos, today registered their approval or disapproval of a proposed bond issue of \$125,000 for the purchase of a site and erection and equipment of a union high school building.

There was no doubt as to the voters supporting the issue, according to the statement today of a prominent resident of Garden Grove, it is that some residents of the Bala district have expressed their belief that Bala should go into the Huntington Beach union high school district because that district has a great assessed valuation, but it is not believed the opposition to the Bala district will be sufficient to affect the result of tomorrow's election.

An option has been secured on the boulevard a half mile west of Garden Grove, as a site for the high school. It is understood the option for \$12,000 is in effect, and the building will cost \$90,000. The remaining land proceeds will provide equipment for the school. It was said today.

Seventy pupils are now attending the union high school.

News of Fullerton

OWNERSHIP OF \$100 TERRIER IS PUZZLE

This is not the story of a dog fight—it is merely the story of a fight over a dog. There are dogs and dogs, and still more dogs but it is a Yorkshire terrier valued at \$100 that the Fullerton police have been having such a time about. It seems that the dog came to Mrs. Ada Boyd of Montebello about two years ago. They paid tax on him twice, and became very much in love with him. Then he disappeared. One day a friend of theirs saw him riding in an automobile and told them. They got the license number and found that the car belonged to W. T. Robinson of the Amalgamated League of Fullerton. They got out papers of replevin and Marshall Eells of Fullerton got the dog for Mrs. Boyd. The Robinson came back also with papers of replevin and Marshall Eells served them, taking the dog from Mrs. Boyd and returning him to Robinson. When the question arose, "Whose dog is it?" Marshall Eells gives it up. Bring on your dog experts.

GARDEN GROVE MEN LAUNCH NEW BANK

With a site purchased and preparations being made for a new building, a new commercial and savings bank will be in operation in Garden Grove within the next ninety days, according to H. A. Lake, prominent resident of Garden Grove, and one of the committee instrumental in organization of the financial institution.

Permit for opening of the bank has been given and everything is in readiness for launching the new enterprise. It is expected the bank will open with capital stock of \$25,000, fully subscribed and a surplus of \$5,000.

It is said that it is to be an independent bank and its promotion at this time is due to antagonism on the part of Garden Grove residents to a project to open a branch at Los Angeles bank.

It is understood that efforts were made a short time ago by outside interests to establish a branch and that a permit had been secured, later being surrendered.

P. H. Felberg, formerly president of the Hammond County State bank at Hurst, South Dakota, is the moving spirit in the new enterprise. He has been residing in Fullerton, on ranch property for about a year. Disposing of his ranch a short time ago, he took up the project of a second bank for Garden Grove last week.

Application for a permit was telegraphed to Jonathan S. Dodge, state superintendent of banks, and the application was granted yesterday.

The organization committee is composed of Felberg, Lake, P. N. Larsen, C. A. Emerson, J. G. Allen and Maruo Hellman, all residents of Garden Grove except Hellman. It is expected Felberg will be cashier. Felberg has bought a residence lot and is erecting a dwelling at once.

The site of the bank building is on Euclid avenue, immediately north of the site of the Garden Grove Hotel. The lot has just been purchased. Plans for the construction are now being formulated.

DIRECT ELKS' CLUB

Anaheim Lodge, No. 1346, of the Elks, has completed arrangements for unusually good a la carte and table d'hôte service at its new club house when it is opened.

Frank A. Rice, until recently with Marcello in Los Angeles and former steward of the University Club of Kansas City and manager of Harvey restaurants on the Santa Fe, has been appointed steward, the house committee has announced.

The club cafe will serve a 50-cent lunch and \$1.00 table d'hôte dinner for members and Sunday and holiday dinner for \$1.25. The club will feature its dinner dances. It will be possible for members to entertain their wives and friends at luncheon and dinner whenever they see fit. The men's grill also will be a very convenient feature afternoons and evenings, and the room will be available for the holding of parties. The Pergola roof garden also is ideal for this purpose.

The guests, seated under awny parasols, will feel as if they were in Europe itself. Evening teas will be still another feature.
